## Are There Squatters In Your Land?

"Now, remember, in the Old Testament, if a man lost his inheritance and a squatter come on his land, he could not hold it any longer for annihilation from the owner until fifty years. After fifty years, the year of Jubilee came by. And the year of Jubilee, when the year of Jubilee come along, then everything went back to its original beginning again. All slaves, they went back to the original beginning. If a man was hoeing in the field and the trumpet sounded and he heard it, he'd throw down the hoe and say, "I'm no more a slave, I go back home to my family." Everything was given back. If a squatter was on the ground, he had to get off the ground. That's all. He got off the ground because why? The legal owner was coming back. He had to give away."

57-0303A - Why Is It That So Many Christians Find It So Hard To Live The Christian Life?

Rev. William Marrion Branham

## Editors Note:

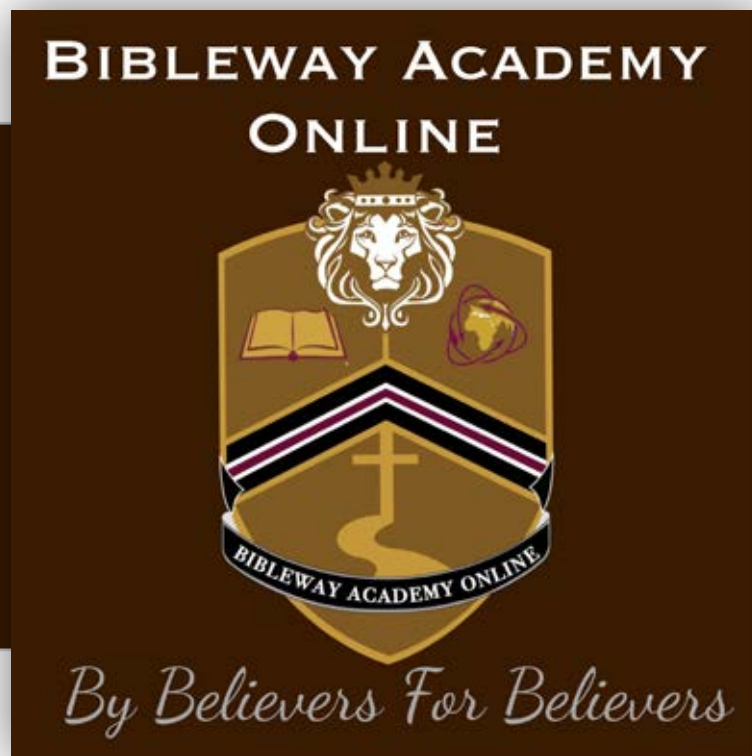

Brethren, we are in the final stages of this world order, the Jubilee Trumpet has sounded... The Voice of God has shaken heaven and earth... The Blood of Jesus still cries better things than that of Abel... FREEDOM! RESTORATION! RAPTURE! HEALING FROM ALL SICKNESS! No More Bondage! The Devil's been served his notice on our land. Don't ever let the devil push you in a corner or press you into the ground, he's just a liar and bluff. Under your feet is where he belongs right now; backed up in his corner and pressed down with no where to move. God is for you, there's no devil or power that can be against you... just speak the Word of God and you will see, the unmatched authority of the Word that reins in you.

# Message-Believer's Teaching **Your** Children?

It has been the long-term vision and dream of many people to provide an online homeschool option for believers. In 2019, we made the decision to create a development team, and gradually Bibleway Academy Online has become a reality. Bibleway Academy Online is an online homeschooling option for students which allows your child to work from home while getting a quality education from reliable and qualified Christian teachers. In addition to multiple live sessions each week with their teacher and classmates, students will be using our learning management system (Canvas), Microsoft 365, and various Christian curriculum providers to create, share, and submit their work each week. At Bibleway Academy Online we believe that a Christian worldview and social interaction are key aspects of a child's education in addition to the academic components. Integration with Bibleway Christian Academy in Cloverdale, British Columbia,

Canada, provides your child with additional opportunities to grow through devotions, assemblies, and activities in addition to fellowship opportunities with the growing BAO family.

## Statement of Faith:

At Bibleway Academy Online we have core values that form the foundation of our beliefs and are an absolute for our purpose and mission. Our faith is integral to what we strive to accomplish through education. We believe the Bible is Divinely inspired, infallible, and the authoritative Word of God. Further, we believe there is one True and Living God who has manifested Himself in the offices of Father, Son, and Holy Spirit. Therefore, based upon the instruction of the Bible, we believe water baptism is in the Name of Jesus Christ by immersion. We believe in the death, burial, and resurrection of Jesus Christ and the full atonement for sin by His sacrifice. We believe that by one Spirit we are baptized into one Body, the Bride of Jesus Christ. Lastly, we hold as prophetic truth the Bible-based teachings of William Branham.

A GENERATION LATER -  
RENEWED VISION

Bro. Lonnie Jenkins  
and Bro. Ed Byskal  
in Malawi, 1982

**E**nd-Time Seed sown in the 1980s, has taken root in Malawi and produced a wonderful crop. Pioneers like Brother Harold Hildebrandt, Brother Ed Byskal, Brother Lonnie Jenkins, and Brother Willie Retief sowed the Word and many received the Truth. In the early days, translators would travel with these ministers to interpret into the local languages. Travel was not easy, accommodation was poor, food was not always pleasant, but these pioneers were inspired by the Holy Spirit to persevere. Families were left at home for weeks on end. Home congregations did without their pastors as they were on the field sharing the good news of the End-Time Message.

Now, with churches established and hundreds of ministers able to preach in the local languages, the need for overseas evangelism has diminished. However, the need for translating the Message itself into the local language of Chichewa is greater than ever.

The initial translation work was spearheaded by Brother Hildebrandt from Edmonton, Canada. Over 100 titles were translated and printed in the early years. The congregations continued to grow, but the printing work could not keep pace. Being

an extremely impoverished nation, Malawi has never been able to support its own needs in the Message. Thousands of Believers are without access to message books. In 2019, Brother Tim Dodd was contacted by Brother Precious Makatanje, a pastor in Malawi, to see if there was some way that Bible Believers could help them. Brother Precious was thrilled to hear a positive response.

Bro. Byskal, and Bro. Retief in Malawi

As very few of the previous translations were on the Message Hub, the first step was to begin translation. Not one at a time, but to put a team together to produce translations in volume. Soon over 30 translations appeared on the Message Hub. In addition, Brother Hildebrandt suggested a source to obtain some of the early translations that had been

done. Now, another 139 titles have been received, needing only to be proofread and uploaded. *The Exposition of the Seven Church Ages* is in the final stages of proofreading. We thank God for this quick provision of translated material.

The next step was to arrange printing in sufficient quantities. A print station would not be adequate to meet the need in the country. Brother Barry Coffey was contacted and agreed to take on the project through his Missions effort, Vision Books. Printing has begun of 480,000 books for the country of Malawi. It is believed that 40,000 of each title is necessary to fulfil the demand for books in the country.

For this printing the following titles will be sent:

1. God's Power to Transform 65-0911
2. The Invisible Union Of The Bride Of Christ 65-1125
3. The Easter Seal 65-0410
4. The Anointed Ones At The End Time 65-0725M
5. Who Is This Melchisedec? 65-0221E
6. Satan's Eden 65-0829
7. The Rapture 65-1204
8. The Serpent's Seed 58-0928E
9. It Is The Rising Of The Sun 65-0418M
10. God's Chosen Place Of Worship 65-0220
11. What Is The Attraction On The Mountain? 65-0725E
12. Modern Events Are Made Clear By Prophecy 65-1206

On May 15th ministers from Malawi, Zambia, Mozambique, and other countries gathered to discuss the current needs, and different opinions on how to meet them. Over 800 ministers were present. It was announced

Bro. Harold Hildebrandt  
with Bro. Paddington,  
Bro. Johnner, Bro. Kandoji  
in Malawi, 1981

that the volumes being printed by Vision Books from translations on the Message Hub would be arriving on June 17th. To say that these Brothers were excited would be an extreme understatement. All that were present blessed God for the provision that was being made, and they lined up to make sure that their names and addresses were recorded

for delivery of sufficient quantities for their congregation.

With such a great need, and an outstanding desire to feed on the Word, being clothed thereby in the Wedding Garment for the Rapture, how can we not support it with the provision of Almighty God? We thank God

for each and every donor that has contributed through us to the Bride of Jesus Christ in some of the poorest countries in the world. I am sure you are looking forward to meeting these people, whom you have helped, at the Marriage Supper of the Lamb. ◀

## THE WORD THAT PENETRATES EVERY PRISON

**G**reetings Brothers and Sisters. I have remained in contact with the Believers in China, as the world has changed around them. With pressure both from the government, and from dealing with the coronavirus, they have had to adjust to meet the changes. But by God's grace they have remained faithful.

I was forwarded a powerful letter from one of the four Brothers in jail, who shared a unique experience he had recently while incarcerated. He is 23 years old, and we call him "Nail" because of his solidness in following the Lord - like a nail on a board that is unmovable.

One day, "Nail" saw one of the prisoners in front of him holding a Bible in his hand as they lined up to exit the prison workplace. This is extremely unusual - unthinkable even. The only books allowed are government supplied to re-educate prisoners to the communist ideology. You can be sure there are no Bibles in that prison. So what happened to our Brother is extremely unusual. Maybe it was the Angel of the Lord, to remind our Brother that the reason he is in jail is for the Word of God. This Brother, with several others, had been convicted for distributing the Chinese King James Version Bible, which is not approved by the government.

He writes about the effect it had on him. Here is my translation of his letter:

*Last Sunday I was reprimanded because I did not finish my work assignment. I felt that it was not my fault because the person ahead of me in the assembly line only finished that much. I can only do whatever he passes on to me, so I have no way to meet my daily quota.*

*We then lined up to wait for the jail guard to open the door. When we all had our hands behind our backs, the person in front of me had his hands behind his back. Just then I saw him holding in his hands a black covered A5 little book on which was printed a gilded title: Old and New Testament.*

*I was shocked, I couldn't believe what I saw. So, I read it again. My goodness! Isn't this the*

*Bible that I am longing to read day and night! Tears streamed down from my eyes. But before I could come to myself, that person left. I didn't even notice him leave. Who is he? Which unit does he belong to? Is he a Christian like me? I didn't know where he went but I'm sure I saw it clearly, that was a Bible! As I stood there, all the negative thoughts left me, only peace and joy filled my heart.*

*When I lay down to sleep at night, I still think of that moment. I realized that maybe all the things I experienced is not for a certain person but for my growing in believing the Lord. I might already be accustomed to the life on the outside, accustomed to the living style, accustomed to the every Sunday worship, a relaxed life, good food and some enjoyment. Those things like poisons made me lazy, I became indifferent, depressed, even to the Message, to the Bible, to my belief, til it became not essential in my life. But in prison, even a few simple words on the cover of the Bible brought me to tears. I haven't read it and I don't possess it, but it moved me and gave me strength, gave me hope and love. I feel when I saw those simple words, it's almost like I saw all of you.*

*I couldn't go to sleep that night. I began to think how I was saved by the Lord. I turned over every stone in my life from when I was a boy, I can see it was all the grace of God. I was shouting "Hallelujah!" in my heart. Joyful tears soaked my blanket. I haven't cried and rejoiced like that for a long time. The grace of God is so wonderful, He even encouraged me this way, when I was feeling so helpless.*

*Those few words were like a lighthouse leading me, and turned my attitude back on track. I don't need to tell you what all happened or what I have done but I'd love to tell you about this little change in me. The changing is my growth in the Lord. I am like a little child growing every day. There is nothing to fear even in danger or in affliction because our hope is in the Lord. I don't care what the future brings, what troubles or trials; I can always say by faith, "He knows." So let the storm come!*

The political environment in China remains tense. Still, despite all of the difficulties, Brothers are still going out to preach.

Recently, two Brothers teamed up and went to a town they researched on the internet. When they got there, they began to introduce the Message to the elder of a home church. After he listened a little while, he said, "I have heard this Message before." The minister Brothers were surprised and asked him where? He said, "A certain Brother shared with me, about two years ago. I have listened all the messages of Brother Branham from 1947 to 1961!" It turned out this Brother who witnessed to him was the "white jacket"

Brother I have previously told you about. He has been faithfully introducing the Message online for the past few years. This elder gladly received the Message and was baptized in the Name of our Lord Jesus Christ.

In his home church, this same elder introduced the two minister Brothers. As one of them was preaching, one of the elders in the church suddenly fell into a seizure. It happened with the other minister Brother sitting right beside him, so he began to pray for that elder. Soon the man recovered and was feeling fine. As he could now listen, the Word of the Lord began to move in his heart. He stood up and walked to the front while the Brother kept preaching. He asked if he could say something. The Brother let him speak. He said, "I want to repent because the Word that this Brother preached exposed something in my life that nobody knows. Only the Lord knows." He cried with a loud voice and repented right in front of the congregation. The whole congregation was shocked. The Word of God is quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and is a discernor of the thoughts and intents of the heart. (Hebrews 4:12)

This is only one of the many testimonies of Brothers doing missionary work in China during the COVID lock down, which is still enforced in some of the cities, even while other Brothers are still in jail. Satan can never stop the work of the Lord, but his resistance only stirs up the passion and zeal of God's children to spread this Message.

May the Lord bless you as you continue to remember our Brothers in prison for the sake of the Word of the Lord, and all the works in China. ◀

## FROM VISION TO REALITY: MESSAGE TRANSLATION INTO KINYARWANDA

**I**t is estimated that there are over 7,000 languages spoken in the world today. Though some of these languages are small by global standards, they are very important to the people who speak them. An estimated ten million Rwandans speak Kinyarwanda, and some of these speakers are true Believers who hunger for the Message of the Hour. At this time, there are 81 languages on The Message Hub in which at least some of the sermons of William Branham are available. But there are many languages without any translated messages at all. Until recently, Kinyarwanda, was one of those.

The work that has been accomplished over the past four years in the Kinyarwanda language is an example of what can be done when Believers with a burden for their country cooperate. Starting in 2016, a team of ten translators was established to translate the most pertinent messages. Though Rwanda had Message preachers prior to 2016, a clear understanding of the truths of the Bible was lacking in many congregations. Without the translated sermons available, questions invariably arose which could only be answered by the Message. Various efforts to start translation work were attempted, but none succeeded.

This all began to change when Brother Elie Kwizera, a Rwanda native who had immigrated to the United States, began attending Cloverdale Bibleway and became aware of the many translation efforts started by Brother Byskal and carried on by Bible Believers. In our podcast released in March 2020, Brother Elie explained how difficult it was for Believers in his home country. They were aware that something very important had been revealed by God but did not know much about it. Inspired by the translation efforts that were taking place around the world, Brother Elie communicated with Believers back home, that they too could have the Message of the Hour in their own language. When it was clear that the Believers in Rwanda were in consensus and willing to do the necessary work, Bible Believers agreed to sponsor the effort. The

faithful donations of concerned Believers around the world provided the funds.

Now, four years later, 342 titles in Kinyarwanda are available in print form, and 151 are in audio form. To accomplish this, the team of translators produced at a pace of at least seven titles per month. These are high quality translations. It is a labor of love performed by Believers working in their native language, and carefully proofread for accuracy. The fruit of this labor provides Believers in Rwanda access to a range of important sermons, in which precious truths are revealed and explained by God's End-Time Prophet.

Now the country also has a working print station that is printing messages for the local churches to use. There is no need to wait for volume printing in another country; the locally owned and managed print station can print a single message for an individual or several for churches, on demand. Rwanda is a great example of a single print station covering the majority of printing needs. This country has

less than 5000 Believers, so a large quantity of books is not needed. At this time, Bible Believers has given the work over fully to the local Believers, to continue the translation and voiceover work as they desire. Although Bible Believers no longer supports the translation work, which is still going forward, we are supporting the printing work through regular contributions. This enables the Believers in Rwanda who cannot afford books, to receive a regular supply of the translated messages.

Another important addition is the translation of the *Church Age Book*, which can be printed as a full book, or as tracts for witnessing. The 151 voiceover audio sermons, in addition to their edification value, can be broadcasted for witnessing purposes if the Believers so desire. Further, all the translations are available on the Message Hub Mobile app for free download.

Bible Believers is also planning to print the translation of *The Exposition of the Seven Church Ages* book as soon as funds are available. 5,000 copies will ensure a book for each of the current Believers in the country and can be printed for less than \$10,000 total.

The Kinyarwanda translation effort unlocked all these possibilities for Rwandan Believers, and we rejoice that the Bride in Rwanda is better equipped now to grow and be blessed by God. How many other countries or languages are in a similar situation as Rwanda? May God's End-Time Message go out to them also! The Bride is making herself ready, and she does so by putting on the clothing of the Word. In many countries like Rwanda, this requires the difficult work of translation, but that need not prevent it from happening. The determined Believers in Rwanda have shown how translation can succeed when they unite behind a common cause.

With the help of Bible Believers, through the donations of many, Rwanda has seen their vision of access to the Message of the Hour manifest in front of their eyes. ◀

## JESUS IN THE MIDST OF THE CHURCH

“Now you will notice that Jesus is walking alone in the midst of His churches. There is no one else with Him. Neither indeed can there be, for He alone wrought her salvation, and having purchased her with His own blood He owns her. He is her Lord and Master. She gives Him all the glory and that glory He will not share with another. There is no pope with Him. There is no archbishop with Him. Mary, the mother of His earthly body, is not with Him. He does not speak and turn to a Father, for He is the Father. He does not turn to give orders to a Holy Spirit, for He is God, eternal Spirit, and it is His Life that is flowing and pulsating in the church giving her life, and without Him there would be no life. Salvation is of the Lord.”

EPHESIAN CHURCH AGE – CHURCH AGE BOOK CPT.3

Sometimes it is difficult to comprehend all that is taking place when God moves sovereignly and supernaturally. One hears of thousands saved and baptized, hundreds of churches receiving the Message, the lives and ministries of almost 1000 ministers changed by receiving new Light. Miracles abound amazing Believers, though most go unrecorded. In the big picture, there are countless minute details that God alone orchestrates.

Allow us to share with you some details from April 2021, a typical month's meetings for Brother Fred Kiyangi and Brother Stephen

Ibale and the many Brothers that are working with them to further this amazing awakening in Uganda. It is important to note that it is a move of the Holy Spirit that is driving the meetings, not the meetings driving this move of God. There could be more gatherings, such as the demand, however time and resources are limited. Here is a typical month's labour in harvest in Uganda, which covers only a portion of the country:

## Awakening Spreads to Adventists

“When I speak against some denomination, or the denominational system, it isn't the people in there. It's the system that I'm against (You see?), that holds them apart, holds us from receiving. See? They draw up their declarations, say, “We believe this, period.” If they would end it with a comma, “We believe this, plus as much as the Lord can show us out of His Word,” it would be all right. But they do not do it that way. You know that. It couldn't be a denomination and do that. It would just be the move of God, moving on all the time.”

ONCE MORE LORD, 63-1117

In the beginning of January 2021, several denominational ministers attended a meeting in the town of Kangulumira, Uganda. Brother Fred Kiyangi was the speaker. Amongst them was David Mukasa, a well-studied Adventist pastor of 30 plus years' experience, renowned as a theologian in his denomination. It amazed him that he was hearing Bible truths

for the first time. This was an experience he never expected to have after so many years serving God, but God was revealing Himself to Pastor Mukasa.

Just two months later Brother Kiyangi and his team ministered the Word of Life in Pastor Mukasa's church. Eyes were opened. Hundreds realized they had been baptized wrong and needed to be rebaptized. Unfortunately, their desire for baptism had

to be delayed to another day because of the evening curfew, due to Covid restrictions.

Finally in April, the great day arrived when the original meeting with the Adventists was followed up with a baptismal service. With help from Bible Believers, the people were taken to a place where water for immersion was available. In all, 215 souls (including 7 ministers) received true Christian Baptism, in the Name of the Lord Jesus Christ.

To see Adventists breaking away from their denominational constraints en masse, as is starting to happen in Uganda, is unheard of! Adventism as a denomination was one of the pioneers in exploring end-time prophecy, and many Adventists are deeply schooled in the teachings of their church as laid down by 19th century leaders like Uriah Smith, and Ellen White. Brother Branham even read some of their writings in studying the Seven Seals

but laid it aside as the Holy Spirit revealed the truths previously hidden in the book of Revelation.

You can see some of the testimonies captured on video on our Missions site at [www.bibleway.org](http://www.bibleway.org). It was amazing to see ministers testify of feeling like new Christians as the Word struck their hearts. Great was the joy that the Lord had loosed amongst them.

We rejoice with the Adventists in Uganda as they are sure to be stimulated further by the revelation of the Word as they dig into "Divinely revealed mystery-truths" contained in the Church Ages and Hebrews series preached by Brother Branham. Deep studying of the scriptures is not an unfamiliar exercise to them, but now they can do it in the full Light of the Evening Time!

We are watching this situation unfold with excitement and prayers, but we are also aware that this development continues to present a flood of needs. We are glad to report that 10,000 copies of the newly printed *Revelation*

of the *Seven Seals* book have arrived in Uganda. This will soon be followed up with 10,000 copies of the *Hebrews* series, and 10,000 more Bibles.

The Revelation of the Seven Seals in Luganda

Supplying Church Age Books

As remarkable as the Adventist awakening is, it still represents only a small portion of the baptisms that continue to take place among Methodists, Baptists, Pentecostals, and others in Uganda. From Brother Mukasa's church, another independent Pentecostal church as also embraced the Message and hundreds more have been baptised. Please pray with us that the Lord will supply the upcoming needs, even as we rejoice in the miracle that is taking place. ◀

# Uganda Church Buildings

Today in Uganda there is even more reason for rejoicing, as nine more congregations that were without buildings are now worshipping in structures recently built, made possible by the donations of Believers around the world.

These simple buildings (a more permanent solution to the temporary structures of tarpaulins) are made of tin siding and dirt floors. Most were built for less than \$4000 US, including land, using locally acquired materials and labor. They may be primitive by Western standards, but to the Believers there, they represent an immense improvement. They no longer need to wonder where they can meet next, or have services interrupted by storms and rains like when their only option was to gather outdoors.

New Believers in Uganda, emboldened by their fresh revelations in the Message of the Hour, have faced many sacrifices and hardships courageously. Denominations have confiscated their buildings, cancelled their ordainment licenses, and in some cases have left pastors homeless. The nine new buildings recently dedicated to the service of the Lord in Uganda range from 25ft x 40ft in size to 30ft x 60ft. Congregations from 50 to 250 people are now under a cover, out of the rain and shaded from the scorching sun!

The buildings are not wired for electricity, and there is no plumbing or bathroom facilities. This remains an ongoing challenge. A temporary pit latrine outside the building can suffice for a while, but a more permanent solution is needed for each of the new facilities. Nevertheless, the Believers are extremely grateful for what they have received and are confident that if God has blessed them thus far, through the kindness of far away Believers whom they will likely never meet, He will surely provide for the rest of their needs.

The need remains great. Currently, there are as close to 200 congregations still needing a more permanent place to meet and worship.

The most glorious thing that the new Believers in Uganda have received is Revelation. As Brother Branham put it, "The importance of revelation by the Spirit to a true Believer can never be over emphasized." In all the support given by Bible Believers, whether it be to help local ministers to travel to remote locations for meetings, or printing tens of thousands of message books, providing MP3 players, Bibles, or even putting up shelters for worship, the ultimate goal is to allow God to further the revelation of true Believers.

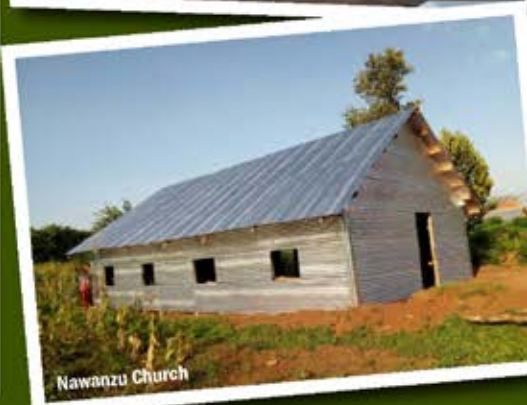

The Believers in Uganda are extremely thankful for all that has been done for them.

# Minister's Meetings

Bro. Fred Khyngi meeting with 153 ministers in May. 15 baptisms followed.

Minister's meetings have been an imperative part of instructing the Pastors that are new to the Message. Both Brother Fred and Brother Stephen hold regular meetings in several locations for the ministers to come together to receive instruction, and be able to ask questions.

Just this month an unusual event took place in one of these meetings. Brother Elijah held some meetings in one of the outlying areas and experienced some very vocal opposition. It was from ministers that were losing congregants as their eyes were being opened to the Truth. As Brother Elijah was not prepared to deal with their questions at that time, these ministers were invited to attend a ministers meeting where they would be welcome to ask any questions. The following minister's meeting in Iganga was very interesting and the Lord was mighty among the Believers:

Brother Stephen took the meeting and spoke on the Atonement out of Leviticus 17. From there, he spoke on salvation and the importance of the Blood. He spoke for two hours and covered many subjects: The Name of Jesus, Baptism, Godhead, and much more. He says that normally the opposition would have made it difficult to minister, but the Lord gave him unusual liberty.

At the end of speaking, the floor was opened for questions. A visiting minister immediately arose and began to ask a question on the Godhead from the perspective of the Trinitarians. Before Brother Stephen could answer, another of the visitors (this man being a theologian with a radio broadcast who in the past had assailed the Message) stood up and declared that everything that had been preached that day was the truth. He now saw the truth of Baptism in the Name of the Lord Jesus Christ. He himself and two churches he pastored totaling almost 200 souls needed to be rebaptized in true Christian baptism. To God be the glory!

## MP3 Players

While Bible Believers is focused on the new Believers in the ongoing awakening taking place in Uganda, this in no way diminishes the spiritual needs throughout the country amongst existing Believers. As we use the resources at our disposal in the best way possible, we are always confronted with a wide variety of needs throughout Uganda and other countries.

Part of our continuing effort to meet the needs of new Believers in Uganda has been to provide ministers with MP3 players pre-loaded with the Message in audio format. These were generously purchased by Believers in China, while others helped to support their shipping and distribution.

Recently, Brother Busobozi, who manages the printing and distribution office in Kampala, and Brother Robert Kabasi, a pastor in Kampala, participated in an outreach in a city called Nebbi, in West Nile, a ten-hour drive to the North. The ministers in that area gathered to receive some of the Message MP3 players, and were delighted to find Brother Busobosi had also brought two boxes of Church Age Books.

Our initial expectation in sending the MP3

players to Uganda was that they would serve ministers who have come into the Message as part of the awakening in the South. While that has indeed happened, now it appears the MP3 players have revealed a whole new set of needs in the North.

Brother Busobozi testifies that the region is vast, and the twenty ministers he met with are just a fraction of those who are laboring there

with little support. This remote area has not received much outreach or instruction. Providing ministers access to the entire Message in audio format and the Church Age Book is important to countering doctrinal errors that can develop due to lack of proper teaching.

May God bless the Chinese Believers and all who supported the effort to provide the MP3 players. This tool has proven extremely useful, both to the new ministers of the awakening, and now to those Believers who have been quietly laboring in the North regions for years.

TRUTH IS  
MARCHING ON

Bro. Busobozi &  
Bro. Moges Engida

location was let go with a hope that a better location would be found. The Lord is faithful.

Soon after the lockdown was lifted, Brother Moges and the local Believers began looking for a more suitable gathering place. During Covid restrictions the Believers had gathered in homes, like the church did in Jerusalem in the book of Acts, and now that they were better grounded in the Word, a place with higher visibility was sought. By the grace of God, they overcame all obstacles and are now holding regular services in a new location.

Compared to the previous location, the new place is good in terms of air circulation, and is accessible to the public due to its location by the roadside. Pedestrians now will walk in during services and hear the Message preached. It is common to have visitors in almost every service. Just recently, a lady (a sister now) walked in one Sunday service and heard the Word being preached. After the service, she came and asked for more revelation. She believed and was immersed in water, fulfilling Acts 2:38. In May, three consecutive weddings also took place. These occasions are always an opportunity to shine the Light of the Word, and many have shown interest to hear more of the Message.

Another step forward came on Sunday, May 16, 2021. Brother Moges Engida was officially ordained as a minister of the Gospel and Pastor of the church. Brother Moges was one of the first converts in Ethiopia in 2013 and now the Lord has called him to preach. He is the first Ethiopian minister of this Message! As Brother Tim Dodd was unable to be present, Brother Busobozi from Uganda conducted the ordination along with Brother Paul Mburu from Kenya. Both were instrumental in the sowing of the Message in Ethiopia, Brother

In the early stages of the Message being introduced in Ethiopia, it was very difficult to find a suitable location for meetings in the city of Addis Ababa. The basement location used in a high-rise building was not ideal, as air circulation and lighting were always problems. So when the Covid restrictions were implemented, that

Busobozi especially, as he spent years in the country evangelizing the people.

Brother Moges will be soon travelling south for more outreach into an area where their last trip was interrupted by an uprising. Pray that the Lord will bless their endeavours.

## OUTREACH IN HAWASSA

Brother Busobozi traveled from Uganda to Ethiopia for the ordination of Brother Moges, and to attend weddings. He also took some time to reach out to the new group of Believers in the city of Hawassa and to preach. In his short visit, sixteen people were baptized as the Lord continues to add souls to His body in this city.

In 2018, a deacon in the Addis Ababa church had moved to Hawassa for work. At that time, Brother Busobozi lived in Ethiopia, and as the witness of the Word went out lives were affected, and some began to embrace the Word. Since returning to Uganda, Brother Busobozi has continued to maintain contact with the group encouraging them over the internet. Now accompanied by Brother Assegied from Addis Ababa to act as interpreter, Brother Busobozi met with many contacts that were desirous to hear more of the Word of God for our day.

One notable testimony is that of Brother Frewu. While Brother Assegied was searching for a place of fellowship for the saints in Hawassa, he happened to meet Brother Frewu in a coffee shop. As a sound manager in one of the big Pentecostal churches in the city, he was apparently dissatisfied with what he had been seeing for a long time. He was discouraged that he never saw a difference between the people in the bars he used to go to and the church where he now attended. Brother Frewu testifies that the Word he has heard has been the answer to his many questions. God visited him, he received the Truth and was baptized in the Name of the Lord Jesus Christ.

Most of the sixteen people baptized in this Hawassa revival were introduced to the Message by their fellow Ethiopians. The effort to spread this Message has shifted from Brother Busobozi as a foreigner, to the shoulders of the local Brothers. Much street witnessing has brought many souls into contact with the Message of the Hour. Many Brothers are involved in this effort from Hawassa and Addis Ababa.

Please keep this young and growing work in Hawassa in your prayers. The Lord has done much, and we continue trusting for more from Him for His Name's glory. ◀

## FEEDING THE MULTITUDE

The Message of the Hour Library (Biblioteca Mensagem Da Hora) was launched November 8, 2020 in Angola's capital city, Luanda. With the support of Pastor Jason Jackson's assembly in Arkansas, and many others, this printing operation has been able to provide physical books and tracts in the Portuguese language to the Bride of Jesus Christ, at no cost to the local Believers.

The saints are delighted to have access to the translated Message of the Hour, and the news of the library has spread quickly. In the first month the office welcomed about 200 visitors. That number quickly grew to over 320 in the second month. In total, almost 2,000 hungry souls have visited the library to receive "spiritual food in due season".

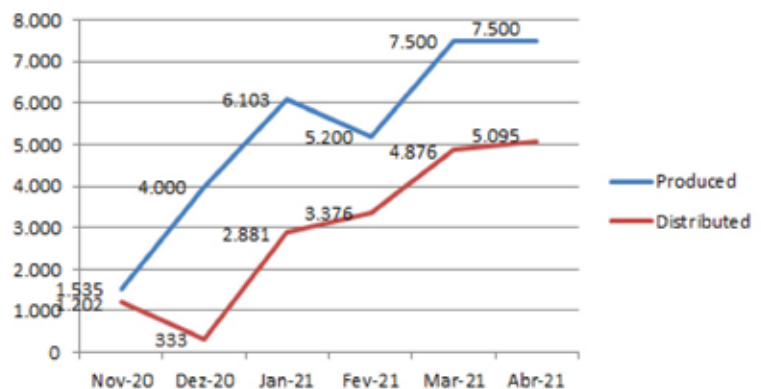

As we detailed in a previous issue, the books can be printed on demand, and are assembled and trimmed manually. Presently, three titles are selected each month for printing. Many of the individuals who come to access the resources of Biblioteca Mensagem Da

Hora also volunteer in the print work. By laboring to be a blessing to others, they themselves have received a blessing from the Lord.

Brother Nonon Kolomani, the office manager, organizes volunteers from the different churches around the city of Luanda to utilize the equipment provided by Bible Believers to print, collate, and trim individual messages. The books are then picked up at the library by individuals for their personal use, or by a representative of a local church to take to their congregation. Over 120 churches have contacted the library to receive books or to help.

Word of the availability of the books has now reached the outer provinces of Angola, and we are beginning to see ministers, or their representatives, travel to Luanda to obtain their supply of message books and tracts. It should be noted that Angola has 18 provinces, and Luanda is on the northeast coast. Due to Covid restrictions, the capital city is separated from the rest of the country as an entry and exit point for travel and trade outside the country. These restrictions do pose some real difficulties for Believers in other provinces

Books production and distribution monthly

to access the library and receive their books. Nevertheless, as news of the availability of message books in Portuguese reaches the outer provinces more and more demand is being seen.

Despite restrictions and some technical difficulties slowing the work down, we are happy to report that to date, over 31,000 books have been printed and almost 18,000 already distributed. Production has reached 2,500 copies of three messages monthly. Our goal is to reach five titles, for a total of 12,500 books each month. We thank God for the dedicated support of the Believers in Arkansas, and the many individuals that have contributed to this effort. We are praying and we believe that God is able to direct His children to supply enough funds to meet the needs in Angola. ◀
