

Okusala omusango nga Musisi.

Ku ntandikwa ya Maaki, 1964, obuweereza bw'Ow'oluganda Branham bwatuuka n'okukankana ddala ensi. Ye n'abooluganda abalala abawerako baali bazzeemu okukung'aana okuyigga Javelina. Ekitundu ekyo kyali kitundu kye kimu eky'awamu bamalayika gye baali bakka era ekire we kyali kirabika. Ekitundu ekyo kyali kitundu kye kimu eky'awamu bamalayika gye baali bakka n'ekire yali alabiseeko. Olw'okujjukira ekintu ekyo omwaka gumu gwokka emabega, omuntu yandibadde asubira nti ebintu ebirala eby'enjawulo byandivudde mu kifo kino; naye ku lunaku luno nga Ow'oluganda Branham ne mukwano gwe ow'oku lusegere, Ow'oluganda Banks Wood, baddayo mu nkambi, tewaaliwo kabonero konna ka kintu kyonna ekitali kya bulijjo. Tukimanyi kati nti, mu kiseera ekyo kyennyini, megatoni z'amayinja ziteekwa okuba nga zagalamidde nga zeetegese okutambula munda mu byenda by'ensi.

Ow'oluganda Branham n'Ow'oluganda Wood bwe baali batambula ku lunaku olwo, amangu ago Omwoyo wa Mukama n'ayogera naye n'amugamba alonde ejjinja alisuule mu bbanga. Mu buwulize, yakola nga bwe baamugamba. Ejjinja bwe lyali likuba ensi, omuyaga ogw'amaanyi entono n'okuwuuma eyali ewunyiriza n'ekka nayo, n'ayogera bugambo nti, "*Bw'ati bw'ayogera Mukama.*" Yakyuka n'atunuulira Ow'oluganda Wood n'agamba nti "*Ggwe laba, wajja kubaawo ekintu ekigenda mu maaso. Olina okubaako ky'okola okuleeta ekintu okubaawo. Eno y'engeri ebintu gye bitandikibwamu.*"

Enkeera ekibiina ky'abayizzi kyali kitandise okumenya enkambi. Ab'ekibiina ky'abayigga baali beenyigira mu mirimu egy'enjawulo, gamba ng'okuteekateeka omuzannyo gwabwe, n'Ow'oluganda Branham, yali akakasa n'obwegendereza nti omuliro guzikidde. Amangu ago, yakyuka n'atunuulira Ow'oluganda Roy Roberson, eyali ayimiridde okumpi naye, n'amugamba mangu okutwala ekibikka.. Waliwo ekyali kinaatera okubaawo. Omu ku b'oluganda yali akuba ebifaananyi ebitambula eby'Ow'oluganda Branham mu kiseera ekyo era, nga kkamera ye eweddeko firimu, waggulu w'olusozi okuva mu bukiikakkono wajja omuyaga ogw'amaanyi okuwuuma era n'etuula waggulu ddala ku mutwe gwa nnabbi.

Amaanyi ag'amaanyi ag'omuyaga guno gaali manene nnyo ne gusala ekitundu ku bbugumu lino ne gusuula amayinja agaali gawera ekikonde ky'omusajja okumala yaadi ezisukka mu kikumi. Ng'okubwatuka, kyasala waggulu ku miti gya mesquite; eddobozi ly'obusungu bwayo lyajjula empewo. Mu butonde ab'oluganda abaali naye beekweka. Abamu beekukuma wansi wa loole oba ne bafubutuka wansi w'ebisaka, naye Ow'oluganda Branham yayimirira nga munywevu. Nabbi wa Katonda yayimirira mu byonna, ng'akutte enkoofiira mu ngalo, ng'atunudde waggulu wakati mu maanyi agaali gawulunguta. Bwe kyasituka ne kidda mu kkubo gye kyava, yazza enkoofiira ye ku mutwe n'ayogera mu bugendererevu nti, "*Katonda yayogera ne Yobu mu omuyaga ogw'amaanyi okuwuuma.*" Ng'agenda mu maaso n'alangirira amawulire ag'entiisa nti, "*Omusango gwa Katonda gujja kukuba ku lubalama lw'amaserengeta ga Amerika.*" Mazima ddala, omuyaga ogw'amaanyi okuwuuma ogwo gwali

guzze emabega mu ludda olw'obukiikakkono obw'amaserengeta, nga gwolekera olubalama olwo

Nga tetunnamanya bunene bw'omusango guno ogugenda okubaawo, ka tuddeyo emyaka mitono emabega nnabbi wa Katonda gye yasooka okwogera ku bintu ng'ebyo. (Tulina okujjukira nti Katonda asindika bannabbi okusalira omusango ku abo abatajja kuwuliriza, awamu n'okuzimba abo abaagala ennyo Ekigambo kya Katonda. Eri omu, ebigambo bya nnabbi bireeta obulamu; eri omulala baleeta okufa n'okuzikirizibwa.) Ow'oluganda Branham okwasooka okwogerwako ku musango gwa musisi gwali mu myaka gya 1950 mu kubuulira okwatumiddwa *"Enjiri Esukkulumye ku Butonde."* Ekigambo ekyo kyali kyangu, naye nga kizitowa, *"Ekibi kikuŋaanyiziddwa waggulu nnyo ne kiba nti olunaku lumu ennyanja ejja kukaaba ku kkubo lyayo mu ddungu."*

Omulundi ogw'okubiri okwogerwako ku katyabaga ka musisi akaali kagenda okugwa mu Amerika kwayogerwako mu kubuulira kwe *"Okujja kwa Kristo okw'okubiri,"* okwabuulirwa nga Apuli 17, 1957. Wano yagamba nti, *"Olunaku olulala mu Oakland, California, bwe yali enkizo yaffe okubeera eyo mu lukunjaana, era gwe gwali omulundi ogusoose mukyala wange okubeera mu musisi, nali ntudde mu dduuka ly'abasala enviiri ekisenge ne kikankana katono era leediyo n'elangirira mangu nti musisi agenda mu maaso. Yagamba nti baali banoonya endala mu ddakiika nga ttaano ne ndowooza nti, 'Ai Mukama, Watya singa y'esembayo.'" Mu kiseera ekyo abantu si bangi abaali bakitegeera nti nnabbi wa Katonda yali atuukiriza ebyawandiikibwa ng'ayogera ku musisi eyasembayo.*

Nga December 27, 1964, mu bubaka bwe *"Ogamba nti ono y'ani?"* yagamba nti *"Laba musisi abadde wano mu California. Nze ndagula nti, nga Mukama waffe Yesu tannajja, nti Katonda ajja kubbira ekifo ekyo. Nzikiriza nti Hollywood ne Los Angeles, n'ebifo ebyo ebicaafu eyo, nti Katonda Omuyinza w'Ebintu Byonna ajja kumubbira. Kijja kugenda wansi w'ennyanja."* Newankubadde bangi ku ffe twagoberera obubaka bwe ne tumukkiriza nti ye nnabbi wa Katonda eri omulembe guno, naye ne mu ssaawa eyo, tetwategeera kulagula kwa musango ku lubalama lw'amaserengeta ga Amerika.

Nga Apuli 29, 1965, akakwate akaddako mu lujegere lw'obunnabbi kaakolebwa ng'Ow'oluganda Branham abuulira mu Los Angeles yennyini. Ng'anaatera okubuulira obubaka bwe ku makya ago, mukwano gwange omulungi ennyo, Mwannyinaffe Florence Shakarian, yali yaakayimba oluyimba mu sitayiro ye etakoppa. Mwannyinaffe Florence yali mulwadde okumala ebbanga ddene era emyezi mitono emabega, Ow'oluganda Demos Shakarian yali asabye Ow'oluganda Branham okusabira mwannyina, eyali afa kookolo.

Mu kiseera ekyo Ow'oluganda Branham yali aweereddwa ekigambo okuva eri Mukama ekikwata ku Mwannyinaffe Florence. Yagamba Demosi nti tajja kufa mu kiseera ekyo, wabula nti yali agenda kufa nga Mukama tannajja. nti kyandibaddewo wakati w'essaawa 2 ne 3 ku makya agamu, era nti yali amulabye ng'agalamidde mu mbeera. Oluyimba lwa mwannyinaffe Florence ku makya ago lwalimu okufukibwako amafuta okw'enjawulo, kubanga yali asobola okuyimba ng'ejjiba. Oluyimba olwo lwali lwa mukisa gwa maanyi nnyo, era ekibiina kyakwatibwako nnyo. Ku nkomerero y'oluyimba lwe, Ow'oluganda Branham ng'atudde ku pulatifomu okumpi n'Ow'oluganda Carl Williams, yasikambula Ow'oluganda Carl n'agamba nti,

"Ekyo okiwulira?" Ow'oluganda Carl yamubuuza kye yali ategyeza, era Ow'oluganda Branham n'amuddamu nti, *"Atambula okulinyira amadaala ga zaabu, tomuwulira?"*

Mu kiseera kino nga kye kimu omusajja n'asituka era yaleeta obumu ku bubaka obwo obw'amaanyi, obuwunya omugongo mu nnimi obutera okuweebwa mu bibiina by'Abapentekooti. Kumpi wali owulira okufukibwako amafuta okuva mu bigambo omusajja ono bye yaleeta; kyayogerwa n'amaanyi bwe gatyo era n'obuyinza obw'engeri eyo. Amangu ddala okuvvunula kwava ku luuyi olulala olw'ekisenge: *"Ai muwala wa Sayuuni, totya, tofaayo, kubanga oliba mulamu okulaba okujja kwa Mukama."* Ow'oluganda Billy Paul, mu balabi ku lunaku olwo, yataataaganyizibwa nnyo, kubanga yali akimanyi nti obubaka buno bwakontana n'ebyo Ow'oluganda Branham bye yali afunye okuva eri Mukama. Obubaka bwali buzze n'amaanyi n'okufukibwako amafuta bwe bityo; naye yali akimanyi nti Malayika wa Mukama yali talemererwako Ow'oluganda Branham.

Tewali kunnyonnyola kwali kugenda kujja mu kiseera kino era Ow'oluganda Branham yagenda mu maaso n'okutuusa obubaka bwe *"Okweroboza Omugole."* Akakwate ak'obunnabbi akaddako kajingirira nga bwe yagamba abantu b'e Los Angeles,

Okwo okulabula si kwa muzannyo. Tetumanyi budde ki, era naawe tomanyi kiseera ki, ekibuga kino lugenda kuba lumu kibe nga kigalamidde wansi ku ntobo y'erijanja lino.

"Ayi Kaperenawumu," Yesu bwe Yagamba, "ggwe eyagulumira okutuuka mu bbanga, oja kukkakkanyizibwa wansi mu magombe. Kubanga, singa emirimu egy'amaanyi gyali gyakolebwa mu Sodomu ne mu Gomola, kyandibadde kikyayimiridde n'olwa leero." Ate nga Sodomu, ne Gomola biri wansi ku ntobo ya Nnyanja Enfu. Ne Kaperenawumu kiri ku ntobo ya nnyanja.

Ggwe ekibuga, ekyeyita mbu kibuga kya Bamalayika, ggwe eyeegulumizza n'otumbiira mu bbanga, n'osaasaanya ebikyafu byonna, ebintu eby'obuseegu eby'emisono n'ebirala, n'ensi endala ne zituuka okujja wano ewaffe ziryoke zifune wano obuseegu nga zibutwala mu bitundu ebirala, mu makanisa gammwe ne zi lutikko, n'ebirala, nga bwe mukola. Jjukira, luliba lumu oligalamira ku ntobo y'erijanja, n'endabika yo gye baakuwundamu nga ye ntobo yo.

Ggwe kisassalala wansi wo ddala, ekiruyi kya Katonda kivululira wansi wo wennyini. Alituusa wa okuwanyirira ekikono ky'omusenya n'ebiyazi ebirengejja eyo? Eriyanja, erudda eri, mmayiro nnamba okukka wansi, bwe lirikulugguka ne liyikamu, ne likwatagana n'Eriyanja Salton. Kiriba kibi nnyo okusinga olunaku Pompeii lwe yafa. Los Angeles, weenenye.

Mweenenye, mmwenna abasigadde, mukyuke mudde eri Katonda. Ekiseera ky'ekiruyi kye kituuse ku maaso g'ensi. Dduka nga wakyaliwo akaseera k'okudduka, oyingire mu Kristo. Ka tusabe.

Kino kye kiseera ekinene eri ffe abaali bakkiriza nti Ow'oluganda Branham yali nnabbi wa

Katonda ng'alina omwoyo gwa Eriya, okutegeera bwe kwatubuna nti obutambi bwe twali tuwulidde, ebitabo bye twali tusomye, ne bye twali tuwulidde omusajja ono omukulu owa Katonda ng'ayogera, byonna byali bisonga ku bunnabbi obw'amaanyi obw'okuzikirira eri olubalama lw'amaserengeta. Kati twakitegeera nti yali alagula. Olw'okuba tumumanyi nti nnabbi w'Ekigambo, twakimanya nti talina ky'ayogera okuggyako nga kisangibwa mu Byawandiikibwa. Kati twatandika okussaayo omwoyo.

Nga August 22, 1965, Ow'oluganda Branham bwe yali ayogera ku lubalama lw'ennyanja okutuuka ku lubalama lw'ennyanja, ku nsalo ku nsalo, ng'akwatagana n'essimu, mu kubuulira kwe "Akasengejja K'omuntu Alowooza" yalangirira bulungi ensala ku Amerika:

Omwoyo Omutukuvu ali mu mutima gwange ekiro kino akaaba,

"Lawodikiya enzibe y'amaaso! Katonda mirundi emeka gy'akuwadde okudda obuggya! Naye kaakati ekiseera kyo kituuse; kiri kikeerezi nnyo kaakati. Nga waseka era ne n'ojerega abantu Katonda beyakutumira! Naye kaakati ekiseera kyo kituuse. Oh, Amerika, Amerika, nga Katonda akumaamidde ng'enkoko bw'emaamira obwana bwayo, naye n'ogaana." Kaakati eddoozi lino ligenda lubalama ku lubalama, okuva mu mambuka okutuusa mu maserengeta, okuva ebuwanjuba okutuusa ebugwanjuba. Nga Katonda yandikumaamidde, naye tewasobola! Kaakati ekiseera kiweddeko.

Amawanga gamenyeka. Ensi eri mu kusasika. Mayiro lukumi mu bitaano ez'ettaka, obugazi bwa mayiro enkumi ssatu oba enkumi nnya, zijja kubbira, kikumi... oba oli awo, mayiro ana okukkirira wansi mu luwonko olw'amaanyi wabweru eyo, olumu ku zino ennaku, era n'amayengo gajja kukubira ddala essaza lya Kentucky. Era bwe kinaabeerawo, kijja kunyenya nnyo ensi nti buli kintu kyonna ekiri waggulu waayo kijja kuggwa wansi.

Nga waliwo okufaanagana kw'ebigambo bya nnabbi wa Katonda ebikwata ku Amerika n'ebigambo bya Yesu bwe yagamba nti, "Ayi Yerusaalemi! Singa wali omanyi olunaku lw'okukyalira kwo lwokka..." Singa Amerika n'abantu abeeyita abantu ba Katonda, wadde nga bagamba nti babatizibwa Mwoyo Mutukuvu, ebirabo by'Omwoyo, okuwonyezebwa okw'obwakatonda baali bamaze okumanya olunaku lwabwe lwokka Katonda bwe yakyalira omulembe guno mu bulamu bwa nnabbi.

Omuyaga ogw'amaanyi okuwuuma "yakuba mu ngalo" emirundi esatu ku lunaku olwo mu Febwali 1964. Ensala eyaddamu yakuba ku Lwokutaano olutukuvu olw'omwaka ogwo mu ngeri ya musisi eyabulako katono okukutula olubalama lw'ennyanja okuva mu Alaska. Tewali muntu yenna eyalaba entiisa y'olunaku olwo oba okuva olwo eyeekenneenya ebiwandiiiko by'okuzikirizibwa n'okufiirwa obulamu, yali asobola kwerabira bwe kiri okulaba omukono gwa Katonda omuzito mu musango.

Omulundi ogwaddako musisi bwe yagwa, oluvannyuma lw'omwaka gumu, nga Apuli 29, 1965, nate ku Lwokutaano olutukuvu. Musisi ono teyabadde wa maanyi nnyo okusinga eyasooka, wadde kiri kityo, yatuuka ku 7.0 ku minzaani ya Richter. Yali wakati mu Puget Sound, mayiro kkumi na ttaano mu bukiikaddyo bwa Seattle, musisi yakola okufiirwa okutono

ennyo mu bintu n'obulamu, naye okusala omusango ogw'amaanyi kwali kwe kumu - significantly right down the western coast okuva ku kukuba okwasooka mu Alaska.

Nga July 18,1965, mu bubaka bwe obwatumiddwa "Okukola Katonda obuweereza nga tayagala" Ow'oluganda Branham yagamba nti, "Sisaba wadde Amerika. Agenda yeeyongera okugenda wala era agenda kubbira! Kumpi kimu kya kkumi eky'ensi kyetegefu okugwamu."

Lwaki nssaamu butereevu ebijuliziddwa okuva mu kubuulira kw'Ow'oluganda Branham yennyini? Kiva ku kuba nti njagala okulambulula ddala bye yayogera mu maaso g'ebintu bingi ebimuteekebwako bye teyayogera. Jjukira nti teyateekangako nnaku z'omwezi. Tagambangako ddi lwe kinaabaawo, okuggyako nga bwe yalagula nti kyandibaddewo nga Mukama tannajja.

Nga tubuulira nga Jjulaayi 25, 1965, "Abaafukibwako amafuta mu Kiseera eky'Enkomerero," n'agamba nti,

Naye Mukama waffe Yesu yatugamba, nti, ebintu bino kati bye tulaba bwe biritanula okubaawo, olwo muyimuse emitwe gyammwe kubanga okununulibwa kwammwe kuli kumpi. Kati, "Okuba okumpi" kye kitegeeza, sikimanyi. Kiyinza okutegeeza...

Nga bannasayansi bwe baagamba olunaku lwa luli, ku ttivi, nga boogera ku lwatika olw'amaanyi oluli mu nsi oluweza enkumi n'enkumi za mayiro obuwanvu olunaatera okubbira. Yabuuzibwa ekibuuzo, "Awo kiyinza okubbira... (ekyo ye Los Angeles, Olubalama lw'Ebugwanjuba)?" Era bangi ku mwe mwalaba engeri gye baalulondoolamu n'emmuliso (rader) era ne luyitiramu ddala... luyitiramu ddala wansi wa San Jose, ne luyitiramu ddala ne lugguka mu Alaska, ne lugguka nga luyitira mu Bizinga bya Aleutian, mayiro nga ebikumi bibiri okulaga eyo mu nnyanja, ate ne lwewetamu eyo wansi ne lusensera San Diego, ne lwetooloola emabega wa Los Angeles, ate ne lubbulukukira engulu eyo, ne lwekolamu ekisawosawo ekinnene.

Era musisi ono yenna gwe tufunye okuva eyo wansi mu mpompogoma z'ensozi eziwandula omuliro, nga, ebiri eyo. Siyinza na kujjukira linnya lye - lye bakiyita. Naye, bwe kinyeenya, kye kivaako musisi ono yenna gwe tubadde naye okumala emyaka ku Lubalama lw'Ebugwanjuba.

Kati kyatiseyatise kyonna okwetooloola. Era bannassaayansi baagamba, ekimu...

Ekiro ekyo, nga Jjulaayi 25, 1965, bwe yabuulira nti "Kiki ekisikiriza ku lusozi," yagamba nti, "Wuliriza nnyo. (Mu kiseera kino agenda mu Byawandiikibwa, ng'alaga nti ye nnabbi w'ekigambo, n'ajuliza Zaakaliya alaga okujja kwa Kristo mu nnaku ez'oluvannyuma.) Zekkaliya 14:4-5,

4 Era aliyimirira n'ebigere bye ku lunaku luli ku lusozi olwa Zeyituuni olwolekedde Yersaalemi ebuwanjuba, n'olusozi olwa Zeyituuni lulyatika wakati waalwo ebuwanjuba n'ebugwanjuba, era walibaawo ekiwonvu ekinene ennyo; ekitundu ekimu eky'olusozi kirijjulukuka okugenda obukiika obwa kkono, n'ekitundu kyalwo ekimu okugenda

obukiika obwa ddyo.

5 Nammwe muliddukira mu kkubo ery'omu kiwonvu eky'ensozi zange; kubanga ekiwonvu eky'ensozi kirituuka ku Azeri: weewaawo, mulidduka nga bwe mwadduka okukankana kw'ensi okwali mu mirembe gya Uzziya, kabaka wa Yuda: era Mukama Katonda wange alijja n'abatukuvu bonna wamu naawe.

Musisi omulala eyayawulamu ensi. Bw'oba oyagala okugoberera Ebyawandiikibwa, weetegereze mu lunyiriri olw'okutaano kitegeeza nti okwawukana kw'olusozi lw'Emizeyituuni kuva ku musisi. Kino kikakasibwa Isaaya 29:6,

6 Alijjirwa Mukama ow'eggye n'okubwatuka n'ekikankano ky'ensi, n'eddoboosi eddene, n'omuzimu ne kibuyaga n'olulimi olw'omuliro ogwokya.

Era Okubikkulirwa 16, olunyiriri 17 ne 18. Ddala bino byonna bitegeeza ki ? Nabbi eyayogera ku kujja kwe okwasooka naye yalaba okujja kwe okw'okubiri. Weetegereze, "Nga bwe kyali mu nnaku za musisi..." Laba musisi by'akola? Laba okulagula kwabwe?... Olaba gyetuli? 'Amawanga gamenya, Okuzuukuka kwa Isiraeri; obubonero nnabbi bwe yalagula.' Musisi eri ab'amawanga mu nnaku ez'oluvannyuma."

Nga December 6, 1965, e San Bernardino, bwe yali ayogera okubuulira kwe okwatumiddwa "Ebintu eby'omulembe ebitegeezeddwa bulungi olw'Obunnabbi," yagamba nti yali talowooza nti ajja kuddamu okudda e California era yayogera ekigambo kino, "Mulabe ng'aseerera mu nnyanja." Okukyala kwe okwasembyeyo mu California.

Yatuukirirwa ab'oluganda ab'enjawulo abaali babeera mu California, ne bamubuuza kye balina okukola. Yagamba ekibinja ekimu, bwe yali ku lugendo lw'okuyigga nti, "Abantu bajja kusekerera okusaanyaawo musisi gwe tugambye nti ajja kubaawo, 'Bw'ati bw'ayogera Mukama,' ku lubalama lw'amaserengeta ga Amerika, naye njagala mmwe ab'oluganda mukimanye kino, nti bwe muba mulina emikwano oba ab'enganda yonna mu Los Angeles, singa nali mmwe nrandibafulumye mangu nga bwe kisoboka." Awo n'anyumya embooji y'engeri Malayika wa Mukama gye yali amugambye nti mukazi we Meda agenda kuzaal omwana omulenzi omuto era agenda kumutuuma Yusufu. Yagamba nti Malayika wa Mukama y'omu ye yang'amba nti Los Angeles ejja kubira n'eseerera mu nnyanja Pacific ng'ekivudde mu musisi.

Okudda kati mu mbeera ey'obutabanguko Ow'oluganda Billy Paul gye yeesangamu ku bikwata ku bunnabbi obukontana ku mwannyinaffe Shakarian ku lunaku olwo obubaka mu nnimi bwe bwali buvuddeyo, era Ow'oluganda Branham yali abuulidde "Okweroboza Omugole." Nabbi ne mutabani we bwe baali batambula okuddayo mu wooteeri yaabwe, yategeera nti waliwo ekitawaanya Billy n'agamba nti, "Pawulo, kiki ekikyamu?"

Billy yamuddamu nti: "Oo, tewali kintu Taata."

Oluvannyuma lw'okutambula emitendera mitono, Ow'oluganda Branham yaddamu n'abuuza nti, "Kiki ekikutawaanya, Pawulo?"

"Kale, Taata," Billy bwe yagamba, "obubaka obwo obw'ennimi n'okuvvuunula wabuwulidde eyo."

"Kale, kiki?" bwatyo nnabbi bwe yagamba.

"Naye taata okimanyi nti ogambye Malayika wa Mukama yakugamba nti ajja kufa wakati w'essaawa 2 ne 3 ez'oku makya."

Weetegereze okuddamu kw'Ow'oluganda Branham - okumukwatako ennyo - gy'addamu naye nga tayogera kukontana n'ennimi n'okutaputa: *"Kale, kye nsobola okwogera kiri nti, Pawulo, nti Mukama tannagamba njawulo yonna."*

Nga Ssebutemba 11, 1965, Ow'oluganda Branham yali mu kibuga Phoenix, ng'abuulira obubaka obwatumiddwa *"Amaanyi ga Katonda okukyuka."* Mu kiseera kino nze kennyini we nnalaba engeri ekibuuzo ekyo gye kyagonjoolwamu nga kitawaanya Ow'oluganda Billy Paul. Twali mu Ramada Inn, Ow'oluganda Carl Williams n'afuna essimu ey'ewala okuva e Los Angeles ng'emutegeeza nti Mwannyinaffe Florence yali afudde ekiro ekyakeesezza olwaleero. Ow'oluganda Branham yaweebwa obubaka obwo era amangu ago n'asaba Ow'oluganda Williams azuule ekiseera we yafiira. Nali awo essimu n'eyitawo era ne batuddibwamu nti yafudde ku ssaawa 2:45 a.m.

Kati, ennimi n'okuvvuunula byali biva eri Katonda, oba byali biva ku bunyiikivu bw'omuntu? Malayika wa Katonda yali agambye nnabbi wa Katonda nti ajja kufa wakati w'essaawa 2 ne 3 ez'oku makya. Obubaka mu nnimi n'okutaputa bwali bugambye nti tajja kufa, naye mwannyinaffe yeebase mu Kristo era kyaliwo ddala nga Malayika wa Mukama yagamba nti kijja - okukakasibwa okulala okwa nnabbi wa Katonda nga ayolekedde okuziyizibwa okw'amaanyi.

Wadde ng'obujulizi businga bulaga nti Ow'oluganda Branham ye nnabbi wa Katonda okumala essaawa eno, naye waliwo abatambulira mu makubo ag'akabi. Mu nsonga y'okuzikirizibwa okwalagulwa okw'olubalama lw'amaserengeta, obutakkiriza bwabwe bufuna ettaka eggimu, ne kibaleetera okusekererwa okulabula kwennyini Katonda kwe yawa omulembe guno. Ng'ekyokulabirako, waliwo okugamba nti Ow'oluganda Branham yalagula nti okuzikirizibwa kw'ekibuga Los Angeles kwandibaawo ng'olukunjaana olulala olw'Enjiri Enzijuvu Abasajja Abasuubuzi terunnabaawo mu kibuga ekyo. Abo abagamba kino bavuma okusekerera ebigambo bya nnabbi nga bagamba nti olukunjaana lwa 1968 lwatuula mu Los Angeles.

Nsomooza okwewozaako kuno - okusookera ddala ku musingi nti sikkiriza nti ye yakola sitatimenti. Omusajja agamba nti alina ku katambi tajja kunzikiriza kuwulira katambi. Ow'agamba nti Ow'oluganda Branham teyakola sitatimenti eyo mu lujjudde, wabula yagiwuuba eri omuntu eyali okumpi naye ku pulatifomu era nti akazindaalo ke kakwata eddoozi ly'Ow'oluganda Branham. Ekyewuunyisa, omusajja ono tajja kukkiriza muntu yenna ku ffe kuwulira ddoozi lino erigambibwa nti lya Ow'oluganda Branham. Kati nga tuteebereza nti ddala yakola ekigambo - kyawukana ku bintu ebituufu nga bwe byaliwo? Mu ngeri endala, akola aba Enjiri Enzijuvu Abasajja Abasuubuzi balina olukunjaana lwabwe mu Los Angeles? Eky'okuddamu kiri nti nedda. Olukunjaana luno terwabadde mu Los Angeles,

wabula mu Beverly Hills Hilton Hotel. Ku lw'obulungi bwabwe, ssinga njagala kubalaba nga bategeka emu mu Los Angeles singa nnabbi wa Katonda yakola ekigambo kino.

Ku lwange kennyini, nnindirira olunaku olwo, kubanga nkkiririza nti lwe lunaku olujja okuleeta okuzuukira kw'abo abeabase mu Kristo Yesu.

Omukulembeze omu ow'amadiini ow'ettutumu mu nsi yonna ow'Abapentekooti agenda mu maaso nga azibe mu bbaluwa egamba nti, "Tekyewuunyisa nti Katonda yalina okuggya William Branham mu kifo. Omuntu yenna nti yandilagudde okuzikirizibwa kwa Los Angeles , n'abakkiriza emitwalo bina mu abiri egy'Omwoyo Omutukuvu abajjudde mu kibuga - Katonda yandivumirira omuntu olw'okusala omusango ng'ogwo." Omusajja ono kirabika tamanyi Byawandiikibwa era era tamanyi kutambula kwa Katonda mu bantu be leero. Ekikolwa kye kya buto, kyoleka okusalawo n'okutegeera okutakuze.
