Greetings, and all our Christian Love, to all our BNL readers National and International.

My grateful thanks to all those special saints that have been bearing us up in prayer at a time when they are needed most. I personally have been humbled with the love and support received, since Sister Joan's illness at this time, which has been so critical. It has not been easy to reply to you all, but we continually give thanks to the Lord for that Hope that the world cannot offer, nor can it take away.

As previously mentioned Sister Joan was one of the main links in the production of the BNL chain, and as Brother David Shearer (BNL Webmaster) stated this past week "Sister Joan will be seriously missed" – if not for a miracle. – Meantime three BNL's have been released worldwide. The comments that came into the BNL, mentioned that the BNL has now been in production for seven years. This remark has encouraged me to say, "If the Lord wants it to continue, I say as the Apostle Paul - and I Quote – According to the grace of God which was given to me, as a wise master builder I have laid the foundation, and another builds on it. For no other foundation can anyone lay, than that which is laid, which is Jesus Christ – 1 Corinthians 3:10.

On behalf of the Committee, our thanks goes out to our Brother Richard Oliver who picked up all the necessary threads of the BNL and helped to make it happen. This has been nothing but a blessing to many, and with the help of Brother David Shearer, the BNL web-site

has also become a wealth of information. Also our appreciation to Sister Ana Van Duin for her unlimited care and support to Sister Joan of many hours of personal care that only the Lord will ever know. The Lord Bless her.

Our Brother Adrian Gray is back on the Mission Fields again, with his sleeves rolled up – Just before leaving he requested your prayers before the throne of grace, and we all wait to see his photos and reports. Brother Adrian has always been so accountable to those of you who have supported our Brother. The Lord has certainly blessed his efforts and labour of love for the kingdom, in getting the Message out.

So keep tuned in to the next BNL for Brother Adrian's missionary report.

In closing, - The Committee and staff, join me in sending their Greetings and remind you that we Love you All – AMEN

### Obituary

*Bay of Plenty*

On Thursday we had service for the celebration of the life of John Binnie and a wonderful occasion it was, both at the chapel and at the Kawerau Cemetery with somewhere between 80 and a 100 people in service; 84 people signed the book of remembrance but we know many didn't. This showed how John had touched many people, especially in his community of Kawerau and many very fine tributes were given.

I want to tell you of an interesting dream that was told to me. I know that Brother Branham said that dreams were unreliable so you can decide it's value.

On Friday night the 23rd May our son John had a dream and he saw John Binnie walking a cobblestone path with big trees on either side. The path was ascending and it was seen that a man appeared on the pathway and whether he came from the trees or just appeared, John could not tell. Then John saw that the man was a younger Brother Branham and JB walked up to him, held a short conversation, they shook hands then a bright light came from behind Brother Branham and envelope them as they walked up the path together. On Monday the 26th John took that walk into the presence of the Lord. The dream was very encouraging to Sister Doreen.

I tell you this because one or two Brothers have suggest that I should do so.

God bless you all. I don't know how yours are but I know that I am on the short end of the string but I look forward to seeing you all coming through the veil one day when God calls us to our eternal rest.

Yours in Jesus Christ

### Update: Changes in Middle East Missions

Dear Brothers and Sisters in Christ,

Several months have passed since my last correspondence and much has happened in that time, which I am now writing to share with you.

As you know, we all experience changes in our lives. Recognizing and adapting to changes however, takes special grace and understanding. We saw this in Brother Branham's ministry as he spoke of the importance of letting go of what had been – in order to embrace a new, unfolding ministry. And so I too have been waiting on the Lord for nearly two years to know what His future will was for us.

So much has changed in the Middle East since we first visited there in January of 2007. As you may recall, we were expelled from Lebanon and were unable to return. The revolution and wars have made visiting other countries impossible. We waited on the Lord for things to settle down. When this was not happening, which combined with other events, caused us to recognize that perhaps a change of both location and ministry may be forthcoming. In September things culminated for us when my wife's father passed away. Our burden and sense of responsibility for her elderly mother was something we could not ignore.

We very prayerfully have weighed out these circumstances and have come to a peace in knowing that for the tenure of our service in the Middle East these past years - we have "fought a good fight" and have "finished our course" of our current position of living overseas. We recognized that the Lord's will was for our return to Canada. This we did in April.

I informed Brother Lance LeRoux, pastor of Living Word Fellowship in Aldergrove, BC, [[www.livingword-fellowship.ca](http://www.livingword-fellowship.ca)] of our plans. What I did not expect however - was to learn of his plans to resign, something he had been contemplating for some time and subsequently made public in May. Earlier this month, the church voted on his proposal that I be considered for filling the position of interim pastor. The result was that a majority were in favor.

Though many things have yet to become clear, we are confident that the Holy Spirit will reveal all this to us in His time. And for this your prayers would be greatly appreciated. Though I now have the burden and responsibility of caring for the assembly, the desire to see the Word of God spread is of course never far from my inner heart's desire.

As we adapt to these changes, we also want to thank you for all your love, friendship and support, but above all, your prayers for us during our term of service overseas. May the Lord richly bless you.

Your ever grateful Brother and Sister in Christ,

*Brother Tony & Sister Rebekah*

# Miracle in India

By Pastor Svrinivas Chinnapalli

God bless all Believers,

I have completed my three days Fasting Prayers. God has done a Miracle in my church, especially for one sister whose name is Sarah, She was a Baptist Believer first and she had Heart Problem and when I announced 3 days Fasting prayer in my church she attended the Fasting prayer and God has Completely Healed her Heart problem.

I have explained her Word of God and importance of True Water Baptism according to Acts 2:38 and Re-Baptized her in the Name of the Lord Jesus Christ. She believed Brother Branham as Prophet of God.

God has done miracle in our Church and one soul baptized in the name of Lord Jesus Christ.

Today Sunday worship doing well preaching on WHY CRY? SPEAK from prophet Branham message using fresh scriptures that the Lord inspires to my heart as well as what brother Branham told in the message.

Now, the Holy Spirit has one message, "Speak the Word. Go forward." That's right. "Don't cry to me. There's the Word. Speak It and move forward, THUS SAITH THE LORD.

That's the message of the Holy Ghost. What is the works the Jesus did? He said, "My works declare Me. My works proves Who I am. My works vindicates me."

When God sent Moses, the works vindicated him. When God sent Elijah, the works vindicated him. When God anoints a man his works vindicate him. God is with you. Speak and go forward. God has anointed you. Move on.

I am Attaching Baptism Photos of Sister Sarah. We thank you, all the Saints with you we are praying daily for you, family and church believers.

Sincerely,

### Can This Message Deliver the Harlots?

Special points of interest:

- Message already being translated.
- Harlot becomes SAINT
- A Soul saved from the Street
- Shashamene Visited by Christ
- The Power of Transformation.

"For John came unto you in the way of righteousness, and ye believed him not: **but the publicans and the harlots believed him...**" Matt 21:32

The Answer is YES. Though many have rejected this Message today, the publicans and the harlots will receive it. I AM a WITNESS!

It was around 9pm and we were from escorting Sis Yodit to the taxi and we were on our way back to the guest house. As Paul and I were imagining what the Lord will do next, little did we know He had prepared to soul not far from us to receive the Gospel.

Marta, a harlot came following us for several meters along the road. We decided to stop and hear her out, she was upto her daily business and the devil thought he would burn /ban us out of the field since

we had already done enough harm to his kingdom. The Devil was wrong, he surely did not know our God is a consuming FIRE. (Deut 4:24, 1 John 4:4).

To be brief, we introduced ourselves to her as preachers of the Gospel of Christ and expressed our desire to meet her again while she is not under the influence of that kind of anointing. She consented.

Sis Yodit was with us in the guesthouse to give us company as well as help interpret while we spoke to her. Marta further expressed that she is a double orphan since many years ago and its been for 6 years while she is engaged into prostitution to help her situation etc. We spoke many things, but her answer was this:

*"I have heard everything, but one thing I don't want to do is play with the blood of Jesus because I respect it so much, how shall I overcome this if I decide to follow Jesus now?..."* You could see that she truly meant what she said.

We had a very simple answer for her. I read Zechariah 4:6, and later Acts

Sis Yodit with Marta going for baptism.

2:38. It was past 8pm but she made her two decisions which changed her entire life style. She decided to RE-CANT prostitution and also decided to be baptized in the Name of Jesus Christ because she needed the blood to cleanse her past sins and also to receive the Power of the Holy ghost. We looked for the Water and baptized her that very hour.

Hallelujah!

### Sis Marta Truly Born AGAIN

Sister Marta continued fellowshipping with us every other day she had the opportunity to do so. She came around often and of course Sis Yodit was always around with to do the interpretation.

One evening while we were escorting Sis Marta to the taxi home. It was around 7:30 pm when some men approached her and exclaimed why she

Baptism of Sis Marta

was no longer around for business. She strongly told them off that SHE is now changed and no longer going to work with them. She told them that She has now received Christ and not ready to continue in whatever they were asking her for.

Sis Marta is now washing clothes for a living.

Praying for Sis Marta.

## Supernatural Connection for Spiritual Food.: Bro Henok

L-R: Myself, Br Henok and Paul

Bro Henok is a friend of Abush the young men we met last year. To meet Henok was a supernatural connection. We met and we were to speak about

What God has done in this Generation through a prophet of Restoration promised in Malachi 4:5-6.

Bro. Henok became very excited about these things and asked what he can do about this. We just took him back to the foundation of Baptisms, and Repentance. He received it and right away asked to be taken to the water for baptism.

Bro Henok being baptised

His friend Abush had not yet accepted baptism as he thought its not important. It should be noted that Abush is the young man from John Debo's church that we met last year.

Above from Left is Bro Henok myself & Bro Surafel that was baptised last year. He was around to witness Henok's baptism.

Br Paul sharing just before Abush's baptism.

## Abush finally decides after getting the Revelation...

Since last year, I was in touch with this young man. We shared the Word from time to time but the Revelation of true repentance and baptism in the Name of the Lord Jesus had not yet opened up to him.

It was when we met on this trip and talked some more that he caught it. He gladly requested us to take him to water as he was yearning to be identified with CHRIST in his death and resurrection.

Since he had classes at school, we took

him the following day and baptised him in the Name of our Lord Jesus Christ. Now, he had joined his friend on this road of true Christianity.

Br Abush's BAPTISM.

In a couple days, Bro Abush was filled with many questions about the truth. He asked us about Melchizedek and he was glad we would give him Bible answers by the Revealed Word of the Hour. Bro. Abush is very friendly and has asked us for lunch at his house both last time and on this trip.

From right is Myself, Bihailu, Sis Yodit and others.

## Can anything Good Come from Nazareth?

Sis Yodit had a friend whose Name is Bihailu who goes to Nazret/Adaama University. Behailu came to visit us and after that he invited us to Nazret peradventure the Lord could be having something for us there to do among the University students.

We honored the invitation. Paul, Yodit and myself travelled there after a few days. We really were wondering, could anything good come out of Nazareth? We did not know But God

did. We wanted access to the university but the doors were completely closed for us since a strike had occurred there not long. We therefore went in for the night so as to see how the morning would go.

In the night, the Lord revealed it to me that we would meet several university students and that we would speak with them. I did not know how it would happen but I shared it anyways with my fellow soldiers in the

morning as we were setting out for the day.

Well, it really happened. We met and spoke with University students at a place where Sis Yodit had suggested we take coffee. It became a church, each of us was speaking with one in a certain corner. Several heard and said they would hear again, we exchanged contacts.

### Bro Abebe Accepts the Report.

**Baptizing Br Abebe**

Br Abebe is one of the Adaama University students that we shared with about the Message of the Hour at the coffee shop.

He caught this Message and he re-

quested us not to go away before baptizing. He ran to a friend and asked them to borrow him changing clothes and came back after a few minutes.

He then asked us to take him without delay as he really needed to receive this Jesus Christ. All his life he has been in Orthodox church but he testified he had never seen the Light there.

One more soul was won to the Lord Jesus and Yes, surely something came out of Nazareth. But that was not all...this brother caught the revelation of translating this Message to His local language Oromiffa/Oromic.

And no, that was not all...God had

more to do in Nazaret than we had earlier thought.

**Bro Abebe on the extreme left listening to the WORD...**

### Ruth Finds Rests in the Great Boaz after 6 years of Labor

As we were walking away from the hotel to find a restaurant for breakfast before we finally head home in Addis. Sis Yodit asked to take us a photo, Myself and Paul on one of the streets in Nazareth.

As she took the photos, a woman came by our way and she was attracted to join in the photos. Yes, we allowed her to come and join us. Her name we found out later is Ruth and she was a wife of a Late Evangelist who passed on 6 years ago. Her children have both been adopted by whites living in the

USA. She has surely been laboring for 6 years within herself to find peace and love. All was in vain, yes...the True Boaz had now come her way.

We read and spoke of Ruth in the bible and her character to Boaz, her decision and obedience etc. I then told her that Her great Boaz is the Lord Jesus Christ and even though she has been laboring for 6 years without a husband, she wasn't supposed to worry any more. She started crying....

Much later, we read and spoke of Mat-

thew 11:48 and many other scriptures of which she afterwards firmly accepted to receive this Rest. The only thing we could do was to immerse her in the name of Her great Boaz and then HE did/will do the rest of the work.

Praying just before going to the baptism tank

**"The only thing we could do was to immerse her in the name of Her great Boaz and then HE did/will do the rest of the work"**

### Moges the Law Student From Shashemene

There was another outstanding meeting in Nazareth. The FIRST OF ALL....

While we were walking on one of the streets trying to find our way, we bumped into a tall young man whose name is Moses. He seemed to be very much carried away by the cares of the word.

Well, he met Christ. He testified that when he had seen us, he saw the Love of God in our eyes and the words were such he had never heard before.

We became friends although we never shared at length. Once we made known our mission to this place, he was very excited that we should also come visit his home place,

Shashamene. This is the headquarters of the Rastafari movement in the world.

Well, Moges arranged with us that we would meet in Addis as he was planning to come there to visit his brother who lives and works there. We met there and the MOVE was ON>>>

Moges at the Guest-house with us where we met.

## SHASHAMENE

One of the scene around the tabernacle/temple of the Rastafaris.

Haille Sellase is one of the ancient kings of Ethiopia from the root of King Solomon of Israel by the Queen of Sheba/Ethiopia.

King Haille S is considered by the Rasta-

fari to be the fulfillment of Daniel 7:9 , the Lord of Lords, King of Kings, Prince of Peace etc etc. They are so confused that whatever applies to our Lord Jesus Christ, they apply it to their "dead" King.

Furthermore, they state that Ethiopia is the New Jerusalem while Shashamene in particular is "Zion." So, all of us then are in "Babylon."

The ones with long dreads of hair (men & women) are the chosen ones, the Bride while the others with short hair are the ones from the great tribulation...the great multitude. There Rapture is finished, and thus they are in the New Jerusalem. That explains why they take Ganja leaves which they refer to as the

"Holy Herb" which makes them levitate to Haille Sellase and the chain continues on and on...

WHILE HERE, after hearing their gospel for a long time...we preached to them the true Gospel of Jesus Christ for a witness.

The so called "Holy Herb"

## One soul from Shashamene

By this time, Bro Moges had heard enough about this Message of Hour. We had some time with him as well as what he heard while we were sharing with the others.

God was good to him. He right away got a burden to take this Message to his own people and that definitely calls for translation since most of them read Oromic language.

Bro. Moges requested he be baptised in the Name of the Lord Jesus and we had to do that at the nearest Lake Awaasa 20 minutes away. God really does things in a

Supernatural way; we hardly thought that even one could be saved from this place. But He chose one who will even preach to his fellow country men. God is good all the time.

Painting of Haille Sellase 1

Baptizing Bro Moges

**"The only thing we could do was to immerse her in the name of Her great Boaz and then HE did/will do the rest of the work"**

## Raphael finally Asks for True Baptism...

This is the young man we met last year at the evangelical church which we had paid a visit.

He was half way decided the last time but he couldn't help it this time. I asked him to come and be with us for 3 days every day as we were preaching to others. I offered to take care of his transport.

He was faithful to come and on the third day, he asked for baptism in the Name of the Lord.

We gladly took him there and baptised him at his Request. Raphael and many

Others were so much in pain while we were separating.

Many stay home because they do not have anywhere to find the true Word of Life.

God help us...pray for these souls.

Bro Yidenek, Raphael and myself.

# GOD & SCIENCE

*Science is finding God*

by Richard Oliver

## *Of Spare Earths*

*"We find that we live on an insignificant planet of a humdrum star lost in a galaxy tucked away in some forgotten corner of a universe in which there are far more galaxies than people."*

*Carl Sagan, Scientist, cosmologist and agnostic.*

And that is the view of many. We are just an average planet, one of billions and billions, in an average galaxy. However, as scientific understanding improves we find that belief simply isn't true.

But let's get a couple of things straight first.

The universe is uniform. What works in our Solar System works for all the universe. In other words the same basic laws of science work everywhere. Gravity, the strong or weak nuclear forces, electromagnetic effect, the speed of light plus a group of other basic laws all work everywhere and in the same way as they do for us.

What this infers is that conditions that allow life here on Earth is the required conditions for life anywhere. For example, we can safely say that any planet with life on it must have a sun like ours.

Our sun is a G2 main sequence dwarf star. There are blue giant, red and white dwarfs and several other types of star but only a G2 produces the yellowy green light essential for photosynthesis. And without plant photosynthesis there is no life. So only G2 stars who have planets are able to support life. As only 10% of stars are G2 we know that 90% of stars cannot have planets with life on them.

But life needs more. Liquid water is essential for life. And here's the rub. Water vapour is no good nor is solid water, or ice. Water must be liquid. If earth were a little closer to the sun all the water would evaporate. No life. If our world were

a little further away from the sun all water would freeze. Again, no life. Our distance from the sun is crucial. Earth is in the "Gold-

ilocks Zone", not too hot, not too cold, but just right to have liquid water.

Already we have two essential ingredients for an earth like planet. Few other planets have these. but there's more! Our position in the Milky Way galaxy is another example of the Goldilocks zone. If we were closer to the centre of the galaxy then

lighter gases, such as the oxygen in our atmosphere would be stripped from us. If we were further out then there would be far less of the heavier elements necessary for life. Just as our outer planets are only made of gases, and poisonous ones at that, spare earths further from the gal-

actic centre than us are likely to have little, or any, solid form. We are placed "just right" in our galaxy to hang on to our atmosphere and have the necessary heavy elements to make our bodies and allow life.

Our Solar System exists outside of the main spiral arms of our galaxy. We are away from the high levels of light and lethal radiation that is in the galactic centre and even in the galactic arms. Were we there we would never get a dark night and we would be microwaved from all sorts of stars close to us. Life could not survive.

But there's another quirk about our position. We are ideally sited to have dark nights, to see both our own and other galaxies. It's the study of other stars and galaxies that has allowed us to understand much about the universe.

Now why is it that the only known planet with observers on it is ideally placed for observation? Why is it that our far from insignificant planet is placed where human life can see and work out the mysteries of the universe?

It's as if our planet and its position were all planned by a superior intellect.

Hello God!

New information just released

# Chinese KJV Bible Complete!

The long awaited Chinese version of the KJV bible is finally complete. Brother Ivan, together with a team of translators in China, has laboured with great care for over three years to finish this re-translation.

They painstakingly reviewed each verse with the English KJV Bible. Together with lexicons, dictionaries and by cross referencing each verse with other bible translations, this new edition of the Chinese KJV bible is perhaps the most accurate Bible translated into Chinese to date.

This new Chinese Bible was not only necessary and important in providing an accuracy in bible translation not found in China, but also for the fact that this corrected bible will eliminate discrepancies between the messages Brother Branham spoke - and the Chinese Union Bible. This was a critically important issue as the difference between the Union Bible and the references Brother Branham made from the KJV – were often at odds – casting doubt upon the prophet’s message.

For example, the Chinese translation of the Exposition of the Seven Church Ages is considered the most “accurate” translation in Chinese having been revised at least 3 times. However, with the bible references in this

book all taken from the older Chinese translation of the “Union Bible”, 261 corrections needed to be made in chapter one alone. Correcting all these errors in the Seven Church Age book is soon to begin.

When a verse as significant as 1 John 5:7 “For there are three that bear record in heaven, the Father, the Word, and the Holy Ghost; and these three are one” [KJV] is rendered in the Union Bible merely as; “It is the Spirit that beareth witness, because the Spirit is Truth”; One can appreciate the incredible importance of such a work – and just how massive this work was with over 10,000 modifications having been made.

You are invited to share in the burden and vision of helping to spread the truth of God’s Word in China. Your gift to help provide in the printing of the new Chinese version of the KJV and to help with hosting it on the Chinese web site for downloading in China and around the world, would be greatly appreciated.

If you would like more information on how you can have an active part in reaching the greatest population in the world with the Word of God, please feel free to reply to this email or write directly to Brother Ivan in China at: [ivan@themessage.cn](mailto:ivan@themessage.cn)

Mission Updates May 2014

Hebrews 13:08 **Jesus Christ is the same yesterday and today and forever.**

Dear and beloved believers in Lord JESUS,

Christian greetings in the most precious and wonderful Name of our Lord Jesus Christ!

It is great privilege and honor for me to write you about missions update and what Holy Spirit is doing across the Pakistan through the message of hour.

### Report from Karachi city Sindh:

Brother Arif Amanat is regularly attending services at Pak Tabernacle and last week after service he told to his family about baptism.

After Sunday service Brother Arif called me and told me Pastor Shamoan I went to my in-law's family and told them about how they can get salvation and briefly shared with them about water baptism in the name of Lord Jesus Christ. He further said they accept the Word of God and ready for water baptism. So he asked me what time you will be available to baptize them? I said tomorrow morning is good time.

So next morning we went to sea and baptized them in the name of Lord Jesus Christ,

by the grace of God three persons born again including the wife of Brother Arif Amanat. They are very happy and attending the meetings without ceased. Halleluiah and glory to Lord Jesus Christ!

Pastor Almas Masih visited eight cities of Punjab last month and preached the Message of Hour.

He left Karachi with prayers and took message books and cds for distribution. He preached the end time gospel among believers and non believers. Pastor Almas said during this visit more than 45 people accepted Lord Jesus Christ their personal saviour and many people healed by the grace of God. He visited Bahawalpur City there wasn't any message believer only denominational people, he preached End Time Message at one denominational church. After that meeting some ministers came to him for more information about end time message and messenger. He fellowshipped and shared to them almost whole night, they departed early in the morning. He gave them my phone number for more information and about Brother Branham's ministry. Some of them are calling me and inquiring me about the End time Message and supernatural ministry of Brother Branham. I shared to them about end time gospel on phone and sending them the books of Brother Branham for more guidance and understanding the Message of the hour. We are very grateful our Lord Jesus Who is opening new doors in new areas for the message of life. Praise the Lord!

**Report from Khyber Pakhtunkhwa:**

Pastor Samuel Joseph told me some new people are coming to our church and hearing the message of the hour, he told me one new family has born again and I baptized them in the name of Lord Jesus Christ. That family is very glad and very keen to know more about the truth of the Word. He further told me one foreigner missionary sister met me few months ago in my church, so I gave her some English books of Brother Branham which I got from Voice of God recordings. That sister came to me after few months and told me Pastor Samuel I got too much blessing and truth of Bible by these books. She said I have been doing ministry in this area since many years but I didn't know truths like I found in these books. Please give me more books so Pastor Samuel requested to Voice of God recordings office for more English material for this foreigner sister and other English speaking people in Mardan city. Glory and honor to God!

**Report from Balochistan:**

After many prayers and struggles God called out one more family to accept the message of the hour in Quetta city of Baluchistan province. Pastor Javed Barkat told me I visited one new family with the message and told them about true water baptism and exact truths of the Holy Bible. By the grace of God that family accepted the message of the hour and now I am going their home every week for family meeting. He requested to all the believers, kindly keep us and our very little church in your personal prayers. God bless each one of you and we appreciate your kindness.

Thanks God for His wonderful and amazing grace, through Him we are able to taking message of life everywhere in the Pakistan.

We are very grateful and appreciate each one of you for your kindness, love, tireless efforts, generous support and precious prayers for the message of eternal life in this Islamic country of Pakistan.

May Lord Jesus Christ richly, abundantly and exceedingly bless and reward you for your labor and hard work in His vineyard.

Our faithful and fervent prayers always with you and yours for His glory and honor.

Christian love and kind best regards to all the saints in Christ Jesus.

Shalom

Yours Brother in JESUS,

Brother Shamoon Yaqoob,

# THE AGE OF THE PROPHET BRANHAM

The Age of the Prophet Branham adopts a new approach to the history of Christianity; and explores the extent to which the prophecies of the prophet Branham have come to pass.

Paul C Boyd is a historian and like other Christian believers past and present holds the view that the Bible is the inspired Word of God; and that God first reveals His Word to His Servants the prophets.

# Cinnamon and Honey

*Sent in by Bro David Armstrong – Australia*

Honey is the only food on the planet that will not spoil or rot. What it will do is what some call 'turning to sugar'. In reality, honey is always honey. However, when left in a cool dark place for a long time it will "crystallize". When this happens loosen the lid, boil some water and sit the honey container in the hot water, but turn off the heat and let it liquefy naturally. It is then as good as it ever was. Never boil honey or put it in a microwave. This will kill the enzymes in the honey. Cinnamon and Honey Bet the drug companies won't like this one getting around.

Facts on Honey and Cinnamon: It is found that a mixture of honey and Cinnamon cures most diseases. Honey is produced in most of the countries of the world. Scientists of today also accept honey as a 'Ram Ban' (very effective) medicine for all kinds of diseases. Honey can be used without side effects for any kind of diseases. Today's science says that even though honey is sweet, when it is taken in the right dosage as a medicine, it does not harm even diabetic patients.

Weekly World News, a magazine in Canada, in its issue dated 17 January, 1995 has given the following list of diseases that can be cured by honey and cinnamon, as researched by western scientists:

## **HEART DISEASES:**

Make a paste of honey and cinnamon powder, apply it on bread instead of jelly and jam & eat it regularly for breakfast. It reduces the cholesterol in the arteries and saves the patient from heart attack. Also, those who have already had an attack, when they do this process daily, they are kept miles away from the next attack. Regular use of the above process relieves loss of breath and strengthens the heart beat. In America and Canada, various nursing homes have treated patients successfully and have found that as one ages the arteries and veins lose their flexibility and get clogged; honey and cinnamon revitalize the arteries and the veins.

## **ARTHRITIS:**

Arthritis patients may take daily (morning & night) one cup of hot water with two tablespoons of honey and one small teaspoon of cinnamon powder. When taken regularly even chronic arthritis

can be cured. In a recent research conducted at the Copenhagen University, it was found that when the doctors treated their patients with a mixture of one tablespoon Honey and half teaspoon Cinnamon powder before breakfast, they found that within a week (out of the 200 people so treated) practically 73 patients were totally relieved of pain -- and within a month, most all the patients who could not walk or move around because of arthritis now started walking without pain.

## **BLADDER INFECTIONS:**

Take two tablespoons of cinnamon powder and one teaspoon of honey in a glass of lukewarm water and drink it. It destroys the germs in the bladder.

## **CHOLESTEROL**

Two tablespoons of honey and three teaspoons of Cinnamon Powder mixed in 16 ounces of tea water given to a cholesterol patient was found to reduce the level of cholesterol in the blood by 10 percent within two hours. As mentioned for arthritic patients, when taken three times a day, any chronic cholesterol is cured. According to information received in the said Journal, pure honey taken with food daily relieves complaints of cholesterol.

## **SKIN INFECTIONS:**

Applying honey and cinnamon powder in equal parts on the affected parts cures eczema, ringworm and all types of skin infections.

## **WEIGHT LOSS:**

Daily in the morning one half hour before breakfast and on an empty stomach, and at night before sleeping, drink honey and cinnamon powder boiled in one cup of water. When taken regularly, it reduces the weight of even the most obese person. Also, drinking this mixture regularly does not allow the fat to accumulate in the body even though the person may eat a high calorie diet.

## **CANCER:**

Recent research in Japan and Australia has revealed that advanced cancer of the stomach and bones have been cured successfully. Patients suf-

fering from these kinds of cancer should daily take one tablespoon of honey with one teaspoon of cinnamon powder three times a day for one month.

### **FATIGUE:**

Recent studies have shown that the sugar content of honey is more helpful rather than being detrimental to the strength of the body. Senior citizens who take honey and cinnamon powder in equal parts are more alert and flexible. Dr. Milton, who has done research, says that a half tablespoon of honey taken in a glass of water and sprinkled with cinnamon powder, even when the vitality of the body starts to decrease, when taken daily after brushing and in the afternoon at about 3:00 P.M., the vitality of the body increases within a week.

.HEARING LOSS: Daily morning and night honey and cinnamon powder, taken in equal parts restores hearing. Remember when we were kids? We had toast with real butter and cinnamon sprinkled on it!

I also played this to our church in Wanganui – Lets keep it up, we are nearing the end.

Christ must come to a physical persecution again in bride form of this day. As the early church was persecuted after the crucifixion of Christ 2000 years ago, so must this end time bride body of Christ also come to a physical persecution after the rejection and crucifixion of Christ the Word by the denominations of this day. I feel that we are in for a good ride, may God help us all, especially the weaker ones. Many are already starting to show their true colours and side with their own kind, they have left us because they were not of us. **Pastor Dean Gilchrist Wanganui NZ**
