Endtime Message

Make contact to be a part of this vision
Ordering October 10

Over the past 12 months we have been researching and working with suppliers from around the world to procure a good mp3 player package that suits the rugged jungle and extreme African and tropical conditions where these players will go.

There are various groups of believers in these remote places which have come to believe the endtime Message but have never heard the prophets' voice and many are illiterate so they have never read nor heard his voice. Some of these are ministers and pastors! We believe it is of utmost importance that the elect seed should have the opportunity to feed regularly on the Voice of God in these last days. Therein is rapturing faith!

We therefore present the Endtime Message MP3 Players to you. Please pray for this vision to be successful. There is a good opportunity for you to get involved to help get these players into the ears of many of our brethren who are not as wealthy as

many of us.

These players will be distributed by reputable brothers in the fields to those in need. The players have the capacity to be played to a medium sized church gathering and are also small enough to fit inside the pockets of believers working in the remotest places on earth. There will be no need for power with the solar charging technology. Together we can fulfill the vision of the prophecy and see the Voice of God go into every tongue and nation.

Would you like to donate?

If you would like to give or contribute to this vision please [contact us](#) or simply place your donations in the mission fund through [Brother Adrian Gray](#). Please clearly mark MP3 Message player donations - for instruction please email us at bnl.ministries@gmail.com.

TIMES OF PREPARATION

***“...That's the way the Church should be tonight, making every preparation for the coming of the Lord, watching every sign post. And when you see God do something, rejoice, because it's pointing to His coming...”*¹**

Though no man knows the day nor the hour of our Lord's return, God did give a time table of events to Moses by which to mark His Word in the **seasons** of time. Great spiritual truths lay hidden in the shadows of these various seasons. According to the biblical calendar this is now the month of **Elul**. For Jews, it is a month set aside for great soul searching in preparation for the most serious and holy day of the entire year – the **Yom Kippur** or **Feast of Atonement**.

Central to this event is the blood of the sacrificed lamb, which once a year was to be carried into the Holy of Holies by the High Priest for the forgiveness of sins and the redemption of the nation. Jews in Israel and around the world begin preparations for this important event a full month in advance. The **shofar** or ram's horn is blown daily in the morning, except on Shabbat. A daily alarm of sorts, calling the faithful to a time of introspection and repentance for the sins of the previous year. Appropriately, this is also celebrated as the “Feast of Trumpets”.

As this Holy Day approaches, the intensity of preparations increases. The last ten days before the Day of Atonement (Oct 12th this year) are regarded as the “*Ten Days of Awe*”. According to the Jewish Sages, the scepter of God's grace and mercy are also extended in a special way during this time. It is believed that this is the time to find out who are righteous and have their names in the Book of Life through the Messiah. It is interesting to note that the typical Jewish greeting at this time of year is; “**G'mar Hatima Tova**” = *May you be sealed in the Book of Life*. A powerful truth when one considers how a believers name too is sealed in the Lamb's book of Life, written with the very blood of the Lamb.

As serious as this is, without the Temple or High Priest, the sad reality is that these ceremonies are mere shadows at best. In issue #92 (May) of the BNL, I shared how that for the first time in 2,000 years Jews from the special lineage of Aaron, the **Kohanim** or Priesthood are being trained in offering proper, biblical sacrifices at the **Nezer HaKodesh**, Institute for Kohanic Studies.²

Just a few weeks ago another important step was recently implemented by the reestablished **Sanhedrin** – disbanded for nearly 2,000 years. A Rabbi was selected and nominated to serve as High Priest to perform this important priestly duty on the **Day of Atonement**.³

TIMES OF PREPARATION

What is all this pointing too? The evidence is clear; faithful, fervent Jews in Israel are preparing for the resumption of Temple worship. It is not a matter of “if” this will happen – but **when**.

But is Temple worship really necessary? There are HUGE implications at stake which would seem to make it impossible. For one, to build another Temple in Jerusalem where the Muslim Mosque of Omar now stands, would require a cataclysmic shift in not only political circles, but especially in the religious world.

And yet, isn't that exactly what the Prophet of God, Brother Branham declared **would** take place?

“...A confederation of church will consolidate them together and bring the Jews into this confederation, and bring them back to their own temple worship again in the THUS SAITH THE LORD out of the Bible, and they will have their own church. They are what now? I just caught it just now, fresh. They are now a nation recognized. Is that right? But they have not their temple worship yet. And when they establish the temple worship, the Church will be gone. God will be dealing with the Jews as a nation...”⁴

But doesn't another Temple constitute a denial of Jesus Christ and the reason and purpose for which He came? Wasn't the ripping of the veil to the Holy of Holies a sign God was finished with the Old Testament system of worship? Many argue that God can't possibly allow another physical temple to be built as it would be a denial of the Messiah that has already come.

Is that really true - or are those unfounded opinions taken out of scriptural context? We again refer to the prophet for our answer as he addressed this very subject in the message entitled **Feast Of Trumpets**. Here we recognize that the third Temple is an essential component concerning the very ministry of the two witnesses of Revelations 11 - as they must call Israel “**out of the OLD atonement**” – an impossibility without a rebuilt Temple and restored Temple worship;

“...In Revelations 11, call, their ministry will be the ministry of Moses and Elias calling to Israel, out of the Jewish traditions; just as the seventh angel's Message called the Bride out of the Pentecostal tradition. Remember, Moses and Elijah is to call Israel out of the old atonement of the lamb, and sheep, and blood, and goats, and sacrifice, to the real living Sacrifice, to the Word.”⁵

TIMES OF PREPARATION

If this was not clear enough, a little further on in the same message, the Holy Spirit identifies the very timetable and Feast by which redemption will come to the nation of Israel. He states;

“...Notice, watch here, the ministry will be Moses and Elijah, changing and calling Israel from the Jewish traditions, listen, from the Jewish traditions that they had been mixed up in. Being prophets, they'll believe--they'll believe him, calling them to the feast of the Atonement, Christ, letting them recognize Christ.”⁶

By this we see it is an indisputable fact of God's will that the third Temple be rebuilt as it will serve God's purpose as the means by which the Messiah – of **both** Jew and Gentile - will reveal Himself to Israel and the world as the “Lamb of God”, during the sacrifice on **Yom Kippur**. This after all, is the very purpose of the Law, the “**schoolmaster**” as described by Paul in Gal 3:24, specifically designed and intended to bring one to faith in Jesus Christ the Messiah.

What does this mean or how does this apply to us as the Gentile Bride in terms of our last days preparation? As Paul bears his heart for his **Jewish brethren** in Rom 9 and 11, we Christians too should pray and do all we can to see God's Word fulfilled in Jerusalem as the final component and preparation of the Bride's Ministry on earth. This is not so much financially – though one who “blesses” Israel will certainly be blessed themselves, but also to pray and by faith confess what the Word of God is calling for. To remain silent and to deny Israel's God given and inherent right to rebuild the Temple - is an attack against the very sovereignty and legitimacy of the Jewish State – which is ultimately **an attack against the Word of God**.

If you have any questions or are interested to know more about these events or how you can be a part of even supporting the fulfillment of God's Word in these last days, please feel free to contact me.

Sincerely, your Brother in Christ,
Brother Tony A.

SPECIAL MEETING REPORT.

Brother Burrly Williams Visit to Tauranga.

On Sunday 18-9-16, I attended a meeting in Tauranga, where Brother Burrly Williams, from South Carolina, ministered. A number of saints from Auckland, Whakatane, Tauranga, and the Waikato were present. [appologies if I have missed anyone]

Brother Williams ministered a message entitled "The disqualification of a Priest" and took some of the conditions mentioned in Leviticus 21:16-22, and applied these, in type, to our walk with the Lord. (*"He hath made us king's and priests"*).

Some points on the message from my notes.

The Blind were disqualified, (These were those that have no revelation.) because they are "blind leaders of the blind". Matthew 15:14, *Let them alone: they be blind leaders of the blind. And if the blind lead the blind, both shall fall into the ditch.*

The Lame are disqualified because they are not balanced. We need to be balanced in the Word. Proverbs 26:6,7, *He that sendeth a message by the hand of a fool cutteth off the feet, and drinketh damage. The legs of the lame are not equal: so is a parable in the mouth of fools.*

Tauranga meeting

The Flat nose, person could not smell correctly. This means he may not have good "discernment" when eating. (or feeding the flock). Heb 5:13,14, *For every one that useth milk is unskilful in the word of righteousness: for he is a babe. But strong meat belongeth to them that are of full age, even those who by reason of use have their senses exercised to discern both good and evil.*

The Dwarf was disqualified. This person was not growing spiritually. A congregation can only reach as high as their pastor.

Our job as priests, is to offer the sacrifices to the Lord. It is the opening of the Word that gives us rapturing faith. We have to recognise the work of Calvary for our blemishes. Matthew 5:23,24. *Therefore if thou bring thy gift to the altar, and there rememberest that thy brother hath ought against thee; Leave there thy gift before the altar, and go thy way; first be reconciled to thy brother, and then come and offer thy gift.*

After the meeting many brothers and sisters attended a lunch at Brother Tony Murray's house where a good time was had by all, including personal fellowship.

You can listen to Brother William's message on the Christian Believers website.

God bless you, - David Shearer
