ISSUE 63

Thus saith the Lord, which giveth the sun for a light by day, and the ordinances of the moon and of the stars for a light by night, which divideth the sea when the waves thereof roar; The Lord of hosts is his name:

If those ordinances depart from before me, saith the Lord, then the seed of Israel also shall cease from being a nation before me for ever.

Jeremiah 31:35-36

Brother Ed. Byskal prays for Israel...

We are remembering Israel, the land that You chose, oh God and the people that have been birthed and born and living in that country in that war today, oh God. We pray for the suffering of humanity, Lord Jesus, for the Palestinians and for the many innocents who do not understand what is happening. The powers of darkness trying to invade against Your Word, against Your Promise. You have promised a certain land and You know exactly the boundaries of it. We don't have to figure it out but we pray that You will move in, oh God and we know one thing for certain that this is Your time piece. Your prophet has declared it. We know we are in the end of time ourselves, Lord and we are here in this service to prepare ourselves.

We ask that you will take our Brother Tim Dodd stands behind this pulpit and opens up Your Word – not our word – Your Word, oh God. And You have revealed it in this time and we saw Jesus Christ. And we want to testify today, Lord that I am absolutely, thoroughly, thoroughly convinced that you are here, just the same as we are here. Even more so, You are here. We are mortals but you are immortal.

We are human but You are divine.

Oh Lord, I pray that You will come amongst this congregation and revive the heart that needs to be revived, deliver the mind that needs to be set free, put faith amongst those that are weak in faith, oh God, and let the supernatural take place amongst us, in the Name of Jesus Christ, we pray, and we'll certainly give You all the Glory, We'll give You all the Praise. We thank You, Father that You see every heart and every request and desire that we hold in our heart.. We just give you all the praise now for a finished work. Amen! Amen! Amen!

I've got to sing.

*“We'll give ALL the Glory to Jesus,
And tell of His Love, and tell of His Love,
and tell of His wonderful Love, Hallelujah
Let these walls tremble with Glory to God, Hallelujah!*

From behind the Editor's Desk

Christian greetings to you dear Saints from us in N.Z.

We thank the Lord for His Encouragement and Promises in His Word to Those who have needed a healing touch from Him.

When we were putting the Promise of God, in Jeremiah, telling us that 'Israel will never cease being a nation before Him' on this month's COVER, my Wife remembered how our Lord helped their group get the blankets that they had crocheted, to Israel. They mounted to 100 approximately, but when they tried to send them to Israel, they cost so much to send. But the Lord opened up the way on the three occasions.

Firstly, they were given contacts who sent them on their way in a few days. The Second lot we had to wait until they were contacted before sending them and on the day before my wife and I were going on holiday and we were packing our car – the phone rang asking us to send the blankets immediately [to the very place we were going on holiday! And on the very day!] We just added this precious bundle to our luggage and we were on our way.

The third time, a person had a water proof container that they used when travelling on the high seas, and they gave it to us and told us of a ship that was due to sail to the port in Israel! He took the precious bundle [free of charge]. And we joyfully received photos of the blankets with the recipients in Israel.

My wife just stood on the corner of the street, and with a full heart said to the Lord, 'Oh Lord, You must LOVE Israel!' Yes He does.

Our Committee join me in sending you all their Love in the Lord.

Letter to the Editor

Dear Brother Charles,

Re - The page on the Muslim Brotherhood taking over America, should not be alarming – or “scary”

That is simply the fruits of the decision the prophet spoke of in 1956 which was the year that America turned from the Lord. That was “scary”. The “brotherhood” in the Whitehouse was already on the table when President Kennedy was elected and the greater evil – the RCC – got the top seat.

Remember Charles Chinique (The RC priest that became a Christian), he warned in his books more than a 150(?) years ago, that the RCC wanted to kill Abraham Lincoln, and wanted to take over America.

Personally, I believe to steer away from the sensational, to Faith in God, a buckling down, turning to more prayer and intercession and living the Word according to the message.

Perhaps this scripture applies: **Mat 7:24** *Therefore whosoever heareth these sayings of mine, and doeth them, I will liken him unto a wise man, which built his house upon a rock.*

SPINDALE.NC FRIDAY\_ 56-0420

E-54  
When the Holy Spirit comes, each one of you people become like a live wire. See? And the Holy Spirit is a Light. How many knows the Bible says that? How many knows that Jesus Christ is in the form of Light now, let's see your hands. How many--has anybody got a picture of Him here now that was taken there with me down then--not because... Somebody got the picture raise up your hand; somebody's got one of the pictures, the Pillar of Fire? Here is it, right here. Here it is, the Pillar of Fire that led the children of Israel. This is scientific. If I die tonight, my testimony's true. The scientific world has proved it. The Church knows it, So that--that settles it. George J. Lacy proved that, right there.

E-55 And now you see this; it's a Light. When the children of Israel were led by the Angel of God through the wilderness, what was it? A Pillar of Fire, is that right? Thirteenth chapter of Exodus. God kept It, in the day time It looked like a white Light, like a cloud. And at night time, It was a Light. Now, that was Christ. How many knows that?

Well, if He is the same yesterday, today, and forever, and if He said, *"I come from God and I go back to God..."* Then when He was here on earth, He was a man in flesh, when He returned back, His corporeal body went into the Presence of God and He turned back to Light. Is that right? If He's the same as He was when He was with Moses. Now, is that Scriptural? When Paul was on his way down to Damascus, what was It struck him down? What did he see? A Light, is that right? And He said, "Why persecutest thou Me?" He said, "Who are You, Lord?" Called the Light, Lord. "Who are You, Lord?" He said, "I'm Jesus." So He's the same yesterday, today, and forever. You see it? Now, He's Spirit now, called the Holy Spirit. The same with God the Father, leading Moses, called God the Father, the three dispensations, Fatherhood, Sonship, and Holy Ghost. See? It's just three offices of the same self God. Tonight His office is here on earth in His Church as the Holy Ghost, God the Holy Ghost. Same God that was in Jesus is in you. And if He's the same, and correctly the same, the same things that He did then, He does now. If it isn't, then He isn't the same yesterday, today, and forever. He changed or we awakened in His death.

# DEMONOLOGY

## Part 2

Brother Matthan Gray

Luke 16: 19 - 31: details the account of the Rich Young Ruler who rejected the day of his visitation and eventually died and went to Hell as a disembodied spirit. Luke 16: 23 - 26: **And in hell he lift up his eyes, being in torments, and seeth Abraham afar off, and Lazarus in his bosom. And he cried and said, Father Abraham, have mercy on me, and send Lazarus that he may dip the tip of his finger in water, and cool my tongue; for I am tormented in this flame. But Abraham said, Son, remember that thou in thy lifetime receivedst thy good things, and likewise Lazarus evil things: but now he is comforted, and thou art tormented. And beside all this, between us and you there is a great gulf fixed: so that they which would pass from hence to you cannot; neither can they pass to us that would come from thence.**

The Rich Young Ruler in Hell was a disembodied spirit; he was unclothed. Whilst in Hell, he gazed across to Paradise (Paradise was a partition of the fifth dimension/the Region of the Lost), and there he saw the beggar Lazarus of whom he did nothing for in their former life on earth. The Rich Young Ruler screamed out to Lazarus for cool water to quench his thirst and to cool his body from the heat of torment. Lazarus could not cross the chasm to where the Rich Young Ruler was, and neither could the Rich Young Ruler cross the chasm to where Lazarus was, but yet, if Lazarus could have crossed the chasm to where the Rich Young Ruler was, and if he had a glass of cool water in his hand, the Rich Young Ruler would not have been able to receive the glass of water because he did not have a body to receive it.

The souls in the prison house of Hell now wish to receive the Word because they now know that It is the truth, but if the Gospel could be preached to them in Hell, they still would not be able to receive the Gospel because they do not have the eternal gene of God inside their souls for them to receive the Gospel. The souls in prison cannot go to the Region of the Blessed, nor can they return to earth because their time is up. Those imprisoned souls remain in a perpetual real nightmare like a person who is awake in their subconscious but whose body is asleep, so that they are physically unable to awaken from the horrors of the nightmare (they are not dreaming, their souls are actually in that world of torment). A dreamer may have the presence of mind to awaken from a nightmare by returning to consciousness, but the dead sinner remains in the world of torment till the Great White Throne of Judgment.

1 John 4: 18: *There is no fear in love; but perfect love casteth out fear: because fear hath torment. He that feareth is not made perfect in love.*

The souls in prison remain in torment because they never came into an invisible union with Christ in this life; they did not have a love for the Gospel. As a man and a woman become one flesh by marriage, so likewise is the soul of a person to become one with Christ via the spiritual marriage of the new birth. The soul is feminine; it is the womb into which the masculine seed of Christ the Word is planted to quicken and bring to life the eternal gene of God on the inside. The new birth redeems the soul because of the invisible union between the Logos (the masculine part) and the soul (the feminine part). To explain this paragraph in more detail, we shall need to examine the Gospel of Matthew.

Matthew 18: 10: *Take heed that ye despise not one of these little ones; for I say unto you, That in heaven their angels do always behold the face of my Father which is in heaven.*

The elect people of God (His Bride) have an angel or representation beyond the Curtain of Time; that angel is called a □theophany□ The theophany is an eternal Word body that is a part of God; it beholds the Father's face because it was always connected with the Father because it is eternal. When a Christian dies, their soul leaves this flesh body and goes beyond the Curtain of Time to unite with the theophany; the theophany then materializes into something that can be seen by the other saints in Glory Land.

A face of a person is what identifies that person (such as a passport photograph or license photograph etcetera). The purpose of the new birth is to align the eternal gene of God inside your soul with your theophany that beholds the face of God beyond the Curtain of Time; thus it becomes apparent that the two eternal (the gene of God and your theophany) must be aligned by the Eternal Himself (the Holy Spirit) so that you can see the fullness of God (the face of your heavenly Father). The invisible union between your soul and the Logos redeems and brings your soul into a state of glorification so that when God sees you, He sees you perfect and sinless because your soul (not your flesh) is glorified due to it having been filled with and sealed up by the Holy Spirit; Ephesians 4: 30: *And grieve not the holy Spirit of God, whereby ye are sealed unto the day of redemption.* The soul of a Holy Spirit filled Christian is redeemed and glorified, but the fullness of redemption happens at the translation, when our bodies will be changed and glorified.

The spiritual marriage between the soul and the Logos cannot be separated; Matthew 19: 6: *Wherefore they are no more twain, but one flesh. What therefore God hath joined together, let not man put asunder.* False worship

## Many times you think it's strange because of fiery trials

And sickness, and persecutions;

*it's only done to test you, to get the dirt out of you, to get the sludge out of you, to get the slowness out of you, to wake you up to the place where you can look and see the reflection -- or men can see the reflection of Christ in you: Christ in you, the hope of glory.* It would produce patience, waiting on God and for God.

**JAMES 1:4 *But let patience have [her] perfect work, that ye may be perfect and entire, wanting nothing.***

It will produce a perfect, mature faith that lacks nothing. A mature Faith, that can master all circumstances, trouble, disappointments, or distress - a Masters Degree □is obtained by **Perfect Faith** We must know God's objective is to produce in you A Perfect Faith In this Age of Perfection .

God does not want you to experience doubting driven by fear, and being tossed about like a troubled sea

The question is How is all this possible? How is our faith made mature, perfect; wanting - lacking nothing .Like a mature fruit - it lacks nothing - It has gone through all the stages.

How is it tested? By various trials.

So we see various sufferings become **a source of joy - Count it all joy.**

# ~A SOVEREIGN MOVE OF GOD~

Dear Pastor Greg Alford, April, 2013

Greetings to you from, Homa-Bay, Kenya, East Africa.

I am Pastor Harrison Owinyo of New life Church in Homa-Bay town not a big church with 104 members. By God's grace I am also the Secretary General of Homa-Bay pastors' fellowship, a pastor's organization which unites 83 different denominations in the lake region.

My main reason of writing to you is that on 17th October 2012, I got your ministry through your website. It led me to a man of God called WILLIAM MARION BRANHAM. Since then, I have always felt in my heart to know more about this man of God. I do agree with his teachings and I see nothing wrong with it. Presently I strongly feel there is something wrong in our denominations.

Could you please let me know how to get more information about the prophet? My other request: "Could you come to Homa-Bay to speak to our pastors and churches about the prophet? November 2013 would be great."

At the moment I do not know God's will for my ministry but I strongly feel things can no longer go the normal denominational way. I will continue praying about this matter please help me in prayers.

Be blessed of the Lord as I wait to hear from you.

Yours in the Lord Jesus

**Pastor Harrison Owinyo.**

*[Brother Greg passed this on to me as I was due to visit Africa in August and already have contact with some pastors in Kenya. I wrote offering to visit in August but received no reply until 15 July and this is Brother Owinyo's update.]*

**Greetings to you from, Homa-Bay, Kenya, East Africa.** It is almost four months now ever since God made us to connect. You have written to me two times but I had not replied. I just wanted to give it time so that God could lead me. Many things have happened but let me start with my visit to Voice of God Recording in Nairobi where I was able to buy many message books in my search for truth.

I have since gone through most of the 42 books. An Exposition of the Seven Church Ages has especially blessed me and opened my inner eyes greatly. There are so many things in our denomination that the spirit of God is leading to correct. I have tried this over several past months and what I have got back, whenever I deliver the end time message, is a great opposition from my own church which I have served for 15 years.

Brother William Branham in his book on the Seven Church Ages said, "Yes, Satan hates revelation. But we love it. With true revelation in our lives the gates of hell cannot prevail against us, but we will prevail over them."

God has opened my eyes to see the truth about, Godhead, water baptism, the end time prophet sent to us in the hour, the place of women in the church.

I cannot pretend that I do not have any revelation on these issues and many more. Our church headquarters had summoned me to the office. I was strongly told to never speak about the prophet of God William Branham and anything to do with Endtime Message. I have tried to prove to all our church leaders here about the Endtime Message but all I am being told is that the end time believers worldwide is a cult.

The revelation the Lord has given to me does not believe so. William Branham is a true prophet of God and his teachings that I have gone through has no error.

I find it very difficult to hide the truth. I did not stop preaching the end time message when I was summoned to the head office.

As I write this letter, I have been excommunicated from my church. My wife and I have been seeking God about what next step and we believe God is leading us to start a message church. We have already three brothers and six sisters who are strongly standing with us. We are starting a church tomorrow (Sunday 21st July) Please pray with us.

One more thing we would want you to pray about is that we have been running a school and orphans children home. We have been getting support from the Catholic Church using their buildings to run the school. Already we have problems with them after I stopped the school management from taking the children to the morning prayers in the Catholic Church and also we have stopped the children under our care from being baptized with the Catholic Church. The good Lord keep you my brother as you help us to pray about these issues ahead of us. Still praying that we meet in the month of November though things have now changed and I do not think other denominations will support that meeting. As things are right now I may lose my position as the secretary general to the pastors' fellowship.

The good Lord be with you again as you keep us in prayers.

**Waiting to hear from you again. Brother Harrison Owinyo**

**Sent in by Bro. Richard Oliver, Eltham, N.Z.**

*The task ahead of us is never as great as the Power behind us.*

He set me free – Oh, He set me free!  
He broke the bars of prison for me!  
I'm glory bound, my Jesus to see  
Glory to God, He set me free!!

Jesus, draw me close, closer Lord to You  
And let the world around me, fade away  
Jesus, draw me close, closer Lord to You  
For I desire to worship and obey.

**Brother Jeff Jenkins**

What a great desire that is, if we are genuine when we sing that song, for Him to draw you closer, pour you closer, no matter what it cost, as far as the cross is concerned. That's the greatest thing for you.

## Background for the Rapture

Let's take, if you would, from the Book of Psalms. Psalms 27. I'd like to say how much Carol and I have enjoyed being here in the services and I trust that something has been said that would encourage you. I trust I haven't said anything that would cause a stumbling block or make life any harder for you. It's ever my desire to leave good trails behind. So I trust it will help you to be a better Christian, a better Servant in the place that God has placed you.

Psalms 27. Now, those of you who are familiar with the message and those of you who have listened to the Rapture Tape, you know that when Brother Branham preached that message, he read the Psalm 27 v1-5. And then from this, in paragraph 27 in another 'Rapture' he said, I want to speak on another subject on the Rapture you see. You believe that there will be another rapture. All Christians believe that. That is: Bible Believers believe that there will be another Rapture.

Now, to background, I want to read the 27th Psalm. Now, one of the meanings to the word 'Background' is conditions that form the setting within something which is experienced. And so Brother Branham read Psalm 27 for a background – conditions that will exist within something which is going to be experienced – Psalms ch 27 v1. A Psalm of David. The Lord is my light and my salvation; whom shall I fear? The Lord is the strength of my life; of whom shall I be afraid?

V2 When the wicked, even mine enemies and my foes, came upon me to eat up my flesh, they stumbled and fell. [Now remember what a Background is: A condition, several conditions that exist wherein something is going to happen.]

V3 Though an host should encamp against me, my heart shall not fear: though war should rise against me, in this will I be confident.

V4 One thing have I desired of the Lord, that will I seek after; that I may dwell in the house of the Lord all the days of my life, to behold the beauty of the Lord and to inquire in His Temple.

V5 For in the time of Trouble he shall hide me in his pavilion; in the secret of his tabernacle shall he hide me; he shall set me up upon a rock.

V6 And now shall my head be lifted up above mine enemies round about me: therefore will I offer in his tabernacle sacrifices of joy; I will sing, yea, I will sing praises unto the Lord. [I find this very amazing because this is the only time on the tapes that Brother Branham ever reads or refers to Psalms 27]

Let's pray together: *Oh Lord Jesus, we so love You today and we thank You, dear God that we have been given this opportunity to gather together in this place with Your children. I trust, Heavenly Father that You will come today and once again speak to us with Your Word. We believe, Lord, that You alone really know all of our needs today, that You alone can custom feed the sermon to make it apply to every hungry heart today. As a minister of the Gospel, Lord, I do not have that capability. Lord, there is no way that I could have a message that would meet all these people's needs, but I know that You can and I pray that You would help us today. Help me, Lord, to be sensitive to the Holy Ghost, if there's a need here that lays out of the confines of what I've studied that You would pull me in that direction. It may not be for one sentence or more, but we believe that You are our God today and You can be touched by the needs that we have.. So, speak to us from Your Word, Father, I pray, in Jesus' Name, I pray. Amen.*

God bless you, saints. You may be seated. From that Scripture and from that quote here, I would like to speak to you today on

the 'back ground for the Rapture.' How many are looking for and longing for the Rapture? We believe it, we desire it.

You know, it's a very unusual setting that Brother Branham would use this for 'The Background for the Rapture' and I don't believe it was just by chance and I don't believe that Bro. Branham decided that one day he would preach on the Rapture and he thumbed through the Bible and the Bible just casually opened at Psalms 27 and he decides that he would just take it from there.

Now, being in church for most of my life,-

I just turned 56 last week and I got saved when I was 12, started preaching when I was 18. So I have been in church for most of my life, heard the Rapture being preached, the coming of the Lord and different ministries take different Scriptural backgrounds for it – 1 Corinthians 15, 1Thess 4, Luke 21v36 Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man. Matthew 24. Many of the various things, we would sing, more typically would fit into the Rapture or the coming of the Lord. And when Brother Branham takes this and I know, several years ago and started wondering, what would be the significance of Psalms 27 being used for a background. And when you go to looking at the meaning of the word that the conditions that formed the settings was in something that shall be experienced. Then it gives a little deeper meaning to know them who are the Bride and we believe that we are the elect of God and we know that the Rapture does not come from free moral agency. The Rapture is not by choice. The Rapture is not 'Whosoever will, let him come', but the Rapture is by Election because the Rapture is inclusive, only for the elect of God, which is God's own choice, so we do not only choose on our own whether or not we will honour our action, for that is God's choice alone. So it is a special selection by the predestination of God that He will include those that He has picked before the foundation of the world.

Now, we know there has been three Raptures already. One was Enoch, the second was Elijah and the third was Jesus in Matthew 27 with the resurrected saints, and when Jesus ascends in Acts ch 1.

So in the first Rapture, it was by election only, which was Enoch, one man who was called by God. God created a special thing, which was called a Rapture.

The second Rapture was Elijah. Elijah was the only one in that day that was caught up in the rapture, although there were other good people who loved God but they were not chosen for the Rapture.

Whenever the third Rapture took place, [the Lord Jesus and the elect of the Old Testament.] The Bible does not say ALL the bodies of those that slept, arose, but many of the bodies of those that slept, arose. Even in that Rapture it was only for the elect. So when we find that God only has a pattern, we look at that pattern

and see God's character in that and know that He cannot change.

So the first three Raptures have taken place by Election, we would tend to believe the last Rapture would take place the same way, that it will be a Rapture by God's own choice and it will be a Rapture, so supernatural that those that are in tune with the Supernatural God will be able to experience it.

Now if it comes by only reading the Word, even the devil can go in the Rapture because he can read the Word. If it can come by reading the Word or by having a knowledge of the Word, then anyone who can read it can do it. But since it is a supernatural phenomenon, a supernatural event, there must be a supernatural something that will accompany those who will be a part of that. And there will also be natural circumstances going on, on the earth that will attune to what God is going to do in Heaven.

# HEALTHY COOKING TIP FOR 2013

Many professionals in restaurants and eateries are using or consuming the entire lemon and nothing is wasted. How can you use the whole lemon without waste?

Simple... Place the washed lemon in the freezer section of your refrigerator. Once the lemon is frozen, get your grater, and shred the whole lemon (no need to peel it) and sprinkle it on top of your foods.

Sprinkle it to your vegetable salad, ice cream, soup, cereals, noodles, spaghetti sauce, rice, sushi, fish dishes, whisky.... The list is endless.

All of the foods will unexpectedly have a wonderful taste, something that you may have never tasted before.. Most likely, you only think of lemon juice and vitamin C. Not anymore.

Now that you've learned this lemon secret, you can use lemon even in instant cup noodles.

What's the major advantage of using the whole lemon other than preventing waste and adding new taste to your dishes?

Well, you see lemon peels contain as much as 5 to 10 times more vitamins than the lemon juice itself. And yes, that's what you've been wasting.

But from now on, by following this simple procedure of freezing the whole lemon, then grating it on top of your dishes, you can consume all of those nutrients and get even healthier.

It's also good that lemon peels are health rejuvenators in eradicating toxic elements in the body.

So place your washed lemon in your freezer, and then grate it on your meal every day. It is a key to make your foods tastier and you get to live healthier and longer! That's the lemon secret! Better late than never, right? The surprising benefits of lemon!

Lemon (Citrus) is a miraculous product to kill cancer cells. It is 10,000 times stronger than chemotherapy.

Why do we not know about that? Because there are laboratories interested in making a synthetic version that will bring them huge profits.

You can now help a friend in need by letting him/her know that lemon juice is beneficial in preventing the disease. Its taste is pleasant and it does not produce the horrific effects of chemotherapy.

As you know, the lemon tree is known for its varieties of lemons and limes.

You can eat the fruit in different ways: you can eat the pulp, juice press, prepare drinks, sorbets, pastries, etc... It is credited with many virtues, but the most interesting is the effect it produces on cysts and tumours.

This plant is a proven remedy against cancers of all types. Some say it is very useful in all variants of cancer. It is considered also as an anti microbial spectrum against bacterial infections and fungi, effective against internal parasites and worms, it regulates blood pressure which is too high and an antidepressant combats stress and nervous disorders.

*The source of this information is fascinating: it comes from one of the largest drug manufacturers in the world, says that after more than 20 laboratory tests since 1970, the extracts revealed that It destroys the malignant cells in 12 cancers, including colon, breast, prostate, lung and pancreas...*

The compounds of this tree showed 10,000 times better than the product Adriamycin, a drug normally used chemotherapeutic in the world, slowing the growth of cancer cells.

*And what is even more astonishing: this type of therapy with lemon extract only destroys malignant cancer cells and it does not affect healthy cells.*

*So, give those lemons a good wash, freeze them and grate them. Your whole body will love you for it!!!!*

John 3 v 2 "Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth.
