Baalina amafuta mu biro...Ne Dasani yalina amafuta mu biseera bya Musa. Yagamba nti, "Kaakati, tolowooza nti yeggwe wekka omutukuvu mu masekkati gaffe, Katonda alina bangi. Ffe tujja kutandikawo wano ekibiina, ekibinja ky'abasajja."

Katonda Yagamba Musa, "Mweyawuleko," era n'Ayasamya ensi n'ebamira. Yali awadde Musa Ekigambo Kye kinnakabala, Nnabbi We; eyo y'engeri yokka gye Yali akikozeemu, era y'engeri yokka gy'Alisigala ng'Akikola. Takyusa mu ntegeka Ye, mulaba.

66 N'olwekyo ebirowoozo byaffe bikyamu, ebirowoozo Bye by'ebituufu, buli kiseera. Era togezaako kumugamba Ye nti, "Mukyamu." Si nsonga ani gwe tulowooza nti y'asingayo okugwanira, tekiri ku ffe kugamba ani asinga okugwanira. Kaakati, awo we muyingirira mu kibiina.

Ow'oluganda omu omuto eyajjula Omwoyo Omutukuvu asobola okugenda mu kibuga era n'azimbayo ekibi... n'azimbayo e-ekibinja ky'abantu abalungi, era ne basisinkana mu lukuŋŋaana, era ab'oluganda bonna abo abatukuvu ne babeera bonna, omanyi, era ne bagamba nti, "Omanyi ki? Nzikiriza nti *Jones* ono wano," (Ye wa njawulomu kko mu bo) "Ndowooza ateekeddwa okubeera n'eryo ekkuŋŋaaniro eddungi eddene, Bwe ndowooza. Ggwe tolowooza nti ekyo kituufu?" Nedda, abange. Awo n'agenda. Era olwo ekibiina ne kisaasaana. Mulaba? Yawula bano! Katonda y'Ayawula, Ye y'Akikola ekyo. Naye abo bonna, buli omu, baagala kutwala *ono* omuto, bamuteeke *wano*, era *n'ono* bamuteeke wansi *wano*. Ebyo birowoozo bya muntu.

67 Omuntu alina ebisumuluzo, naye mu mazima Katonda Y'akwata ebisumuluzo. Bakwasa Abayigirizwa, ekkanisa entukuvu, ebisumuluzo; era tunula olabe omulundi gwe basooka okubikozesa, Yuda bwe yali nga agudde ku lw'okwonoona. Baakuŋŋaana wamu era n'ebakuba obululu; n'ab'oluganda abatukuvu. Ani ayinza okugamba nti tebaali b'aluganda batukuvu? Ani agamba nti tebaali batukuvu? Naye baakuba akalulu, era ne kagwa ku Matiya. Era awo ye...kiki kye yali akoze? Tewali. Naye Pawulo ye yali alondeddwa! Amiina. Okwo kwe kwali okulonda kwa Katonda: Omuyudaaya omutono, ow'ennyindo ensongovu, omukambwe, ow'obusungu. Si Matiya oli, owa dokita mu by'eddiini (D.D)., omanyi, ye yali...Yali Pawulo. Katonda yalonda Pawulo; ekkanisa yo yalonda, yalonda Matiya. Mulaba? Tolina lukusa kugamba Katonda nti "mukyamu." Ye amanyi eky'okukola, Ye amanyi omusajja oyo ky'eyakolebwamu.

Ani yandiyinzizza...ekkanisa eyo yandironze Pawulo? Oh, nedda, tekisoboka. Bandigambye nti, "omusajja oyo y'abaddenga atuteeka mu kkomera."

Naye Katonda yagamba nti, "Nja kumulaga engeri gy'anabonaabona ku Lwange." Amanyi kiki.

Kale, si nsonga ani gwe tulowooza nti ye mutuufu, Katonda Y'amanyi ani asinga okugwanira kubanga Amanyi omutima gw'omuntu, Ye amanyi.

68 Newankubadde okudda obuggya, oba ebintu bino, tebituukawo mu kiseera kye tulowooza nti mwe biteekeddwa okutuukiramu. Tulowooza, "Ky'ekino ekiseera ekituufu kaakati, ekitiibwa kidde eri Katonda!" Nneetegereza mu Chapters zaffe era n'ebirala eza ba Business Men, "Wagenda kujjawo mbagirawo, aleruuya, okudda obuggya okw'amaanyi!"

Tolimbibwa, "Yajja dda, era baamukola ekyo ekyali kisembayo." Mulaba? Naye balowooza nti waliwo okudda obuggya. Kuli mukutuukawo? Nedda! Kwaggwa, era kufu, kwaggwaawo. Uh-huh. Mwetegereze, kino kiseera kya kuzigula ttaala, kufuluma wabweru era n'okuyingira munda. "Naye abo abalindirira Mukama balizzibwamu buggya amaanyi gaabwe."

69 Mwetegereze wano we twasomye, weetegereze Dawudi, Kabaka wa Isiraeri, yeeyali afunye okwolesebwa okw'okukomyawo essanduuko ya Katonda ekomewo mu kifo kyayo; nti, baali tebaagyebuuzangako mu nnaku za Sawulo kubanga Sawulo yali yaddirira. N'olwekyo tebeebuuza ku ssaanduuko yadde, ey'endagaano, mu nnaku za Sawulo, kubanga yali yaddirira era n'ava ku Katonda. n'olwekyo Dawudi, mu bwangu, n'okuluŋŋamizibwa...Kaakati mwetegereze kino, kitundu kya bulabe nnyo bw'otakitegeera bulungi. Era mpulira nti essaawa ejja we tuteekeddwa okubeera abasajja so si abaana. Uh-huh. Tulina kubeera na nnyama ngumu mu kifo ky'amata.

70 Mwetegereze Dawudi, Kabaka wa Isiraeri, Kabaka yali yaakafukibwako amafuta g'obwakabaka; oba Kabaka alondeddwa, Sawulo...Samwiri yamufukako amafuta ku lw'okwagala kwa Katonda; era mu mazima ye yali kabaka alondeddwa Katonda, tekiriiko kubuusabuusa. Era wuuno wano, okuluŋŋamizibwa ne kumutomera. Dawudi kyamubikkulirwa. Yafuna okubikkulirwa, tewaliiwo muntu mulala eyali alina ky'akyogeddeko. "Leka tugende tunone essaanduuko, kubanga okwo kwe kwagala kwa Katonda nti tubeere n'essaanduuko eyo wano naffe, nti twebuuze ku Katonda okuyita mu ssaanduuko eno." Kintu kya buvumu nnyo, nnyo. Temukirowooza kityo mmwe? Kale.

71 Mujjukire, naye, ye okubeera kabaka, ate era n'afuna okubikkulirwa, yasukkuluma we yali alina okukoma. Waliwo nnabbi mu ggwanga eyali ayitibwa Nasani, oyo ye yali yayawulibwa okufuna

okubikkulirwa. Awo waliwo ekintu kyonna eky'okwogerwako, yagamba nti, "Mukama tabeerako ky'Akola okuggyako ng'Amaze okukibikkulira abaweereza Be bannabbi." Wabula, mulaba, Dawudi olw'okubeera kabaka, ng'aliko amafuta...kaakati, ekyo ky'Ekyawandiikibwa? Ng'aliko amafuta, era n'afuna okubikkulirwa okutuufu; naye kyali kikyamu. Kubanga Nasani ye yali nnabbi w'omulembe ogwo, era okubikkulirwa tekwajja eri Nasani, era okubikkulirwa bwe kwajja eri Dawudi teyeebuuza yadde ku Nasani ebikukwatako. Ye yagenda mu maaso era n'akola kye yali ayagala okukola. Uh-huh.

72 Naye mwetegereze ani Dawudi gwe yeebuuzaako wano mu ssuula eye 13, "Naye ne yeebuuza ku baami b'enkumi n'ab'ebikumi," yaddayo eri ekibiina kye. Mulaba? "Kaakati, temulowooza nti twandikoze...?" ekyo si ky'ekyo. Kaakati yali agezaako kuweereza Katonda, naye yali tayawuliddwa kukikola; mulaba, kubanga Katonda yalina engeri.

Ky'ekimu nga Katonda bwe yali asobola okwogera ne kabaka ebikwata ku kizimba kye era n'okuwona, naye Ye teyakikola, Yali ataddewo engeri y'okukikolamu, eyo nga ye yali nnabbi We. N'olwekyo Yayogera ne nnabbi, Isaaya, n'amugamba addeyo abuulire Keezeekiya ekijja okutuukawo.

Kaakati, Keezeekiya yali ayogera maaso ku maaso ne Katonda, era Katonda yali asobola okwogera ne Keezeekiya, mu mazima, naye yateekawo emikutu egimu! Mu kitegeera? Katonda alina enkola ye gye yateekawo gy'akolamu ebintu bye: okutuma okudda obuggya, okwogera, kunyumya, kyonna kye kiri. Ye alina engeri Ye ey'okukikolamu, era ffe tetulina kye tuli okumubuulira Ye engeri ey'okukikolamu. Akikola mu ngeri emusanyusa ey'okukikolamu.

73 N'olwekyo, mukiraba, Dawudi, olw'okuluŋŋamizibwa...kaakati, mujjukira nnagambye nti, amafuta, amafuta ag'obulimba? Mujjukire nti Omwoyo Omutukuvu asobola okujja n'afuka amafuta ku muntu, naye ate nga kikyali wabweru w'okwagala kwa Katonda. Wano, kikakasibwa nti kituufu. Mulaba? Tulina okuyita mu ngeri ya Katonda ey'okukikolamu, si mu ngeri zaffe, engeri ya Katonda ey'okukikolamu. Kubanga, Dawudi, olw'okubeera kabaka, afukiddwaako amafuta n'Omwoyo wa Katonda ng'amuliko (ekifaananyi kya Yesu Kristo), naye ogwo sigwe gwali omukutu gwa Katonda.

Era ekibiina kyonna, "ekyo, kyabasanyusa," Baibuli bw'egambye. Mwetegereze, abaami ab'enkumi era n'ab'ebikumi, ne bakabona era ba n'abakugu mu magezi g'eddiini baalowooza nti ekyo kyali "kya kitalo." Gaago amasomero gammwe aga Baibuli era n'ebirala byonna, balowooza nti kyali "kya kitalo." Era n'abantu bonna bakkiriziganya, era ne bakabona, era-era n'abalala bonna bakkiriziganya nti amafuta ga Kabaka gaali matuufu. Mwetegereze! Naye Katonda yali teyasuubiza kubabikkulira Kigambo Kye mu biro byakyo. Katonda yalina engeri Ye ey'okubikkula Ekigambo Kye, naye si eri bbo. Mujjukire, kyali kikontana ne Katonda.

74 Ekintu nga mu nnaku za Mikaaya mutabani wa Imula. Mujjukira olugero olwo? Yuda ne Isiraeri beeyawulamu era baalina obwakabaka bwa mirundi ebiri, era Akabu ye yali kabaka w'obwakaba obumu. Ne Yekosofaati ye yali kabaka-w'obwakabaka Juda, nzikkiriza bwe kyali; era Akabu yali afuga Isiraeri, Yerusaalemi.

Mwetegereze, awo ne wabeerawo ekibinja ky'abagwira abajja era ne batwala ekitundu ku nsi Katonda gye yagabira Isiraeri, era Abafirisuuti bano wangulu eno, oba Abasuuli, baali bawambye ensi yaabwe era nga baliisa abaana baabwe okuva mu ebyo ebiva mu ttaka lya Isiraeri. Era nabo nga baali beetaaga ensi eyo okuliisa abaana baabwe era n'abennyumba zaabwe. Katonda yagibagabira...eryo lyali ddembe lyabwe eribaweereddwa Katonda.

75 Era awo Akabu n'ayita Yekosofaati, era n'amugamba nti, "Jangu wammanga eno." Yagamba nti, "Labayo wali omulabe waffe ky'akola. Kituufu nti ffe, abantu ba Katonda, nga tulina eddembe eryatuweebwa Katonda nti tulina okubeera n'ensi eno, yaffe; Katonda okuyita mu nnabbi We, Yoswa, yagabanyamu ensi eno; erina kubeera yaffe, yaffe, n'eri abaana baffe, kati labayo ba nnakalyako ani bagitutte?, Era ffe tulina...Enjala etuluma nnyo, kyokka bali be balina eddembe lyaffe eryatuweebwa Katonda. tolowooza nti twandiyambuse wangulu eyo era ne tweddiza ensi yaffe? Singa onaagattako amagye go: singa mmwe Abamesodisiti, era n'Abapulesibataliya, era n'Abaluther, era n'abalala bonna, mmwena mujje mu kakiiko akagatta enzikiriza wano kaakati, ffenna tujja kutuula wamu, era ekintu tukitwale." (kale nno mbagamba era ndi mu kwogerera mu lugero.) "Tujja kugenda tugitwale."

"Lwaki," yagamba nti, "ddala, fenna tuli omu." Uh-huh.

Kaakati, Baibuli yagamba nti, "Ababiri bayinza batya okutambulira awamu okuggyako nga bakkiriziganyizza?" Mulaba?

Eyo awaali omusajja oyo ow'amaanyi, omusajja oyo ow'amaanyi omupentekooti, Yekosofaati, beetabulatabula n'ekibiina ekikyamu. Era ekyo kye kyatuuka ku Bapentekooti baffe olwa leero. Waliyo abasajja abannamaddala munda eyo, naye beetabuddetabudde mu ekyo ekibinja ky'ekibiina ky'eddiini. Mufulume mu kintu ekyo! Mukama ya kikolimira!

76 Kaakati mwetegereze! Ye yali awo, era n'agamba nti, "Yee, ekyo kiwulikika nga ekirimu amagezi."

N'agamba nti, "Amagaali gaffe ge gammwe; abantu baffe. Ndaba, fenna tuli Bayudaaya. Mazima, tujja kwambuka nammwe." Naye mu Yekosofaati mwali musigaddemu kko ku ddiini emala okugamba nti, "Temulowooza nti twandisoose kwebuuza ku Mukama?" Mulaba? "Ndowooza kyandibadde kirowoozo kirungi."

Lwaki, Akabu, "Era mazima." Yagamba nti, "Lwaki, oh, mazima, nnandibadde ekyo nkirowoozezzaako."

"Kale, waliwo omusajja wa Katonda yenna wano awantu awamu? Mulina nnabbi?"

"Ah, mbalina ebikumi bina. Nnina akakiiko kalamba wammanga eno, ekibiina ky'eddiini kyonna. Bannabbi Abaebbulaniya."

77 Kaakati mujjukire nti, Baibuli yagambye nti baali *"bannabbi,* bannabbi Abaebbulaniya," tebaali bannabbi b'abakafiiri, bannabbi Abaebbulaniya; essomero ddamba, Seminaaliyo y'amagezi g'eddiini.

"Kale, mubaleete wangulu eno!"

Era bakabaka ne bayambala bulungi nnyo ne batuula mu maaso ge okusanyusa nnabbi. Era wuuno ajja, nzikiriza nti yali Zeddekiya ye yajja, omwami omukulu ow'amaanyi ow'akakiiko k'abasajja akafuga ekitundu, oba kyonna kye yali, n'avaayo n'ajja okubavaamu. Yeekolera amayembe amanene abbiri, n'agamba nti, "Mpulidde okuva eri Katonda. BWATI BW'AYOGERA MUKAMA, 'wamu n'amayembe gano ojja kusindika Abasuuli okutuuka okubafulumya ensi.'"

"Oh ekitiibwa!" buli omu yalowooza nti ekyo kyali kya kitalo, kirungi.

78 Mulabe engeri gye kituuse okumpi ennyo ku mugo ggw'ejjirita kaakati, wakati w'ekituufu era n'ekikyamu. Era mujjukire nti kijja kugwa ku ludda luno oba olulala, okutuusa bwe kinajja wansi olunaku lumu ng'egirita ensongovu wakati w'enjawulo y'ekituufu era n'ekikyamu. Kirina okubeera buli Kigambo kya Katonda; si kumpi buli Kigambo kyonna, naye buli Kigambo! Era kituuse wansi olwa leero, si eri Abaluther, si eri Abamesodisiti si eri Abapentekooti, naye eri omulembe ogwo oguli ku ntikko, mu mulembe guno awo amafuta g'omulabe wa Kristo nga gatuukiridde nnyo, nti gasobola n'okulimba Omulonde yennyini, bajja kugwa ku ludda olukyamu singa tebeegendereza, ng'ekitundu ky'embazzi. Mutunule! Mubeere beegendereza! Tetuli mu mulembe gwa Pentekooti kaakati. Omulembe ogwo twaguyitako, mu ngeri y'emu era nga bwe twayita ku mulembe gw'Abaluther, era ne tuyita...mulaba?

79 Mwetegereze. Kaakati bannabbi bonna baalagula, bonna ebikumi bina, nga balisibwa bulungi, bali mu mbeera nnungi, bannabbi Abaebbulaniya baabawa obujulizi, mu mwoyo omu, "BW'ATI BW'AYOGERA MUKAMA, 'Mwambuke wangulu, Mukama ali wamu nammwe.'"

Yekosofaati n'agamba nti, "Kale, ekyo-ekyo kiwulikika bulungi. Naye," n'agamba nti, "mulinayo omulala?"

"Omulala? Tulina ekibiina ky'eddiini kyonna wano, tulina ab'akakiiko bonna bakuŋŋaanye wano. Lwaki ate twetaaga omulala?"

Yagamba nti, "Ah, wabula mbadde ndowooza oba oli awo wakyaliyo omulala."

N'agamba nti, "Oh, yee, wakyaliyo omulala, naye ye si na kitundu ku kakiiko kano." Uh-huh. "Oyo yagobebwa. Ye Mikaaya, mutabani wa Imula, ate mmukyawa." Mulaba? N'agamaba nti, "Tebajja kumwaniriza mu kibiina kyaffe, ate n'ekisooka muntu wabulijjo ey'agobebwa. Era ye buli kiseera, buli ky'alagula kyonna, tazzaamu maanyi Seminaaliyo yange wadde." Uh-huh. "Era akola ebintu bino byonna ebibi, buli kiseera ye andagulako bubi, okubeera obubeezi ow'enjawulo kyokka."

"Oh," Yekosofaati n'agamba nti, "kabaka aleke kwogera kintu ekiringa ekyo. Naye nnandiyagadde okuwulira kiki omusajja ono ky'agenda okwogera."

80 N'agamba nti, "Kale, tujja kumuzuula." Bwe kityo ne babaako omusajja gwe batuma mu ddungu awantu awamu.

N'agamba nti, yamugamba, n'agamba nti, "Kaakati, mu kkubo lyo ng'okomawo, nnina kye njagala okukugamba. Oyagala okukomawo mu kibiina ky'eddiini nate?" Mulaba? "Oyagala okudamu okussa ekimu n'abo bonna nate? Bw'oba oyagala, yogera ekintu kye kimu omukulu w'eddiini mu kitundu ky'ayogera, yogera ekintu kye kimu bisopu ky'ayogera, era bajja kukukomyawo mbagirawo. Kaakati ky'ekiseera okukikola ekyo."

Naye osobola okuteebereza nnabbi wa Katonda ow'amazima afukiddwaako amafuta, okwekkiriranya ku Kigambo ekimu ekya Katonda? tekisobokera ddala!

Yagamba nti, "Nga Mukama bw'Ali omulamu, nja kwogera ekyo kyokka Katonda ky'Ayogera!" twetaaga mutabani wa Imula. "Nga Mukama bw'Ali omulamu, nja kwogera ekyo kyokka ky'Ayogera." Ekyo kituufu, "Ekyo ky'Ayogera."

81 N'olwekyo awo bwe baatukayo wammanga eyo mu maaso g'abantu, bannabbi bonna, ne bagamba nti, "Kale nno, ogamba nti ba..."

N'agamba nti, "Mulinde, mumpeeyo ekiro kya leero, ndabe kiki Mukama ky'Agenda okwogera." Bwe kityo ekiro ekyo, Mukama n'amulabikira mu kwolesebwa era n'amugamba eky'okwogera.

Amakya agaddako yagamba nti, "Kiki ky'ogamba, Imula?" nga bonna bayimiridde wabweru....ntegeeza "Mikaaya, mutabani wa Imula," n'agamba nti "kiki ky'ogamba kaakati? Fenna tuli wano wamu, bakabona baffe bonna, era ne bannabbi bonna, era ne bakabaka bonna, n'abalala bonna nga batudde wamu. Kiki ky'ogamba kaakano eri akakiiko kano akakulu?"

N'agamba nti, "Mwambuke wangulu," n'agamba nti "naye ndabye Isiraeri ng'esaasaanye ng'endiga ezitalina musumba."

Era Akabu n'agamba nti, "Kiki kye nnabagambye! Kyewaggula oyo asobola kulagula bubi bwokka gyendi!"

Yandiyogedde atya ekintu ekirala ng'ate Katonda ayogera ekintu kye kimu? Nnabbi ateekeddwa kubeera kamwa ka Katonda nga koogera, si birowoozo bye ye. Ebibye...Mukiraba, nga ye... yenna nga yeewaddeyo eri Katonda, talina gw'ayagala kulumya yenna, naye alina okwogera ekyo Katonda ky'agambye, kubanga ye takirinaako buyinza ye mwennyini. Mulaba?

82 N'agamba nti, 'kale nno, ssaabagambye?"

Awo omusajja omunene n'avaayo ng'alina ejjembe, era n'amupacca oluyi ku mumwa, n'agamba nti, "Omwoyo wa Katonda akutte kkubo ki bw'anvuddemu?" mu ngeri endala, leka ekyo ngezeeko okukikumenyeramu, "Tunula wano...tunula wano, nnina kye njagala okukubuulira, Mikaaya. Okimanyi nti ndi mukugu mu byawandiikibwa? Okimanyi nti nnina amafuta?" Oba, "Okubatiza," tusobola okukyogera olwa leero. "Okimanyi nti nnina okukkiriza?"

Imula n'agamba nti, "Nze ekyo sikibuusabuusa."

Yagamba nti, "Naye wuliriza!" Omwoyo wa Katonda aŋŋambye, era awa obujulizi na bano ebikumi ebina abali wano, nti 'tugenda kusindiikiriza Abasuuli okuva mu nsi.' Era gwe ani okujja wano era ogambe nti kabaka waffe ow'amaanyi agenda kuttibwa?" N'agamba nti, "Omwoyo wa Katonda yaŋŋambye ekyo."

83 Leka nkibamenyeremenyere musobole okukitegeera. Era oba oli awo tulaba Mikaaya ng'agamba nti, "Ekiro kya jjo mu kwolesebwa, ssebo, Nnalabye Katonda ng'atudde ku Ntebe y'obwa Kabaka. Era ne ndabba eggye ly'Eggulu lyonna nga likuŋŋaanye okumwetooloola, uh-huh, era baabadde balina akakiiko mu Ggulu. Ne bagamba nti, ani gwe tuyinza okufuna atugendere wansi era alimbe Akabu? Kubanga wano wansi w'Entebe ey'obwa Kabaka waliwo nnabbi, nnabbi omutuufu, erinnya lye ye Eriya. Era alagudde n'Ekigambo kyange era n'agamba nti "Akabu oyo omubi, kubanga yatemula Nabosi, embwa zijja kukomba omusaayi gw'omusajja oyo omubi," era Ekyo tuteekeddwa okukituukiriza kubanga kyayogerwa dda, kiri BW'ATYO BW'AYOGERA MUKAMA! Kirina okutuukirira, kirina okubeerawo. Era tugenda kukikola tutya?"

84 "Olwo okuva wansi eyo mu nsi y'abaabula, wansi eyo wala munda ne wava omwoyo nga gujja waggulu, n'egugamba nti, 'ndi mulimba, era singa nsobola okubeerako kye nkukolera Ggwe, nja kukkirira eyo wansi era nnyingire mu nnabbi we.'" Kubanga baali beeteeseteese nnyo, bajja kutegeera ekintu kimu kyokka, ekyo kwe kukyamuukiriramu okutono. "'Era nja kubaleetera okulagula obulimba. Era nja kuleetera Akabu okuwuliriza abo abantu ab'ebitiibwa mu kifo kya nnabbi Wo owa ddala; kubanga ye ajja kwekkaanya ebintu byonna by'ayogera n'Ekigambo Kyo, ajja kwekkaanya okwolesbwa *kwe* okuyita mu Kigambo, ajja kwekkaanya buli kintu kyonna ky'akola n'Ekigambo, era bwe kibeera nga tekiri wamu n'Ekigambo tajja kukiwuliriza. Naye bwe kiba... Nsobola okulimba bano abalala, era Nja...ba...Akabu alina obuvumu bungi nnyo mu obwo obumu obw'amaanyi obw'awamu obw'okwekuuma kwabwe, n'olwekyo bakuŋŋaana wamu bonna era ne babeera bumu. Era nja kuleetera Akabu okubawuliriza, bagende wabweru eyo. Era bwe tutyo bwe tujja okukikolamu.'"

"Katonda n'agamba nti, 'Osobola okukikola, oli mulimba owaddala; kaakati gwe gendayo wansi eyo."

85 Era awo Zeddeekiya n'amupacca oluyi ku mumwa, n'agamba nti, "obadde owabadde wa...?

N'agamba nti, "Ojja kukitegeera ng'otudde mu kkomera ery'omunda."

N'agamba nti, "Yambuka!" Zeddekiya n'agamba Kabaka. N'agamba nti, "Mwambuke wangulu era mukomewo mu mirembe!"

Akabu n'agamba nti, "Mutwale omusajja oyo mumuteeke mu kkomera. Mumuteekeko empingu, mumuwe emmere ey'ennaku n'amazzi ag'ennaku. Era bwe nnaaba nkomyewo n'obuwanguzi bwange okuva wabweru eno, ekyo ba nnabbi bange kye baŋŋambye nti 'okudda obuggya kuno ndi mukakafu kuteekeddwa okubeerawo,'" n'agamba nti, "Nja oyo nja kumukomerawo!"

Wuliriza ebigambo bya Mikaaya ebyasembayo eri omusajja oyo: "Singa omala n'okomawo, n'akatono, awo Katonda nga teyayogedde nange." Amiina.

Mulaba, Katonda alina engeri gy'akolamu ebintu Bye. Abasajja bano baalowooza nti baali baweereza Katonda. Mwegendereze! Si nneewulira, si kukyamuukirira, si kuteebereza, naye kiteekeddwa okubeera "BW'ATI BW'A YOGERA MUKAMA," kiteekeddwa okubeera ekituufu. Kituufu, si nsonga... ebintu bino tubisanga nga biri bwe bityo.

86 Weetegereze kaakati Dawudi bwe yali akoze okulangirira kuno okw'amaanyi, era ky'alabikanga ekirungi, ekintu ekirungi okukola. Awo tukiraba nti... (mbakooya? Ndi kikeerezi nnyo okubeera n'ekirala?) Baali bakoze okulangirila kuno okw'amaanyi, teyeebuza ku nnabbi.

Kaakati, muntu yenna amanyi Amosi 3:7 egamba nti Katonda yasuubiza nti Talibaako kintu ky'Ajja kukola okuggyako ng'Asoose okukibikkulira ba nnabbi Be. Okuyita mu mirembe gy'amakanisa tubadde n'abaddaabuluzi; naye kyasuubizibwa Malaki 4 nti wajja kubeerawo nnabbi ku nsi mu nnaku ez'oluvanyuma (kubanga kirina okugya mu nkola eyo, mulaba) nga ebiseera by'enkomerero tebinajja.

87 Yesu bwe yali tanajja, Eriya yasooka n'ajja, Eriya wa Malaki 3. Matayo 11 egamba bw'etyo, "Bwe muba musobola okukitegeera, ono y'oyo eyayogerwako, 'Laba ntuma Omubaka Wange mu maaso gange.'" Kaakati, yalagulwa, abakugu mu magezi g'eddiiini bonna bakikkiriza ekyo; nti, mu nnaku ez'oluvanyuma, Omwoyo wa Eriya naye ajja kujja, naye. Alina okujja emirundi etaano, Katonda akozesa Omwoyo

Naye Dawudi, wansi w'amafuta ge...

101 Muganda wange, kino tokisubwa. Era ne bannyinaze, mmwe abakazi abaagala okubuulira enjiri era n'ebirala byonna, kino temukisubwa. Si songa amafuta go mangi kwenkanawa, olina okubeera mu kifo kya Katonda ky'Ataddewo. Amafuta ga Dawudi tegaaliko buzibu, naye mu kukikola yakyamuka nnyo era n'asukka we yandikomye. Kiki kye yakola? Yabuuka ensalosalo. Mu kifo ky'okuteeka essaanduuko mu kifo kyayo ekyasooka, yagitwalira ku kigaali ekiggya wabula si ku mitima gy'Abaleevi. Yali eteekeddwa kusitulibwa ku bibegaabega by'Abaleevi, ekiri awo nga waggulu w'omutima. Ekigambo tekiri mu ndowooza, kiri mu mutima! “Si ku kigaali ekiggya.” Kyali kiki ekyo? Kyali kikiikirira ekintu ekipya, Dawudi kye yakola eyo, yayogera ku buli kibiina kya ddiini kyonna ekyali kibaddewo. Ekigambo kya Katonda tekirina kubeera nga kyetikkibwa bakulembeze ba ddiini mu ggwanga oba ba bisopu, era n'abalala, eb'ebibiina by'amaddiini. Kiri kubatizibwa na Mwoyo Mutukuvu mu mutima gw'omuntu, wabula si mu mugendo gwa ddiini. Omwoyo Omutukuvu kya muwendo ky'okwagala kwa Katonda mu mitima gy'abasajja era n'abakazi okugonda. Mulaba?

102 Kyali ku bibegaabega by'abaweereza Be, abaweereza Be baali ba Leevi. Baagiteekanga ku kibegaabega kyabwe ekya kkono era ne batereka essaanduuko eyo bwe batyo, kubanga kyali ku mutima gwabwe. Baalina omugugu gw'Ekigambo ku mutima gwabwe. Amiina! Kaakati ggwe olina mugugu gwa

Ssaagala kufuuka mukolokosi, era leka Katonda annyambe kaakati. Nkubuulira Mazima.

103 Kaakati, kisikiriziddwa ebikwate n'obukiiko obufuga amadiini (Ecumenical councils) Ekigambo, Ekigambo ekituufu eky'ebiseera by'omulembe ogwo kyagaanibwa, kubanga baalina okukyamuukirira kungi nnyo. Naye Dawudi, Kabaka eyafukibwako amafuta...Yali kabaka, naye yali *kabaka* eyafukibwako amafuta. Ogamba nti, "Nze ndi muweereza, aliko amafuta." Olwo nno sigala nga oli muweereza, togezaako kubeera nnabbi. Mulaba? Bw'oba oli mubuulizi wa njiri, sigala nga oli mubuulizi wa njiri.

Jjukira Uzziya, mu nnaku za Isaaya, kabaka omuto...nnabbi omuto. Uzziya yali musajja w'amaanyi, omusajja eyafukibwako amafuta, Katonda yamuwa omukisa; yalina omukisa. Weewaawo, nnabuulirako kw'ekyo wano omulundi gumu. Era olunaku lumu yeeyimusa nnyo okutuusa bwe yalowooza nti asobola okutwala woofiisi ya kabona, era n'atwala omuliro era n'ayingira munda maaso ga Mukama. Era...Abo bakabona ne bamugamba, "Tokikola ekyo, Uzziya!" Naye ye ne yeegulumiza. Nnabbi yali talina ky'asobola kumugamba. Bakabona baali bamanyi ekifo kyabwe, baali bakuuma ekifo kyabwe, n'agamba nti, "Ekyo si ky'ekifo kyo, Uzziya. Tokikola, ekyo!"

104 Kale, yabaleetera "Okubunira!" era n'agenda ne-n'omuliro, munda okuwaayo, n'atwala omulimu gwa kabona; yali yafukibwako amafuta okubeera kabaka, si kabona. Era Bakabona abo baali bagezaako okumugamba, "Oli kabaka wa kitalo, wafukibwako amafuta, Katonda kirungi atuwadde omukisa okuyita mu ggwe. Naye ggwe oli kabaka, si Kabona."

Ate mmwe abasumba temubuuliranga nnabbi ky'ateekeddwa kukola, oba mmwe ababuulizi b'enjiri okubuulira omusumba. Mulaba, buli muntu alina woofiisi ye singa abeera agye kkaanyizza obulungi.

kaakati awo n'ayingira munda n'omuliro, era n'akubibwa n'ekigenge n'afa.

105 Kaakati wuuno Dawudi, kabaka. Dawudi agezaako okukola ekintu kye kimu wano. Akyetaddeko. "Kale, ekyo kirungi, tulina okugenda." Yatunuulira abantu okubeetoolooza amaaso, "Kiki ky'ogamba, omukulu w'enkumi? Olinawo omutwalo."

Abakulu b'enkumi, ekibiina kyonna, "Ekitiibwa kidde eri Katonda!" ne bakuba mu ngalo era ne baleekaana, era ne bazina, ne babuuka waggulu ne wansi.

Baalina Omwoyo, naye olowooza Taata kiki kye yali alowooza? "Nga ntumye Nasani, nnabbi ali wammanga eyo! bamanyi eky'okukola, era ne Dawudi, naye kaakati yenna akyamuukiridde bukyamuukirizi n'abuuka ensalosalo ze n'agenda okukikola *kino*."

106 Kale, mwetegereze, "mugisitulire ku bibegaabega" ye yali enteekateeka ya Katonda eyasooka. Waliwo *ebiteekeddwa okukolebwa* bitaano. Njagala bino mu biwandiike, bwe muba...bwe muba nga muwandiika.

Era ziri eddakiika abiri, eddakiika nga abiri n'ekintu eziyise ku ssaawa ennya, n'olwekyo ŋŋenda kugezaako okumaliriza we zinaawerera ettaano, bwe kinaasoboka. Nja kwanguwa nnyo nga bwe nsobola.

128 Mwetegereze Malaki 4, okubikkulirwa 10, Envumbo Omusanvu. Baibuli teyagamba nti...kaakati mwetegereze! Waaliwo Malayika, Omubaka okuva waggulu; era n'omubaka okuva ku nsi. Era buli mubaka yali wa mulembe ogw'ekkanisa. N'agamba nti, "Mu nnaku... "ngayogera kaakati, "wajjawo Malayika, Omubaka" malayika ([angel] kigambo kya Lungereza ekitegeeza "omubaka")."...yajja wansi okuva mu Ggulu, era n'Ateeka ekigere Kye ku nsi era n'ennyanja, era n'Alayira ku lw'Oyo abeera omulamu emirembe n'emirembe nti ekiseera kiweddeyo." Ekyo kituufu? Ne musoke okwetooloola omutwe Ggwe, era n'ebintu bino byonna nga bigenda mu maaso. Malayika Oyo yali Kristo! Mu mazima! Naye kiki kye yayogera? "Naye mu nnaku eza malayika ow'omusanvu, omulembe gw'ekkanisa ogw'omusanvu."

129 Buli kiseera kibeera ku nkomerero y'omulembe gw'ekkanisa we baafunira ekintu... eby'amadiini nga bitabuddwatabuddwa okutuusa Katonda bw'Atuma omubaka, era obwo bwe bubeera Obubaka eri omulembe gw'ekkanisa ogwo. Awo ne batwala obubaka buno, kubanga yabeerangawo akaseera katono, era Katonda...awo ne batwala obubaka bwe mu kifo ky'okusigala nga babwongerayo n'ebirala byonna nga bwe buli, bakola e-ekibiina ky'eddiini. Olwo ne bajja ne bakola ekibiina ky'eddiini ekirala; omubaka omulala, ne batwala n'omulala.

Mwenna mwakiraba mu kitabo kyange, kyonna kijja kukibibwamu Emirembe gy'Amakanisa Omusanvu, ekyo kye Yaŋŋamba; ekyo kye nnyimirira nakyo ng'obujulizi eri Katonda okusalirwa omusango lunaku olw'Omusango. Kiva eri Katonda, si mu kulowooza kwange. Mwetegereze, wano. Nnalowooza-nnalowooza mu ngeri ey'enjawulo okuva ku ekyo, singa nnali ŋŋenda kubeera n'ebirowoozo byange byennyini. Ng'Ow'oluganda Jack bwe yaŋŋamba ku Malayika eyo awo, engeri nti, "Nti Kristo yali mubiri ogugulumiziddwa." Naye si bwe kyali, kyali kiraga Obubaka nga bwe buli obutuufu, obwa Katonda obusukkulumu, yali Katonda. Mulaba? Ekintu kyennyini kye nnali mbuulira okuva mu Kigambo.

130 Kaakati, mu bwangu kaakati, nga bwe tutegeka okumaliriza mu kiseera kitono.

Kale nno, Yagamba nti, "mu nnaku ez'Obubaka obwa malayika ow'omusanvu, malayika ow'oku nsi, mu mulembe ogw'omusanvu, awo ebyama bino byonna ebibadde bubuze okuyita mu mirembe gino gyonna emirala omukaaga egy'amakanisa biteekeddwa okubikkulibwa butereevu." Ba Malayika abo ky'ekyo kyennyini kye baayogera. Zino z'Envumbo Omusanvu, oba okubikkulibwa kw'ebyama bino. Era mmwe mugezeeko okukiteeka mu maaso g'ebibiina ebyo. Okukontana ne kye...ow'Oluganda, baggalawo nga ekyo ekitonde ky'omunnyanja ekibeera mu kisonko nga olukikoonako kyeggalirayo ddala munda obutaddamu kukirabako, naye bulijjo bakikoze. Naye by'ebiro!

Bameka abakimanyi nti guno gw'emulembe gw'ekkanisa ogw'omusanvu? Mugambe nti, "Amiina," [ekibiina n'ekigamba nti, "Amiina!" -Muk.] Omulembe gwa Lawodekiya, ogw'ekibuguumirize Katonda gwe yasesema okuva mu kamwa Ke. Era nabo ne basesema Katonda okumufulumya mu kamwa kaabwe; tewaliiyo mulembe mulala gwonna mu Baibuli Yesu gwe yasangibwa nga Ali wabweru ng'Ageezaako okukonkona, akomewo munda. Baamufulumya wabweru, tewaliiwo nkolagana. Yesu Yaani! Ye Kigambo! Ekigambo kyateekebwa wabweru. Ebisusunku byasuula eŋŋano ebweru! Yagamba nti, "Nnyimiridde ku luggi era nkonkona, era omuntu yenna ali eyo ku mpiingu wabweru eyo bw'anaawulira Eddoboozi Lyange." Ai Katonda, tukwatirwe ekisa!

131 Kyali ku olwo, omusajja oyo lwe yafa, nti Dawudi n'amafuta ge yalaba ekikyamu kye yali akoze. O

Dawudi, Musumba ggwe, tosobola kulaba biyiiye byo ebifu era n'ebibiina by'eddiini by'onywereddeko? Tosobola kulaba kiki kye kikola? Kiri mu kutta Uzziya. Mufu mu Mwoyo, era weewuunya lwaki tewaliiwo kudda buggya; okuleka abakazi bammwe basaleko enviiri zaabwe, beebbyule mu maaso, bambale empale ennyimpi; ne musindika abalenzi bammwe mu masomero agali ag'abayaaye, era n'ebirala bwe bityo, eyo ekitundu ku bo gye bava nga balya ebisiyaga, era n'ebirala.

132 Mwetegereze ebiruubirirwa bya Dawudi: ssaanduuko yali agireeta mu nnyumba ye yennyini. Awo si we waali ekibuga ekikulu, ekyo si kye kyali ekifo, yali erina kubeera mu Yerusaleemi. Naye Dawudi yali agireeta mu nnyumba ye yennyini, yali ayagala okudda obuggya kubeere mu kibiina kye eky'eddiini. "Oh, bw'oba oli wa Abassembly, tekirina buzibu. bw'oba oli wa Bumu, tekirina buzibu. Bw'obeera nga oli Mupentekooti, kirungi."

Ng'omuntu omu bwe yayogera, yagamba nti, "Ow'oluganda Branham, osobola otya okuleetera omuntu okukuwuliriza?" N'agamba nti ndaba Billy Graham, ebibiina by'eddiini byonna mu ggwanga biri naye. Ndaba Oral Roberts, buli Mupentekooti yenna abeera kumpi naye. Naye." n'agamba nti, "ggwe ekintu kyonna okontana nakyo." Uh-huh. N'agamba nti, "Osobola otya ddala mu nsi okubaako omuntu yenna gw'ofuna?"

Ne mmugamba nti, "Abeera Katonda!"

"Nze Mukama nnakisimba okuva nga n'emisingi gy'ensi teginnabaawo. Nja kukifukirira emisana n'ekiro okuggyako ng'ebimu babikudde okuva mu mukono Gwange," Isaaya. "Nze nja kukifukirira, Nze nnakisimba. Nnateeka amannya gaabwe mu Kitabo nga n'emisingi gy'ensi teginnabaawo, okuyita mu kuteekerwateekerwa. Nja kukifukirira, gwe sigala ng'ogenda mu maaso. Nja kugabirira amazzi, gwe gafukirire bufukirizi wabweru." Kituufu. Mulaba? "Nze nja kukifukirira emisana era n'ekiro okuggyako nga waliwo ekimu ku kyo ekisiguliddwa okuva mu mukono Gwange." Awo we muli.

133 Njagala ejje mu kibuga kya Dawudi, mu kifo kya Yerusaleemi. Eyo waali tewaliiyo kifo kyayo kitegeke mu kiseera ekyo, era bwe kityo bwe kiri n'olwa leero. Ebyama bino eby'amaanyi ebibikkuddwa okuyita mu Nvumbo Omusanvu, tebirina kifo kyonna mu kibiina ky'amadiini kyonna...mubeera mulina okuva ku by'okubeera ekibiina ky'eddiini okusobola okubitwala. Okuviira ddala ku Luther okuserengeta ku Bapentekooti ab'Obumu, tewaliiwo kifo kiyinza ku kisembeza. Newankubadde omuntu okusobola okukifuna ate era n'asigala mu kibiina kye eky'eddiini. Ajja kuba alina okugoberera eŋŋano oba agende n'ekisusunku, ekimu ku ebyo ky'abeera ayagadde okugoberera.

134 Kristo Y'Essaanduuko yaffe, Ekigambo. Bo baagala bibiina bya ddiini byabwe. Tasobola, weetegereze, tesobola kwetikkibwa ku bigaali biggya, Obubaka bwe tebusobola kugenda ku kigaali eky'ekibiina ky'eddiini ekiggya nga buteekeddwa kusitulibwa era bujje ku mutima gwa nnabbi. Tebusobola. Yakisuubiza, kijja kubeera bwe kityo, era eyo y'engeri gye kiteekeddwa okubeeramu.

N'olwekyo ekibiina ky'eddiini tekiribusembeza, oba bo okubusembeza. Bazibe ba maaso nnyo gye buli ng'Abayudaaya bwe baali nga batuga Yesu ku musalaba, awo Yesu bwe yagamba nti, "Kitange, basonyiwe, kubanga tebamanyi na kumanya kye bakola." Tobanyoma, naye lowooza bulowooza: watya singa naawe wali mu mbeera yeemu ng'amaaso go mazibe nnyo nti tosobola ku'6zuukuka kulaba kigenda mu maaso?

135 Newankubadde bo okusobola okulaba nti oyo ye Yali Katonda waabwe yennyini. Bwe Yali ng'aleebeetera waggulu ku musalaba, era nga bo bayimba Zabuli eya 22 mu Yeekaalu, mu buwanvu bwa yaadi ebikumi bibiri okuva awo we baali, "Katonda Wange, Katonda Wange lwaki, Ggwe onjabulidde? Baafumita ebigere Byange era n'Emikono gyange." Mulaba? "Amagumba gange gonna, gantunuulidde. Lwaki Ggwe onjabulidde?" Nze?" Era awo, nga Katonda yennyini oyo gwe baali bayimbako, nga bazibe ekimala okubeera nga bamukomeredde ku musaalaba, ne batakimanya.

Kaakati, Baibuli tegamba nti ekkanisa ya Lawodekiya, eyo erowooza nti y'amaanyi nnyo ku lwa ba memba baayo ab'ekibiina ky'eddiini, ejja kubeera "bwereere, nnakuwavu, njavu, nzibe ya maaso, kyokka nga tekimanyi"? *Obuzibe* butegeeza ki? *Obuzibe* eri ekkanisa ya Lawodekiya eno, kitegeeza nga bwe bwakola mu kukomekkereza ekkanisa y'Abayudaaya, bazibe eri Kristo yennyini oyo gwe baalina ku ngulu, ng'akonkona, ng'agezaako okuyingira; "bali bwereere, banaku, baavu, abasaasirwa, abazibe, kyokka nga tebakimanyinako." Ai Katonda tukwatirwe ekisa!

Waliwo Essaanduuko emu yokka, nga Ye Yesu Kristo, era Ye kye Kigambo!

137 Mwetegereze, Katonda Yagamba nnabbi, yamugamba nti, "Lya omuzingo," mu Ndagaano Enkadde. Nnabbi w'Endagaano Empya, Yamugamba nti, "Lya akatabo akatono." Lwaki? Nnabbi oyo era n'Ekigambo bajja kuba omu! Mulaba? Eyo y'Essaanduuko, Ekigambo kya Katonda.
