### From Our Prophet

And the church and you setting here tonight, oh, you're struggling and struggling, and God's a pulling to you and showing you things, if you can ever get a past that sin barrier of unbelief, then unlimited revival will break out through the United States and everywhere, if you can go beyond that sound barrier, that sin barrier of unbelief. "Oh, is it true? Does it mean me? Could I be healed? Could I be saved? Could I be filled with the Holy Spirit?" Get beyond that, just keep struggling, struggling, struggling, until you break through and the Holy Ghost comes upon you. I'm telling you, you're beyond it then, and there's fifty miles of elbow room.

# Mission Work In India

## Reaching The Unreached

**JULY-AUGUST 2018**

Dear brothers and sister "Grace be unto you and peace from God our father and from the Lord Jesus Christ." (Phil 1:20). What a great privilege it is to serve the Lord and His people. It is amazing to see what the Lord is doing around the world in these last days.

## 24 Baptisms/ Whole Church baptized

What an open door of witness has been given for the Gospel in a town called BAHIAN in the Punjab. From time to time the Lord puts people in our paths that need Him. Several times

over the past 2 years we have had the opportunity to witness the Message of the hour to some Pentecostal people. Pastor was interested but was moving

very slow; anyhow he started to attend our meetings. Finally Lord gave him courage to stand for this glorious Message of this age and he

decided to take re baptism in the name of the Lord Jesus Christ with his entire church. Pastor Prem Masih is ministering not far from this town therefore he is able to assist them any time. Please keep this little group of newly converted believers as other denominational people are criticizing them. We are providing the Message materials to them that they may know more and be

established in the present truth..

Ps Prem baptizing Ps Ajit

## Mission Trip to Uttar Pradesh

As I have mentioned in the previous mission reports that the Lord has been enabling us to reach the unreached areas through our evangelists. Three brothers made a trip to GONDA city in UP in the month of August and spent 2 weeks over there. **UP is a Hindu dominating state-where a radical Hindu priest ruling as a Chief Minister..**

On their one of the trip to **UP** 53 Hindu people (Rai Bareilly area) repented and gave their hearts to the Lord. **Bro. Puran Bro. Rajveer** continue to travel to **Gonda** and surrounding areas in UP. This time brother Nirmal G Masih joined them. They have

had a busy schedule with many meetings and many miles –even they travelled to the border of Nepal our neighboring country. The work in UP continue growing everyday with blessing and challenges.

## Growing Threat

Though India's Constitution guarantees religious freedom for all citizens, the government needs to protect those freedoms or persecutions will likely continue. India's elected Prime Minister, Narendra Modi, captured the sentiment of this radical movement when he asserted that Hinduism is "not a religion, but a way of life." To be Indian, the argument goes, is to be Hindu. The large capital city of the state of Uttar Pradesh—and the churches they have planted face increasing persecution. Other churches and even Muslim groups also fall prey to the more violent expressions of Hindu nationalism.

Young brothers in Gonda/UP accepted the Lord Jesus Christ

This mentality engenders a bitter disdain toward conversion to other, "less Indian" ways of life. The mob that attacked the village churches justified their actions by false accusations that the church forced Hindus to become Christians. Need your fervent prayers for the brothers who committed to go regularly for the follow up. **24<sup>th</sup> of this month Bro.**

**Buta Ram, Rakesh Kumar and Aaron George** are going to make a one week trip to Bareilly a big city in Uttar Pradesh where some 100 believers newly converted are waiting for them. They are supposed to visit **Pilibhit, Bareilly, Memudabad, Giari, Sitapur, Tili Gaon** etcetera.

It is good to know that we are in the center of God's will for our lives and working for Him.

## 6-BAPTISM IN SULTAN PUR

As I have testified in the Mission report of Jan 2018 **Brother Lakhvir Singh** is ministering among the drug addicted people in the area of SULTAN PUR. There are eighty percent criminal (involved in drug dealing) in this village. Lord is helping to transfer the life of young people through him.

**WE ARE REJOICING IN THE LORD FOR ADDING SIX NEW SOULS IN THE ASSEMBLY.**

Most of the young people are trapped in the throes of smack drug addiction in the area. As is the nature of addiction, their life is filled with disorder of every sort: selfish living, frequent

stealing, compulsive lying, and constant manipulating. They are in utter darkness.

But God is overwhelmingly good to them, and He is delivering them from the domain of darkness and transforming their lives into the Kingdom of His beloved Son. It is pure grace that we can rejoice in because the chains of addiction took divine power to break.

Most attendees have no definite jobs, to provide for their basic needs and the education of their children. There are approximately 10 villages around this area and most of the population living in these communities;

the Gospel has yet to reach to these people. Around 50% of these villagers are living below poverty line with lack of food, nutrition, accommodation, education and medical facilities. By helping with some of these physical needs we not only demonstrate Gods love but we are able to reach out to the spiritual needs of those who are steeped in the traditions of idol worship and set them free. Please be so kind to remember these precious people in your fervent prayers and also uphold Bro. Lakhvir Singh who is used by God to minister these villagers."

# PRINTING OF THE MESSAGE BOOKS

God is providing and we are printing 3000 copies of Message books in Punjabi and 2000 copies in Hindi language every month and sending them out wherever we can. Also we are duplicating Hindi and Punjabi translated audio sermons of Bro. Branham in the MP3 format for free distributions. We praise God that He is equipping us with all the necessary resources to effectively serve Him. Our vision is to make available all the translated audio Message of the prophet to every Message believing family. We have to accomplish all we do under God's

leading and for His glory. Pictures of the books we have printed in last two months.

Some people contacted us to let us know how they have been blessed by reading the Message into their own mother-tongue. These books been printed and already distributed in some of the villages, there are already signs that, this is helping the Punjabi and Hindi speaking people to understand the importance of being born again spiritually, to break with the past, and worship God in Spirit and in Truth ! After reading the Message books some people testified, "We have been Christian now for many years. But I am calling to tell you that I

received one of your books recently, and after reading, I realized that I have a religion, but I do not have Christ in my heart. That was when I truly gave my heart to Christ for the first time, and this has changed my life and that of my family completely!"

## PRAYER REQUEST:

1. Bro. Piyush is going to RAJASTHAN 20<sup>th</sup> of October planning to stay 3 months.
2. Bro. Buta Ram, Rakesh Kumar, Aaron George leaving for Uttar Pradesh August 24<sup>th</sup>.
3. Roshan Masih going to preach in a Convention in PUNE (Maharashtra) December,

Lord willing we are willing to visit those hungry souls as often as we can, as the Lord provides. Solicit your special personal prayers that our oncoming trips will be a great blessing for the Bride of Christ there...

GOD BLESS YOU ALL.

# Israel: The 2nd Conquest

**S**halom and greetings once again in Jesus name. One of the scriptural keys to understanding the order of end time events, is the truth regarding the five “comings” of the spirit of Elijah. Four have already been fulfilled. The fifth will be the embodiment of one of the two witnesses to the Jews in Israel as found in Rev 11.

We are in the very period of time leading up to the full manifestation of that prophecy. Accordingly, there are unmistakable signs of the spirit of Elijah already at work in Israel. Where or among whom? From Brother Branham we learned that this will be among those Jews who have returned to Israel and were born through these past 70 years. The “little Benjamin...born into the family, after he’d [Joseph] been gone...” They are described as; “...a new bunch of real genuine Jews that’s gathering there now to make that 144,000...”<sup>1</sup> Having been in Israel, I’ve seen up close what characterizes and distinguishes this new generation. They are not only zealous in living faithful to the Word of God, but are the driving force behind the second conquest, a new form of vibrant Zionism possessing their land. Their firm

conviction is the complete and full restoration of all scriptures. As such, that is the literal fulfillment what their forefathers did upon entering the promised land.

To correctly understand this second conquest underway in Israel, one must place it within the context of the scriptures as the Lord spoke to Israel; Possession today, as it meant then - means complete unobstructed sovereignty.

“Speak unto the children of Israel, and say unto them, When ye are passed over Jordan into the land of Canaan; [52] Then ye shall drive out all the inhabitants of the land from before you, and destroy all their pictures, and destroy all their molten images, and quite pluck down all their high places: [53] And ye shall dispossess the inhabitants of the land, and dwell therein: for I have given you the land to possess it.

# Possession of the Promise

Under Joshua the fathers possessed, settled, built houses and farms, cultivated the land and raised livestock - like this young shepherd seen here. The inspiration anointing this new generation fulfills the initial steps of the prophecy where the spirit of Elijah will "...turn the heart of the children to their fathers" <sup>2</sup>.

What many fail to realize is that nearly half of the instructions given by God at Sinai, require Temple worship. Full restoration is incomplete without it. With this being a direct command of God, sovereignty then in Israel, is not merely political. Though sovereignty has political ramifications, in the nation of Israel it is actually a spiritual virtue. They are the only nation on earth where the government has explicit instructions to be spiritual in obeying and keeping the Words of God. Understanding this, the path then to spiritual sovereignty has an inseparable spiritual link between the agricultural settlement of the land - and the Temple in the heart of Jerusalem. That is why so many of this new generation of Israeli's are intent on claiming the land, and are the same spiritual people who rally behind restoration of the Temple.

This second conquest is actually spiritual battle. Though Israel has done marvelously militarily and economically in "claiming the land" through these past seventy years, in many ways they are spiritual refugees and orphans, alienated from the Shekinah presence of God. An outstanding characteristic of the first conquest, was Israel's unity in faith to fulfill God's commands and become the spiritual nation they were called to be.

The major battle faced by this new generation, is not with the Arabs, nor the International Community or even the opposition emanating from within the Christian community. The greatest opposition, is actually the spiritual war being

waged right in Israel - among their own fellow kinsman.

Most secular and liberal Jews loath a spiritual restoration with the Temple at its centerpiece, as this equates to the restrictions of Torah observance. On the opposite extreme are the religious Orthodox, where the Chief Rabbinate of Israel has forbidden

any Jewish presence on the Temple Mount. (This sign is posted at the entrance to the Temple Mount in Jerusalem.) And that is where ground zero in the spiritual war for sovereignty lies, on the Temple Mount, in the heart of Jerusalem. Without sovereignty here, there can and never will be a spiritual restoration nor peace in Israel - or the world.

It is the younger, spiritual generation who understands that the real battle is in the hearts and souls of their own people! They are taking their message of faith to the streets, shops, billboards and synagogues in an ongoing campaign to promote the vision of biblical sovereignty in Jewish consciousness. Their message is inspiring the Israeli public and the parliamentary steps needed to promote legislation applying sovereignty. (More can be read in this news article);

# Possession of the Promise

This spiritual fight is part of the last chapter of redemption. As such, it constitutes a spiritual ministry and accordingly, an integral part of the Bride's last day's ministry. You may ask; "How does this relate to the Bride's spiritual ministry? Our commission is to preach the Gospel in all the world.<sup>3</sup>"

Consider for a moment what that spiritual ministry includes? Ministers and their families are supported; vehicles, motorcycles, bicycles are purchased, not to mention a host of other goods. Building is funded for churches, schools, farms, printing operations and more. Translators are supported. Paper as purchased for printing. Computers, e-books, tablets are purchased, websites built and operated as are apps and programs...all under the banner of the Brides ministry in support of spiritual objectives.

In like manner we have a connection with the spiritual ministry in this Holy Nation. Under the seven seals of redemption it was revealed how significant Israel's restoration and sealing is. Winds of War were stopped one hundred years ago; "...Hold the four winds; don't let the world be destroyed until we seal the servants of our God in their forehead... Until we have got Israel back in Palestine again..."<sup>4</sup> Jews have been going back for seventy years, but have not yet achieved the

restoration, dominion and sovereignty - that is inseparably connected with our redemption. As the spiritual elect, we are identified with them. Brother Branham said; "...God's own Life is bound with Israel. He's married to her."<sup>5</sup> We share the same husband and the same seal of God. Paul reminds us, these are the ones to whom we owe our very spiritual existence.<sup>6</sup> He also stated that it is our duty to "minister unto them in carnal things"<sup>7</sup>.

Not only can we believe with them for a miracle of sovereignty that includes our redemption - but we can put our faith into action for this spiritual nation to be restored. ## The NAME of God

Bro David Shearer

It is clear that God has a real name. Psalm 9:10,

"They that know thy name will put their trust in thee".

[See Also Isaiah 42:8, Isaiah 54:5]

The meaning of His name is "He causes to Become."

The Hebrew scholars had such a respect for the name of God, they removed all the vowels so that it would not be able to be pronounced.

Thus no one would be able to "Take His name in vain."

The Tetragrammaton.

This left the 4 characters "YHWH" which only 'represents' the name of God.

(Some people use "JHVH" for these, although this is incorrect.)

This group of characters is called the "Tetragrammaton", which, in Greek means "4 characters".

The Hebrew vowels of the word "Adonay" which means "my Lord" were combined with these characters to make the word "Jehovah". It is not known what vowels originally, were actually used.

Remember also that in Hebrew, there is no letter 'J'.

In the King James Version of the Bible the word "Jehovah" or "LORD" [all capitals] is used where the Tetragrammaton occurred. This occurs almost seven thousand times throughout the Bible. [The word "Lord", with little letters, is not necessarily the same word.] The word Jehovah, is thus an English 'representation' of His name.

I am unaware of any document [scrolls, or tablet

writing, pottery etc] of the Old testament, that shows the complete name of God. They only show the tetragrammaton.

As the answer to our question then, must come from the WORD; We turn to the New Testament.

The angel speaking to Mary said in Luke 1:31:

And, behold, thou shalt conceive in thy womb, and bring forth a son, and shalt call his name JESUS.

"Jesus" is the English name for our Lord. In Greek it is "Iesous". In Hebrew, his name was "Yehohshua".

In Revelation chapter 1, John has a vision of the risen Jesus. This is of the "Son of Man" (v13) and Jesus was saying to John "I am Alpha and Omega" (v8 and also v11), the "first and last", "the Almighty" and it shows He is clearly God. He "was dead, but is alive forever more". His hair is white, not because He is old, but because He is the Judge.

The Gospel of John begins with these words, John 1:1-3,

In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by him; and without him was not any thing made that was made.

Verse 14 continues...

And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.

Here we see some more titles of Jesus, the "creator" and the "word" and "only begotten of the Father."

## 62-0714 - The Uncertain Sound

After one of our Easter Camps we had hosted in Marden Bay in 2014, the Lord Jesus Christ allowed us to become great friends with Br Peter Laforteza, Sister Kay, their awesome son Joshua, and their daughters. Br Peter's testimony was that the Lord Jesus Christ had

quicken something within him at the camp. It was a fire burning within that had to be manifested on the outside. He tells us that he had been a Message member for as long as he can remember, but 2014 was a turning point for him where the Message became LIFE to him.

Because the Laforteza family stayed about 60 minutes away from us, we started holding meetings with them in the midweek to encourage each other. The Lord moved in these meetings.

# His Candle Got Lit

**B**ro Peter had some family in Las Vegas (the Ligayo family), who in the past wanted nothing to do with him. When the Ligayo family heard about the change in the life of Br Peter, they started to become curious, and started opening the communication channels with Br Peter and his family. This curiosity progressed to them starting to join the midweek meetings via skype. The Ligayo family was going through some dark trials in their lives at that time, and together we would pray with the family, and we all witnessed the Grace of God stepping in and meeting the needs of this family.

I clearly remember coming home from one midweek night meeting and Br Peter calling me, quite excited, to say that the Ligayo family has decided to take the next step. The Word of God had convicted them, they had repented, and were now ready to be baptized according to Acts 2:38. Since there was no local pastor or church that we were aware of in the area, we contacted Pastor Ron Petersen to ask if he would baptize them. Pastor Ron kindly agreed and the entire family took the 6 hour trip down to Arizona to be baptized in true Christian baptism.

After this momentous step, the trials in the family

started getting harder, but God was consistently proving Himself to the family. Simple

Ligayo family testifying in Br Ron's assembly on a Sunday morning

scriptures like Proverbs 21:1 started taking on life within the situations of the Ligayo family. Br Peter continued to have weekly skype meetings with the Ligayo family. Br Warren Arquisola, an associate pastor in Arizona started joining these meetings.

The Lord then started working in the heart of Brother Warren, to travel down once a month to Las Vegas and spend time with the Ligayo family. The Lord has blessed the efforts of Br Warren and there has been further growth with the family. The Lord started to identify other families in their area that was at home and who needed help. On weekend of 7<sup>th</sup> September 2018, Br Warren went down to Las Vegas with almost 20 other believers, and the Lord blessed them that weekend.

the Ligayo family had their candles lit, and we believe that this will light other candles in their area. Continue to pray for the Ligayo family

God bless you

When I step back and review at what our Lord Jesus Christ has done from 2014 until now, I stand amazed. One man got his candle lit in a family camp at Marsden Bay in NZ in 2014, and the Lord used this brother's lit candle to light other candles on the other side of the world. Now
