Ari muri iryo hema rya Oxygen, kandi umugore we mukundwa yarampamagaye maze arambwira ati, "Mwenedata Branham, niba utekereza kubona inshuti yawe ya kera Bill akiriho, ibyiza ni uko waza vuba."

51 Kandi Njye… rimwe mu mapine yanjye ryari ryacitse ku ruhande, ipine rimwe rirangirika, kandi naciye ipine ry'imodoka yanjye ndimo ngerageza kumugeraho. Narimo nturuka kuri—kuri—station ya essance, kandi nturutse mu bwiherero rusange aho nari nahagaze aho muri Ohio ndimo ngerageza kumugeraho, maze ndimo nsohoka mbona iyerekwa. Kandi aho hari hahagaze Mwenedata Dauch, ahagaze mu rusengero n'ikiganza cye kizamuye; birahinduka, maze mbona amanuka umuhanda nuko araza aransuhuza. Rirambwira riti, "Genda ubimubwire, UKU NIKO UWITEKA AVUZE."

Yari afite hafi nk'imyaka mirongwicyenda hanyuma. Yari afite indwara y'umutima hamwe no guhagarara k'umutima, ndetse no kunanirwa burundu k'umutima. Umuganga mwiza cyane uwo mugabo ntawo ari… ntabwo ashaka… Njye… ntabwo ashaka ko mvuga ibyo. Ni umuntu ushobora kugera, kubona buri mudogiteri ashaka. Yari afite umuganga mwiza w'umuyahudi wahuye nanjye mu kirongozi maze aravuga ati, "Nta mahirwe afite yo kubaho."

Kandi ninjiyemo maze ncengeza ukuboko kwanjye munsi y'iryo hema rya oxygen; ndavuga nti, "Bill, ushobora kunyumva?" Azunguza umutwe we. Ndavuga nti, "UKU NIKO UWITEKA AVUZE, 'ntabwo ugiye gupfa ubu.'"

52 Icyumweru uhereye ubwo, igihe nari ngiye ku gicaniro kubwiriza ubutumwa bwanjye, hano haza Mwenedata Dauch arimo agenda aho mu nyubako. Kandi igihe nagiye aho kuri Furr's Restaurent, hakurya… ndavuga kuri Blue Boar, hakurya muri Louisville, aho yarimo asohoka mu modoka, amanuka umuhanda, arambuye ikiganza cye, bihura neza n'Ijambo ry'Uwiteka. Ibyo ni nko mu myaka itatu cyangwa ine ishize; kandi aha yicaye yaje inzira ya hano muri Shreveport (yambutse igihugu, adakoresheje indege, akoresheje imodoka), yicaye hano muri iki gitondo. "Umunsi mwiza w'amavuko, Mwenedata Dauch." Ibyo biturutse mu gihugu hose, buri hantu hose. "Imana iguhe umugisha."

53 Naramubatije, nyuma yo kuba umunyabututatu, naramubatije igihe we… Yari mu materaniro yanjye yambere, igihe Mwenedata Banks Wood yagombye kumuha imyenda ye(ni umuntu ubyibushye nkuko mubibona.), maze ajya mu kidendezi maze ndamubatiza nko hafi ku myaka mirongwinani n'itanu cyangwa mirongwicyenda, mw'Izina ry'Umwami Yesu. Yaravuze ngo ntiyigeze amera neza kugeza igihe yabonye uwo mutekano w'ikintu runaka. Noneho yakira isabukuru y'amavuko y'aho atazongera gusaza. Uko ni ukuri, icyo n'igihugu gikomeye. Yewe anizeye kuzabaho kugeza kukuza k'Umwami; bishobora kubaho. Ariko nasinzira, we—noneho tuzakangurwa muri icyo gihe, aza ari uwa mbere. Uko ni ukuri. Nuko, Mwenedata Dauch, ntaburyo buhari noneho bwo guhusha ibyo. Uri nyakuri mu murongo. Ugume aho, mwenedata. Imana iguhe umugisha. Kandi ndashimira Umwami umuntu mwiza nk'uriya, kubw'uko wamuhaye iyi myaka yose.

54 Mu gitabo cy'Ingoma: "Kugerageza gukorera Imana umurimo Bitari Ubushake Bwayo." Imana ikora icyo ishatse. Icya mbere biradusaba gusobanukirwa ibyo. Abantu uyu munsi batangazwa n'impamvu ki tudafite ububyutse. Mwizeye ko Imana ikora icyo ishatse? Murabona, Bibiliya ibivuga muri ubu buryo.

Kandi turagerageza… Nkuko narimo mbiganira n'itsinda rya benedata beza, benedata b'Abaptista, hadashize iminsi, kandi baravuga bati, "Mwenedata Branham, dushobora kugira ububyutse gusa igihe dufashe Ijambo, ijambo kw'ijambo, urupapuro ku rundi, inyuguti ku yindi."

Maze ndavuga nti, "Ndabyizera, urupapuro ku rupapuro." Aravuga ati… ndavuga nti, "Bagerageje kubikora igihe cyose."

Aravuga ati, "Ariko tugomba gushaka ubusobanuro bw'ikigereki bw'Ijambo, icyo ikigereki kivuga."

Ndavuga nti, "ntabwo nasomye cyane, ariko gusoma amateka y'itorero, ndetse n'Inama yiNikeyam cyangwa ababanjire Inama yiNikeya, ba data b'iNikeya, n'ibindi, bajyaga impaka kubijya n'Ikigereki. Ibyo ni nko mumyaka ibihumbi bibiri ishize. Umwe akavuga ati, 'Bisobanuye ibi', nuko undi akavuga ati, 'Bisobanuye biriya. Ijambo ry'Ikigereki risobanuye ibi.'"

55 Kimwe n'ururimi rwacu, ijambo "see" Ukoresheje ijambo "see[kubona—kiny.ed]" ushobora

gusobanura"ikirundo cy'amazi," "ndasobanukiwe," cyangwa ibintu byinshi. Ahatoboye, "kuba urimo gutobora umwobo," "gukora urugendo," cyangwa—cyangwa "warandambiye" cyangwa "wishyuye urugendo rwanjye" cyangwa rishobora gusobanura icyo aricyo cyose—ibintu byinshi. Kandi ziriya nyuguti ntoya ndetse n'ibindi, zihindura ubusobanuro bwose. Nuko udashobora kubikora gutyo. Imana yaryanditse gutyo, kubera ko...

Kandi Amagambo yose arahumekewe, kandi Yavuze ibyo, "Ndagushimira, Data, ko Wahishe ibi bintu amaso y'abanyabwenge n'abahanga, nuko ukabihishurira(Amena.) abana bato bashobora kubyiga." Ni uguhishurirwa Kwe, nkuko nabivuze umugoroba ushize, "Yabihishuriye abana bato..."

Naramubwiye nti, "ntabwo byakora, mugabo." Ndavuga nti, "Ububyutse ntabwo buzigera buza kugeza Imana, Imana ikora ibyo ishaka, ibwohereje; kandi hanyuma ishobora gufata umuntu udafite ubwenge uwo udashobora kwandika izina rye maze ikamukoresha, uwo utazi no kuvuga icyongereza neza usibe n'Ikigiriki. "

56 Ibyo nibyo Yakoze mu gihe ubwo Petero yabwirizaga kuri Pantekote, murazi; ntabwo yashoboraga no kwandika izina rye: intamenya kandi itarize. Ariko Imana ikora ibintu mu buryo budasanzwe ku mitekerereze y'abanyabwenge. Ibyo biyigira Imana. Iyo ifata itsinda ry'abanyatewologiya n'abanyacyubahiro, ndetse n'ibindi, bajyaga kuvuga bati, "Uriya Kayafa w'umuhanga(Murabona?), ari mu kuri." Ariko Imana yaramanutse maze ifata abarobyi batari bubashe no kwandika amazina yabo, kandi abo nibo Yafashe. Iyo ni Imana; Yafashe ikintu kidafite icyo kiricyo maze igihindura ikintu runaka igikuye muri cyo kubw'icyubahiro cyayo. Yafashe akavuyo maze ikoramo Edeni. Ni Imana.

57 Noneho, niba hari abantu bafite mekanike yo kugira ububyutse, ni mwenedata w'umunyacyubahiro, Billy Graham. Ariko mekanike ni nziza, ariko mekanike ntabwo yasunika ibintu; bisaba imbaraga kugira ngo bigende. Ushobora kubaka imodoka, ugashyiramo imyanya myiza muri yo, ugashyiramo za pisto nziza, ndetse—ndetse bigahamywa n'ubushakashatsi ibyo bishobora gukora; Ariko uretse gusa ko imbaraga zaba zirimo aho, ubundi ni ikintu kiza gipfuye.

Ni uko biri mu bubyutse bwo mu gihugu cy'igalle, bumwe mu bubyutse buheruka mbere y'abapantekote bacu, nta numwe wamenye uwatangiye ububyutse, ryari itsinda ry'abantu.

Noneho, igihe tubonye ibyo byose… Inshuti yanjye, Billy Graham, afata Abapresbyterians, n'Abaluteri, n'Abapantekote, na buri kintu cyose akabishyira hamwe, akajya mu mugi, maze aho hakaba kurundanya ibihumbi byinshi, nuko ibihumbi mirongwitatu bikaza mu byumweru bibiri maze bagaha imitima yabo Kristo; bakongera bagasubirayo mu byumweru bibiri nuko ntusigarane n'umwe. Murabona? Ibyo ni mekanike. Ariko reka Imana mu buntu Bwayo bwo gukora icyo ishaka ivugane gusa n'umuntu umwe muto utagira ubwenge, nkuko wabivuga, umuntu utazwi; reka Umwuka Wayo umanuke mu mugi maze abagabo batajya ku kazi, abagore badashobora koza amasahani, abari badashobora gusasa uburiri, basakuza ndetse barira hamwe n'ibiganza byabo bizamuye mu kirere. Ubwo ni ububyutse; ibyo biri mu bushake bw'Imana.

58 Bivugwa ko bamwe mu bakomeye baturutse mw'itorero bagiye mu gihugu cy'iGalle kugira ngo basobanukirwe, cyangwa kugira bamenye neza izo mekanike zari muri ubwo bubyutse, mu gihe cy'ububyutse bw'iGalle. Kandi igihe bavuye mu nkuge hamwe n'izo ngofero zabo ndende bambaye, hamwe nayo makora azengurutse ijosi; babona harimo hamanuka mu muhanda, umupolisi muto, arimo azunguza ndembo hirya no hino nka gutyo, avugiriza, Baravuga bati, "Mugabo mwiza, ushobora kumbwira aho ububyutse bw'iGalle buri?"

Arababwira ati, "Yego, benedata; muhagaze hagati muri bwo." aravuga ati, "Musobanukirwe, ni njye bubyutse bw'iGalle," aravuga ati, "kubera ko ububyutse bw'igalle buri muri njye."

59 Ibyo ni ugukora icyo ushatse. Ibyo nibyo Imana ikora, kandi niyo Yonyine ifite uburenganzira bwo kohereza ububyutse. Atari ugushyira za mekanike hamwe, ni ugusenga Imana kugira ngo yohereze imbaraga—imbaraga.

Yo yonyine ihishura Ijambo Ryayo kuri abo bamenywe mbere. Noneho, igihe nkoresheje ijambo "kumenywa mbere"… Noneho, ni ijambo ribi ryo gukoresha mu bantu rusange, cyane cyane iyo dufite igihiriri kivanze cy'Abanyamategeko n'Abanyabuntu. Kandi atari… Nabasabye kudatekereza ko mbizi byose, ariko bose bari mu makosa ukurikije Ibyanditswe. Ubuntu n'icyo Imana yankoreye, imirimo n'icyo njye nyikorera. Murabona? Noneho mwabibonye. Nuramuka uhejeje inguni imwe muri ibi bice bihera, nyakuri uzisanga hanze kwiherezo ry'icyo gice kandi udashobora kugaruka. Igitabo cy'Abefeso kibishyira hamwe; ndatekereza.

Noneho, ariko iri jambo, igihe ndikoresha, "kumenywa mbere," ntutekereze ko ndi… Ko iri ariryo jambo ryonyine nzi uko —kugira… ni ukumenya mbere kw'Imana(Murabona?), ibyo Yo izi. Yo—Ntabwo Yavuga… We—Yarapfuye kugira ngo bose bakizwe; Yarabikoze; ariko kubwo kumenya mbere Yarizi uzakizwa n'utazakizwa. Murabona? Ibyo nibyo izi; ntabwo mbizi; ntabwo mubizi, bityo dukorera agakiza kacu dufite gutinya kandi duhinda umushyitsi.

60 Noneho, Ariko Imana ifite Ijambo ryayo riteguye, kandi ifite mu bisekuru byose. Kumenya mbere Kwayo kwayiteye gushyira mw'itorero, ndetse no mu bantu, ikintu runaka cyo Yakoze kuva mw'itangiriro. Kandi hanyuma Ubutumwa Bwiza ubwo bubwirizwa kuri icyo gisekuru buhishurwa gusa ku bwoko runaka; abasigaye babo ntabwo babibona. Murabona? "Ndagushimira Wowe, Data, wahishe ibi bintu amaso y'abanyabwange n'abahanga, nuko ubihishurira abo bashobora kubyiga." Ibyo ni ukumenywa mbere. Atari Uko ariyo Yabikoze, nko kuvuga iti, "Ndahitamo wowe, ndeke wowe." Kubwo kumenya mbere Yamenye icyo uzakora.

Kubwe kubwo kuba utagira iherezo… Mwizeye ko Ari utagira iherezo? Niba Atariko ari, Ntabwo yaba Imana. Noneho, mubitekerezeho, kubwo Kuba utagira iherezo izi buri mbaragasa yose ishobora kuzaba kw'isi, inshuro zose izo mbaragasa zizakubita ingohe z'amaso yazo, ibinure bingana iki muri buri mbaragasa, buri kibabi cyose cy'icyatsi izigera ihagararaho; uwo ni utagira iherezo. Twe tugira iherezo; tugasitara mu mwijima. Imana yatugereranije n'intama, kandi tugomba kugira umuyobozi. Kandi uwo muyobozi ntabwo ari umuntu; uwo Muyobozi ni Umwuka Wera, Umwuka wa Kristo muri twe. "hasigaye igihe gito isi ntiyongere kumbona." Umubiri We ufatika wazamuwe ku ntebe y'Imana, aho Umwuka wari uri ku ntebe y'ubwami; ubu Kristo ari ku ntebe: Yesu. "Hasiga igihe gito maze isi ntiyongere kumbona ukundi, nyamara mwe muzambona, kubera ko nzaba hamwe na mwe kugera ku mpera y'isi, Mbe no muri mwe." Intebe y'Imana, ya Kristo, yubutswe mu mitima yanyu; kandi Yicaye ku ntebe y'ubwami y'Imana; ariko muri millenium Azaba yicaye ku ntebe Ye bwite; ariyo, Yarirahiye ko Azazura uyu muntu, Umwana Wayo, Umwana wa Dawidi, kugira ngo yicare ku ntebe Ye.

61 Noneho, ibi bintu ibihishurira binyuze mu kumenya mbere abo yageneye ibi bintu; naho ubundi ntibashobora kubibona. Bahagarara aho babireba ariko ntibashobora kubibona.

Ni bangahe bigeze babona ya foto y'inka iri mu gihuru, iyo ari ngombwa ko ushakisha cyane? Ese mwigeze mubona ibyo? Cyangwa, kubona ifoto ya Kristo iri mu gihuru, cyangwa mu kirere, cyangwa igicu? Murabona, uriya ushushanya yabikoze mu buryo ugomba kubireba mu buryo runaka kugira ngo ubibone. Nibyo, noneho, igihe wigeze ubibona rimwe, ntabwo wakongera kugira ikindi kintu ubona uretse ibyo. Burigihe uko urebye, biba biri aho. Ni bangahe babonye iyo foto? Nibyo, ni ukuri mwarabibonye.

Nibyo, ubwo nibwo buryo Kristo ubwe ari Ubutumwa Bwiza, ubutumwa ni ubwo. Igihe ubonye Ubutumwa bw'igihe, nta kindi ushobora kubona uretse bwo. Ibyo birahagije. Ibindi bintu byose biba bigiye; ibisigaye ni ukuzuza(Murabona, murabona?) igihe wigeze ubona Ubutumwa inshuro imwe.

62 Ibyo—byari mu gihe cya Nowa. Igihe Nowa n'abantu be…?... Igihe babonye ubutumwa, nta kindi cyari gifite agaciro. Igihe itsinda rya Mose ryabubonye, nta kindi cyari gifite agaciro. Igihe itsinda rya Yohana ryabubonye, nta kindi cyari gifite agaciro. Igihe itsinda rya Yesu ryabubonye nta kindi cyari gifite agaciro. Igihe itsinda ry'intumwa ryabubonye, nta kindi ryari gifite agaciro. Igihe itsinda rya Luteri ryabubonye nta kindi cyari gifite agaciro, itsinda rya Wesley ryabubonye, itsinda ry'Abapantekote ryabubonye, nta kindi cyari gifite agaciro; bagiye kure ya buri kintu. Kubera iki? Kubwo kumenya mbere Kwayo Yateguye mbere ko ibi bintu bizabaho.

63 Itoranya abayo binyuze mu kumenya mbere kwayo. Nkuko yabivuze mu ba Roma 8 hano, ko Esawu—uwo—kugira ngo gutoranya kw'Imana kube ari ko… Ni uko Esawu na Yakobo bombi bavutse ku babyeyi bera kugira ngo gutoranya kwayo kube ari ko kandi ari ukuri, aravuga ati, "Nanze Esawu kandi nkunda Yakobo," mbere y'uko havuka n'umwe. Murabona? Izi ibiri mu muntu. Yari izi kuva mw'itangiriro ibyo ari byo; bityo igatuma buri kintu gikora neza neza kw'isaha yacyo. Twese ducika intege ndetse tukabuzwa amahoro; ntuzigera uyibona ibuze amahoro; ntibyabaho. Murabona? Ibintu byose bigenda neza; neza neza, bikurikije isaha.

Ibi bintu byagomba kubaho, aba bagore bose n'imisatsi migufi, ndetse n'aba bagabo bambara ibyo—bafite imisatsi kimwe n'abagore babo. Ndababona, nyakuri, bafite ibyo bituta mumisatsi yabo, babizinze hano hejuru. Mbega kwangirika. Izo ni ingaruka za Edeni ya Satani. Nuko nimumurebe, arimo aragerageza gukata imisatsi kimwe n'umugabo we. Umugabo we nawe akareka imisatsi ye igakura kimwe n'iy'umugore we. Kandi arimo kwambara imyambara ye, ndetse akambara imyambaro y'imbere ye. Murabona, ngaho aho muri. Umugore arimo kuba umugabo, umugabo nawe akaba umugore. Murabona, ni Edeni ya Satani, binyuranye n'uburyo Imana yabiremye kw'itangiriro. Uko ni Ukuri.

64 Iyo ntatangira, ntabwo twari kwinjira muri ibi. Ariko ibi bintu, ndetse n'uburyo Bwe bwo kubikora, n'uzabikora, ubwo ni uburyo Bwayo bwo gutoranya; Iratoranya. Ubwo ni bwo buryo Ishaka ko bikorwamo.

Nkuko numvishe Mwenedata Pearry Green, pasteri wacu muri Tucson, abwiriza irindi joro kubijyanye n'uburyo Imana yakoze ibintu mu buryo runaka(nibagiwe umutwe yarimo abwiriza.), ariko yaravuze ati, "Ubu nibwo buryo Imana ibishaka; ubwo nibwo buryo Imana ibikora." Nibyo, ni ukuri.

Noneho, ninde muri twe uyishinja amakosa? Ninde watinyuka guhagarara imbere y'Imana, maze akavuga ati, "Uri mu makosa, Mwami, Wagombaga kubikora mu buryo nshaka ko ubikora, uburyo Dr.

runaka yavuze ko bikwiriye gukorwamo"? Uwo ni nde wataye umutwe wo kuvuga ikintu nk'icyo? Oya, ntabwo wasohoka ngo uvuge ibyo, ariko murabitekereza.

65 Kimwe no mu Butumwa bwanjye kuri antikristo, "Aho hazahaguruka ba kristo b'ibibinyoma." Noneho, ntabwo yavuze ngo ba Yesu b'ibinyoma. Murabona, nta muntu wahagarara ngo yiyite "Yesu," mu gihagararo cy'Umwami. Ariko ba kristo b'ibinyoma bisobanuye "abasigwa."

Oh, bo, buri wese atekereza ko asizwe, "Icyubahiro n'icy'Imana, ushobora gukora ibi ndetse ugakora biriya." Ariko mugerageshe Ijambo nuko umenye aho yaturutse(Murabona?), ku butumwa bw'igihe.

Bari basizwe mu gihe cya Yesu, ariko atari kuri we. Bari bafite gusigwa mu gihe… Yewe na Datani yari asizwe mugihe cya Mose. Aravuga ati, "Noneho, ntutekereze ko ari wowe wera wenyine hagati muri twe; Imana ifite benshi. Tugiye gutangira ishyirahamwe hano, itsinda ry'abantu."

Imana iravuga iti Mose, "Itandukanye na we." Ifungura isi nuko irabamira. Yari yarahaye Ijambo Ryayo ry'umwimerere Mose, umuhanuzi Wayo; ubwo nibwo buryo bwonyine Yigeze ibikora, kandi nibwo buryo bwonyine Izigera ibikoramo. Ntabwo ijya ihindura gahunda yayo. Murabona?

66 Niko Ibitekerezo byacu ari amakosa. Ibitekerezo byayo biratunganye igihe cyose. Kandi ntukagerageze kuyibwira ko iri mu makosa. Uwo twatekereza wese ko abibereye; ibyo ntabwo ari ibyacu kuvuga uwo bibereye. Noneho, aho niho mugeze mw'ishyirahamwe ryacu.

Mwenedata umwe muto wuzuye Umwuka azajya mu mugi maze yubake ishyirahamwe—yubake—itsinda ryiza ry'abantu, kandi aho mu nama bazahura, nuko benedata bera bose bazajya hamwe, murazi, maze uvuge uti, "Murazi ibyo aribyo? Nizera ko Jones hano(ni umuntu ugaragara muri bo.), ntekereza ko agomba kugira ruriya rusengero runini rwiza; niko ntekereza. Ese ntimubona ko ari byo?" Nuko ho, mbega. Ngaho aho agiye. Maze hanyuma itorero rigatatana. Murabona?

"Mwitandukanye." Imana iratandukanya; Niyo ibikora. Ariko bo bose, buri wese, ashaka gutwara akantu gato hano, akagashyira hakurya hano, n'akandi akagashyira hepfo hano. Ibyo n'ibitekerezo by'umuntu.

67 Umuntu afite imfunguzo, ariko Imana niyo ifashe imfunguzo ubu. Yazihaye intumwa, itorero ryera, imfunguzo; nuko reba inshuro ya mbere bazikoresheje. Igihe Yuda yagwishijwe n'ibicumuro, bagiye hamwe maze bakora ubufindo, nuko abantu bera… Ninde wari kuvuga y'uko batari abera? Ninde uvuga ko batari abera? Ariko bakoze ubufindo, nuko bigwa kuri Mattias. Kandi igihe we... N'iki yigeze akora? Nta nakimwe. Ariko Pawulo yari yatowe. Amena. Uko kwari ugutoranya kw'Imana: uwo muto, wayobotse, uvuga aningura, uwo muyahudi w'umunyamahane. Atari Mattias, uwo ufite D.D., murazi, we—we yari... Ahubwo Pawulo; itorero ryatoranyije—ryatoranyije Mattias. Murabona? Nta burenganzira bwo kuvuga ko Imana iri mu makosa. Izi ibyo iri gukora; Izi uburyo umuntu aremye.

Ninde wo muri bo wari kwigera atoranya Pawulo? Oh, oya, ntibyigeze. Baravugaga ati, "Uriya muntu niwe udushyirisha mu nzu y'imbohe."

Ariko Imana yaravuze iti, "Nzamwereka ibyo azababazwa kubere Njye." Irabizi.

Niko biri, uwo twatekereza ko ariwe ukwiriye, Imana izi uwo bibereye kubera ko Izi imitima y'abantu; irabizi.

68 Yaba ububyutse, cyangwa ibi bintu bindi ntabwo biba mu gihe dutekereza ko bikwiriye kuba. Turatekereza tuti, "iki nicyo gihe gikwiriye, icyubahiro kibe icy'Imana." Nabonye hariya mu materaniro y'abacuruzi ndetse n'ibindi, "Vuba aha, halleluya, ububyutse bukomeye buraje."

Ntimugashukwe, "Yaraje, kandi bamugenza uko bashaka" Ariko batekereza ko hari ububyutse. Ese nibyo biri kuba? Oya byararangiye, byarapfuye; byararangiye(uh-huh). Mwitegereze, iki ni igihe cyo gutunganya amatabaza, mugasohoka kandi mukinjira. "abo bategereje Uwiteka bazasubizwamo imbaraga nshya."

69 Mwitegereze hano mu kibwiriza cyacu, mwitegereze Dawidi, umwami w'Abayisiraheli; niwe wari ufite guhishurirwa ko kugarura isanduku y'Imana aha hantu; kuburyo batigeze babyigaho mu minsi ya Sawuli kubera ko Sawuli yari yarasubiye inyuma. Niko batigeze babaza isanduku na gato, isezerano, mu minsi ya Sawuli, kubera ko yari yarasubiye inyuma kandi akajya kure y'Imana. Niko Dawidi, yagiye vuba, hamwe no guhumekerwa... Noneho, mwitegereze ibi. Iyi ni ingingo igoye cyane niba utayumvishe neza. Kandi ndumva igihe kigeze ubwo tugomba kuba abagabo tutakiri impinja. Tugomba kurya inyama aho kuba amata.

70 Mwitegereze Dawidi, umwami w'Abayisiraheli yari asizwe amavuta vuba, cyangwa atowe kuba umwami, Sawuli… Samweli yari yamusize kubw'ubushake bw'Imana; kandi yari mu buryo bwuzuye uwo Imana yatoranije, nta gushidikanya kuri byo. Kandi nguyu hano, hanyuma guhumekerwa kuramufata. Byari byahishuriwe Dawidi. Yari afite guhishurirwa, nta wundi wari wagize icyo abivugaho, "reka tugende

maze tuzane isanduku, kubera ko ubwo ari ubushake bw'Imana ko tuyigira hano hamwe natwe, kugira ngo tujye tubaza Imana binyuze kuri iyi sanduku." ikintu gikomeye cyane cy'ubutwari, ese siko mubitekereza? Niko biri.

71 Mwibuke, ariko, we kubwo kuba umwami no kugira guhishurirwa, arenga urwego rwe. Aho hari umuhanuzi mu gihugu ufite izina rya Natani; niwe wari warasigiwe kugira ngo agire guhishurirwa. Hari ikigomba kuvugwa; Aravuga ati, "Umwami ntacyo ajya akora atabanje kugihishurira imbata ze aribo bahanuzi." Ariko, urabona, Dawidi yari umwami, hamwe no gusigwa hejuru ye... nonese, ibyo si Ibyanditswe? Gusigwa kumuriho, kandi afite guhishurirwa k'ukuri; ariko byari amakosa. Kubera ko Natani yari umuhanuzi wakiriya gisekuru, kandi guhishurirwa ntabwo kwigeze kuza kuri Natani, kandi igihe guhishurirwa kwaje kuri Dawidi ntabwo yigeze ajya kureba Natani kubijyanye nabyo. Yahise ajya imbere maze akora ibyo yashakaga gukora.

72 Ariko mwitegereze uwo Dawidi yagishije inama mu gice cya 13, "Ahubwo agisha inama abatware b'ingabo batwara igihumbi n'abatwara amajana," agaruka kw'iteraniro rye. Murabona? "Noneho, ese ntimubona ko dukwiriye gukora..." Ibyo si byo. Noneho, yarimo agerageza gukorera Imana umurimo, ariko ntabwo yari yarasigiwe kuwukora(Murabona?), kubera ko Imana yari ifite inzira.

Kimwe n'uko Imana yajyaga kuvugana—n'umwami kubijya n'uburibwe bwe ndetse no kumera neza, ariko ntabwo yabikoze. Yari yarateganyije uburyo bwo kubikoramo; uwo yari umuhanuzi We. Nuko avugana n'umuhanuzi. Yesaya yaramubwiye ngo asubire inyuma ajye kureba Hezekiya kubigiye kuba.

Noneho, Hezekiah yarimo avugana n'Imana amaso ku maso, kandi—kandi Imana yashoboraga kuvugana na Hezekiya, birumvikana, ariko Yaremye umuyoboro runaka. Murabisobanukiwe? Nuko, hanyuma basubirayo, baravuga bati, “Murazi, bishop wanyu ntabwo ashobora kumva. ”

“Ntacyo,” umwami aravuga ati “reka mbabwire icyo turibukore. Akeneye amafaranga make. Nzi neza ko ibi bishobora kumwemeza. Cyangwa ahari nzamugira ukuriye itorero ku rwego rw'igihugu; ahari nzamushakira ikintu gikomeye cyo gukora. Nshobora kuzatuma aba bishop; ntabwo mwashobora kuvuga ibyo nakora. Hano, ndababwira ibyo nzakora. Mwebwe bantu ntabwo mufite ubumenyi buhagije bwo kumwemeza; izo mvugo zanyu, n'ikibonezamvugo kituzuye, ntabwo aribyo. Ntabwo yabumvira, tuzohereza itsinda ry'abantu bize hariya hepfo, barushije babandi kuba abanyacyubahiro.”

118 Bamanuka aho hepfo, baravuga bati, “Dogiteri Balaam, Dogiteri Balaam, turakuramukije. Tukuzaniye indamukanyo iturutse ku mwami.”

“Mwaramutse, benedata.” Murabona?

“Noneho, Dogiteri Balaam...” Kandi, oh, inyunguramagambo, uburyo yari yakozweho. Kandi baravuga bati, “Noneho, umwami yavuze ko azakuzamura mu ntera, kandi azaguha icyubahiro gikomeye. Kandi, urazi, kandi bazaguha amafaranga menshi niwemera icyo bagusabye, cyokora umwami yavuze ko azayakuba gatatu, cyangwa inshuro enye, niba wakwemera kuza kubifata.” Hanyuma Balaam yumva mu kiganza haryaryata. Haza ibitekerezo by'ubusazi mu mutwe we maze akangura umutwe we.

Noneho, mwibuke, ahamagara Imana kubw'ibyo, asizwe, ariko yinginga Imana ari hanze y'umugambi w'ukuri w'Imana. Kandi ibyo nibyo nyakuri Abapantekote bakoze. Kuba icyamamare, mwe Oneness, mwishyize hamwe maze muhita mupfa. Ntabwo muzigera muhaguruka. Yego, mugabo. Ariko, murabona, mwagombaga kuba mwaragumanye n'umugambi w'Imana... Yabakuye muri bariya ba Assamblee kugira ngo ibagire ubwoko, ariko mwishyira hamwe hanyuma musubira inyuma mujya kuri ibyo birutsi bimwe mwavuyemo(mumbabarire), ibyo bintu bimwe mwasohotsemo, “nkuko imbwa isubira ku birutsi byayo n'ingurube igasubira mw'isayo yayo...” mumbabari kuba mvuze ibyo, mumbabarire; ibyo ntabwo bikwiriye ku gicaniro hano. Murabona? Ibyo nabivuze mu mubiri. Mwitegereze noneho uwo—icyo nicyo nshaka kuvuga, kuruka. Nagomba kuba nabivuze gutya. Ijambo ryari rikwiriye, ariko narikoresheje nabi. Murabona? Ryarakoreshejwe nibyo, ariko ryumvikana nabi. Murazi...?... Kuruka, “Nkuko imbwa isubira ku birutsi byayo...”

119 Niba Assemble de Dieu, Inama nkuru, barashyize hamwe Abapantekote ku mwanya wambere maze bakabajyana muri ibyo kuburyo badashobora kwemera guhishurwa, ntimubizi, Oneness, mwakoze ibintu bimwe. Ni gute mwakwakira Ubutumwa bw'urubyaro rw'inzoka, umutekano w'iteka, n'ibindi bintu byaje? Mwishyize hamwe kugeze ubwo mudashobora no kwemera ko bigera ku miryango yanyu, ikintu kimwe n'icyo Balaam yakoze. Ariko Imana ntabwo ijya ihindura ibitekerezo Byayo.

120 Niko Balaam yagiye maze aravuga ati, “Mwami, noneho reba, ngize amahirwe yo kuba umuntu ukomeye. Urazi ko ntacyo nari ndicyo, ariko ngize amahirwe yo kuba umuntu ukomeye. N'iki wabivugaho, Mwami?” Noneho, ntabwo yagomba kuba yaravuze nk'ibyo. Yarazi nyakuri icyo Imana yavuze bakora.

Uko niko bimeze kuri mwe mubatizwa mw'izina rya “Data, Umwana, Umwuka Wera,” kuri ibi bintu bindi byo muri Bibiliya ibyo bikwiriye kubaho muri iyi minsi; muzi icyo gukora kubijyanye nabyo: ni ukubyemera. Igihe mubonye Imana ibihamiriza bifatika ko ari Ukuri, iyo n'Imana irimo isobanuri Ijambo Ryayo Bwite. Ariko se muzabikora? Oya, ishyirahamwe ryanyu ntiryatuma mubikora.

121 Benshi mu babwiriza muri Tucson barimo kumva ibi muri iki gitondo. Mwenedata Gilmore, nta kintu mpfa nawe; mwenedata Brock, First Assembly, ndetse n'amatorero y'inshuti. Mwebwe bantu, nari ndaho ibihe byose; ntimushobora no kwemera ko ninjira. Njye… Nyakuri, ntimwabyemera; ntimushobora kandi mwakomeje kuba ibyo muribyo. Ntabwo mwakwemera guhishurirwa, kubera mwabaye idini. Kandi mwumve, kimwe na Uzziah yishwe kubera yari munsi yo gusigwa kutariko, niko mu bakristo benshi barimo gutakaza imyitozo yabo bagasubira inyuma muri ayo madini apfuye ya kera, kubera ko barimo gushyira ibiganza byabo kw'isanduku mu gihe batatorewe gukora ibyo. Noneho, mushobora kubyizera, cyangwa ntimubyizere; ibyo biterwa namwe. Imana niyo Mucamanza wanyu. Imana ntabwo yigeze yisubiza Ijambo Ryayo. Icyo yavuze inshuro ya mbere, ikivuga igihe cyose.

Yabwiye Balaam iti, “Ntugende.”

Kandi hanyuma Balaam aragaruka, aravuga ati, “Ariko Mwami, nshobora kugenda?”

Noneho, reba. Imana yaravuze iti, “Genda.” Noneho, Imuha uruhushya rwo kugenda. Hari ubushake bw'Imana buhaswe, ariko atari ubushake bw'Imana bw'umwimerere. Murabona ibyago yinjiyemo?

122 Kandi umuntu uwo ari wese wubatse ikintu icyo aricyo cyose, cyangwa ikindi kintu hanze yo kuba kw'Ijambo ry'Imana, uwo ni umusenyi unyerera kandi bizahirima. Bizapfa bidasubirwaho kimwe n'ikindi cyose, kubera ko Ijambo ry'Imana niwo Mubiri w'Umugeni urimo gukura. Ntiwawugira wose amaguru, wose amaboko, wose amatako. Ibi bintu biza mugihe cyabyo.

Kandi Abapantekote, mwawugize wose ikintu kimwe; ni kubwibyo mudashobora kwemera guhishurirwa. Iyo niyo mpamvu muguma aho muri maze mugapfa; mukomeze. (ni byinshi, sinshaka kubananiza.) Ariko Imana ntabwo ijya ihindura ibitekerezo Byayo. Irakureka ukagendera mu bushake buhaswe bwayo. “Imana ni Imana nziza,” Nkuko Oral Roberts yavuze ati. Ni Imana iteye ubwoba.

123 Mwitegereze, kimwe n'uko mwavuga muti, “Icyubahiro kibe icy'Imana, ndashaka kuvuga mu ndimi.” Izakwemerera ubikore, ariko icyo ntabwo aricyo kimenyetso ko ufite Umwuka Wera.

Mwibuka icyo Thomas yavuze, uwo ushidikanya wa kera? “Keretse mfite ibimenyetso runaka, ndagomba gukoza intoki zanjye muri iyo misumari, ibiganza Bye, ndetse mu rubavu Rwe, njye—njye—njye—ntabwo nshobora kubyizera.” Noneho, ngaho aho muri, ikintu kimwe.

Yesu yaravuze ati, "Ngaha aho uri, Thomas, shyira ibiganza byawe mo hano noneho niba ibyo aribyo ushaka kumenya." Murabona? Murabona? Noneho, niba mushaka inzira ya Thomas, mukomeze. Ariko ni iki Yavuze? "Ibihembo bingana iki byabo batigeze babona kandi nyamara bakizera."

124 Mwitegereze, mwitegereze, kubwo gukora ibyo, yateye urupfu rw'umuntu w'umunyakuri, ashyira ibiganza bye kw'isanduku igihe yagomba kuba atabikoze. Ukomeye, umuntu w'umunyakuri, tekereza ku gusigwa ndetse buri kintu cyari mu murongo, ariko isanduku barimo bayijyana mu buryo butaribwo. "ibimasa," Bibiliya ivuga ko, "yasitaye" atari Abalewi. Ibimasa byarasitaye maze amagare arahengama; kandi umuntu w'umunyakuri, hamwe n'umutima we wuzuye urukundo, ashyira ibiganza bye kugira ngo ayifate, maze akubitwa n'urupfu, kubera ko nta muntu wagombaga gukora kuri iriya sanduku uretse Umurewi. Murabona uburyo Imana irinda Ijambo Ryayo, irinda imiyoboro Yayo, ese irinda gahunda Yayo? Uzziah yakubiswe ibibembe. Hari Dawidi, nawe yateye urupfu rw'umuntu, ndetse n'icyago gikomeye; kubwo gusigwa n'Umwuka, bombi, ariko bari hanze y'umuyobora w'Imana. Uko ni ukuri? Yarapfuye. Oh, byateye ubwoba Dawidi hafi yo gupfa; yita—aho hantu, nkuko Mwenedata Jack yabisomye. Murabona? Yahatubwiye.

125 Ni inshuro zingahe amadini yakoze ibintu bimwe ku bizera b'abanyakuri. Kiriziya Gaturika, Abametodiste, Ababatista, Church of Christ, yewe n'Abapantekote, bateye impfu nyinshi z'umwuka kubera icyo kintu kimwe. Igihe byaje, hamwe n'ibi bintu, babonye... Kandi ntabwo bashobora gukomeza, kubera ko icyo nicyo idini yizera.

Murebe uyu munsi, ibyo biterane bikomeye, ikintu kimwe. Ntacyo bakora uretse kubahindura abana bo kurimbuka inshuro ebyiri, babi cyane kurusha uko bari bameze mu mwanya wabo wambere. Babagira abinangiye, nyakuri, kubyo kuza ku kuri. Gira bumwe muri ubu bubyutse bukomeye, kandi bose binjire, hanyuma bahindure imyitwarire gato, hanyuma basubire aho hanze kandi batangire icyo cyaha nanone. Muzongere kumva ubundi bubyutse, muravuga muti, "Mfite ibintu byinshi; narabigerageje; nta kirimo" Murabona? Ntabwo bazi umuyoboro. Imana iravuga...

126 Numvishe uyu mubwirizabutumwa wacu ukomeye Billy Graham, ari kw'igaburo rya mu gitondo nk'iri, maze aravuga ati, "Njye..." Hano, yashyize Bibiliya hejuru muri Louisville, Kentucky, aravuga ati, "Uru nirwo rugero rw'Imana." Kandi uko ni ukuri; uwo mugabo yavuze ukuri. Aravuga ati, "Mwe muragenda... Pawulo yagiye mu mugi maze abona umwizera umwe, agarutse nyuma y'umwaka asanga wa mwizera afite abandi mirongwitatu." Aravuga ati, "Ariko njye njya mu mugi nkihanisha ibihumbi mirongwitatu, maze nagaruka mumezi atandatatu simbone na mirongwitatu." Aravuga ati, "Muzi ikibazo icyo aricyo?" Aravuga ati, "Mwebwe babwiriza babanebwe," aravuga ati, "mwicaraho n'amaguru aho kumeza kandi—maze mugahamagara aba bantu kuri telefone aho kugira ngo mujye kubasura nyuma yo kurya maze muvugane nabo."

Ohm umutima wanjye warimo ugurumana. Ndatekereza nti, "O muntu w'Imana ukomeye, nanga kutemeranya nawe hano, ariko ninde wari umubwiriza w'umunebwe ku mwizera umwe wa Pawulo? N'iki yakoze, yamutwaye mw'Ijambo; yamutwaye mu butumwa; yamujyanye aho yabonye Imana; umutima we warimo ugurumana; yacanye umuriro mu gihugu. kandi wowe ikintu ukora gusa ni ukubashyira mw'itorero ry'Ababaptista cyangwa Abamethodiste, cyangwa ikindi kintu; ntibitangaje ko nta kintu kigurumana gihari." Yego, mugabo.

127 Noneho reba icyo Ijambo ryasezeranye kuri uyu munsi. Reka turebe niba ari Abamethodiste, Ababaptista, cyangwa Abapentecoste, cyangwa ikindi, kubw'uyu munsi. Noneho, ushobora kujya gusoma mu Byanditswe byawe. Ufate ibi Byanditswe ibyo narimo mbabwira. Ndetse n'Ibyahishuwe...

Iyo mba mfite akanya, nari kubisoma, ariko nta kanya mfite. Mfite hafi iminota cumi n'ibiri cyangwa cumi n'ine isigaye. Ndagomba guhagararira igihe, saa tanu, nimbasha kubitunganya.

128 Mwitegereze Malaki 4, ibyahishuwe 10, Ibimenyetso Birindwi. Ese Bibiliya ntiyavuze… Noneho, mwitegereze. Hari Umumarayika, Intumwa iturutse hejuru, ndetse n'intumwa yo kw'isi. Kandi buri ntumwa yari iyo mu gisekuru cy'itorero. Aravuga ati, "mu minsi(arimo avuga ubu) aho haza Marayika(intumwa, ijambo 'marayika,' ijambo ry'icyongereza risobanura 'intumwa') amanutse ava mw'ijuru, ashyira ikirenge ku butaka no kunyanja, maze yirahira Uwo uhoraho iteka ko hatazabaho igihe ukundi." Ese niko biri? Umukororombya uzengurutse umutwe We, kandi ibi bintu byose bibaho. Uwo Marayika yari Kristo. Nyakuri. Ariko ni iki Yavuze? "Ariko mu minsi ya marayika wa karindwi, mu gihe cy'igisekuru cya karindwi..."

129 Igihe cyose aba ari aho kw'iherezo ry'igisekuru cy'itorero aho baba bafite ibintu gutyo, aho abihayimana baba babivangavanze kugeza ubwo Imana yohereza intumwa, kandi ubwo nibwo Butumwa ku gisekuru cy'itorero. Hanyuma bagatwara ubutumwa bwe, kubera ko amara akanya gato, nuko Imana... Hanyuma bagatwara ubutumwa bwe aho gukomezanya n'ibisigaye, bakarema—idini. Kandi noneho bakaza bagakora irindi dini; indi ntumwa, igafata ikindi.

Mwese mwarabibonye mu gitabo cyanjye, bizaba bishushanyije hanze mu "Bisekuru Birindwi

by'Itorero" [Cyakwirakwijwe na William Branham Evangelistic Association—Ed.] ibyo Yambwiye; ibyo mpagaze nk'umutangabuhamya ku Mana yo izancira urubanza ku munsi w'amateka kubw'ibyo. Byavuye ku Mana, ntabwo byavuye mu mitekerereze yanjye. Mwitegereze, hano. Ndatekereza—ndatekereza ibinyuranye n'ibyo, iyo njya kuba ngiye kugira ibitekerezo byanjye bwite. Kimwe nuko Mwenedata Jack yambwiye kubijyanye n'Abamarayika hariya, uburyo ibyo "Ibyo ari Kristo mu mubiri uhawe ubwiza." Ariko ntabwo byaribyo; byarimo byerekana ko Ubutumwa ari ukuri, Ubumana bw'ikirenga; Yari Imana(Murabona?), icyo kintu kimwe narimo mbwiriza kivuye mw'Ijambo. Ijambo igihe cyose rihamiriza Ijambo.

130 Noneho, vuba vuba noneho, mugihe turimo kwitegura gufunga mu kanya gato.

Noneho, Aravuga ati, "Mu minsi y'Ubutumwa bwa malayika wa karindwi, marayika wo mw'isi, igisekuru cy'itorero cya karindwi, noneho ubu bwiru bwose ubwo bwari bwaratakaye aho inyuma muri ibi bisekuru bitandatu by'itorero bugomba guhishurwa ubu nyine." Nibyo, ibyo nibyo abo Bamarayika bavuze. Hari Ibimenyetso Birindwi, cyangwa gufungurwa kw'ubu bwiru. Kandi nugerageza kubishaka imbere y'ayo madini. Binyuranye n'icyo bo... Mwenedata, bahita baca bakamira, ariko bagiye babikora igihe cyose. Ariko nicyo gihe.

Nibangahe bazi ko ibi ari ibisekuru birindwi by'itorero? Muvuge "Amena." [Iteraniro riravuga riti, "Amena!"—Ed.] Igisekuru cya Laodokiya, akazuyazi ko Imana yarutse mukanwa kayo, kandi barutse Imana mu kanwa kabo? Nta kindi gisekuru muri Bibiliya aho Yesu yasanzwe ari hanze agerageza gukomanga, ngo agarukemo imbere. Bamushyize hanze, nta bufatanye. Yesu ni nde? Ijambo. Ijambo ryashyizwe hanze. Igishishwa cyajugunye ingano. Aravuga ati, "Mpagaze ku rugi kandi ndakomanga, nuko umuntu uwo ari we wese muri ibyo bibahambiriye hanze hariya ushobora kumva ijwi Ryanjye." O Mana tugirire imbabazi.

131 Ni muri uwo mwanya, igihe uwo muntu yapfaga, nibwo Dawidi hamwe no gusigwa kwe yabonye ko yakoze ibitaribyo. O Dawidi, mwebwe ba pasteri, ese ntimushobora kubona iyo mihango yanyu ipfuye n'amadini ibyo mufatiyeho? Ntimushobora kubona icyo birimo gukora? Biri kwica Uzziah. Urupfu rw'umwuka, hanyuma mukibaza impamvu nta bubyutse buriho; mureka abagore banyu bagakata imisatsi, bagasiga amarangi mu maso, bakambara amakabutura; mukohereza abahungu banyu mu mashuri ya ba Ricky, ndetse n'ibindi nk'ibyo, aho kimwe cya kabiri cyabo bagaruka murugo ari abatinganyi, ndetse n'ibindi.

132 Mwitegereze intego za Dawidi: yarimo azana isanduku y'isezerano iwe mu nzu ye. Ibyo ntabwo byari bihamye; aho ntabwo ariho hantu; yabaga iYerusalemu. Ariko Dawidi yarimo azana mu nzu ye bwite; yashakaga ububyutse ko buba mw'idini ye bwite. "Oh, niba uri assemble, nibyiza. Niba uri Oneness, nibyiza. Niba uri Umupantekote, ntacyo."

Kimwe ni umuntu uvuga, akavuga ati, "Mwenedata Branham, ni gute wabigenje ngo ubone umuntu wo kukumva?" Akagira ati, "Nshobora kubona Billy Graham; afite buri dini mu gihugu mu ruhande rwe. Nshobora kubona Oral Roberts; buri Mupantekote wese amwiziritseho." Ariko akavuga ati, "Wowe urwanya buri kintu cyose." Aravuga ati, "Ni gute mw'isi ubona n'umuntu umwe?"

Ndavuga nti, "Ni Imana."

"Njyewe Uwiteka narabateye mbere y'imfatiro z'isi. Nzabavomerera kumanywa na nijoro kugira ngo hatagira ubakura mu biganza Byanjye," Yesaya. "Nzabavomera; narabateye. Nashyize amazina yabo mu Gitabo mbere y'imfatiro z'isi kubwo kumenya mbere. Nzabavomerera; mukomeze imbere. Nzabazanira amazi; maze munyanyagizeho." Ni ukuri. Murabona? "Nzabavomerera kumanywa na nijoro kugira ngo hatagira ubakura mu kiganza Cyanjye." Oh, ngaho aho muri.

133 Yashakaga ko iza mu murwa wa Dawidi aho kuba iYerusalemu. Nta hantu hari hahari kubw'icyo gihe, mbese nkuko bimeze uyu munsi. Ubu bwiru bukomeye ubu bwahishuwe n'Ibimenyetso Birindwi, nta hantu hahari. Kandi idini iyo ariyo yose byayisaba kureka kuba idini kugira ngo ibyakire. Inzira yose kuva kuri Luteri kumanuka kugera ku Bapantekote ba Oneness, nta hantu hahari habyakira. Nta n'umuntu wabyakira ngo agume mw'idini ye. Bizamusaba gukurikira ingano cyangwa akajyana n'ibishishwa, kimwe muri byo ashaka.

134 Kristo ni Isanduku yacu, Ijambo. Bashaka amadini yabo. Ntabwo byashoboka (Mwitegereze.), ntabwo byahekwa kw'igare rishya ry'amadini igihe byakagombye kuba bihetswe kandi bije ku mutima w'umuhanuzi. Ntibyashoboka. Yarasezeranye, bizaba gutyo, kandi uko niko bigomba kuba.

niko amadini atazigera abyakira; nta nubwo bo bashobora kubyakira. Kandi bo ni impumyi kuri ibyo nkuko Abayahudi bari bameze igihe babambaga Yesu ku musaraba, igihe Yesu yavuze ati, "Data, ubababarire; nta nubwo bazi ibyo bakora." Ntukabaseke, ahubwo ujye ubasengera. Iyo uba uri muri iyo mimerere hamwe n'amaso yawe ahumye cyane aho udashobora kubyuka maze ureba ibiri kuba...

135 Niko badashobora kubona ibyo mu gihe ari Imana ubwayo, igihe Yari amanitse hariya ku musaraba,

kandi bo baririmba Zaburi ya 22 mu rusengero, metero maganabiri hirya y'aho, "Mana Yanjye, Mana Yanjye, n'iki Kikundekesheje? Batoboye ibirenge Byanjye n'ibiganza Byanjye. (Murabona?) amagufa Yanjye Yose, bankanurira amaso. Kubera iki Wandetse?" Kandi hari, iyo Mana imwe barimo baririmba, bari mpumyi bihagije kuburyo bari bamushyira ku musaraba, kandi ntibabimenya.

Noneho, ese Bibiliya ntiyavuze ko itorero rya Lawodokiya, iryo ritekereza ko rikomeye binyuze mu banyamuryango b'amadini, azaba yambaye ubusa, imbabare, umukene, impumyi, kandi batabizi? Ese impumyi bisobanuye iki? Impumyi bisobanuye kuri iri torero rya Lawodokiya kimwe n'uko byari kw'iherezo ry'itorero ry'abayahudi: bahumye kuri Kristo nyirizina uwo bashyize hanze, akomanga, agerageza kwinjira; bambaye ubusa, abatindi, abakene, imbabare, impumyi, kandi ntabwo babizi. O Mana, bagirire imbabazi.

136 Kubera iki ingano zidashobora gushyirwa Imbere y'uwo mucyo w'Umwana maze bakareba isaha turi kubamo? Yego, Kristo niwe Sanduku yacu, ariko uburyo Bwe bw'umwimerere bwo kubikora. Noneho hano We ari… Bafite Umwuka We umeze neza; ibyo turabizi. Bategereje Umwami, murabona umugambi We kw'Ijambo Rye ry'umwimerere mu gihe cyaryo kugira ngo rihamirizwe; ibyo nibyo twagakwiye kuba dukora kuri ubu. Kandi We—Yahishuye kwizera kwabo binyuze mw'Ijambo Rye, kumureba arimo ahamiriza buri mugambi uwo yasezeranye, atari gahunda y'umuntu wo mw'idini, atari ugushaka abagize isanduku yacu bwite.

Bafite isanduku y'Abametodiste, isanduku y'Ababatista, isanduku y'Abaperisebuteriyani; buri wese ajya muri iyi sanduku kubw'akarengane gakomeye kaje; "Icyubahiro kibe icy'Imana. Nabatijwe mw'isanduka y'Abametodiste, Abaperisebuteriyani, isanduku y'Abapantekote." Hari isanduku imwe gusa; uwo ni Yesu Kristo, kandi We ni Ijambo.

137 Mwitegereze, Imana yabwiye umuhanuzi, Iravuga ati, "urye umuzingo," mw'Isezerano rya Kera. Umuhanuzi wo mw'Isezerano rya Kera, aravuga ati, "Urye aka gatabo gato." Kubera iki? Kuko umuhanuzi n'Ijambo bizaba ikintu kimwe. Murabona? Iyo ni Isanduku, Ijambo ry'Imana.

Imana yasezeranyije Ijambo Ryayo, uburyo rizasohozwa n'uburyo rizasohora igihe izatoranya Umugeni Wayo, uburyo bizaba bimeze. Birimo kuba imbere yanyu, mw'Izina ry'Umwami, kandi iryo niryo Jambo ry'umwimerere. Ubutumwa bwa nimugoroba buri hano.

Ni bangahe bibuka Haywood igihe yanditse,

Hazabaho Umucyo mu gihe cya nimugoroba,

Inzira zijya mu Bwiza muzazibona nyakuri.

138 Yego, isezerano rya nimugoroba ry'Ibimenyetso Birindwi, ry'Ibyahishuwe 10, Malaki4, Luka 30 ni 10. Musome mu Gutegekwa kwa kabiri 4, 4:1 na 4, noneho umurongo wa 25 na 26, maze murebe icyo Yavuze kubijyanye n'iyi minsi yanyuma. Uyu yari Mose urimo ubwira Abayisiraheri kwitondera buri Jambo, ntukongereho ikintu na kimwe. Mose, uwo muhanuzi yari ari aho hejuru maze abona Ijambo ry'Imana. Kandi byari byamwandikiwe nuko bihamirizwa no kwandikwa n'ukuboko kw'Imana Ubwayo. Aravuga ati, "Witondere buri Jambo; ntukagire ikintu wongeraho kuri Ryo cyangwa ngo ugire icyo ukura kuri Ryo." Ushobora kubisoma ku murongo wa 25 na 26 mu Gutegekwa kwa kabiri 4.

Mwitegereze. Ntukongere kuri Ryo; ntugakure kuri Ryo; kubera ko niba ubikoze Imana izakura umugabane wawe muri iki Gitabo cy'ubuzima. God will take your part from the book of life. Kandi bizagaraza ko utari urubuto Rwe.

Imana ntabwo yigeze narimwe ihindura isezerano ubusa, ahubwo yarinze buri sezerano yigeze Ivuga, kandi yaratubwiye, ibyo byabaye Ukuri muri iyi myaka makumyabiri, Shreveport. Nababwirije binyuze mu mbaraga z'Imana, kandi mu kubaha abapasteri banyu, uyu munsi ndabatangaho abahamya. Habe no kubagore bamaze gucura; abagabo, abana, indwara, gukira, ubuhanuzi, ibintu byagomba kubaho; nta kintu na kimwe cyigeze gitsindwa. Noneho, mujye kure y'ayo madini; barabajyana mu rupfu.

140 Samweli yari ahagaze umunsi umwe, maze aravuga ati, "Turashaka umwami; turashaka kuba nk'abasigaye bo mw'isi."

Muravuga muti… Samweli yaravuze ati, "ntimufate uriya mwami. Azafata abahungu n'abakobwa banyu, kandi azakora ibi na biriya."

Aravuga ati, "Yego, nziko uri mu kuri."

Ariko Samweli aravuga ati, "Mwumve. Nigeze ntwara amafaranga yanyu? Nigeze mbasaba ibintuga? Nigeze mbasaba ko mwampa umushahara runaka kugira ngo nkore amateraniro kubwanyu?" Noneho, mubitekerezeho ubwanyu, habe n'ubu. Murabona? Aravuga ati, "Nigeze mbabwira ikintu mw'Izina ry'Umwami uretse ibyasohoye?" Nta kintu na kimwe.

“Oh, yego, Samweli, ntabwo wigeze udusaba amafaranga; ntabwo wigeze usaba ibintu binini. Samweli, uko ni ukuri; kandi buri kintu watubwiye mw'Izina ry'Umwami cyarasohoye. Ariko, Samweli, turashaka amadini yacu uko biri kose.”

“Noneho mugende muyafate. N'ibyanyu.” Uko ni ukuri.

141 Ushobora gutekereza ko urimo gukorera Imana umurimo, ariko iyo ugiye hanze y'inzira y'Imana yo kubikoramo, uba ugiye kubivangavanga, gutyo gutyo. O torero ry'Imana ihoraho… Mumbabarire uburyo bwanjye bwa AbaIrlendais n'uburyo bwo gutebya, ariko ndi umunyakuri ndetse ndera mu mutima wanjye, mwe Assamble de Dieu, mwe Oneness, Presbyterian, Metodiste, icyo mwaba muricyo cyose, muhunge kubw'ubuzima bwanyu. Mwibuke, musohoke aho.

Ibihugu birasenyutse; Isiraheri irakangutse, (iritegura abo basigaye)

Ibimenyetso abahanuzi bavuze mbere;

Iminsi y'amadini irabaze hamwe n'ubwoba bwuzuyemo,

Mugaruke, Mwe mwazimiye, mugaruke ku banyu.

Iminsi yo gucungurwa iri hafi,

Imitima y'abantu ifite ubwoba,

Ube wuzuye Umwuka Wayo,

Itara ryawe ribe riteguwe neza,

Reba hejuru, gucungurwa kwawe kuri hafi. Ese wizeye ibyo? Turi mugihe cyanyuma, turi hano. Ikiganza cyandika kiri ku gikuta; kuza kwa kabiri kuri hafi; Umugeni arimo aratoranywa, kandi avomererwa, asohorwa.

142 Noneho, ibyo ntabwo bisobanuye gusohoka mw'itorero; ibyo bisobanuye gusohoka mu mikorere y'amadini. Ugomba kujya kw'itorero, ariko ntukagire idini narimwe ujyamo. Yesu yajyanye n'amadini yose, ariko Ntiyigeze agira narimwe ajyamo. Nta na rimwe yigeze ajya mu ruhande rwa rimwe muri yo, habe na gato, ariko Yari hagati muri bo. Aho niho Umucyo wagomba gukwira. Kandi mwe mugume aho muri, mukwize Umucyo. Murabona? Ibyo nibyo Imana ibakoresha. Abantu b'imitima ishonje, reka bamenye ko Kristo ari ukuri, Ameze uko Yari ameze ejo hashize, niko Ari uyu munsi, kandi niko azahora iteka.

143 Birashoboka ko umugabo cyangwa umugore hamwe n'ubunyakuri bwose, bagerageza gukorera Imana umurimo, ariko bakaba bakuruwe mu nzira itariyo. Hamwe no gusigwa k'ukuri k'Umwuka Wera kuri bo, ariko bagakururwa mu buryo bunyuranye n'umugambi w'Imana kuri icyo gisekuru, maze bakazambya ibintu byose. Noneho, niba wizera ko ibyo ari Ukuri, vuga uti, “Amena.” [Iteraniro riravuga riti, “Amena!”—Ed.] Turabisoma gusa. Byazambije ibintu byose kubwo kutaza mu nzira Imana yasezeranije ko bizakorwamo.

Reka dusenge.

144 O torero, hano no hakurya mu gihugu, mwumve umukozi wanyu uciye bugufi muri iki gitondo, ese murabikora? Reba aho mwari muri mu myaka mike ishize igihe ibi byatangiye bwa mbere. Noneho reba kwigana kwashyizwe hejuru kuri byo, kandi amamiliyoni na za miliyari z'amadorari zinjiye mu madini. Murabona? n'ubu baracyari kure y'Ijambo ry'Imana... Inyubako n'amashyirahamwe ntabwo ari bwo buryo Imana ikoresha Umwuka Wayo. Iwukoresha aho mw'Ijambo Ryayo kugira ngo irigire rizama. Kandi niba wari warateganirijwe iryo Jambo kuva ku kuremwa kw'isi, buri Jambo riza rikurikiye irindi Jambo. Kimwe n'uturemangingo tw'umuntu tudashobora kuvamo uturemangingo tw'umuntu, maze hanyuma ngo havemo uturemangingo tw'imbwa, nuko hanyuma hakurikireho utwinjangwe; tuzahora ari uturemangingo tw'umuntu. Ariko hagomba kuba akaremangingo ko gutangiriraho. Ese ibyo sibyo? Vuga, “Amena.” [Iteraniro riravuga riti, “Amena.”—Ed.] Nibyo, niba ryari akaremangingo k'Ijambo kuva mw'itangira, utundi turemangingo tw'Ijambo twarateganyijwe kugira ngo bikore umubiri wuzuye.

Ntimukabe abana, bibe gusa murukundo, ariko mube abagabo mu Mwuka no mu kubona ibintu. Mubyemeze ubwanyu niba narababwiye Ukuri cyangwa atariko. Mubirebe ubwanyu niba ari Ijambo ry'Imana cyangwa atariryo. Mubirebe ubwanyu niba ariyo saha cyangwa turimo kuvuga cyangwa atariyo. Murebe ubwanyu niba ibi bintu byarasezeranijwe. Noneho, ese byarahamirijwe? Binyuze mu bintu nta kiremwa muntu mw'isi cyashobora kubikora. Ariko byahindutse ibisanzwe hagati muri twe kugeza naho tureka bikadutambukaho. Mutegereze, torero, mutegereze.

145 Niba hari umwe uri hano muri iki gitondo uwo atazi Yesu Kristo, akaba ataratsindishirijwe muri iki gitondo, ibyaha byawe byose bikaba nkaho utigeze na rimwe ukora icyaha, kandi ukaba ushaka kuba muri ubwo buryo… Kubera ko mwibuke, umunsi umwe, ahari uyu munsi, ahari mu minota itanu ikurikiyeho, ariko umunsi umwe uwo mutima uzagira gutya uhagarare. Kandi aho imbere h'imbere hagira gutya haguruke

kugira ngo hajye guhagarara Imbere y'Imana kugira ngo hacirwe urubanza, ukurikije ubu butumwa urikubona. Oya... Ntabwo ari njye; njye ndi igikoresho cy'akanwa. Kimwe n'iyi microphone, ntabwo yavuga ikintu keretse nkivugiye muri yo. Kandi nanjye nsinshobora kugira ikintu mvuga keretse Imana ivugiye muri njye, ariko murabona guhamirizwa kw'Imana ko ari Ukuri. Urashaka kuba Umukristo w'ukuri.

Ntabwo nabahamagara kuza ku gicaniro; nta gicaniro kiri hano ngo mbahamagareho. Ariko igicaniro kiri mu mutima wawe. Ese wakwemerera uko kwemezwa gato ko "Yesu Kristo ari ukuri" uzamuke hejuru hafi uyu munsi kandi uhamagare ibisigaye by'Umubiri We kuri wowe, umucumbikire mu muvure w'umutima wawe? Niba Atari aho ari, ese wazamura ikiganza cyawe nk'ikimenyetso kuri We, ukavuga uti, "Mwami, nyuzuza, unyuzuze Ijambo Ryawe hamwe no kugaragara Kwawe, kugira ngo mbashe kubeshwaho na We...?"

146 Mugihe buri mutwe wubitse, buri jisho rihumirije, aho hose mu gihugu, muzamure ibiganza byanyu hano muri iri teraniro rigaragara naho hanze naho; kandi ndabasengera. Ibyo nibyo nashobora; ntabwo nabyuzuza. Imana ibahe umugisha. Ntabwo nabyuzuza. Imana ibahe umugisha, namwe. Imana ishobora kubuzuza. Imana ibahe umugisha. Ibiganza birazamuye hano hose muri iri teraniro rigaragara. "Ubuzuze. Unyuzuze, O Mwami. Unyuzuze." Kandi noneho, nyuma njye... Urakoze, mushiki wacu. Urakoze, mwenedata. Imana ibahe umugisha. mushiki wacu mukundwa, wowe. Nyuma... Ndatekereza noneho nageze ku by'ukuri hafi byose, nibyo ngerageza kuba; ndashaka kuzamura ikiganza hamwe namwe.

Ntitaye ku giciro, ntitaye kucyo bizangomba, ntitaye ku kunegura, uko umusaraba waba ugoye kose, ndibuka umusara wikoreye.

Niko nzatwara umusara wawe

kugeza urupfu ruzambohora;

Noneho nkajya mu rugo, aho ikamba ryo kwambara riri,

Hari ikamba kubwanjye.

Ese Yesu akwiriye kwikorera umusaraba wenyine,

Naho isi yose ikagende ntacyo ihetse?

Oya, hari umusaraba kuri buri wese mu bana be,

hari umusaraba wanjye.

147 Mukundwa Mana, Ijambo ryasohotse. Ntabwo rizagaruka ubusa. Rizabona umwanya waryo ahantu runaka. Niba imbuto yaramaze guterwa, Rizayivomerera kugeza ikuze.
