PAPUA NEW GUINEA

MISSION UPDATE

SD CARDS DEPLOYED TO SAINTS

Where your donations for SD cards went to in Papua New Guinea. Brethren. God bless you.

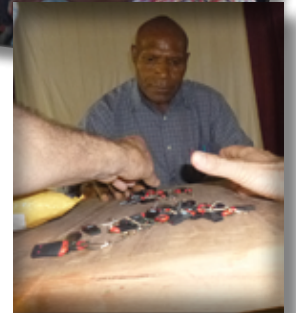

Over the past few months I received donations for the procurement of SD cards and MP3 players. Bro' Andy is taking care of the MP3 players and he will keep you up to date on that.

27-09-2016

I took 300 SD micro-cards with me to PNG between the 20th of September and the 7th of October. These cards are 16 Gig in capacity and suit the cheap cell phones that are available in the pacific region. The 32 Gig are also available but only suit the latest smart phones. These 16 Gig cards hold the full bible and all 1200 messages and some books and by the grace of God were able to be distributed to the Saints in PNG without any discrimination as to who receives them amongst the message brethren.

One has to be careful in how message materials are given out because you always find some characters in every nation who have a penchant for holding things under their own control so they can become the "big shot" (nicolaitian) who makes everybody bow and scrape to their monopoly. To avoid this, each minister is given a pile of cards for his congregation and any brother or sister with a cell phone that attends the meetings were given a card each also.

Logistically these cards are the easiest way to get the message rapidly spread. We often use the postal services when applicable, but PNG is notorious for employing pilferers and it is best to avoid them where possible. However of late, all the message books sent into PNG have got to all their addresses so from that we know that the "days of miracles is not yet over".

SD CARDS DEPLOYED TO SAINTS

There were 8 days of meetings that started at 8 AM with 2 meetings in the morning and 2 meetings in the afternoon and we finished usually at 9-30 PM. Subject content was on

the rapture, theophany bodies, the new birth and adoption and world events being made clear by prophecy.

On our second to last day, communion and foot washing was instituted for the first time amongst many of the brethren. Bro' Emos Malalia from Rabaul taught the foot washing part and I taught the communion part and together it was a wonderful time of seeing the programme of God become tangible. Without a

revelation, these things just become ordinances without a connection to the seasons that the Lord moves through. Passover pointed to this day... the feast of tabernacles. This day is the time of changing dwelling places to our heavenly home.

Once the people understand the threefold pattern of the rapture

(shout, voice, trumpet) and why the Lord came as Melchizedec to Abraham in Genesis and why that repeated again at the endtime, then they can see the link to what communion is pointing to.... relationship to the Lord and a body change. Once they catch the connection then they can never fall into the apostasy of those who have removed communion from their churches thus proving that they have no theophany body. Communion is every bit a revelation as the new birth and the rapture being a revelation.

« 240 † The new Birth is Christ, is a revelation. God has revealed to you this great mystery, and that's a new Birth. Now what are you going to do when you get all that group together, where the revelation is perfectly in harmony, and God expressing it through His Word by the same actions, the same things that He did, making the Word manifest! Oh, if the Church only knew its position! It will, one day. Then, the Rapture will go when it knows what it is.

SD CARDS DEPLOYED TO SAINTS

One of the things you find amongst brethren is they think they have the Holy Spirit when they have only received a “new spirit” (Ezekiel 36).

The prophet says we must receive a “word-birth”. That word-birth connects fulfilment of this tinuity of the “son way as the Book ity of the first years ago. If the to present day see their part. Branham’s part. up to see their them “perfect as Jesus had His position and faith by seeing his position.

the believer to the prophetic day and they become a con- of man ministry” in the same of Acts was just a continu- “son of man ministry” 2000 people are not connected prophecy then they cannot They can only see Brother A new birth opens them position and that gives faith” in the same way perfect faith by seeing Bro’ Branham had perfect

No minister can give another they can create an atmosphere Lord to enter into in order that something. But if the believer message then a word-birth is

person a revelation, but for the presence of the the believer can receive has no access to the not possible. That is the purpose of getting these SD cards out in order that faith can come “by the hear- ing of the word”.

My thanks goes out to all the Saints that have helped in the purchase of these SD cards and should any brethren desire to do- nate for any further missionary ac- tivity, then we can guarantee it will be used for the right purposes. We want to always be transpar- ent by showing you the photos of where your investment has gone.

God bless you all.

Youth Camp & Banquet 2016

Nestled on the West Coast of New Zealand in the heart of Taranaki’s lush green hills is a small adventure camp called Verticle Horizons. Thankfully outdoor adventures was not the main focus for those who were ordained to attend this Camp but God had greater plans in Mind. The Almighty God poured out His Spirit upon us with permanent changes made. He is forever faithful in proving His Word.

Many lives were changed, people plexes, evil spirits, sicknesses, and declare: “The devil got a thrashing well deserved. Then on the other were brought back to Fathers’ house by the glorious preaching of the Word of God by master Swordsmen in their God ordained positions.

were delivered from lives of sin, com-addictions. One could frankly this weekend!!” He took a thrashing hand, many of Gods young people and many were enlightened

In the Presence of Jesus Christ Himself the freedom He purchased for us on Calvary was revealed.

On [Friday night](#), the Lord posed the deadly serious question to us all asking: **Are You Saved?**

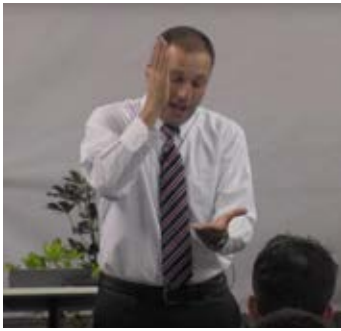

The blood-hound discernment of the Evange-list sniffed out many skulking devils that have plagued our youth and put the enemy in his place (under our feet) with this great challenge:

“Believers, take full advantage of the Grace of God. When you are delivered, the taste and desire of sin is gone.”

This set the stage for a great weekend where God’s young people could reflect on the most important questions in life. But not only to reflect but have the opportunity to go free as the Jubilee Trumpet of the Gospel sounded. To cap off each evening, the Holy Ghost came down in powerful deliverance to bring to reality the evangelism ministered to us.

Its not good that man should be alone

Brother Steeve brought a sobering pastoral message over three meetings dealing with the home life and the important bond between child and parent. The youth (and big youth) were given

many tools from the Bible and the Message of the hour to use when in their own homes as parents and married couples. I personally have been greatly blessed to have such wonderful enlightenment with learned experience and wisdom to help me raise my own family.

We were shown how the Holy Ghost is our true Comforter and that our lives can be redeemed to the place where He is our Source of comfort in the place of all the evil things this world has to offer.

I would strongly recommend all people to follow the links below and prayerfully listen to these meetings to receive the great blessing that we have all received over the Camp.

Testimonies

Among many other deliverances and victories won that night during the Saturday night prayer line we had one brother hand in his SD card with his old music on it alongside his packet of cigarettes of which he was delivered from. Please pray that the youth who were freed at these meetings will walk in their freedom.

I thank the Lord Jesus for the overflowing of blessings we all received at the youth camp in Taranaki. I was so blessed by all the humble and loving brethren that created such an loving atmosphere. The Word preached every sermon was such a blessing and answered so much questions I had in my heart.

I received so many blessings but wanted to share something I experianced.

Sunday Night I went through the prayer line and asked for deliverance from worldly things I was constantly battling with. After being prayed for I felt such a peace and thanked the LORD for my deliverance.

The next morning when I went into the Monday morning service as I walked in I felt such a heavy depression come over me and I struggled to fight the mind battles in my head, they came so fast and were so troubling I became nervous and started to cry inside, why? Why me, I claimed to be set free from this certain thing yet this morning it's ten times worse, so I was doubting and reasoning with the devil, thinking I wasn't sincere when I asked for prayer or maybe I didn't believe I was totally delivered. It got so bad that even before the Word was preached I started thinking about smoking marijuana to take my mind elsewhere and through the service suicide thoughts were coming in.

On the way home I was still thinking of smoking marijuana and suicide as it was such a heavy spirit that bound me, I cried and just wanted to give up. I got so desperate at home I prayed and the next morning I prayed and wasn't leaving until God answered me. Within a moment as I was on my knees praying I felt such a heavy load lifted from me and such a joy I can't explain, the dumb devil was so angry I had exposed of The Demons that had me bound if he could just get me to disbelieve I was delivered from what I asked for, he could bring me so low to the point of suicide thoughts.

I have never felt so free and so joyful and so blessed and Loved that Jesus Christ himself would bring me out from such an evil place. I give him all the Glory for my deliverance and for hearing my prayer in the time of trouble. He is forever faithful

From a thankful sister

Youth Banquet

Saturday Night Banquet: Making a Choice

The first youth banquet to be held in New Zealand was held on the Saturday night of the youth camp. All the youth were excited and under expectation for a fun evening of fellowship, great food and of course an excuse to dress up.

The banquet was held off camp and once the bus arrived we were away. The evening started with photos being taken by brother Isaac Lee followed by an ice breaker game, main course, dessert, another game. The evening was then capped off by brother Kidri preaching on the power of choice and asking the question what is motivating your choice?

Sister Cherith Mounter, formerly from Phoenix Arizona has organised many youth banquets in the past there and drew from this experience to do an excellent job in transforming the hall into a very nice setting for the banquet.

The evening was a great blessing to all who attended really enjoyed with many asking when is going to be the next one.

Mission Work In India

Reaching The Unreached

August - October 10th 2016

Dear brother and Sisters in the Lord, It is a privilege to testify the details of last two months report. God has been so faithful to us in every aspect of our ministry.

*And Jesus went about all the cities and villages, teaching in their synagogues, and preaching the gospel of the kingdom, and healing every sickness and every disease among the people. **Matt 9:35***

Ferozpur Meetings

During our outreach work in Ferozpur this year Bro. **Sonu Kumar** accepted the Message from Pentecostal faith. Lord put burden in his heart to organize an open meeting in his area to witness the Message among the Pentecostals. Meetings were advertised in the different towns and arrangements were made to accommodate 1000 people. Some 600 people from different organizations came to attend. After the meeting we spent two days there to meet different people to answer their questions. Few believers have embraced the

Message. Beside this a pastor and two evangelists have accepted the Message. Now I am very busy with these ministers to teaching them, some time talking whole day on the mobile. They are going to be re-baptized very soon with the other people fellowshipping with them. Also we are meeting some other people in the different cities where these evangelists/pastors are working.

Also keep in your prayers about our oncoming meetings in the same area but the different place.

Right side three new Pastors have joined us recently they are in the Message but were caught up in the strange doctrine. They are going to conduct one day meeting for us on the 15th of October this month.

And we are going to have another one day meeting at the previous place (Bro **Sonu Kumar Arranged**) on the 20th of October, where again we are expecting a big crowd from the Pentecostals,

Providing Message Material

PLEASE PRAY FOR THE ONCOMING MEETING

Pastor- Bawa Ji

unbelievers and some other organizations.

Pastor Bawa ji heard the Message in these meetings. He also interested to take further study. We are providing study materials and teaching him to help him to understand Godhead, Water Baptism etc. He is a Pentecostal.

Need your special prayer as the denominational ministers are trying their best to prevent the people from our oncoming meetings.

17 BAPTISMS IN HARYANA STATE

By the grace of God we are supporting three brothers to take the Message in the neighboring state of Punjab called Haryana. In the beginning, they faced tremendous persecution, suffering, and starvation. None of these things discouraged them, because they loved the Lord Jesus. Today, those brothers have become pioneers on the mission field.

When the Brothers share the Message with them, each was hungry and had a passion to learn the Word of God and to take the Gospel to his own people. The Holy Spirit has changed their lives. All have a burden and a burning fire in their hearts.

With a population of nearly 25 million+ people, Haryana is a state in Northern part of India that is covered with land on almost all the sides. The state is flourished with the Hindu Population. Almost 88.23% of state's total population is Hindus, 5.65% with Islam people, 6% of Sikh people and 0.45% of Christians.

A lot of persecution is reported during this year across the state since the state is dominated with Hindu population.

The issue of conversion to Christianity often led to persecution of the converts. "In the previous years, declaration of conversion to Christianity often meant loss of benefits being availed as a Dalit (low caste) or a member of another backward class. Now this is no longer so." The RSS (Hindu extremist's organization) wants India to be a Hindu nation-state with minorities taking second grade status."

Ps- Sohan Singh

Bro Sohan Singh is one of our converted from Haryana State. In the month of August 2016, he laid a foundation to build a small church in the neighborhood of his house. There were not any church, Christians or Christianity in the town before it. Therefore when the Hindu people heard about it they get the people together and tried to stop it. Mob of 200 people came and threatened him and took him to the police station. He was threatened with death if he continues holding worship meetings. The extremists boldly claimed that they were the ruling [BJP] party in the state, and that they can stop whatever they like. The support they get from the police and the village head emboldened their actions. They forced him to sign a paper which read, "I will not build a church building in this town." Pastor Sohan Singh said, "The extremists threatened to harm us if we utter the name of Christ or conduct any Christian meetings." They had stopped Sunday service for fear of their lives but now restarted at the same place.

Kindly pray for Bro.Sohan Singh that he will remain firm in faith amid persecution and we also request for the prayers that the church would continue to serve the people in spite of innumerable suffering and pray also for those who are persecuting that they may experience the love of Christ.

3 Baptism at newly reached area

Dasuya is a town in Hoshiarpur district in the state of Punjab. Almost two years ago we started to reach this town with the Gospel. Finally two families from Hindus have accepted the Lord Jesus Christ as their Lord and personal Savior and came forward to witness their faith

publicly. They have become Christians and were willing

to take this step of public identification in response to the command of the one they confess as Lord and Savior. Kindly remember to pray for these new believers, trusting God to work in their lives.

ONE DAY CONVENTION IN AMRITSAR

We praise our Almighty God for giving us successful meetings in the area of Amritsar. The first purpose of our meeting is to evangelize, that is to reach out to the lost and invite them to hear God's Word proclaimed so they can get to know Jesus, much like Philip invited Nathanael to come meet Jesus in Jn. 1:45. Our meeting gives us this great opportunity to have other hear the life changing message of the

gospel. We have got remember that our duty as Christians is to reach out to the lost and give everyone the chance to have faith in God. Until people hear the good news they can never have faith in God.

A second purpose for our meeting is for our members and other brethren from other areas to be edified.

When assemble each day for the meetings it gives spiritual booster shoots that wake the believers up and help remove any Luke-warmness from their life. When they see other brothers and sister in Christ from other areas coming to hear the Word of God proclaimed it

encouraging to know that they are not alone because others love the Lord just like they and they want to see God's kingdom grow.

Some 300 people came to hear the Word of God in these meetings.

"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up" (Gals 6:9)

5 Re-baptism

As I have mentioned above about our meeting organized by Sonu Kumar who accepted the Message from Pentecostals this year... Since the meeting is over we are constantly meeting the people and doing the follow up work and explaining more to them who are interested to know more about the Message, as a result some people are coming forward to adopt the Message. We give praise to God for His mercy for the 5 rebaptism from 2 different churches. **Pastor Vijay Kumar** and his deacon and song leader have been re-baptised on 9th of October in the Lord's

Baptizing Pastor -Vijay Kumar

Baptizing Evangelist -Rajiv Kaura

precious name. And another brother who is an evangelist (**Rajiv Kaura**) and one brother from his church got re-baptised together with them.

Song Leader & Deacon

It is all about expanding the **GLORY OF GOD** among the unreached peoples of the earth "Let's not forget that the return of Christ is tied to every nation hearing the good news. Thanks for your generous support in the Ministry. God bless you abundantly.
