

## Katonda gwe Musana.

1 Yokaana 1:4-5,

*4 n'ebyo tubiwandiika ffe, essanyu lyaffe lirooke lituukirire.*

*5 Ne kino kye kigambo kye twawulira ekyava mu ye era kye tubuulira mmwe, nga Katonda gwe musana, so mu ye ekizikiza temuli n'akatono.*

Yokaana, omuyigirizwa wa Mukama waffe Yesu Kristo omwagalwa, yali mukwano gwa Yesu nnyo ne kiba nti emirundi mingi yateeka omutwe gwe ku kifuba kya Yesu. Olw'okuba ye yali asinga okumuseemberera, ateequa okuba nga yali akimanyi nti Yesu yali musajja. Naye Enjiri ya Yokaana eyawandiikibwa oluvannyuma Iw'okukomererwa, okuzuukira n'okulinnya kwa Yesu, etandika n'ebigambo bino, "Ku lubereberye waaliwo Kigambo, Kigambo n'aba awali Katonda, Kigambo n'aba Katonda... Kigambo n'afuuka omubiri, n'abeerako gye tuli... ng'ajjudde ekisa n'amazima."

Kya Iwatu nti Yokaana yali afunye okubikkulirwa wakati w'ekiseera kye yakolagana ne Yesu ow'e Nazaaleesi n'ekiseera we yawandiika enjiri ye. Okubikkulirwa kwa Yokaana kwagenda mu maaso, kubanga mu bbaluwa ye, awandiika nti: "*n'ebyo tubiwandiika ffe, essanyu lyaffe lirooke lituukirire. Ne kino kye kigambo kye twawulira ekyava mu ye era kye tubuulira mmwe, nga Katonda gwe musana,...*" Okusooka Yokaana yamumanya ng'omuntu, oluvannyuma ekigambo, okukkakkana ng'musana. Musana mu ngeri y'ebyawandiikibwa kye kigoba ekizikiza, ekisobozesa omuntu okulaba n'amaaso ge ag'omwoyo.

Ka twekenneeny ebyo Musa bye yayitamu ne Katonda ng'musana. Okukwatagana kwe okwasooka n'ekintu ekisukkulume ku butonde ekya Katonda kyajja nga Katonda alabika mu kisaka ekyali kyokya, naye nga teyazikirizibwa. Musa yakyuka okulaba ekintu kino ekyasoomooza fizikisi Katonda n'ayogera naye, nga bamutuusa ebiragiro bye yalina okutwala eri abaana ba Isiraeri mu Misiri. Ekintu ekyaddako ng'ekyo kyaliwo Musa bwe yakulembera abaana ba Isirayiri okuva mu buddu era nga bawerekewako Empagi y'omuliro ekiro ate ekire emisana. Ekyawandiikibwa kiraga nti Katonda teyaggyawo n'emu ku bubonero buno obulambika. Oluvannyuma Musa bwe yalinnya olusozi eri okunoonya Katonda, ekyawandiikibwa kigamba nti ekire ekinene kyabikka olusozi, "*Ekifaananyi ky'ekitiibwa kya Mukama ne kiba ng'omuliro ogwaka ku ntikko y'olusozi mu maaso g'abaana ba Isiraeri. Musa n'ayingira wakati mu kire, n'alinnya ku lusozi: Musa n'amala ku lusozi ennaku amakumi ana emisana n'ekiro.*" Nga bwe kiri awalala mu byawandiikibwa kino kiyitibwa "*ekitiibwa kya Mukama.*"

Ezeekyeri yategeeza nti bwe yali mu mwoyo gwa Katonda, yalaba "okwolesebwa kwa Katonda." Era yayogera ku kibuyaga... okuva mu bukiikkono, ekire ekinene, n'omuliro okuzinga mu bwennyini, ne wabaawo okwakaayakana okukyetoolodde, ne muva wakati mu

kyo nga langi ya amber, okuva wakati mu muliro." (Weetegereze omuyaga ogwava mu bukiakkono, era jjukira omuyaga ogwajja eri Ow'oluganda Branham, okuva mu bukiakkono, Essuula 12.) Ezeekyeri ayogera mu 1:26-28, ku ntebe ey'obwakabaka era nti endabika y'oyo eyali ku ntebe okuva mu kiwato okukka wansi yali "endabika y'omuliro," naye okuva mu kiwato waggulu "nga langi ya amber."

Musa ayogera ku muliro, naye tayogera ku langi ya amber nga Ezeekyeri bw'akola. Naye, langi ya bulijjo ey'omuliro eri etya? Kiyinza okunnyonnyolwa mu ngeri ez'enjawulo nga emmyufu - emmyufu, oba emmyufu - emicungwa, oba kiragala eya kyenvu, kwe kugamba amber.

Langi za spektrum, kwe kugamba, ekitangaala ky'obuwavanu bw'amayengo obw'enjawulo ekikola ekitangaala ekyeru nga zino nazo ze langi z'omusota gw'enkuba, ze langi emmyufu, emicungwa, emmyufu, kiragala, bbululu, indigo, ne violet. Ekitangaala ekimyufu kye kisinga obuwavanu bw'amayengo, violet y'esinga obumpi. Zino ze langi ezirabika ng'ekitangaala ekyeru ekya bulijjo kiyisibwa mu prism, oba nga omusota gw'enkuba ogutuukiridde gulabika. Kyokka, emisota gy'enkuba tegitera kusangibwa nga gituukiridde; zitera okubaamu langi okuva ku ssatu okutuuka ku ttaano ku zino ezizikira wamu. Kati ebyawandiikibwa byogera ku langi za yasepi, sardine, amber, ne emerald nga bikwatagana n'endabika ya Katonda. Zino ze langi ezikiikirira mu musoke ogwa langi ssatu. Bwatyo emmyufu ne kyenvu awamu bivaamu langi emmyufu - eya kyenvu nga eno ye yasepi; emicungwa ne kiragala bikola langi emmyufu - emicungwa langi ya sadio, ate kiragala ne kiragala (nga ye emeraludo) bivaamu amber.

Lwaki Yokaana Omubikkulirwa yagamba nti Katonda ng'musana? Okuva ku kizinga Patmo awandiika ku by'ayitamu, mu Okubikkulirwa 4 ne 5, eby'okusitulwa okulaba eggulu. (Kino kikiirkira omugole okutwalibwa mu ggulu. Jjukira nti Yesu yayogera engeri abamu gye batagenda kuwooma kufa okutuusa nga balabye okujja kw'obwakabaka bwe. Yesu yanenya abayigirizwa abaagezaako okutegeera nti ono yandibadde Yokaana; naye tukimanyi nti Yokaana yaliwo Musa ne Eriya bwe baalabikira ne Yesu ku Lusozi ol'Okukyuka, akabonero ka bannabbi ababiri abagenda okujja mu Isiraeri mu nnaku ez'oluvannyuma. Yokaana kino yakiraba era oluvannyuma Iw'ekiseera, ku Kizinga Patumo, yatwaliddwa n'agenda nga omugole bw'agenda okutwalibwa.) Oluvannyuma Iw'ebyo bye yayitamu ku kizinga Patumo, Yokaana yasobola okugamba nti Katonda musana kubanga yamulaba mu langi. Agamba nti, "N'oyo eyatuula yali atunula ng'ejinja lya yasepe ne sadini; waaliwo omusota ogw'enkuba okwetooloola entebe ey'obwakabaka, ng'alabika ng'emeraludo." [okuva mu Lungereza KJV. Oku 4:3]

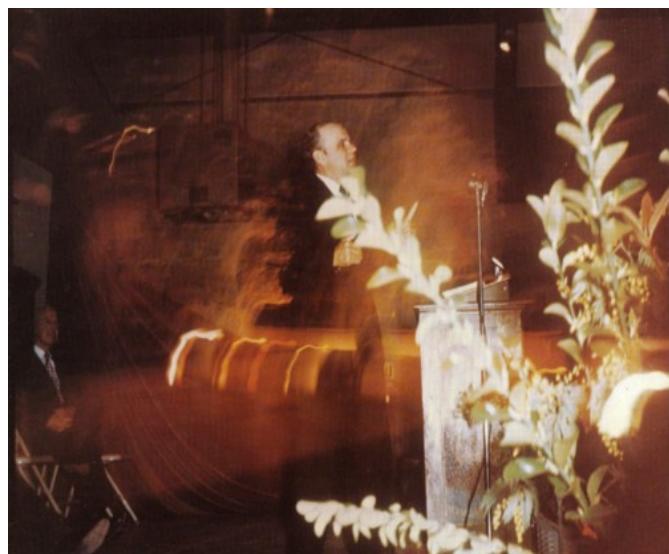

Bwe wabaawo ekyama ekikwata ku kino Yokaana kye yayitamu, era eddoboozi lya malayika ow'omusanvu lirina okumaliriza ebyama, olwo ekyama kino kirina okutegeezebwa nakyo eri omulembe guno. Mazima ddala, tewali mulembe mulala gwegulabye, oba n'okusingawo yalina ekifaananyi kye yakubiddwa Empagi y'omuliro. Okuva ku lunaku lwe yazaalibwa, okuyita mu bulenzi bwe, n'okuyingira mu buweereza bwe, Ow'oluganda Branham yamanyiira bulungi endabika y'ekitangaala kino. Ng'akyali mulenzi yaloopa langi nti ya kyenvu - kiragala. Oluvannyuma yazuula nti eya kyenvu - kiragala kiyitibwa amber. Ekitangaala kino kyalabika eri abantu bangi mu 1933 ku mugga Ohio, naye mu kiseera ekyo tekyakwatibwa bifaananyi. Nga Jjanwali 24, 1950, mu Houston Texas, ekifaananyi kyakwatibwa ekyali kikwata ekitangaala

ekyo. Ekifaananyi kino kyakeberebwa omwami George J. Lacy, FBI Omukebera ebiwandiiko ebibuuiddwa, Houston Texas, era ne kyalangirirwa nti kituufu.

Ku nkomerero ya 1958, Katonda yaddamu okuteekawo ekisaawe ky'okukuba ekifaananyi ky'ekitangaala kye ekisukkulume ku butonde mu Lakeport, California, Fairground. Omukubi w'ebifaananyi eyalina ebyuma ebirungi ennyo yakubye Ow'oluganda Branham ebifaananyi bibiri ebya langi ng'abuulira. Ekifaananyi ekyasooka kyali kya bulijo era nga kirimu ebikwata ku kifo kino byonna: empuku, akazindaalo, Ow'oluganda Branham ng'abuulira, ekipande ky'amasannyalaze ku bbugwe, n'enteekateeka ennene ey'ebimuli mu kibya wansi mu maaso g'empuku.

Ekifaananyi ekyokubiri, okuva mu kifo kye kimu, nakyo kyalimu ebikwata ku bintu bino, naye nga si kifaananyi kya bulijo. Ekifaananyi kino kirimu ebintu bingi ebirala eby'ongera ku abo abaaliwo bye bataalabye. Emabega w'Ow'oluganda Branham, n'okumutunuulira wansi, waliwo ekifaananyi ekituukiridde ekya ffeesi eyinza okunnyonnyolwa ng'eya Yesu Kristo yokka. Ekyoto ekisukkulume ku butonde n'okukomba omuliro musanvu ebyoyerwako mu Okubikkulirwa nga "emyoyo nya Katonda omusanvu" egiri "mu maaso g'entebe" nabyo biri mu kifaananyi. Ebimuli birabika nga byakula ne bituuka ku sayizi ennene; kati ziwanvuwa waggulu w'omutwe gw'Ow'oluganda Branham mu kifaananyi (Kristo -lilies z'ekiwonvu). Malayika wa Mukama naye alabibwa mu kifaananyi kino ng'eggaali y'omukka ey'omuliro eva gy'ali nga nayo yeezinga Ow'oluganda Branham. Malayika alina ebikomba by'omuliro ebifulumye mu ngalo ze.

Bwe twekenneanya n'obwegendereza, kiraga nti malayika oyo afaanana Ow'oluganda Branham. (Oluvannyuma, ekibinja ky'emmunyeenyekya bamalayika bwe kyalabika eri Ow'oluganda Branham, yagamba nti malayika eyali wansi ku kkono w'ekifaananyi ky'ekire ye yali amulabikira bulijo, kubanga yalabika ng'ono amutegedde. Si kya bulijo nnyo bw'olowooza nti ababaka bano omusanvu, emyoyo musanvu, emmunyeenyemusanvu, nga be babaka omusanvu ab'omulembe gw'ekkanisa mu butonde yandibadde ng'abasajja buli omu be yasindikibwa.) Ennyonnyola ya malayika ono eraga endabika y'emu nga Ezeekyeri gye yayogerako, kubanga malayika okuva mu kiwato wansi mu muliro, ate okuva mu kiwato okudda waggulu wa langi ya amber. Mu ndagaano enkadde kiyitibwa ekitiibwa kya Katonda. Kati mu mulembe guno tetulina kumala kutwala kigambo kya muntu nti yakiraba Katonda yatuwa ebifaananyi ebya langi okuwa obujulizi nti Katonda, ddala, kitangaala. Era y'empagi y'omuliro y'emu eyabatde ne nnabbi wa Katonda ow'omulembe guno n'obubaka bwe nga bwe kyali ne Musa n'obubaka bwe.

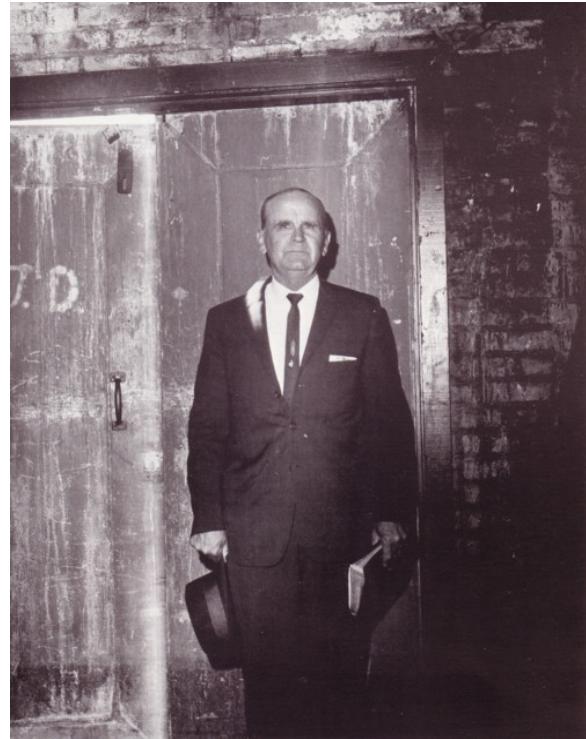

Emabega w'ekkanisa ya Soul's Harbor e Dallas, Texas, mu March, 1964, ekifaananyi ekirala ekyewuunyisa eky'Ow'oluganda Branham kyakwatibwa ekyalaga ekitangaala ekisukkulumye ku butonde. Ekitangaala kyalabika mu kifaananyi kino ng'okukomba kw'omuliro okw'ekywunyiso ku kibegabega kya nnabbi ekya ddyo. (Abantu abaali bamanyi Ow'oluganda Branham bamanyi bulungi nti bulijjo yasitula ekibegabega kye ekya ddyo wansi okusinga ekya kkono. Okufukibwako amafuta bulijjo kwali ku ddyo we, malayika wa Mukama we yali ayimiridde.)

Ow'oluganda Billy Paul bwe yalaga kitaawe ekifaananyi kino, Ow'oluganda Branham yamugamba akipakire obutabawo. Yagambye nti "Ekifaananyi ekyo mu Houston tebaakkiriza, na kino tebajja kukikkiriza." Olw'ensonga eno, abantu si bangi abaali balaba ekifaananyi kino, waakiri okutuusa ng'Ow'oluganda Branham amaze okufa. Oluvannyuma Ow'oluganda Billy Paul n'awanika ekifaananyi ekyo mu ofiisi ye, naye teyawayaayo kkopi olw'ebiragiro Ow'oluganda Branham bye yali amuwadde. Gye buvuddeko nafuna negativu y'ekifaananyi kino eyateekebwamu n'ebirala ebikwata ku Ow'oluganda Branham nga mpita mu mukubi w'ebifaananyi eyampandiikira ng'awaayo okubitunda. Kifunibwa okuva mu ofiisi ya Tucson Tabernacle, 2555 North Stone, Tucson, Arizona.

Ku mutwe gw'oluguudo lwa Alvernon Way Street, mu Tucson, waliwo ekkubo erigenda waggulu mu nsozi ennene ennyo eza Catalina okutuuka ku ntikko eyitibwa Olwazi olw'Engalo. Entikko eno erabika ng'osinziira mu kibuga. Mu Febwali wa 1965, Ow'oluganda Branham, ng'alina omugugu ku mutima gwe okunoonya olukusa okubuilira amazima agakwata ku bufumbo n'okugattululwa, yalinnya waggulu ng'ayita mu kkubo lino okutuuka mu kiwonvu wansi w'Olwazi olw'Engalo.

Eyo yanoonya Katonda n'obunyiikivu mu kusaba era bwe yali asaba mu kiwonvu ekyo, ekire ekinene ekya langi ya amber, eyafaanana ng'ambuleera, yalabibwa ng'ekka waggulu w'olusozi n'addamu okusituka. Omukolo guno gwaddibwamu emirundi esatu era nga gulabibwa bulungi okuva mu kibuga. Abaan b'amasonero gye baatuuka n'okuleka okuva ku ssomero okumala eddakiika amakumi ana mu ttaano okulaba ekintu kino. Mu kiseera kino Ow'oluganda Branham we yafunira okubudaabudibwa okuddayo e Jeffersonville n'okubuulira amazima g'obufumbo n'okwawukana. Okubikkulirwa kuno okw'amaanyi oboolyawo kwe kwali obubaka obusinga obukulu mu byonna eri omugole wa Kristo mu kubayamba okugolola obulamu bwabwe. Nate Katonda yakola nga bwakola mu byafaayo byonna, n'alabika mu Mpagi y'omuliro okwogera n'omuntu, n'addamu okukakasa nti Katonda gwe musana.

Singa abasajja basobola okulaba...

Ekkanisa ya Soul's Harbor.
