Mission Work In India

Reaching The Unreached

March - April 2017

We bring greetings from the people of the Living God who are busy in the field of missions. Yes, the Lord has been faithful in all our activities and travels.

We are laboring tirelessly with tears and travailed in prayer for souls and the dear Lord blessed our ministry and thus this work spread far and wide into many parts of India. In spite of our unworthiness, the mercies of God are surrounding us and His grace is sustaining us. This work is going forward under the mighty hand of God, who is our Guide, Shepherd and Leader.

SATKOHA

God has given us so much truth and light. We are a privileged people indeed. Moreover, the Lord has blessed us with a rich heritage of faith. We had a long desire to having a convention in this village- the whole village is Christian, most of them Salvation Army. Bro. Amanat Gill who is ministering here, himself is a convert from Salvation Army and now working among these people to show the Present Truth.

All the people from different organizations were invited, we praise God for the positive response from the people, some 200 plus people attended the services. My brothers, sisters do pray for the work which has been started here. Pray that the Lord's message may go forward unhindered and may bring glory to His name.

Now some 30 people come together every Sunday and

Wednesday to have fellowship around the revealed Word of this hour.

BAL-KHURD

We know that He is the One who opens doors for the preaching of the gospel. Lord has opened a new door for us in a small town called **Bal Khurd** in the area of Amritsar to preach among the Pentecostal denominations. **Pastor Lal** has accepted the Message from

Pentecostal faith and now learning the Message very actively.

There are some 45 people in the congregation of Bro. Lal and are agree with the Message. We are providing Message study materials and fellowshiping to help them to get established in the Message of the hour.

Baptism- Lattian

Lattianwal is a small village in the district of Kapurthala. There is not a single Christian or family in this place, many people take drugs, and we started to share the Gospel with

the villagers last year. Bro. Lakhvir Singh and Bro. Sukh Raj have started Sunday

service there where some 20 people have started to come. This month we baptized some people who accepted the Lord as their personal Savior. We are going to make the efforts to have Gospel meetings there. Need your fervent prayers for the newly started ministry here.

GURDAS PUR Baptism

The church is a spiritual house designed for spiritual purposes that are accomplished by preaching a spiritual gospel, that's what we are preaching among the denominations to

edify the brethren with the Word of God and the spiritual people are responding as two brothers came

forward from the Pentecostal faith to be re-baptized in the Lord's precious name. One brother had a backbone

problem since a long time and was unable to walk properly; even two brothers assist him to get in the water. After the baptism Lord healed him completely now the testimony is going forth among the people of his previous denomination.

PATHANKOT Successful Meetings

We praise God for giving us very successful meetings at Pathankot city. We left the door wide open for anyone who desire to come and listen. Local believers went door to door to encourage friends, families, neighbors and co-workers to

attend the meetings. Some 200 to 300 people gathered to attend the services, even more in the evening meeting. I learned one thing, how can we expect the visitors to come if we ourselves will not make the effort?

Many sick people were crowded around us to pray for them and Lord healed

many of them. Some released from the bad habits. God has always made His elect able and willing to hear the Word.

Praise The Lord

Near MH Pathankot

Also we have made Audio and videos recordings out of these meetings to give out free of cost to the different ones in order to spread the Message.

Haryana State

Bro. Puran Masih and Brother Jagtar Singh' ministry in Haryana State is so effective that within two years four Message churches have been established by them and on the other hand, at another place in Haryana, they have found the villagers open to their presence and hungry for the gospel. After accepting Jesus, their lives have changed completely. They all have started

House Fellowships in their area, and through these Fellowships and the work God has done in the lives of these men and women, more and more people are putting their faith in Christ. God is performing miracles and bringing His children to Himself. Praise God for His faithfulness and the work He

is doing through ordinary men! Please continue to pray for Haryana and the local leaders paving the way for the Gospel. Less than 1% of the 25 million people claim to be followers of Christ. The need is great, but God is moving...and we believe He will finish the work He has begun!

Malaysia Trip

In March I have been invited by Brother Naythan an India brother in Malaysia to preach in his 4 days convention, he is proclaiming the Message of Mal 4 in Port Dickson, west coast, south of Kuala Lumpur. Our good Lord Jesus Christ blessed the meetings, 2 pastors and 2 believers from UCNI were re baptized in the Lord's precious name. All the meetings went well and bro Naythan was so happy to see the success of

the convention and he announced another convention for 5 days at the same place in November this year, where I will be a main speaker. Please Pray for the future event and the work of God started in PORT DICKSON.

Madhya Pradesh Outreach

Last month Brother Des Raj our missionary to Rajasthan made a trip to Madhya Pradesh. Last year he met some Pentecostal Christians from this state and started to share the Message with them (two Pastors got re-baptized last year, mentioned in the **Mission Report Nov-Dec 2016**) since that time these people are constantly in our contact. Bro. Des Raj made few trips and we invited them to Punjab a couple of times.

Bro. Des Raj' recent trip to MP was a very fruitful, people who have embraced the Message have been greatly blessed. Need your prayers.

Message Printing

God is doing amazing things in North India!! Lives are being transformed and churches are being planted at many places among the unreached peoples! That's why we need the spiritual food in due season to nourish them. Lord put burden on us to bring all the Messages preached by brother Branham on Faith into Punjabi language. Therefore we have started to print them in

FAITH SERIES. Besides our regular Message printing, we have printed two

Messages on Faith (**Faith Is the Substance** and **Faith Is Dead without Works**). Also God give us grace to print the Message **Five Definite Identifications of the True Church of The Living God**, this month.

Everything we did on these missions trips was to serve God. I realized that we are His hands and feet; we are His tongue, spreading His Word and His love.

I would like to express my grateful thanks for your continued generous support for the mission and ministry. God richly bless you.

Your brother in His Vineyard

Bro Roshan Masih

END TIME MESSAGE (PUNJAB, INDIA)

Prayer Requests:

Bro. Samson Shetty has messaged me over the last couple days concerning the hindu people that are living within the same property as his church and home. If you remember there is a bad mix-up with the title deeds where Bro. Samson and the hindus both hold the title to the same land. They have been causing lots of problems for his church... calling the police, disrupting his services, refusing to allow special meetings with foreign ministers, holding hindu prayer services next to his church and even attaching their tents right onto his church building! They have now agreed to leave providing Bro. Samson can purchase their deeded land and house. I don't know the amount needed to do this but it surely seems like the best way out of this situation as long as it is done with proper deeds and documentation so they will not be able to come back and lay claim to something else! I am praying and believing that the Lord will move on them not to take advantage of this situation and will provide the funds necessary! He remains Jehovah Jireh! Please pray for Brother Samson Shetty and the saints.

Upcoming Youth Banquet

Save this date!

Lord willing by the time the next BNL comes out we will have more details for you.

God bless you richly,
Bro Ben Gloyne & Bro Alray Robertson

God and History.

Sodom and Gomorrah.

The area around the Dead sea, was once a lush agricultural area, as Genesis 13:10 says, *"And Lot lifted up his eyes, and beheld all the plain of Jordan, that it was well watered every where, before the LORD destroyed Sodom and Gomorrah, even as the garden of the LORD, like the land of Egypt, as thou comest unto Zoar."*

Today, however, the whole area is desolate, the cities are different color (white ash) than the rocks of the surrounding area, indicating the magnitude of the catastrophe.

The Bible testified of the wickedness of Sodom in the following verses:

Ezekiel 16:49

"Behold, this was the iniquity of thy sister Sodom, pride, fulness of bread, and abundance of idleness was in her and in her daughters, neither did she strengthen the hand of the poor and needy."

Genesis 13:13

"But the men of Sodom were wicked and sinners before the LORD exceedingly."

Ash Sphinx. (Idol).

Structures.

The structures of the ruins are composed of layers of Calcium Sulfate, and Calcium Carbonate. This give the appearance of alternating layers of white and gray ash. They are very brittle, material is easily able to be "knocked off" the structures.

Building Gomorrah.

Brimstone Balls.

There are thousands of Brimstone (Sulfur) Balls embedded in the ash ruins. These have melted material around them, along with ash. This has caused them to become encased, removing the oxygen from them, extinguishing the burning and thus preserving the Sulfur inside them. The Sulfur inside them is white in color, and in chemical tests, shown to be more than 98% pure. (Sulfur normally found is yellow, volcanic in nature, and is typically only 40% pure.)

Deuteronomy 29:23

"And that the whole land thereof is brimstone, and salt, and burning, that it is not sown, nor beareth, nor any grass groweth therein, like the overthrow of Sodom, and Gomorrah, Admah, and Zeboim, which the LORD overthrew in his anger, and in his wrath:"

The Lesson for us.

The destruction of Sodom and the other cities is a warning to us today, as the Scripture says in 2Peter 2:6, *"And turning the cities of Sodom and Gomorrha into ashes condemned them with an overthrow, making them an ensample unto those that after should live ungodly;"*

Luke 17:29,30 *"But the same day that Lot went out of Sodom it rained fire and brimstone from heaven, and destroyed them all. Even thus shall it be in the day when the Son of man is revealed."*
