Issue 76

profile of a **MISSIONARY**

by Bro Adrian Gray

This profile will be the start of many to come in which we feature missionary brothers around the world. Men who have been chosen by the Lord in their special field of influence to proclaim the message of the hour in various nations, in these last moments of time. Many brethren have inquired as to what they can do to support them, so it is needful that we know who they are.

MATTHEW 9:37 & 38

37 Then saith he unto his disciples, The harvest truly [is] plenteous, but the labourers [are] few; 38 Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.

The word "missionary" is not a true expression of this particular identity that is a part of the "five-fold ministry". The real name is an "apostle". If one wishes to find a biblical example by which all apostles are compared in their outworking, then you would have to look at Apostle Paul. Paul is the template to judge all claims to such a position and Bible readers can examine that for themselves.

WARNING.THEN.JUDGMENT_ JEFF.IN V-8 N-3 WEDNESDAY_ 63-0724

And then we find out the apostle is a special man. He's a--he's a setter-in-order. He's a man that's sent from God to set the things in order.

To put it in layman's terms, an Apostle goes to introduce the message where nobody has gone before. He sets up churches and identifies gifts in brethren that will ultimately bear the fruit of ministry as that local church begins to grow.

Brother Alex Hoarau
Reunion Island

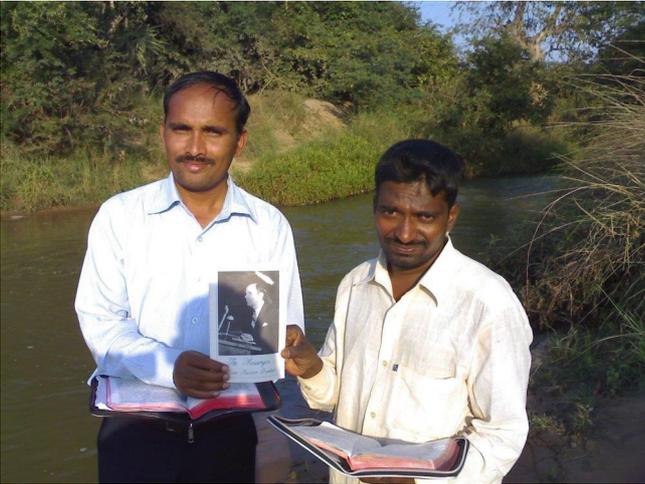

profile of a **MISSIONARY**

An example of this Apostolic ministry is Brother Alex Hoarau from Reunion Island. This Brother has spent many years amongst the French speaking nations of the Pacific region, but is more prominent in Madagascar, the Comoros amongst the Moslems, as well as in France and of late, South America.

It is impossible to put down on paper all of the experiences he has been involved in, but past articles have already borne witness of some of his work. But Bro Alex has felt led to take the Message into French Guiana in South America, but the costs are too much for him and his small church in Reunion to handle. If anybody would like to support him financially, then that would be gratefully appreciated.

I much prefer that he is contacted directly at this address: hoaraualex@yahoo.fr

Meeting the Unknown

Pastor SRINIVAS CHINNAPELLI, India

After attending a prayer meeting, I was walking home and saw an unknown person walking on the other side of the road with a Bible in his hand. When I saw that person, the Holy Spirit told me "Go and speak the Word of God."

I walked across the road and preached Gods Word to him for ten minutes. And then he started crying after listening to Gods Word.

I asked that brother "Why are you crying?" He said that he had lot of financial problems and he was going to commit suicide. After listening to him I realized he became strengthened in the Word of God which had made him stronger by my saying "God has sent you to me to survive."

I then explained to him regarding the importance of water baptism in Acts 2:38. He then came out of a denominational situation, accepted Acts 2:38 and was baptized in the name of the Lord Jesus Christ. He is now believing the Message of the hour and is standing for the truth in his area.

Please pray for him and his family. He is the seed of God.

Thank you and may God bless you.

I ONCE WAS FAR AWAY FROM THE SAVIOUR

As vile as a sinner could be
And I wondered if Christ the Redeemer
Could save a poor sinner like me

I wandered on in the Darkness
Not a ray of light could I see
And the thought filled my heart with
sadness

There's no hope for a sinner like me!

And then in that dark lonely hour
A voice sweetly whispered to me
Saying, "Christ the redeemer has power
To save a poor sinner like me"

I listened and lo, 'twas the saviour
That was speaking so kindly to me
I cried, "I'm the chiefest of sinners
Thou can save a poor sinner like me!"

THEN I FULLY TRUSTED IN JESUS
AND O, WHAT A JOY CAME TO ME;
MY HEART WAS FILLED WITH HIS PRAISES
FOR SAVING A SINNER LIKE ME!

No longer in darkness I'm walking
For the light is now shinning on me
And now unto others I'm telling
How he saved a poor sinner like me

And when life's journey is over
And I the dear saviour shall see
I'll praise him forever and ever
For saving a sinner like me!

FROM THE EDITOR'S DESK

Greetings in our Saviours Matchless Name - the Name above all others names.

On behalf of the BNL Ministries, we extend our Christian Love to all you precious supporters of the Believers News Letter (BNL). Once again I must show our appreciation to those who have strongly supported this Ministry in many ways, especially those whom the Lord has laid on their hearts to forward the BNL on to others through their address books (unbeknown to us) to undisclosed destinations. Evidence of this is always noticeable with incoming email from you special Saints who are not even on our contact list. To you, a big "WELCOME"! May we request you special ones contact us directly sometime, so we can have the privilege of blessing the Lord for you. Also so that we can enter you into the BNL Address Book, thus being of personal service to you in the future as this ministry develops - which is indeed happening now, Praise the Lord! Owing to the work and labour of love by those Pioneers of the BNL Ministry, who were mentioned in last months Oct BNL, this Ministry has in fact grown to the extent of its present day standing in the world. The report from the BNL Web Master, Bro David Shearer, confirms The Message is wonderfully progressing via the BNL emailing and website - evidenced by the traffic. This we bless the Lord for also.

On behalf of the BNL Committee and the Support Team, it is my pleasure to welcome Sister Kay Adams-Reid to the Support Team of the BNL Ministries here in New Zealand.

Sister Kay will be well known to many in New Zealand and in some cases around the world. This is due to her past involvement in the well known Gospel Tape Ministry, Gisborne NZ, a ministry that not only pioneered the Message in New Zealand but also in some places abroad. As many will recall, Sister Kay worked faithfully helping to give a much appreciated service over a period of 5 years and during those years has blessed many hundreds of people interested in the Message of the hour.

Like many, Sister Kay had an interesting commencement to the Message. After having searched for truth in many denominational and Pentecostal churches, our sister was eventually drawn to the End Time Message as shared with her by Pastor Richard Oliver, back in the early 1980s.

Her married daughter, Bethany Sevenster, and her husband attend the Auckland Spoken Word Christian Fellowship with Pastor Derrick Donaldson. Sister Kay now lives in Wanganui and fellowships under the ministry of Pastor Dean Gilchrist.

The Committee Members Bro Adrian Grey, Bro David Shearer, Dean Gilchrist, Bro Graeme Harnett, Malcolm Ferris and Support Team, pray for all of Gods richest blessings to be with you, as we fight the good fight with all our might! Amen and Amen.

Bro Charles

LETTERS TO THE EDITOR

God bless you Brother Charles. It is certainly good to hear from you.

First Brother ...I wish to express with much love our sincere condolences to you in the passing of your dear wife. Though I did not manage to send you a personal note on behalf of Sister Rebekah and I of how we shared in your sorrow with you, you were nonetheless in our hearts and prayers during this difficult time. We trust too that the grace of our Lord has been both a strength and comfort to you now in her absence. I can't imagine how difficult it must be for you.

I certainly am honored that you wrote on behalf of those who inquired about us and the work of the Lord we presently find ourselves in. Honestly though, I'm not sure an "update" of our status Brother Charles is even necessary...While it is nice to know we are "missed" and that our little contribution to the Bride via the BNL was appreciated, yet - we are just one small "pebble" on the beach of life in service to the Bride.

Continued ...

Furthermore Brother Charles, the position I'm occupying as Pastor, is only interim. I am actively waiting upon and seeking the Lord for His will and further and future direction – if the change to a Pastors position is even what He is leading us into. So in one respect, this may only be temporary. I may find myself returning to the "field" again in the New Year?

Still the same though, there are some things that I could write and share with the Bride via the BNL that could be considered – if needed. One could be the outreach work in China; another of recent meetings in Armenia with Brother Dima from Ventspils that we helped to send there; still another would be an overview/commentary on the latest developments in the Middle East.

I'll look forward to hearing back from you soon.

Your Brother in Christ,
Brother Tony Abma (pictured with Bro Charles)

Reply from the BNL Webmaster to Inquirer

By Bro David Shearer

Thank you for your interest and your comments.

It is clear that the ministry of William Branham is outstandingly supernatural. On our site our movies have gone "missing", probably because the site was being reconstructed and we did not get enough "clicks". Should you wish to see the movies of Brother Branham they are available on Cloverdale Bibleway website. (Link on our website).

In the movie Twentieth Century Prophet, Brother Branham tells how the Angel came to him, giving him a Gift of Healing for the people of the world. What is striking is his sincerity and humility. Also included is a prayer line which shows the gift in operation. Peoples names, where they lived, and what the doctor told them in his office occurs (visions). This was perfect every time. If he had said Mrs Jones and it was not the person's name, I would not be following this message today.

As our site is primarily a document site, I could recommend "Acts of the Prophet", or "A man sent from God" which is easy-reading. These can be downloaded from our books page.

If your interest is in Teaching then I would recommend The Seven Church Ages, followed by the Seven Seals. Also the "Supernatural Book 6" sets out the events and ministry that took place from 1962 to 1965. It is full of supernatural happenings also.

Nothing happens by "chance". The bible speaks of "Predestination", (very misunderstood by the Churches). Some would talk of "destiny" or "fate". Almighty God has a plan for our lives. It is up to us to seek it, accept it, and follow.

May God bless you as you seek the Lord, and His plan for your life.

Regards,
David Shearer.

To Bro. Richard Oliver,
 God bless you abundantly! Thank you very much for the October BNL(issue75). May the good Lord bless you mightily. I appreciate all the brethren involved in this great noble work. It is a great blessing to all of us. Please convey my sympathy to that wonderful brother that lost his wife. I know what it means. May the good Lord comfort him.

John Kyakonye

Consecrated to Him

“The world has yet to see what God can do with and for and through and in a man who is fully and wholly consecrated to Him.” A young man named D.L. Moody heard those words and determined in his heart to be that man!

He gave himself fully to the Will of God for His life and the Lord used him to shake two continents for Jesus. Moody preached to more than 100 million people during his Ministry and many thousands came to know Jesus Christ as their Saviour.

I don't know about you, but I want to be a person God can use. The Lord is still looking for men, women, boys and girls that He can fill with His Spirit and use to make a difference for Jesus. You and I can be that person who God will take and use for His name's sake.

From the Saints @ Pieter 107.

**Filipino Testifies of The Holy
 Ghost in her Life!**

17:11:2013

I used to go to Easter Celebrations every year with Roman Catholics in the Philippines...re the Stations of the Cross. And one year I made a wish to God because I had marital heartache, among other things.

However, nothing happened, nothing eventuated. I got no results from my wish – it was like I was talking to the air, I felt so empty. And then every December I used to do the Roman Catholic Morning Mass from 4-5 a.m. between December 16 – 24...every year repetitively.

I never used to read the Bible, so I never knew if the R.C. Priests were talking the truth or not. Anyway, there was a missing link in my life between God and I and I longed to know what it was and why I could not have a personal, tangible relationship with God. I was so empty inside, regardless of my repetitious religious actions.

It was in 2009 that I contacted my sister Juvy, in Australia, to ask for some of her husband's preaching DVD Messages, hoping that his Messages might strike a Light within me and then, as I started to listen, Yahweh sovereignly opened my eyes in the Spirit and I began to understand The Word of God like never before, it was so beautiful...

And the emptiness and heartache within me faded away. I then started to gain strength and go free from my past disappointments, failure and pain in my life. I started to feel like I was floating and that ever since that time my problems no longer have a hold on me, I have learnt to give them all to Jesus. It is such an enormous thing to me that I can communicate with God daily, any time of the day or night and whenever I like, in Jesus' Name, this is true liberty for me. That I can go to God and talk with Him and know that He hears me and cares for me and will act on my behalf for my best..

The Truth has given me such freedom and now I feel that the Spirit of The Lord is upon me and in me, dead religion can never provide this for anyone, only a relationship with Jesus through FAITH. Unlike before when I was a Roman Catholic [because now I have the Holy Ghost]now I am compelled to speak out about Jesus everywhere I go and to everyone I feel led to speak to by the Holy Ghost. I have now joyfully distributed The Word of God daily for the past three years and couldn't be more blessed. Some days I just don't want to stop distributing the Truth, knowing the Power of It and what God has done in my life through the Truth – the Doctrine of Jesus. But I also have a 9-5 job to do... ref: Isaiah 55:11

May God bless you too with the Holy Ghost,
 (Luke 11:13) **Sister Rosemarie**

Sister Kay's Personal Testimony

I am so very privileged to be asked to be a part of the **BNL team**, to help with some layout and graphics, and just wanted to share something of why this newsletter has been a blessing to me in the past.

The Believers Newsletter was sent to me regularly, but I have to confess I did not always read every word. However in scanning through its pages it would both bless and challenge me in several ways:

Firstly, living in the South Island of New Zealand it is easy to feel separated from the rest of the Bride and to become very inward looking. The **BNL** helped me to remember that there are Bride members around the rest of the country and also all over the world, "...out of every nation" as Brother Branham said. I was not just one person in a small local assembly, but part of an amazing, many-membered, world-wide body – a living, growing body, pulsating with the very life of Christ Himself! Suddenly I was reminded of Brother Branham drawing the circle larger and the whole picture of the vibrant, living, world-wide Bride of Christ became a lot clearer.

Secondly it helped me to see that there is a great need in and around our country, out there in the Pacific Islands, Asia, Africa and further a field. With me, the need to find that last elected seed became real! It was as though through the pages of the **BNL** newsletter, that something dormant inside of me was being stirred awake – a calling not to be inward looking and satisfied with a life of serving oneself, but a desire to be a part of that outreach to the far corners of the earth, with a message so powerful and so awesome that nothing comes near to it; a desire to connect with those people who are crying out for truth; a desire in some way to be able to share the pure light of this message. But how would I ever be able to do that?

Now, by a series of events in which I believe God has led me by His grace, I can in some small way add my support to this humble little outreach tool that God has used to bless thousands of souls around the world. What a privilege indeed and the fulfilment of a heart's desire!

Gospel Way Outreach, Canterbury, NZ

Dear Brethren,

We would like to invite you to our first ever 'Harmony in New Zealand'. It will be styled after the 'Harmony in the Desert' which takes place in Tucson AZ each January. The event has soloists and singing groups gather for Gospel singing. We know the scripture says, Ps 66:8 O bless our God, ye people, and make the voice of his praise to be heard: Ps 67:3 Let the people praise thee, O God; let all the people praise thee. We would like to invite you if you are musical, to come and participate. It will also be open to the public and to the body of Christ in New Zealand, Australia, Islands of the Pacific and North America. We will have the ministering of the Word Saturday and Sunday morning but the singing will be the feature of the event. We hope as a church to use it as an outreach to our local town people.

The event will be held at our church on February 13 - 15, 2015. On the second page are a list of motels and accommodation not far from our church. We will provide transport to anyone who arrives by air.

To help us get this event started we will have featured artists from Canada, Br. Art Doell and his wife. Some of you will know Br. Art from the Canadian Believers singing group. We have attached a flyer for you to print out if you wish. For any further information please contact me either by email or phone. 64-3-327-3888

THE QUICK REFERENCE GUIDE TO THE MESSAGE-OF-THE-HOUR

By Pastor Ronnie Millevo

This book by Pastor Ronnie Millevo has been quite effective in presenting the Message-of-the-Hour in a nutshell for denominational ministers during Mystery Expo seminars in the Philippines. It is also a comprehensive source of information on doctrinal issues as preached by Brother William Branham based on Biblical principles. The book is composed of 492 pages and 41 chapters of Bible teachings as supported by Message quotes and is also meant to be of help to the five-fold ministry and to every end time Message believer to fully understand the Message of the Hour. Free PDF files can be downloaded at http://endtimemessage.info/preacher_handbook.htm. Hard copies of the books can be ordered by directly emailing ronmillevo@yahoo.com.
