122 Kandi buri muntu wese yubakaikintu na kimwe, idini na rimwe, canke ikintu na kimwe hanze y'Ijambo ry'Imana,n'umusenyi unyika kandi kizosenyerana! Kizopfa neza na neza nk'ikindi kintucose, kubera Ijambo ry'Imana ari wa Mubiri wa Kristo utera ukura. Ntushoborakuwugira wose ibirenge, wose amaboko, wose amatako. Ivyo bintu bizira mu gihecavyo.

Namwe Abapentekoti, vyosemwabigize ikintu kimwe, aho rero nta mpishuro nshasha mushobora kwemera. Nicogituma muguma aho muri hanyuma mugapfa. Rirabandanya. (Ni vyinshi cane;sinshaka kubaruhisha.) Ariko Imana ntihindura iciyumviro cayo, ingingo yayo yambere ni iy'ukuri atavyo kwihenda. Rero Imana ntihindura iciyumviro cayo, irabarekagusa mukabandanya mu bugombe bw'ubwemererano bwanyu. Aravuga ati: "Arikondaja mu gisagara nkaronka ibihumbi mirongitatu vy'abahindukiriye Imana nkagarukamu mezi atandatu sinshobore kuronka mirongitatu." Aravuga ati:"Murazi ingorane aho ziva?" Aravuga ati: "Mwebwe abavugabutumwab'abanebwe," aravuga ati: "Muriyicarira n'ukuguru ku ntebehanyuma—hanyuma mugaterefona abo bantu kuri terefone aho kubagendera muhejejeimfungurwa zo kumugoroba mukabaganiriza."

Oo, umutima wanje warikouraka. Ndiyumvira nti: "O muntu ahambaye w'Imana, kutemeranya nawe turingaha ndavyanka, ariko ni bande bari abavugabutumwa b'abanebwe ku wuhindukiriyeImana umwe wa Paulo? Ico yakora yamwinjiza mw'Ijambo, yamwinjiza mu Butumwa,yamushikana aho aronka Imana; umutima wiwe waka umuriro, agaca adomeka igihugu!Kandi ikintu kimwe gusa mukora n'ukubashira mw'ishengero rya Batiste cankeMetodiste, canke ikindi kanaka, nta gitangaje kubona ata kintu na kimwe kirimwogiturira."
