Ethiopia: Miraculous Healing Causes Entire Village to hear the Word of the Hour

Deep in a remote area of Ethiopia reachable only by foot or horseback, the End-time Word is charging forward, sparked by a mighty healing.

The miraculous recovery of Brother Tefera from near death caused shock waves to ripple back to his home town. (see details in previous post) What power was this that could work such a mighty wonder in full view of them all? Now a group of nearly 200 villagers assembled in anticipation of the arrival of Brother Busobosi and his companions from Addis Ababa Ethiopia, and their words of life. The journey wasn't easy. It took 2 days, by asphalt road, dirt road, and finally walking the last 5km when horses were not available.

Though Brother Tefera's natural brother Ndale is a Lutheran priest in the village, he supported the meeting, welcoming all to come and hear more about the word of this power. Exhausted, yet inspired, Brother Busobosi preached on "The Cup of God's Salvation," illuminating the restoration of true Salvation in this day.

Ethiopia:

“People listened attentively and were grasping the Word,” reports Brother Busobosi. “As I was closing, it got so hot that someone wanted to stop us (one of the Lutheran evangelists) but Priest Ndale stopped him.”

Brother Busobosi invited any who had questions to meet them after the meeting. Several evangelists and people from other denominations came to ask questions and hear more. To these Brother Busobosi and his companions explained the Word more perfectly, and several believed and made plans to come to Addis Ababa for baptism. Others requested

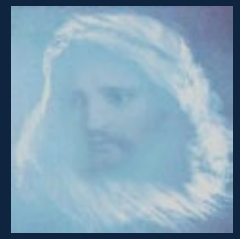

more meetings. The villagers had been vexed with doctrinal questions on subjects such as child baptism, and salvation. At another informal meeting the next day, the Brothers were able to address these issues.

“God is giving us this village,” Brother Busobosi concludes. “We can but watch and pray as we look towards the absolute will of God in the coming days.”

Horses were available for leaving the village, and the team returned to Addis Ababa exhausted but joyful at the wondrous work God was sovereignly performing in this remote village.

Missions Update January 2018

Dear and beloved Believers in Jesus, Greetings in the lovely Name of Lord Jesus Christ!

We are so grateful to our Saviour Lord Jesus Christ for His wonderful amazing grace and tender mercies that He has given us 2018 to do His work. We are eyewitness to the power of the Message of hour, that how this precious Message is transforming the lives of people around the country. The Message of eternal life is reaching to the unreached and we are getting the wonderful feedback from the believers and unbelievers. We are distributing the Message of hour among all kinds of people across Pakistan.

We had wonderful one day believers convention on 1st January 2018. We arranged this convention at Pak Tabernacle convention hall in Mehran Town Karachi, where more than 300 people get to gathered from different parts of Karachi.

Brother Patrus was presiding the meeting and after the beautiful worship he invited me to share the Word of God, so I read the text from Genesis 15 and shared many quotes of our prophet from the message of “Unconditional Covenant”.

Congregation got mighty blessings by the ministry of the Word of God. After the message we had consecration service where we consecrated 4 new ministers to the ministry of the end time message. We are thankful to our Lord Jesus Christ that He is adding new ministers to spread the message of hour across the Pakistan. Praise the Lord!

Pastor Irshad visited our office first time and got message material for his spiritual growth and after few weeks he called me and said I have got great blessings through the message’s material. So I invite you please come at my church to preach this message of hour , Next Sunday we took the message material and went to his church in Dastgir Karachi. They welcomed us with the garlands of flowers and after the worship pastor Irshad invited me to share the Word of God.

I shared the message of our prophet “Token” by the preaching of the Word congregation got a lot of blessings and appreciated the message of hour. At the end of service we distributed the books. Praise and glory to His blessed name! Amen. We are so glad that God is opening the new doors to the end time message of our Lord Jesus Christ in the new areas. Blessed be the name of our God Almighty!

Testimony:

Prophet said: The only safe place there is today is in Christ Jesus. (54-0514)

I was driving to attend the service on the 23 January 2018 at 8:00 pm with my whole family, a meeting arranged by one of our Brother in another area called (Al Noor society Karachi) from my town. As we were about to reach near that destination I was driving the car slowly because of the road condition, then suddenly two suspicious men appeared in front of our car and they started hitting the car by the guns, they were saying us to open up the doors otherwise we will shoot you, that time we got so scared but they were continually insisting us to open up the doors but we didn't open the doors. Suddenly my youngest son Joel said to me Papa, just press the accelerator fastly with high speed then I did the same pressed up the accelerator hardly with speed and by Lord's grace we were able to escape from the hands of those terrorists. By the grace of God we left the terrorists behind us and we safely reached at the message's church as soon as we can reach there.

Bro. Shamoon's family

Pastor Arshad invited me to share the word of God at the Church, but first of all I shared my testimony among the congregation that how we could reach church so they were very thankful, astonished and praised God.

Then I preached the Word of God and shared many quotes of Brother Branham regarding the situation so congregation got lot of blessings by the ministry of the Word of God then at end of the service whole congregation prayed for me and my family and giving thanks to God for the wonderful protection.

We are greatly and exceedingly appreciated you for your precious prayers, tireless efforts to the ministry of revealed Word of God in this last church age.

Hard Questions Series Part 1

Called Out & Special continued from previous issue:

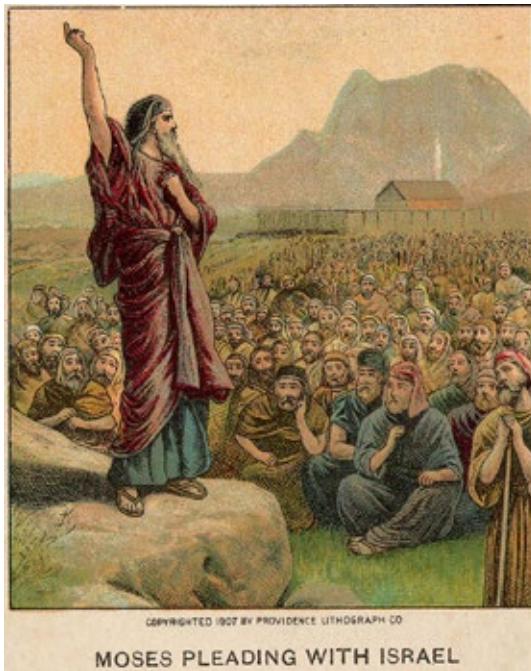

Question: Will the Bride be raptured from all churches or only those who have received the Message of William Branham?

Moses

Moses preached 40 years where the nation Israel was given very specific instructions on what to do to leave Egypt. Those people already knew about and worshiped God; they were circumcised and practiced the spiritual worship as it was shown to and practiced by their father Abraham.

They prayed to Jehovah, they were sincere and religious but the dispensation was changing and a major prophet was being raised up with a specific

Message to lead them out of Egypt and into the Promised Land. To not listen to Moses meant staying in Egypt and remaining a slave to a dying nation. God was giving His people detailed instructions on what to do in that very hour. They were no longer considered in the will of Jehovah to just practice spiritual worship as taught by their fathers. They had present spoken instructions to follow, there was a supernaturally inspired journey being revealed that they (by faith) had to take. Furthermore, there were various literal activities and instructions to follow through with and observe leading up to the journey. God was revealing His present will for the age. They had to follow the distinct instruction given to Moses. They had to trust Moses and this is why God vindicated Moses with signs and wonders. Through

the glorious display of supernatural, many people (a mixed multitude) became enthused and excited insomuch that millions came out of Egypt. In the end there was only Joshua and Caleb who had really believed God through Moses and they faithfully walked into the Promised Land benefactors of the Message of Moses.

John the Baptist

John preached 6 months and introduced the Lamb of God who would die for our sins. All those that received Johns Message, came to Jesus. Johns work was fulfilled as the voice of one crying the wilderness, the messenger to prepare the way before the face of God, and the friend of the Bridegroom. Those that rejected Johns Message stayed in their denominations and were not beneficiaries of the grace of God that was dispensed through John. Johns actual Message was to introduce the corporal body of Jesus Who was the manifested Word. Jesus was Johns Message in fullness and after the intro, John was briefly removed from earth as his work was complete.

Hard Questions Series Part 1

Paul the Apostle

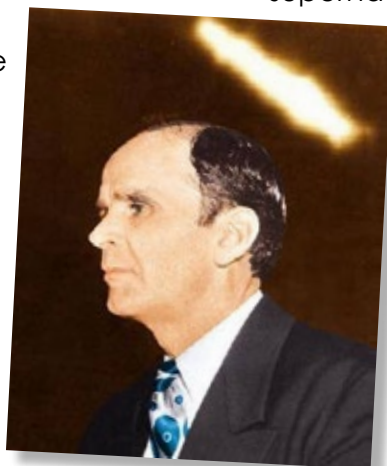

Paul took the church from Judaism and brought them into Grace through the Book of Hebrews. Furthermore, he actually spoke the words to the Jewish worshipers who were

unwilling to receive the Message of Paul *"It was necessary that the word of God should first have been spoken to you: but seeing ye put it from you, and judge yourselves unworthy of everlasting life, lo, we turn to the Gentiles."* This marked the change of dispensation and God spoke this through a human vessel. Paul also said: *"If any man think himself to be a prophet, or spiritual, let him acknowledge that the things that I write unto you are the commandments of the Lord. But if any man be ignorant, let him be ignorant."* All those that walked in the doctrine of Paul received the atonement and walked in the provision of the Lord dispensed through the man Paul. Even Peter had to recognize that Paul was ordained as the messenger to that Age to take the Gentile people right into grace and onto perfection. God ensured that His people heard the voice of Paul and even today, the very doctrine that was revealed to Paul is the foundation of truth by which all doctrine can be compared with – even though there were many others who also preached, the authority and highest office was in Paul who was led by Christ. This is always the way God does things – through one main leader to bring a whole nation from one place to the next whether it be a spiritual nation (church/bride) or a natural nation. Once again, the believer must see beyond the human vessel and place their faith in the God Who sent the messenger. However, as Jesus said, ye must receive those whom He sends to receive Him, all in balance.

William Branham

Brother Branham was to be the vessel sent in the spirit of Elijah by God himself to introduce the fullness

of Jesus Christ to the Gentiles, to restore the Altar of Worship in Spirit and in Truth. To preach and bequeath the inheritance that Adam lost. This is also found in the sealed Book that Daniel broke into (by vision) and was told to wait until the time of the end. This is also the same sealed Book that John saw in the hands of the eternal Father, John also heard the mysteries contained in this Book and was told to write it not. This Book had to be opened in the last days to reveal Who Jesus really is and who they (the elect) really are, to liberate the people from all complexes and sin; restoring them to son-ship like Adam had before the fall; Son-ship that Jesus expressed with His complete dominion over nature and all demonic power; like what was shown in William Branham's life, we too are to come to this through the hearing and eating of the open Word because the very thought of God is placed back into the truth of Scripture and Jesus is revealed in full. If we decide not to walk in this brilliant light we will be deprived of the provision and purpose of God in sending this Message of restoration. By reading the prophets' life story one will soon see that this was not a normal ministry, God was (and still is) doing something tremendously major and is now bringing the results which is leading to something even more major... the manifestation of the sons of God collectively.

These Major Prophets had a Message through which God gathered His children for a major change. If the people refused what the messenger was commissioned to bring, they would not have moved into what God was leading them into. Whether it be an Ark to float above the water, a pillar of fire to be led out of Egypt, or a mighty ministry of truth and supernatural to turn their hearts back to the true and Living God in Spirit and in Truth. Man naturally evolve into their own method of worship where eventually, they hear their own concepts of God from their pastors who fail to receive anything further than what they were founded upon. This stagnancy becomes idolatry as God moves on with His divine plan fulfilling Scripture; any church found in this condition gradually employs programs and emotional entertainment to keep their people interested.

To be continued...

Amazing Grace!

Revival Stirs Uganda

As seen in pictures that almost seem imaginary, hundreds of spiritually hungry believers in Uganda lined up for Baptism in the name of the Lord Jesus Christ. Clearly this is a harvest that has been heavy on the vine for some time. The revival can be traced back to late December, and the passage of a few American Brothers through the area on their way to a convention. While passing through, they were able to share and witness with some Ugandan pastors, then continued on their way. The seed hit fertile soil.

Soon Brother Fred Kayingi, who is the voice of the Message radio program in Uganda began receiving requests for more information. Meetings were arranged, and Brother Kayingi and his team traveled to central Uganda to meet the request. When the Scriptures were explained, 15 pastors believed and were baptized. These pastors returned to their congregations fresh with new light, and 117 more were baptized. This caught the attention of the denominations and the resistance began. In spite of this, more than 500 were baptized in the next two weeks. At this point the secular news media picked up the story, and published it in print and broadcasted it on TV and Radio.

The converted pastors are now opening doors for the Brothers to bring the Word into even more churches.

The denominational leaders and Bishops are resisting, but some leaders are sincerely examining the truth of scriptural baptism. New buildings have been rented to accommodate new believers who are no longer welcome in their former churches, but the revival is still growing, and more continue to come forward for baptism. As of two weeks ago, the number of new believers baptized is 990, and the harvest continues. The Brothers are now working through the scriptures with the pastors with additional instruction in the Word, so they can lead their congregations. Demand for Message books and recordings has spiked. The Radio Program is funded for a full year, and the revision of the

translation of the Church Age Book is almost complete and will soon be posted on the Message Hub website, but there is an immediate need for places to worship.

Resistance to the point of vandalism against the new believers has taken place, as true revivals always spark negative reactions. This is an unprecedented opportunity for believers everywhere to get behind a sovereign work of God, with their prayers and support.

Update: Israel Vision

Greetings once again in Jesus name.

I want to express my appreciation to all who replied to my email sent last month. The interest along with the support that was expressed - was greatly appreciated. In continuing on the theme of the **New Generation** of Jews rising up in Israel, I want to share with you what I believe is evidence of a spiritual awakening. Paul describes^[i] a “veil” that blinded Jews 2,000 years ago – a veil that must soon be lifted – and I believe is lifting even now! In like manner, the “**fountain**” which was “**opened in the house of David**”^[ii] 2,000 years ago by which the “blood” for cleansing was released, will also be seen anew by the Nation of Israel.

This awakening among Jews presents an incredible paradox. Though the New Testament clearly identifies Who this “**fountain**” is, Brother Branham stated specifically concerning the Nation of Israel; “**the Gospel’s not even to them...**”^[iii] Why? For much the same reason he was stopped from going to Israel while in Cairo, Egypt in the 1950’s.^[iv]

But without the NT, can this “**fountain**” even be recognized? Let us not forget from **where** we got our New Testament. God was in Jesus as the fulfillment of all that was foreshadowed and written in the Old Testament (the **Torah**, Psalms and Prophets) of **Messiah**. Every NT doctrine **originates** from **Torah**. As He said at the river with John the Baptist; “**...it becometh us to fulfil all righteousness...**”^[v]

The “lifting” of the “veil” and revelation comes as Jews read the very verses in their bible or **Torah** that speaks of Messiah – the same verses from which Jesus, Paul and the disciples preached. In

reality, Jews won't even need to read the New Testament, because they will see the very truths from which It was composed. Uniquely for them, the **fountain** truly opens in the **House of David!**

Allow me to share with you just one of many profound teachings that I've gleaned from Rabbi's I'm in contact with in Israel. **Leviticus 17:11** tells us that the blood “...maketh an atonement for the soul.” We understand that blood is central in redemption and also in confirming the covenants of God. Here is a Rabbi's expression concerning the depth of their understanding within the “**sprinkling of blood**” of the **covenant** as found in **Exodus 24:6-8**;

“And Moses took half of the blood, and put it in basins; and half of the blood he sprinkled on the altar. ^[7] And he took the book of the covenant, and read in the audience of the people: and they said, All that the LORD hath said will we do, and be obedient. ^[8] And Moses took the blood, and sprinkled it on the people, and said, Behold the blood of the covenant, which the LORD hath made with you concerning all these words.” [Ex 24:6-8]

“The two halves of the blood of the sacrifices represent the two sides of the covenant – God and Israel. Moses immediately sprinkles the first half of the blood onto the altar. He puts the second half in basins and later sprinkles it on the people – the Nation. Which half represents God and which half represents the Nation? The Midrash says, “Moses said before the Holy One,

Update: Israel Vision

*Blessed Be He, "What shall we do with **YOUR** portion?" He said to him, 'Sprinkle it on the Nation'. 'And what shall we do with **their** portion? He said to him, 'Sprinkle it on the altar.'"*

Our blood is sprinkled on the altar – an expression of our complete devotion. We nullify our will before God. The Jew gives himself to God, in the merit of which a covenant is made and God sprinkles His half of the blood upon us.

*What does "the blood of God" mean? The blood is vitality, the essence. "The blood is the soul". God gives Himself to us from within the **Torah** [Bible]. The first word in the Ten Commandments is **Anochi** - **בנא**, which we recognize as an acronym for ("שפנ אנא" **יְשַׁפְּנֵהוּ תִּבְתַּח**) "I wrote and gave Myself". God gives us the **Torah** [His Word]. His blood reaches all the way to us..." [Rabbi Y.G.]*

As Brother Branham said in the message "The Token" [\[vi\]](#):

*"Today it isn't the chemical Blood of the Lord Jesus, our Lamb, but it's the **Life** that was in the Blood, which is the Holy Ghost. It comes back and is the Token that we have accepted and did exactly what God told us to do. And then, by having the Token, we are identified with our Sacrifice. Perfectly..."*

The **Life** and **vitality** that is in the blood is the inspiration that Jews are identifying with and embracing! This spiritual thirst among Jews in Israel is evidence not only of a revival and awakening, but more importantly – that God's plan for the redemption for Israel is advancing. He is reaching out to His chosen people in Israel, and Jews in turn are identifying with the "soul" or "life" of their God. But unfortunately, not all Jews....

As Naomi of old, these fervent Jews often walk alone. They are abandoned and persecuted by Muslims, the ungodly throughout the world and worse - even by the

"liberal" Jews in their own country. So who will stand by these ones in their hour of need?

The scriptures give us an example of two women who were faced with a **choice**. Because Orpah had no faith in the God of Naomi, she was completely shut out of the unexpected blessing that awaited. Ruth too could have felt justified in abandoning her – thinking "**God will take care of her...I'm not Jewish, I have my own life to live...**". But through Ruth's faith - God proved how He would use her to be a vessel through whom He would greatly bless His chosen people and bring about a **new dispensation**.

We too have a choice. Will you let the *life of His blood* in you – show His love to **Naomi** in her hour of need? Paul was willing to lay down his life for his brethren. [\[vii\]](#) Just how **will** the dispensational change take place....? Could this be a further part of **why** we are still here? The scriptures indicate that there is something we can do! And as an expression of our faith, do it we must...

May the Lord bless you, your Brother in Christ,
Brother Tony Abma
