God bless you brethren

Everything is open, all the chains that have ever held us have been broken, every Roman shackle has been loosed. Every prison door has been opened, OUR jubilee has sounded!

And yet it takes the Presence of God Himself, the personal ministry of the Son of God Himself to come to us to personally reveal the broken chains, to personally lift off the those shackles that we were so used to having around us. He comes Himself as the Angel of the Covenant to personally escort us from our old religious and dark babylonian prisons.

We never sinned in the first place! It doesn't matter what we used to be... The blood stands and the blood speaks better things!

God's Angel came to Peter in the night and personally freed him and escorted him through every man-made stronghold. It was when Peter walked free that he finally realised this was not a dream but reality!

God answers prayer, and prayer changes things. The same Angel for the Lord is with us today so be encouraged to pray and walk in the vision that God is revealing to you and your fellowship.

Great exploits are taking place to prepare the Bride for departure and to reveal the freedom Jesus purchased for us in fullness. Press the battle!

Labour Weekend Camp & Youth banquet 2016

We are pleased to announce that we will be having a camp and youth banquet over labour weekend this year with Bro's Kidri Diggs and Steeve Brisson being the camp speakers.

The services are open for all to attend, except for the youth banquet on the Saturday night which is for youth only. Though the services are open to anyone who would like to attend, please note that there will be no meals provided for non campers and it would be appreciated that the extra visitors do their fellowshiping after the service off the camp site so we can continue with youth activities etc. The exceptions will be Friday and Sunday evenings where we will provide a light supper for anyone who would like to stay and fellowship after the service.

The youth banquet will be a black tie formal dinner with ministry during the course of the evening much like how brother Branham spoke at numerous breakfasts. Youth banquets are held quite regularly overseas and have been a real blessing spiritually as well as being a fun event for the youth.

Date: October 21st to 24th

Ministry: Bro Kidri Diggs (USA) & Bro Steeve Brisson (Canada)

Location: Vertical Horizon Camp,
558 Everett Road, Inglewood
4388, Taranaki

Cost: \$140 | **Ages:** 14 to 35. Please note that young married couples without children are also welcome to stay on site as well.

Service times: Friday 21st: 7pm
Saturday 22nd: 10am and 7pm
Sunday 23rd: 10am and 7pm
Monday 24th: 10am

Thank you all for your generous financial support for the last camp which significantly lowered the camp cost for the campers. If anyone feels to give again for this camp, it would be greatly appreciated.

We will send more details, registration forms, etc. closer to the time. I believe this camp will be a tremendous blessing and the Lord will permanently transform many lives there so if you could all please keep the camp in prayer it would be greatly appreciated.

God bless you all richly, Brother Ben Gloyne & Brother Alray Robertson

When I started out doing missionary work in the early 2000's it was a costly and laborious job getting cassettes and books into the hands of the believers. If you can imagine how much a message cassette weighed and multiply that by 1200, it isn't hard to see that the cost to get these materials shipped was going to be prohibitively high. The logistics on both ends of the exporting was so complex that there was the odd occasion that the materials never arrived at their intended destination.

Many kind brethren sent me boxes full of tapes to send overseas and it didn't take long for my garage to be stacked to the ceiling with goods that I could no longer afford to send away.

Then came along the CD's. discs, so life improved still meant that each and the ever hungry for bringing it into their generous to the collection and if I can find CD's also needed a CD mission of its own.

I could get the whole 1200 messages on about 20 somewhat from my previous experiences. But that person needed a CD pack that weighed a kilo. Customs in each nation wanted to collect a fee country. I have never been a person that has been the agencies of the various places I have been a way of circumventing them, it will be done. The player and getting those to remote places was a

Let me now jump a little ahead in my thoughts for a moment. If my comments burn then please let them smoulder only for as long as is necessary.

To those who are fortunate (or unfortunate depending on your viewpoints) enough to live in nations with direct access to the internet, you can easily connect to various outlets and download the message in seconds onto your smartphone. You can take your smartphone to church with the bible on it and some use it like that. You may say that we have such amazing opportunities available now. But I will give you my analysis of what has been observed. High technology may have made the message more easily accessible, but the message has in reality become less accessed by those with all the techno-gear. The ease at which the information-age has taken over has turned many so-called Christians into lazy, worldly, brain-paralyzed individuals that are more ignorant now than what they were when the internet was not available. Every hateful opinionated psychopath that wants to pass on their viewpoints denigrating the message has done so with catastrophic ramifications that renders the perpetrators on the same level as Judas. Every seed must bring forth of its own kind and the strength of the Holy Spirit rain is forcing everything to manifest. Without a new birth in this day, you will fall no matter how strong you perceive your will-power to be. If the Lord doesn't have all of you, Satan already

has his clutches pulling you to himself.

Go into a message house today and you will find less and less the voice of Bro' Branham being played to the family and more and more of every other entertainment taking over. Could you call that a sign of election??? Science is the tree of knowledge of "good and evil" and evil has certainly taken over the homes of once sanctified families. Who gets the blame? Everybody else is blamed for the problems that have been self-inflicted by parents that show no more logic than that of a garden snail. May the Lord open your blind eyes before it is too late. Always remember that evil is very appealing to the senses and the sensual person with no revelation will not be able to see that information-age is en-

gineered by an intelligence that fell from heaven in the form of Lucifer. By all means use the internet to get into the message, but make sure that the message gets into you!!! You can use technology for good.... or for evil. It's your choice.

To the readers who are still breathing, please read on!!!

Applying available technology.

The Micro-SD card has been available for a short while for us in the western world. It is what I deem a good safe and cheap alternative for places with wonky internet connectivity. Most brethren that live in poor nations cannot afford too many material goods, but funnily enough they always seem to be able to get a cell phone. They cannot afford to pay for basic necessities of life, but they can always pay for credits!!! Life is a paradox. I was talking to a well-respected brother in my country about the various ways of getting the message out to

the remote areas using MP3 players and his reply was “why try to reinvent the wheel”. MP3 players have their place and always will, but filling the thousands of cell phones with micro-SD cards is the most cost effective way of spreading the message with the least amount of hassles. So 100 cards in Vietnamese was ordered from my kind friends in the USA and I took them into Vietnam and gave them out to everybody in the meetings. The money was donated from people who have been sending funds into the missions work and that is where your sacrifices have been getting utilized. To my surprise the cards operated in their rumpy cell phones without any problems. The smiles that came over

their faces when they heard the message in their own language was a sight to behold.

Brethren want to see where their funds have gone, so I am showing some pictures to you of brethren with the message in their hands in the form of SD cards. This missionary work is not for the glory of man and may it stay that way. It is the Lord using His various gifts for each purpose and we are all the teeth in the cogs to make it happen. Whether you are at home praying, or supporting this work financially or in the front line, it is the Lord Himself in His body expressing Himself to the feminine part of Himself. So it is to the Lord we give all praise and glory to as He prepares His Bride to take Her home.

I want to give a special thanks to the Shekinah Tabernacle in Northland NZ for your support in making things easy to get into Vietnam and getting the contacts set up and your prayers, and to Rapturing Grace Tabernacle in Stratford for your encouragement, and to all the prayer warriors and donors who have contributed to the cause financially and also to the brethren in North Carolina for the duplicating of the SD cards. May the Lord bless you all.

Mission Work In India Reaching The Unreached

June - July 2016

Dear brother and Sisters in the Lord, It is a privilege to testify the details of last two months report. God has been so faithful to us in every aspect of our ministry.

I would like to share just the highlights of new places we have reached with the Gospel during the past two months.

Lattian (Sultanpur)

Lord has opened a new door for us in city called Sultan Pur Lodhi, very important for the Sikh religion. One of our Bro

Lakhvir Singh took a burden to approach his relative with Gospel (Message) to this city. Lord blessed his

endeavors and now some 15 people from Sikh have accepted the Lord Jesus Christ as their

personal Savior. Last month we organized an open air meeting in the fields where everybody was welcome from the nearby villages. Meeting went well some 200 people came to attend the meeting, after the meeting

we provide physical food as well as the spiritual food tracts and books of William Branham were distributed among all of them. One family has opened

their house where Sunday service has been started. Please pray for this area where majority is Sikh and you can hardly find a Christian in these villages.

Bro. Lakhvir Singh (Formerly Sikh) is ministering over there.

Br. Lakhvir Singh & Roshan planning about the meetings in Sultan Pur

Jandwal

Jandwal is a small town situated on the national highway to Jammu & Kashmir. It was my long desire to preach the Message in this town, knowing that whole village is wrapped up in the Seventh Day

Adventist doctrine. Finally Lord raised one family and through them made a way for us to conduct one day

meeting. Message has been preached and books have been given to the people. Seed has been sown believing that God will make it grow in its season. Need your prayers for this village as we need to do a lot of follow up work...

Bro. Rattan Lal Baptism GREAT VICTORY

It was last year when one young boy by the name of Rattan Lal from our neighborhood born in a Hindu family and raised practicing Hindu's rituals, ceremony and sacraments, met me. I astounded to hear his testimony when he told me, said, *"Whenever I was home on Sunday I used to hear you're preaching and Lord opened my eyes to understand that there is only one God*

and Savior that's Lord Jesus Christ. I believe in Him and want to learn more about it."

I encouraged him to take stand and start Sunday service at our church which is next door to his house. When he started to attend the church great persecution and harassment started from his family and relatives. They said you have brought shame and disgrace on the family by becoming a Christian. But Lord helped him to stand firmly although his house is divided and he was compelled to build a new house. Problem didn't stop here; family said it is an embarrassment to us people knows you go to church in the village. Find another church far away where nobody knows you, so we directed him to our sister church in Jalandhar (20 miles away) Bro. Raj Kumar herding the flock there. Also we meet him in secret and encouraging him in the Lord.

ENTIRE CHURCH RE BAPTISED

Khadur Sahib is a village in the district of Amritsar, Punjab, India. The village of Khadur Sahib is about 38 kms from

Amritsar, 20 Kms from **Tarn Taran** and nine kms from **Goindwal**. These all cities are very significant for the Sikh people. Their religious teachers/Gurus spent time in these places. Khadur Sahib has been sanctified by visits from eight of the Sikh Gurus. Therefore these areas are influenced by Sikhism and there is not Christianity at all here.

A Pentecostal Pastor named Samuel came in contact with one of our

Message brother Karma and he introduce the Message and the Message got a hold on him. He left everything to follow the Message and took baptism with his entire congregation. We baptize him and his wife first and then let him baptize the believers with us. Pastor his wife 2+14, total 16 people.

Pastor- Samuel

I HUMBLY ASK YOUR PRAYERS FOR BRO. SAMUEL AS HE CONTINUES TO SERVE HIM IN THIS AREA. THIS PLACE IS NOT SAFE FOR PREACHING AND EVANGELISM BUT WE NEED TO GET THE MESSAGE TO THE PEOPLE IN THIS PLACE AND THE SURROUNDINGS.

12 Baptism near Haryana State

ON THE OTHER HAND BRO PURAN MASIH HAS BAPTIZED TWELVE PEOPLE NEAR HARYANA STATE INCLUDING ONE HANDICAPPED PASTOR FROM PENTECOSTAL. LOWER PART OF HIS BODY IS TOTALLY CRIPPLED. JUST REMEMBER HIM IN YOUR PRAYERS

Other people have also come out from the Pentecostal faith. We are supporting Bro. Puran Masih to go and preach in the state of Haryana. He is doing a very good job. Because of his labor a couple of Message churches have been started in this state.

Please be so kind to remember Bro. Puran Masih and other brothers who are doing Mission Work in this state. There are 87.45% of Hindus constitute the majority of the state. Haryana is one of India's least-evangelized states.

Ps. Puran Baptising

Church Dedication

We praise God that our dear

precious brother Pastor Harminder Singh (formerly Sikh) and the congregation were able to build a beautiful church building in Punjab's biggest city

Ludhiana. He accepted the Message some five years ago. He began

with a handful of believers, but by God's

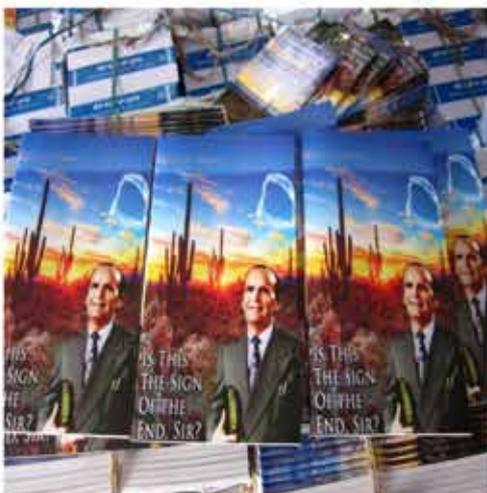

grace, the gathering grew to some 200 plus believers now. We thank the Lord for the believers of this church who are always on move, going village to village and town to town to witness this glorious Message of the hour and distributing the Message books/tracts audio

sermons etc.

Printing of the Message Books and Distribution

Lord is providing and we are printing Message books into Punjabi language every month, three thousands books each title. In the month of June we were able to make available "Is This the Sign of the End Sir?" And this month (July) we have printed "PREPARATION" We are committed and dedicated to bring the Message into the

BROTHERS PACKING BOOKS FOR DISTRIBUTION

hands of the people in their native language. Shortly we are going to start Hindi translation.

We strive to cross every language barrier with both Scripture and church to see life transformation among these least-reached people. We distribute literatures through print, audio and digital technologies. Please

remember the translators in your special personal prayers for the precise and accurate translation.

:: Free Bible Distribution::

We distribute the Holy Bibles to the poorest people, who are unable to afford a single copy of the Bible, for their personal or family use.

The daily income of a poorest person in the rural & tribal India is a maximum of 300 to 400 rupees (about 5 US Dollar) which he earns for his labour work. He has to meet the needs of his entire family with the smallest income (daily wage), which is not sufficient to provide the needed food even to his little children also. In this position, it is very difficult task for a poorest rural & tribal person to purchase a copy of the Bible in his own dialect.

To meet this need, we have started this Free Bible Distribution Programme, to provide the Holy Bibles to the poor believers in the remote areas. Many villagers, now, have their own Bibles in their houses.

Hence, we are providing the Holy Bibles to the poorest needy, free of Charge. We have many incidents when the people wept aloud when they receive the Bible from us. We also can see the true value & honor of the Bible as many villagers, dare not even to touch the Bible with dirty hands, as they treat it as the image of God.

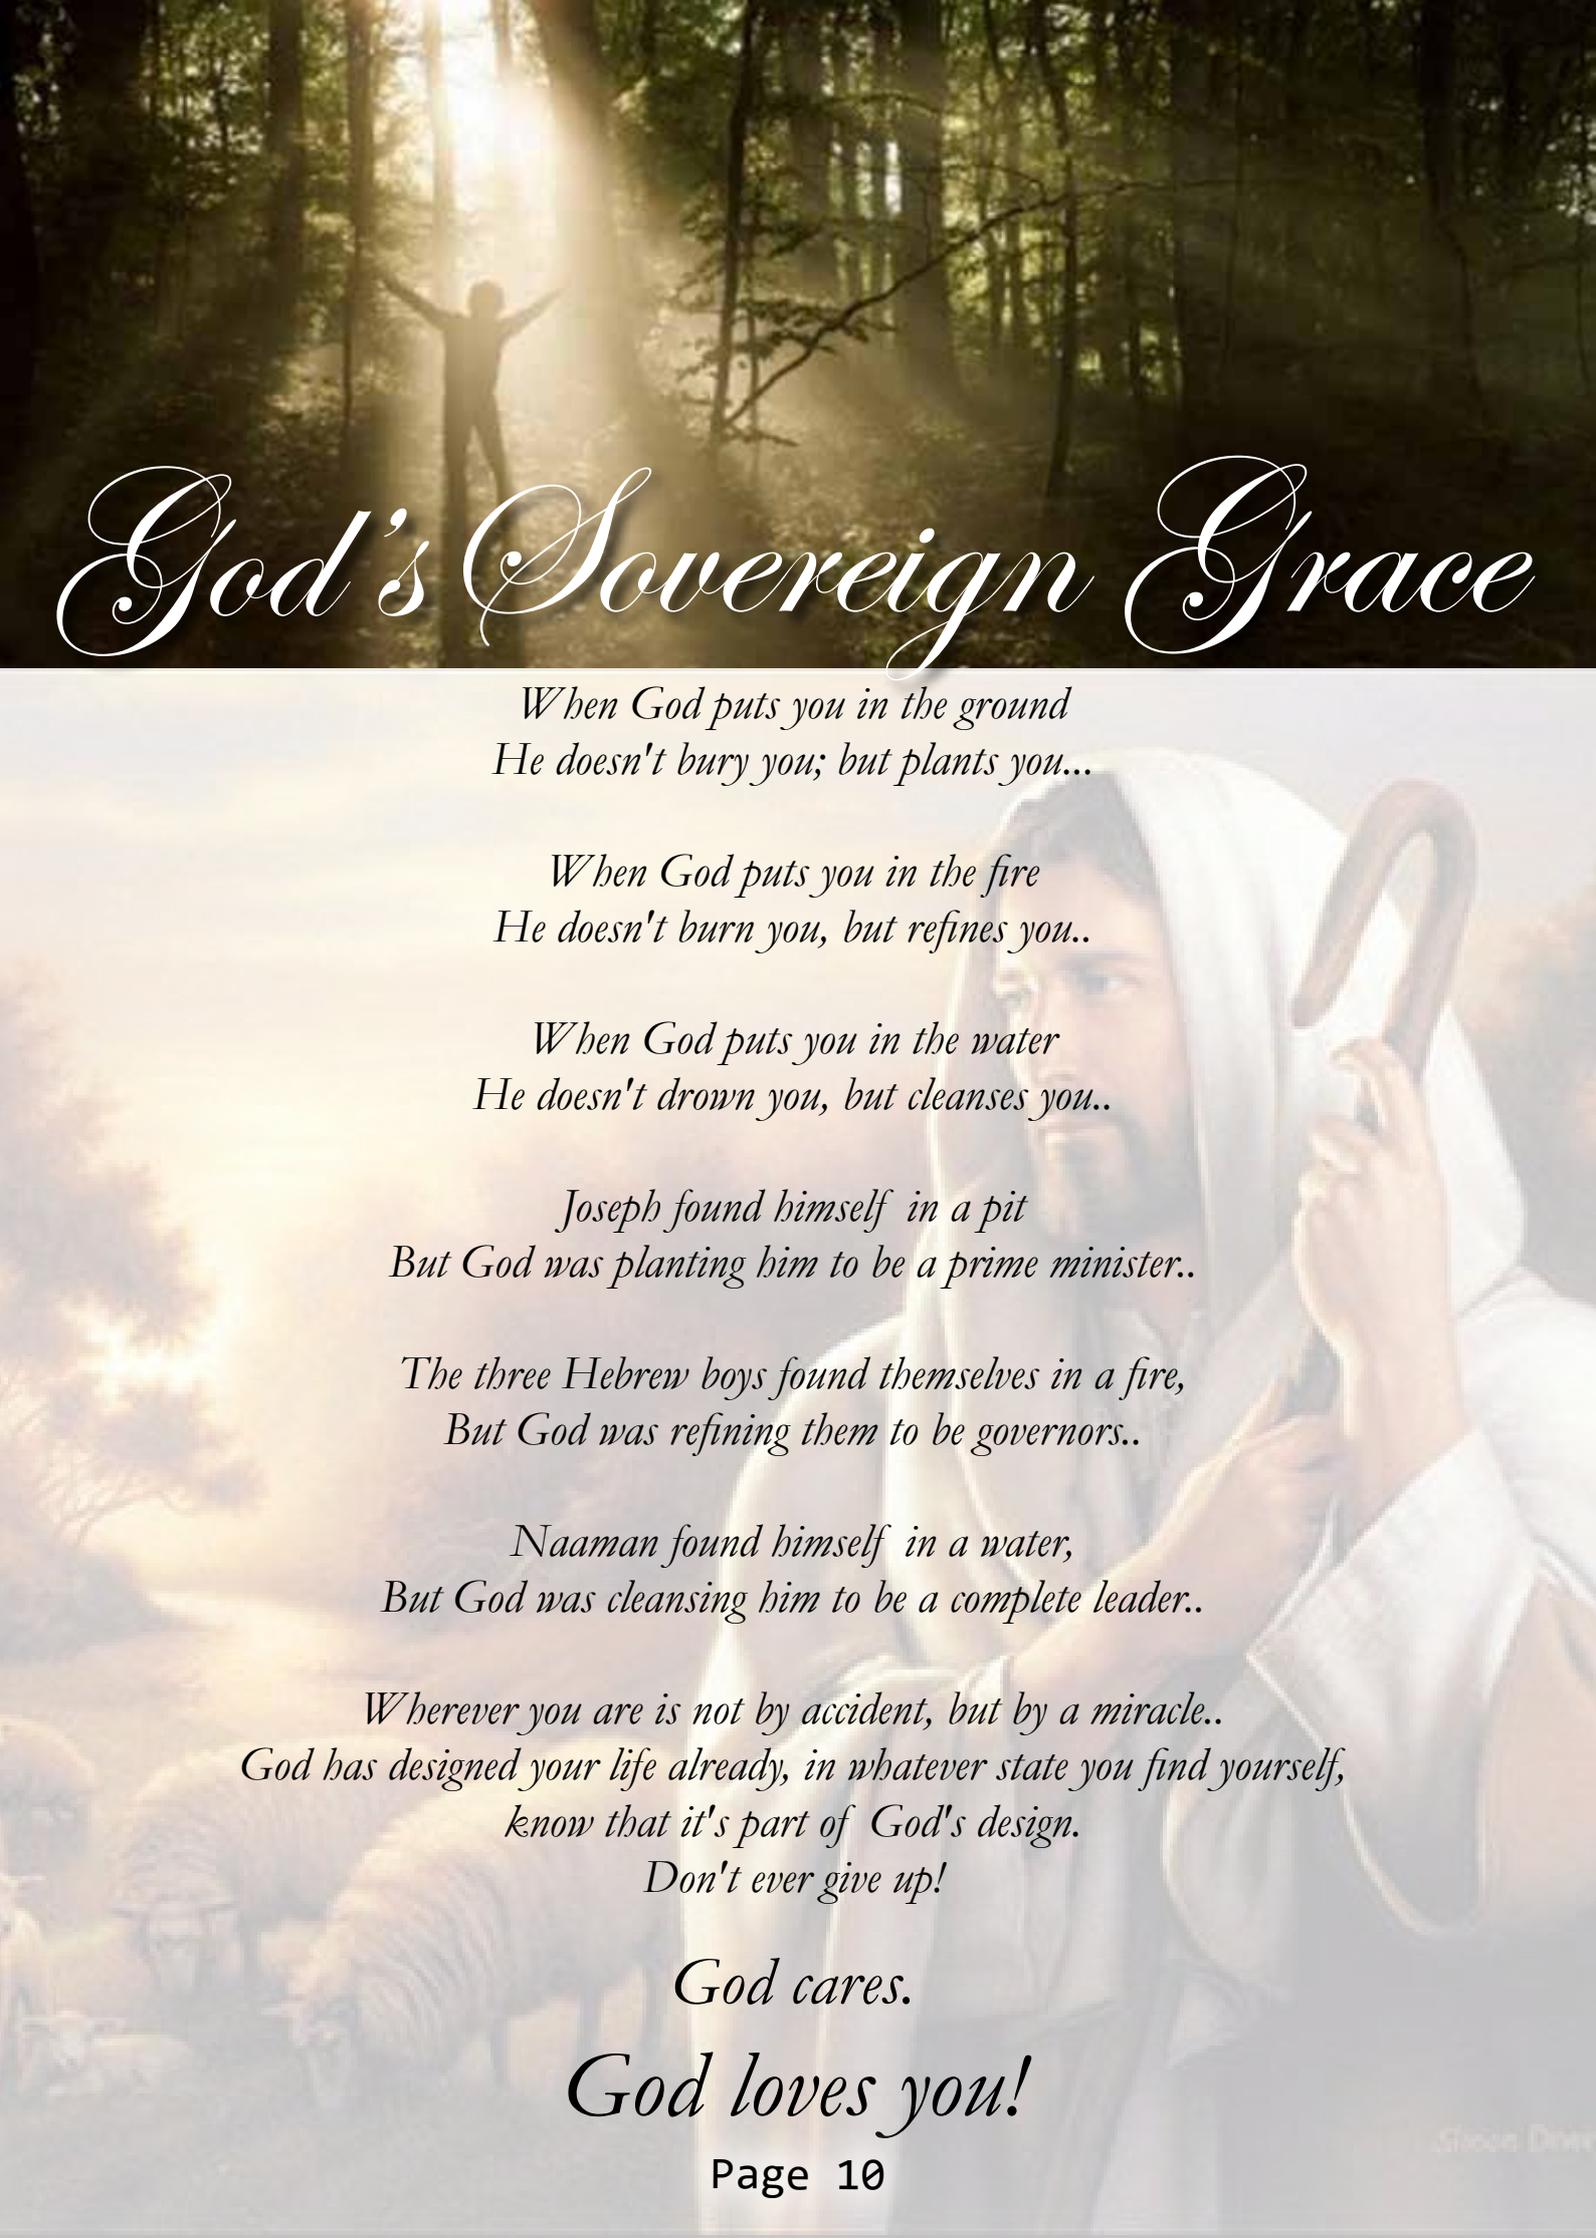

Please pray and help us, as we are in need of many Holy Bibles, for the distribution among the poor. At present, we distributed Hindi & Punjabi Bibles in many interior villages. Please sponsor some Bibles to the people who are starving for the Word of God.

Our entire ministry team in the Punjab are so grateful to God for you! We pray that you will be nourished by the love and grace of Jesus Christ and that the Lord's favour will shine upon every area of your life. You truly are vital to our ministry and we consider ourselves honoured that you stand with us so faithfully.

Your brother in His Vineyard

Bro Roshan Masih
