- Auckland End Time Convention

Quote for the month:

God bless you brethren.
Just a short note to those
who have supported the
work in Vietnam. I try to keep
you up to date with what is
happening there and where
your financial support has
been utilized.

I had 2 weeks in Vietnam
from the 3rd until the 16th
of March and was able to visit 3 areas where the Saints reside. For the sake of security I prefer not to mention names or locations because of problems with the authorities if these were made known.

Vietnam missionary work has been done by a number of brothers over the years and each one has their own specialty in how they strengthen the brethren. No one person can do all the work on their own, so each minister must play their part in expressing the message from the particular angle that the Lord has shaped them to convey.

Another 100 micro-SD cards with the message and the bible were sent in on this visit to add to the previous 500 cards that have been given out. But message books in the Vietnamese language is the priority at present and this is logistically difficult because of communication and transport problems.

It is possible to print the 7 Seals and the 7 Church Ages using local printers but the cost is very high. However if anybody would like to financially support such a venture then it would be gratefully received. There is a group there that would be very trustworthy in getting this done if the finances are available as access to printing facilities are in a city nearby.

Travel into the rural areas was by motorbike and the trips were up to 3 hours long to get into the respective areas. Needless to say the discomforts to the human anatomy needs no explanation. But we had to be discreet in one location as we were under observation, so we made a quick exit into a plantation nearby. The safety of the brethren is my priority in situations like this as they have to live there whereas I can go home and not have to face the music - so to speak - if troubles occur.

Overall, there is a quick work being done and it is heartening to see the rapid growth in the Saints as the Lord gives them revelation to fit the prophetic fulfilment of the Brides part. Gone are the days where a person can say "I am in the message" as a cliché. Either the word of this hour is made flesh in a person or it came in vain to them. May the Lord help us all.

Shalom.

Bro' Adrian Gray

Mission Work In India Reaching The Unreached

January - February 2017

We greet you in the name of our Lord Jesus Christ and once again, to the precious people of God, we say Peace be unto you and praise the Lord. Truly once again, it is an honor and a privilege to come before you one more time to tell you what the Lord is doing here.

As we enter into the new year of ministry, let us humble ourselves and search our hearts. It is God who builds His work. It is God who fights our battles. It is God who goes before us. How great are His mercies towards us! Great is His faithfulness!

Our first outreach meeting this year was in a place called JHAWAR on the 3rd of January. This is the first time we have ever had Gospel meetings in this area. We hired a school ground and held two meetings under the tent, it was like an open air meetings where everyone can come who desire to come. There were some 300 people gathered to listen the Word of God from the different villages and towns surrounding by. The Lord brought in needy souls and some total strangers and Hindus to the meetings. We must continue to pray for the ministry in this area that the Lord may touch souls and do a deep work in their hearts.

At the end of the meeting many people came forward for prayers

We know that the biggest miracle we will ever see is someone

receiving Jesus as their Savior! Plus, it is the only one that has eternal value. We pray that there are people who receive salvation at every meeting we hold. We also pray for signs and miracles that will point people to the One true God that loves them and truly can set the captive free!

The anointing of the Holy Spirit was intense during the both meetings. The Lord confirmed His presence through healing the sick and afflicted. Br. Roshan shared the Word of God with a deep burden and love for souls.

Towards the end of each meeting, many came forward to testify how greatly they were blessed through this Conference.

We are grateful for the loving service and sacrifice of so many of our brothers and sisters.

SHAM CHAURASI

It has been overwhelming to experience the joy of congregations witnessing the fruits of their dedicated, loving efforts to reach their family, friends and co-workers for Christ. To bring a dear friend to Christ is the greatest joy that believers of Christ can experience in this life.

7 people have been baptized in the Lord's precious name. 4 came out of Hindus and two young sisters from our church been baptized while one sister been re baptized who accepted the Message came from Pentecostal.

These baptisms also serve as inspiration for even established members. "I was fascinated by the people who were baptized. I think this was the best motivation to continue working with more commitment in the Great Commission of reaching the lost."

Below is Bro. Gagandeep Kumar taking baptism. Over a year we were sharing the Gospel with him; finally Lord opened his eyes to the great truth of redemption through Jesus Christ. Being a Hindu it was great hindrance and barrier for him to attend the church as his parents and relatives turned against him. They tried their best to stop him with all the possible means but Lord gave him encouragement and boldness to take stand with the Lord and he took baptism to testify his faith in the Lord publically. His father is a Secretary in a big temple in the town and is a well known person in the society. When he saw he is failed to stop his son, he tried to influence him through his different friends etc. but brother Gagan stands firm with his newly found faith in the Lord.

I would like to request you for your special prayers for bro. Gagandeep that Lord keep Him continue strong in the faith and he never give up. Lord provided a job for him this month. It may be difficult for him in the future when he gets marry or other difficult circumstances may arise.

We must pray that the Lord will do His deep lasting work in the hearts of the people to set their hearts to live for eternal values and the kingdom of God.

OUTREACH IN UTTAR PRADESH

Through some brothers, the Lord opened the doors to reach new places in many towns in Uttar Pradesh like Pilibhit, Bareilly, Memudabad, Giari, Sitapur etc.

The light of the Gospel is reaching out into this needy state

through our missionaries' brothers. Recently **Brother Puran Masih** made a visit to **Tili Gaon** 50 Kms away from Bareilly. A group of some 20-30 people is established in the Message there.

Sensing the great need of these areas, our brothers **George** and **Bro. Buta Ram** made a trip to Pilibhit, 24 hours away by train from Punjab. Lord vindicated them with signs and wonders. One person came to them for her daughter who was afflicted by evil spirits, brothers prayed for her. The Lord drove away the evil spirits and delivered the afflicted daughter completely. This family became believer. When people saw the power of God many brought their faith in the Lord. Eleven people got baptized in the name of the Lord Jesus Christ.

These visits are helping us to come into direct contact with many precious souls who are in great need.

Much prayer is required to press forward in our ministry among the young people and broken families in these areas. Let us continue to pray for the mighty workings of the Spirit of God in this place, and for our brothers who have burden to go there.

A group of about 100 earnest people gather and worship the Lord every Sunday in the areas called Memudabad, Giari, Sitapur .

Bro. Puran

Bro. George Bro Buta

OUTREACH MINISTRY IN NEW AREAS

Now wherever evangelists go, they start Bible studies, conduct house-to-house visitation, and hold church in homes until they can have a worship centre. We provide partial support to the evangelists and help to hire a place building for the saints in their community. It brings these Christians great joy to have a place to worship & fellowship together.

Now wherever evangelists

The meetings in these areas in February were blessed and owned of the Lord. There were a few newcomers at the meetings. God's presence was very evident in our midst as the Lord used our brothers as they proclaimed God's word. God in His mercy visited the place with His Spirit, touching all those people who gathered with much earnestness. The Word took hold of the hearts of the needy people and so many earnestly sought counsel and prayers at the end of every session. The Lord was glorified in our midst during these meetings. Now even if a handful of people are blessed, we feel it is worth the effort and the expense involved.

PRINTING OF THE MESSAGE BOOKS

As the Fellowship expands and presses on to reach new areas all the time, there is the urgent need for more soul-winning and soul-nourishing literature. Though our printing facility is quite small, we have been printing and publishing Message books in two languages. Yet, our literature ministry can only be described as a mere drop in the bucket, when we see the crying need for more

Message books in various languages.

With prayer and greater dedication, some 100 titles of the Message have been translated into Punjabi language which is really edifying and challenging material for the believers. By His grace we are printing three thousands each title almost every month. We should pray for our translator's team that they should become experts in this vital field of service. God should rise up men with true dedication.

Now we must pray that the Lord may give us precious souls through the distribution of these books and help us to send out in the needy places. Our book distributions are proving to be an effective tool to reach large sections of the general public as well as the Message believing circle. They show a great deal of interest and even excitement in some cases, and request for Bibles and books. We do hope that the faith of many will be strengthened by the reading of these Message books which we have printed and distributed.

We look forward to another exciting year with additional breakthroughs as we see God move in our midst due to our faith-filled prayers and spirit of cooperation. May God bless you for your willingness to be a part of what He is doing...

We would like to thank you for your ongoing participation and support of this transformation movement. .

Your brother in His Vineyard

Bro Roshan Masih

END TIME MESSAGE (PUNJAB, INDIA)

BIBLE BELIEVERS INTERNATIONAL CONVENTION-MALAWI 2016

INTRODUCTION

JESUS.ON.THE.AUTHORITY.OF.THE.
WORD_ WOOD.RIVER.IL WEDNES-
DAY_ 54-0217

E-6 "A very beautiful sign of the end of the Gentiles' age. God will return to the Jews now. The Gentile Church will be sealed away, finished, go out."

From the very humblest of beginnings the message in Malawi was established in the early 1980's by Canadian Brothers who had felt the call to bring the message to this African Country. Since then the message has passed through times of trial through various doctrines that threatened to shake its very foundations. However, as the Prophet determined, "I will ride this trail again", she has persevered on, holding the fort with valiant hands of faith as the word said, ...to deceive the very elected IF it was possible. But we are so glad that the elect will never be deceived.

The December 2016 Bible Believers International Convention marks three years since instituting the end of the year meetings when our Precious Brother Harold Hilderbrandt sends Brother Martin Warner for Ministerial work in Malawi. Of late the message has been misconstrued through various doctrines that have been injected and have led some into delusion. However, through the support from the Church in

Edmonton, we have witnessed the rebirth of the unadulterated message of the hour being preached without gloves from a burden of purity to a hungry bride in Malawi. We have witnessed the return of whole message churches back to the faith that the Fathers once had. It has always been a blessing to be under the full word of God as the year comes to a close. We therefore sincerely appreciate the support from the church in Edmonton.

nessed the return of whole message churches

back to the faith that the Fathers once had.

It has always been a blessing to be under the full word of God as the year comes to a close. We

therefore sincerely appreciate the support from the church in Edmonton.

CONVENTION MEETINGS

The meetings took place in Thyolo District at a newly built University, (Must) The Malawi University of Science and Technology main auditorium. This was a special meeting with two guest speakers in attendance; Brother Martin Warner from Edmonton Alberta Canada and Pastor Harold Beckett from Cape Town South Africa.

The ministry from these brothers complimented one another and encouraged the bride in Malawi to take a firm stand on the word of God. About 1500 people from across Mala-

wi into parts of Mozambique were in attendance. Many of the people drove for miles just to attend the services whilst some were accommodated in

nearby townships and at the University itself. The meetings presented a great time of fellowship around the word of God. The word was expounded around the theme of the end time sign. Many people had questions about the sign of the end. This, coupled with the false doctrines that have flooded the country in recent times, the ministry from these two brethren has assisted to expose the subtle cunningness of the devil's ruse and many have taken yet a firmer stand on the word of God for this day.

TESTIMONIES

Psalm 79:13

13 So we thy people and sheep of thy pasture will give thee thanks for ever: we will shew forth thy praise to all generations.

David exalted the Lord and declared the name of the Lord for all his goodness. So we like him, will never stop to praise the name of Lord and give him thanks for all he has done in our generation! We will declare it to all generations.

The convention itself was a miracle worth mentioning from all aspects of preparation to the end. It was a special time that we witnessed true oneness amongst brethren from various churches working together towards making the meetings a success as never seen before. People gave in their talent, skills and hard work to see the meetings off to a good start and end well. People travelled for miles just to be in attendance where the Lord was speaking to his bride. The sermons that were preached were so befitting to the present state of the message in Malawi. It was evident to see that many people had been blessed by the ministry of Brother Martin and Pastor Harold. Truly their coming was timely and had not been in vain. At the end of the meetings, the Lord had given travelling mercies to his bride from all walks of life. We neither heard that any individual was involved in an accident nor that they had found their homes disrupted in any way. The Lord had offered protection for all our assets and our lives. A personal testimony from Sister Gloria Msunge-ni, Brother Dyson's wife, the daughter of brother Dixon was one of the many solid proofs that the Lord was in our midst. She had gone to the meetings with a burden on her heart for her younger brother who was by that time in Ireland. He had been denied travel documents for the third time and his visa was quickly getting to expire which would make him live illegally in the country once the date expired. Everyone from home knew how dire the situation was. During the first Service after Brother Martin's sermon, she felt a call to the altar with the same burden. She prayed earnestly for the release of the documents for her brother. Within two days after the prayer, she heard her brother had called that his documents had been issued! That is the God we serve. The Holy spirit moved on the saints and most of the congregation came in the prayer line for their deliverance and healing.

TESTIMONIES

The Phalombe meetings were scheduled right at the time there was unrest in Mozambique due to power struggles within the country. It was uncertain how many of the brethren would make the trip to cross over to Malawi. The mode of transportation had remained bicycles which were the cheapest form, as well as minibuses which were a bit riskier looking at the current situation of violent attacks. Although many of the brethren used bicycles, some still had to use the minibus due to the long trip they had to travel. One

testimony from a brother who had travelled by minibus from a distant province was so profound that it was evident the Lord surely protects his own. The combie (Bus) travelled through unfamiliar territory wherein were soldiers in hiding. Upon seeing the vehicle, the soldiers began to open fire on the vehicle carrying civilians. Many of those who were travelling with the Brother had been injured by the shots, but by God's grace the driver was unharmed and kept accelerating the vehicle. Upon arrival at a place of safety, he stopped to assess the damage and the injuries that had occurred. A few of the people had died, some were injured, but by God's grace, the brother came out unharmed. God had sent his guarding angel to accompany the brother. Let us continue to pray for our brethren in Mozambique through this hard time of trial. At least 10,000 have sought refugee status in Malawi of which some are believers.

Acts 15: 25 It seemed good unto us, being assembled with one accord, to send chosen men unto you with our beloved Barnabas and Paul, Men that have hazarded their lives for the name of our Lord Jesus Christ.

MULANJE MEETINGS

It has now been an annual function where at

the end of a series of meetings Brother Martin would visit Mulanje Church, the home church of Pastor Marri-on Msungeni. Since the past three years, he has visited the church and through the church in Edmonton, they have donated iron sheets for the roof. These meetings are attended by the surrounding satellite churches of Pastor Marri-on. Currently Pastor Marrion has satellite churches in Mulanje, Thyolo, Blantyre and Chiradzulu where various ministers preach the unadulterated word of the hour. These meetings have since their establishment strengthened the churches and enabled them to take a firm stand on the word. This year's meetings were a special time where the Lord visited his bride in a very special way. The bride was reminded of the Seven seals, the Last Trumpet and the Voice of the Sign. The spirit of the Lord moved amongst us, as he used the gift in Brother Martin. At the end of the sermon, it was a great time of fellowship and worshipping the Lord in song with some giving there hearts back to the Lord. Truly the Lord has been good to the bride in Malawi.

A HOME VISIT TO BROTHER MIKE STECHI

It was upon the heart of Brother Martin to visit missionary and Brother Mike Stechi who had taken ill with a heart attack and stroke earlier last year. The year 2016 has been a trying time for our Brother who has been through a terrible time last year. He developed stroke, and later lost his Head Deacon through a car accident right at his church as he was assisting him. His son was later locked in prison for alleged manslaughter. Our Precious Brother needs our prayers together with his family. Pastor Marrion has stood with the Brother, sending ministering brothers to his little church and Brother Harrison has personally been assisting him

with his personal home needs over the time he has been ill. We also appreciate for the support that the church in Edmonton has rendered to our Brother during the time he has been ill in Hospital. He has since been seeing a physiotherapist and there is some evident improvement on his condition.

PHALOMBE MEETINGS

Around about the time the meetings at (MUST) had ended, Pastor Maluwa from Phalombe scheduled his end of the year meetings at a training college in the district. He and some of the ministers from his church have a ministry in Mozambique where they work with various groups about the message of the hour. Brother Martin had been introduced to him during his previous visits and since then has had the opportunity to minister in his congregation in Mozambique. Brother Martin preached two sermons and also had the privilege to speak to the

minister directly to the needs of the brethren. Some of the Ministers in Phalombe had been under the influence of the false doctrines that had flooded Malawi in recent times. But during this meeting, they testified that the Lord had visited them and broke the influences of false doctrine in the country. About a thousand people had gathered from the Satellite churches of Phalombe and some provinces in Mozambique. It was a wonderful time of fellowship around the word of God.

ministering brothers at a ministerial meetings. It is always a blessing to hear what the Lord has in store for us through the ministry of Brother Martin. The Lord has used the Brother in a mighty way to

CHIKWAWA MEETINGS

It was earlier in 2016 when through the church at Edmonton we received a tent to assist in the ministry. One of the greatest needs for the missionary work was to have a tent which could be pitched in various locations as a makeshift shelter during meetings. The tent we received was big and provided good coverage from the elements during meetings. It was through these tent meetings that a number of churches have been born in Chikhwa-wa District, where whole churches have denounced their Pentecostal teachings and adopted the message of the hour. Over 500 people have been baptized through the tent ministry, with many more strengthened in the faith.

During his visit, Brother Martin took the opportunity to visit one local church in Chikhwa-wa and hold tent meetings there. There was a tremen-

dous response from the brethren. Brother Mike Stechi was also in attendance during the meetings. He visited one of the churches that the Church in Edmonton had assisted with a corrugated iron sheet roof. From

this small area, many people have embraced the message of the hour.

MINISTERIAL MEETINGS

In 2016 Brother Harrison felt a burden to establish ministerial meetings every months end as a means of sharing experiences with fellow ministers. They have also been pillars of strength for new ministers who have recently believed the message of the hour and are seeking to know the truth that they have believed. The meetings have been patronized by brethren from many churches and every month the number of ministers attending has grown. They have provided a good time of fellowship around the word of God and have seen some ministers who would have been

following false doctrines take a fresh stand on the word of God.

TENT MEETINGS

This is one on the Pentecostal church that has embraced and recently believed the message. The brothers and sister are fellowshiping under the tree. It was a blessing to have a tent. Brother Harrison is requesting saints that can contribute the construction of a small church within the range of 3000 to 5000 dollars.

This church has left their main denominational donors in the USA after seeing the light of this day and choose to believe this message. Most of the children here have no parents hence the pastor of this group supports the orphan children with the aid he gets from brother Harrison.

We have so far listed 5 new groups and 2 ministers who travel to these churches to minister the Message of the hour, that need urgent support, it is our prayer that God will place a burden upon brothers and sisters hearts that can support the work here.

During Christmas day service Brother Martin gave some sweets (gifts) to believers children and most orphan children after the service. This was a precious moment for these children as they felt the parental love from our precious humble brother . These children have never experienced or receive any attention of this kind. They pray to see him again.

God bless you

Brother Harrison Msungeni
Blantyre Malawi

Auckland

Endtime Easter Convention

APRIL 14th, 15th & 16th

2017

Joseph Chikosi

Sheffield,
England.

David Siler

Tennessee,
U.S.A.

A warm invitation is extended to all brothers and sisters in Christ, to come & attend our Easter Convention.

In this time of the closing scenes of this worlds history, for the Bride of Christ, it is the time Christ is coming to take the people that He has redeemed, and soon we will step into a new day, to the great Millennium reign with Christ, for when the Word of God is put into the fertile ground of the inspired believer, it produces just exactly what God said it would do. It can't fail, it's God's Eternal Word.

We are praying and expecting a wondrous and grand blessing in these meetings, and that our Lord Jesus will do the exceeding abundantly as He has promised, for we believe the forthcoming Convention will by His grace enrichen our lives, and deepen our appreciation and love for each other.

Pastor Derrick Donaldson

Behold I send you Elijah the Prophet

AUCKLAND ENDTIME EASTER CONVENTION 2017

ACCOMODATION and MEALS ARRANGEMENTS

The Spoken Word Christian Fellowship welcomes all those who wish to attend.
The dates being Friday April 14th, "Saturday April 15th, and Sunday April 16th 2017.
