Shalom Saints.

INDIA TESTIMONY Bro Samson S

Trust you all doing well in the grace of our Lord Jesus Christ!

We would love to share what the Lord has done in our May 5-8,2016 Conventions. We had great open air meetings. Praise the Lord!

As for the Weather report, it was supposed to be rain and thunder-storms 95% during this meetings week.... But God did a Supernatural miracle by holding/stopped them to have these wonderful meetings.

Bro.Albert Ruegg from New Zealand is our guest speaker. We all enjoyed and blessed by his testimony and the Word that he brought to us on:

"It Must Be According To His Word", "Religion VS Revelation", "Recognizing Who We Are In Christ", "Awakening The Bride", "Seven Times, Now Is The Time"

And we had services at our sister Churches in "Nagulavancha" on Saturday May 7th morning. And May 8th Sonday morning at "Parvathagiri" rural, remote villages.

5 Souls came to Christ, accepted the Message of our day and baptized in the Name of Jesus Christ. And over 30 "Telugu" Bibles were given freely to poor believers in these conventions. And many of them enjoyed, encouraged in their Faith walk with our Lord Jesus Christ and Blessed!

May God help us to spread the Bread of this hour and to find that last one to come in. We sincerely Thank you for praying for our meetings and missions in India.

With love and prayers. God bless you all saints.

TESTIMONY: Bro Srinivas Chinnapelli

Dear Brethren

Greetings in His Precious name, the Lord Jesus Christ, our soon coming king

After attending a prayer meeting, I was Returning Home by walk and I saw one unknown person walking on the other side road with a Bible in his hand. When I saw that person, the Holy Spirit told me:

"Go and speak the Word of God"

I walked across the Road and Preached God's Word to him for ten minutes and then he started crying after listening to God's Word. I asked that brother: "Why are you crying." He said that he had a lot of financial problems and he was aging to commit suicide!

After listening to him, I strengthened him in the Word of God and made him stronger. He said: "God has sent you to me to survive."

I have explained about water Baptism Acts 2; 38 and he come out of the denomination and accepted Acts 2:38 and was baptized in the name of the Lord Jesus Christ. And he is believing the Message of the hour, he is standing for the Truth in his area.

Please pray for him and his family.

Mission Work In India

Reaching the unreached

April - May 2016

Dear brothers and Sisters in Christ, It is a privilege to testify the details of last two months report.

I would like to share just the highlights of new places we have reached with the Gospel during the past two months.

Chaq Mafi

During the month of April on 1st, 2016 we had one day gospel meeting in very remote village called Chaq Mafi, in the district of Khanna. It was a

good opportunity for us to share the good news of our Lord Jesus Christ among the non-Christian, so we used the opportunity and invited all the

Sikh and denominations attended. For one month we had been praying for this meeting to win souls for the glory of Christ and bring many people for His kingdom. God is so great and heard our prayers and answered as few people came forward to know more about the Lord Jesus Christ. Bro. Kala Singh one of our associated ministers is doing the follow up there.

Please continue to pray for this area full of Hindus and Sikh. May God change their

ARMAULI

lives and bring them out from darkness to

light and holiness. Church Dedication

His mighty power and immense grace are leading us in His ministries with His many fold blessings. We praise God

that we were able to build a

small church building within a year in the district of Ropar, village Arnauli for the increasing numbers of believers. We began with a handful of brothers, but, by God's grace, the gathering grew to some 50 plus believers. We pray that these brothers and sisters will be able to live together in love and reach their

neighborhoods with the gospel, reflecting the communities in which they gather and displaying the wisdom and glory of God to their neighbors.

Amritsar is a city in the north-western Indian state of Punjab, not far from the border with Pakistan. Amritsar is home to the Harmandir Sahib (commonly known as the Golden Temple), the spiritual and cultural centre for the Sikh religion. This important Sikh shrine attracts more visitors than the Taj Mahal with more than 100,000 visitors on weekdays alone.

Sikhism is the most practiced religion of Amritsar city with 71.91% of the total population being Sikh. The second largest religion is Hinduism with 26.03% identifying themselves as Hindus and Christianity is followed by 1.62%.

The Ramtirth temple situated at Amritsar is believed to be Ashram site of Maharishi Valmiki, the writer of Ramayana. Large number of people visit Ramtirth temple at annual fair. It is considered to be auspicious by Hindu population of the city to visit that temple.

Amritsar is a very important city for Hindus and Sikh. Though the Message came in 1977 in the surroundings villages of Amritsar but the city is still remained without the Message. Lord put burden on some of us, therefore now we are spreading the Word of God in Amritsar city. We are visiting different communities

and Christian families and give them a Punjabi

Bible Literatures that they can read and share with their neighbors and relatives.

Recently we conducted one day open air street meeting, and people

drove to it from twenty miles around, and at a single meeting we had an attendance of some 250 people. We

surprised to see that men who have not been at church for years have been reached by open-air meetings. The persons I have known to be reached and converted through open-air meetings have included thieves, drunkards, gamblers, saloon-keepers, abandoned women, murderers, society people, and in fact pretty much every class. When the meeting was over, we invited people to the church.

think open air public meeting is the divinely appointed

means for reaching people that cannot be reached in any other way

By the grace of God our 'Outreach Missions'

work is growing as the Lord strengthens us to work among the poorest of the poor in

India as the Lord has anointed us to preach good news to the poor. As no other main line churches or Mission Organizations tread the ways we go to deserted people groups and tell there is a way out to all their problems and that is Jesus Christ, the crucified Saviour and Risen Lord.

Re-baptism in Dhariwal

Eighty year sister who was born in a Pentecostal church and had a strong tie with the people there, but when she came across the Message of the hour, she left her denomination and took baptism in the name of our Lord Jesus Christ with an another Pentecostal sister. Many tried to divert her faith but she was bold enough to follow the Word. KEEP THEM IN YOUR PRAYERS.

Harayan and Rajsathan State

Haryana is one of India's leastevangelized states. Different organizations are working in this state but there are only

few places reached with the Gospel. The churches are weak, small and routinely under threat from Hindus.

Brother Jagtar Singh from Punjab serves the Lord as an evangelist in Haryana, India, where the majority of the people are Hindus. To reach the unreached, He involve in personal evangelism, house

visitation, home-prayer meetings, Gospel-literature distribution and church-planting work.

Bro. Ajit's goal is winning the lost in the Hindu dominated state of Rajasthan, India. He himself is converted from Hindus and lives in Rajsathan (Bikaner). He serves as a

Pastor and a church planter. He also does house visitation, tract distributions, personal evangelism, and home-prayer fellowships.

Bro. Sohan Singh and Kulwant Singh are pastors converted from Pentecostal faith in Haryana. They accepted this Message last year only. Now they serve the Lord in Haryana. Their outreach is mainly among

> Hindus. the

distribute literature, hold home prayer meetings, witness from door to door, teach in Sunday school and work with young people. they also work in the unreached villages with the aim of planting churches. Please pray for them and their families, as

Bro. Sohan Singh. Kulv

spread the Gospel, they serve the Lord among the unreached.

Pastor Dayanad was re-baptized last year from Pentecostals, now witnessing the Message among his people in Ganga Nagar, Rajasthan.

Message Printing Distribution

Bro. Des Raj is our Missionary to Rajasthan who visits once or twice a month to

Rajasthan. Pray for the Lord to help the people in Rajasthan since it is very difficult and complicated to share the gospel in this Hindu dominated state. Ask Him to prepare the hearts of the people to hear and respond to the good news of Christ. Pray for the Hindus to be set free from their bondage to false gods. Pray that they will enter into a relationship with the true and living God.

Pray that God will remove the barriers that are keeping the Haryana and Rajasthan people from the great joy of knowing and having a personal relationship with the Living God. Pray for

the Holy Spirit to rip the veil from their

hearts that keeps them from embracing Jesus Christ as their Lord and Saviour.

Lord is providing and we are printing Message books into Punjabi language,

each title three thousands books a month. We are committed and dedicated to bring the Message into the hands of the people in

their native language. Shortly we are going to start Hindi translation

We are working together in many ways so that many more people will have access to God's Word in the language they understand best.

"We understand the Bible much better when we read it in our own language." So we are providing Bibles in the native languages free of cost to the people who cannot afford.

Please pray for safe transportation, wise storage and distribution, and that the Scriptures will have an impact on the people who are eagerly awaiting their arrival.

God's Word says people from every nation, tribe and language will worship Jesus the Lamb.

We strive to cross every language barrier with both Scripture and church to see life transformation among these least-reached people. We distribute literatures through print, audio and digital technologies. Please remember the translators in your special personal prayers for the precise and accurate translation.

END TIME MESSAGE (PUNJAB, INDIA)

Israel Sovereignty - Coming Of Age?

Recent events in the Israeli political arena are causing reverberations within Israel and around the world. An editor with one of Israel's leading newspapers, *Haaretz* describes these events as a generational change; "...*On Wednesday, a process that began nearly 40 years ago was completed..."*. ¹

Israel's enemies are not merely those of surrounding nations. The greatest and most dangerous "enemy" is always the one within. In like manner the left leaning liberals within Israel, who have little or no respect for the Word of God, are often willing to pacify enemies sworn to Israel's destruction by yielding to their demands in the illusionary "land for peace" deals.

The secularists who were in the majority during the formative, founding years of Israel are now fading from the scene. They have steadily given way to the rising new generation whose vision is for a strong, independent and sovereign "Torah-based" Israel. A new survey released this month² proved that younger Israelis are more religious than their elders. The vision of a majority of Israeli's no longer accommodates a "two-state" scenario within Israel's borders or many of the other compromises that liberal Israeli politicians and governments of the world are pressuring Israel into.

This past week saw the **Yisrael Beiteinu** (Hebrew: "Israel Is Our Home") far right-wing party join the ruling Likud party of Prime Minister Netanyahu. Their joining the current Government has created the most right-wing coalition³ in the history of Israel, a situation which could have profound effects with respects to prophetic fulfillment.

In this shake-up, the former Minister of Defense, (Ya'alon) suddenly resigned due to a dispute with Prime Minister Netanyahu. This not only made way for the *Yisrael Beiteinu* leader, Avigdor Lieberman, an ultranationalist politician to assume his position, but also made possible, Israeli Cabinet's newest Member of the Knesset (MK) - Rabbi Yehuda Glick - to be sworn in as a replacement.

Rabbi Yehuda Glick is also a former member of the Temple Institute and was an associate of Rabbi Richman. Rabbi Glick is one of Israel's most vocal proponents for the restoration of Jewish sovereignty over the Temple Mount along with the rebuilding of the 3rd Temple. I had the privilege of a chance meeting of Rabbi Glick earlier this year while in Jerusalem with Pastor Gerd Rodewald from Germany.

Rabbi Yehuda Glick's induction into the Israeli Government also bears a striking and uncanny fulfillment of the following verse in **Zech 12:5** "And the chiefs of **Yehudah** shall say in their heart: "The inhabitants of Yerushalayim are my strength through the LORD of hosts their God."

That the *Yisrael Beiteinu* leader was appointed to the vacant position of Defense Chief Minister is also extraordinary. Only a few years ago Lieberman dropped out of a political alliance with Netanyahu, for the specific reason that he felt the prime minister's response to attacks out of the Gaza Strip were *not muscular enough*. That he is now occupying the incredibly powerful position responsible for Israel's military and intelligence agencies, could have profound effects in the near future. Lieberman has repeatedly stated there will never be a Palestinian state within Israel and that he unilaterally supports settlers in Israeli lands which many consider to be "occupied territories".

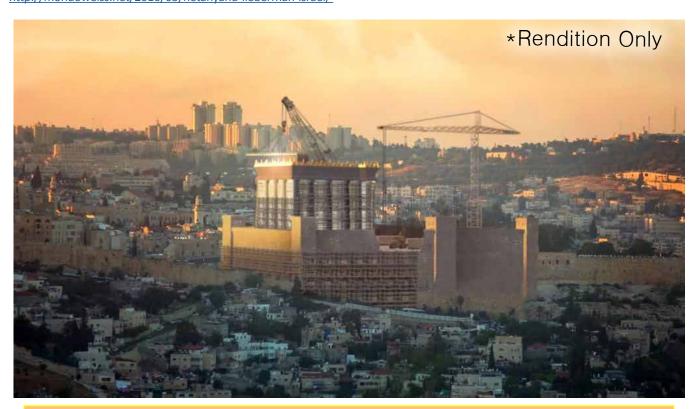

Israel Sovereignty - Coming Of Age?

This of course has brought an explosion of condemnation from around the world, not only from the Israeli left and Arab nations, but also from the Obama Administration.⁴ Some have stated that this new political alliance; "...is enormously dangerous...and the territories will burn like they've never burned before..."⁵

The true secret to Israel's strength and also her protection has never been in placating her enemies. As King David expressed in the words of Psalms 20:7 "Some trust in chariots, and some in horses: but we will remember the name of the LORD our God." We believe these important events are setting the stage for Israel to rise to the position where the redemption not only the nation of Israel, but also for the entire world, will accelerate even more. As believers we ought to pray not only for the *Peace of Jerusalem*, but that these men may also have faith to stand in greater faith on their promises in the Word of God.

Secrets of the Pyramid.

David Shearer. Part 5.

This is not a spiritual article. It is the last article of the series continuing some facts about the Great Pyramid of Egypt, mainly from "Secrets of the Great Pyramid" by Peter Tompkins. We hope you find it interesting. (Part 1 see February 2016 issue)

About Calendars.

Our present Calendar derives from the early Romans. They had a 10 month year of 334 days. In the 7th century BC, Numa Pompilius added January and February for a "year" of 354 days. It was still short 111/4 days causing the seasons and the calendar to separate, so that Julius Caesar had to add 91 days to 46 BC. Cleopatra urged him to adopt the Egyptian civil calendar of 3651/4 days. This was very close to the 365.2422 days per year, but meant a day had to be subtracted every 128 years. Pope Gregory XIII dropped 10 days from 1582. Protestant England refused to agree, there were different Christmases in England and France. The British finally agreed in 1762, although there were riots in London streets with protestors saying "give us back our 10 days". Today we skip leap days in centuries that are multiples of 400 and 4000. They say we will be ok for about 20,000 years. [Remember: it was the Fourth kingdom (Roman) in Daniel that would change times and seasons.]

The Year.

The solar year is obtained by observing the exact time between vernal or autumnal equinoxes, when the day is exactly equal in time to the night. It is currently 365 days, 5 hours, 8 minutes and 49.7 seconds. (in decimal, 365.2242 days). But for a star to return to a fixed position in the sky, it takes about 20 minutes longer. This is called the Sidereal year (from the Latin sidus = star) this is what astronomers use today. The orbital year - the earth in it's journey takes another 43/4 minutes to return to the same point in it's elliptical orbit around the sun. It is nearest the sun at the perihelion. [Remember: The earth is rotating on it's axis as well as traveling through space, - the maths can get complex.]

Ancient Measurements.

The needs of the ancient civilizations to have accurate standards for distance and navigation, and weights and volumes, stems from the trade in Gold. This occurred sometimes over great distances, probably greater than we give them credit for. The Apothem (height in the center of the pyramid) is 352 Royal Cubits. This corresponds to 600 Greek feet, or one Greek Stadium The Greeks also had a distance measuring system that was related to the size of the Earth. [We tend to think of the Greeks, as Poets and Philosophers, but they also had Mathematicians.] The Stadium has a relationship to a degree of longitude - 5000 Stadium making 1 degree.

			•
Measurement	Base	Perimeter	Apothem
Egyptian foot of 0.300m	770	3080	616
Greek foot of 0.308m	750	3000	600
Greek Cubit of 0.462m	500	2000	400
Royal Egyptian Cubit of 0.525m	440	1760	352
Greek Stadium of 600 feet.	1.25	5	1

Believers of Brother Branham's Message are aware of his statement that Enoch built the Pyramid. He also said that the Bible was written on it. Over this series we have tried to show that the dimensions, alignment, position, and construction point to a high level of understanding of mathematics and measurement, higher than a human being could have knowledge of.
