Mission Work In India

Reaching The Unreached

January - March 2018

Dear brothers and sisters in Christ, Greetings to you in the most wonderful name of our Lord, Jesus Christ. We thank and praise God for the blessings and provisions that God made available for us to go forward in the mission field. **BY HIS GRACE SINCE THE YEAR 2018 STARTED WE HAVE BEEN EXTREEMLY BUSY IN THE MISSION FIELD, EVEN NO TIME TO MAKE THE REPORT, JUST GOING TO SHARE IN BRIEF.**

Andhra Pradesh

Since a long time Message people in Andhra Pradesh (South India) were requesting us to visit them. The Lord enabled us to go there for a week. It was a very tight schedule there, like three services in a day

and lots of travelling too from one place to another. Tired but with a great rejoicing we returned home with lots of testimonies.

Lord willing we are going to make another 10 days mission trip to Andhra Pradesh next month from 1st to 12th of May. Solicit your special personal prayers that these meetings will be a great blessing for the Bride of Christ..

12 Baptism in Sultan Pur

Brother Lakhvir Singh is ministering among the drug addicted people in the area of SULTAN PUR. There are

eighty percent criminal (involved in drug dealing) in this town. Lord is helping to transfer the life of young people through him. A small group of

some 25 people have started to get together for the fellowship in this place. PLEASE UPHOLD THIS CHALLENGING WORK IN YOUR PRAYERS.

39 Baptisms in UTTAR PRADESH

Uttar Pradesh is home to nearly 200 million people. Millions of Hindu pilgrims visit each year to seek cleansing from sins in the Ganges River. It was reported by some sections of the media that there was an increase in incidents of violence against Christians after the new BJP government under Narendra Modi came to power after the general election in April-May 2014.

The small Christian minority in the northern state of Uttar Pradesh, population 200 million, are the target of increasing violence. Christians are often viewed as being anti-nationalist due to their commitment to worship only the God of the Bible rather than the Hindu deities.

Bro. Amanat, Bro. Puran and Bro. Buta Ram are continually going there to do the follow up work among the churches which have been already established. Last month they were able to go in an area which supposes to be dangerous for the Christians. Lord protected them from all danger and harm and gave them a good harvest of 39 baptisms from the Hindus. We are inviting the main persons in the Punjab once a month to teach them more.

57 Baptisms in Rajasthan

Rajasthan is a vast desert region of 68.5 million people who are thirsty for the Gospel. Christians are a tiny minority of just 0.1%, and are mostly within the Dalit (Untouchable) and tribal groups. Nearly 89% of people are Hindu.

All the believers who got baptized

Three missionaries from Punjab work in Rajasthan, especially in Udaipur and the surrounding areas. God has been working in these parts through these brothers for His glory. Quite a number of people have come to the Lord after being healed or delivered through brothers' prayer.

Last month bro. **Piyush, Bro. Naythan and Bro. Philip** made a 10 days mission trip to Rajasthan and preached the Gospel at many places.

One Pastor by the name of **HIRA LAL KHRADI** has embraced the Message with his whole church in a village Banswari Gujjar. The people in this village are very poor and simple in nature. They tend to worship anyone who brings God's Word to them.

Bro. Hira Lal has managed to establish a lively church in this region through the grace of God. He and his believers preach the gospel in the surrounding areas also despite the trying circumstances and difficult terrain.

Please uphold Bro. Naythan, Bro Piyush and Brother Philip for their next 12 days trip from 01st to 12th of May to Rajasthan next month, seventeen hours journey by train. They have scheduled to meet some new pastors and new believers at different places there.

We invited Pastor Hira Lal and his wife in the Punjab to help him to understand the Message and the Word of God more clearly. He spent few days with us and returned home happily and rejoicing because of the things he learned.

WE NEED YOUR SPECIAL PRAYERS AND SUPPORT FOR THE MISSION WORK IN THE STATE OF RAJASTHAN.

FIROZPUR5 Baptism in Firozpur

We praise God for Brother Samson who has started ministering in Firozpur area with a burning desire in his heart to take the Message among the people who are bound in sin and denominations. It was his zeal for the glory of

Bro Rajiv n Samson baptizing young people

God that inspired him to leave his job and devoted his whole life tirelessly for the work of God. God

is using this young man among the young people with all the affection of his heart. Recently he baptized five young brothers and sisters who have accepted the message of salvation, through his witnessing to them. We have noticed it is much easier for God to do something revolutionary with young people, to turn the age or people from one direction to another direction. **SOLICIT YOUR SPECIAL FERVENT PRAYERS FOR BRO. SAMSON**

BATHINDA Baptism in Bathinda

It is joyful to see more souls are added in the Fold. We rejoice when we see God open people's eyes to behold the supreme beauty of Jesus when the gospel is preached, that's what happening in the city of Bathinda where our precious brother **Rajinder Kumar** is ministering the flock. Few more souls have been added in the Kingdom of God.

Bro. Sukhminder and family staunch Hindu and highly educated but accepted the Lord and all of them took baptism, Bro. Sukhminder, wife Doctor Parveen and son Deepak. Sister Parveen who herself is a doctor by profession had chronic kidney disease and she never felt any symptoms of the disease until her kidney function decreased to a very low level. Doctors tried to help her but all went in vain, till there was not any hope and medicine that could help her. Her health was so bad that she was unable to walk, talk and eat etc. Then she and her family heard about the Lord Jesus Christ and accepted Him as their healer and Savior and the Lord healed her completely. Now she is not taking any medicine after she came to the Lord and started to go to her job again and testifying the work of the Lord done in her life. Now her whole family (Three members) is in the Lord. Also we praise God for other people who have also experienced the same power of God in their lives and have same kinds of testimonies and got baptized.

MUKATSAR Newly Reached

We are proclaiming the gospel in often unreached villages and towns establishing house churches where believers meet in their homes (sometime rented). A local pastor is appointed to take care of the spiritual needs of these churches, conduct worship and teach.

We are proclaiming the gospel in often

Pastor Ashok Kumar

Lord has opened a new door to us in a city called **Mukatsar**, it is a 14th largest city of Punjab, in

terms of population. **Bro Ashok Kumar** has started the outreach work in this place and we are visiting him to help in the evangelism work. Few people have started to come for the Sunday service. They now, have expanded into open air worship services each Sunday and are winning people to Christ and Baptism. We are able to reach out to the spiritual needs of those who are steeped in

the traditions of idol worship and set them free. Recently we have laid a foundation to make a small church building for the fellowship there.

There are numerous opportunities for evangelism, albeit sometimes with difficulties and obstacles from local village leaders, just put this matter in your sincere prayers.

PRINTING OF THE MESSAGE BOOKS

We are glad and rejoicing in the Lord for His grace to enabling us to bring the Message of the hour into our native language. We have been able to print two

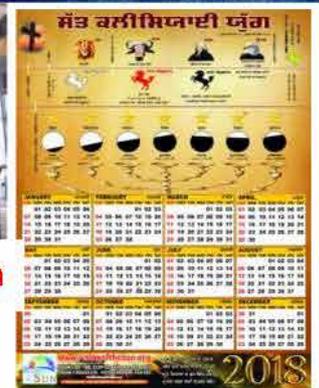

Messages this year. **MOSES** and **Seventy Weeks Of Daniel**. We have seen and witness that our people were excited to have the opportunity to read Daniel's

Seventy Weeks in their own language. We

are pretty sure this Message book will be a great blessing to the Bride of Christ in India/Punjab.

Packing books for distribution

We give God all the glory for what He has done and is doing in the great nation of India. Our prayer is that the same life-giving movement may be true everywhere.

Gospel Meetings at different places

There is lot to share what is happening in the Mission field in India, but it is not possible to write all the details of the outreach work we have done and doing every day. We have conducted lots of house meetings at various places, lots of follow up work and lots of visiting, and organized many conventions at many different places in the Punjab in the past four months. We were able to distribute thousands of Message books and free Bibles to the needy and interested during the last four months.

God is performing miracles and using bringing His children to Himself every day, even among some of the most unreached peoples of the world. Praise God for His faithfulness and the work He is doing through ordinary men! Please continue to pray for our ministry in India.

GOD BLESS YOU ALL

Your brother in His Vineyard

END TIME MESSAGE (PUNJAB, INDIA)

Israel: ...Do You See The Miracle!!

Shalom and greetings in Jesus name.

The world is once again forced to take note of the absolute clarity and power of the Word of God as the nation of Israel celebrates their great milestone of the 70th anniversary of her Independence (April 19) and Statehood on May 14th. These were the days that God declared to the modern world that **now was the time** that His Word and promises would once again be proven true. His chosen people were restored to the land that **He gave them**. Return and multiply they did! From a mere 600,000 in 1948 - to over 6 million today.

We are the generation that is blessed to witness the miracles of Isaiah's prophecy¹ - that a nation was "**born in a day**" and of Jesus parable concerning the budding **fig tree**². It is the only time in history that a people which had been defeated and were scattered throughout the world, returned to reinhabit their land and **prosper**.

These are profound prophetic events of the final, last days redemption. When Brother Branham saw the film produced in 1950 entitled "**3 Minutes to Midnight**" showing the first Jews returning to Israel, he describes the effect it had upon him as; "*...I've never **been the same since then**, after seeing this wonderful picture.*"³

*"When I seen those Jews return in, back into Jerusalem, I come down here at the Tabernacle, and I said, "I feel like I've had a **reconversion**." Many of you remember that. I said, "To see those Jews returning back..." Jesus said in Matthew the 24th chapter, "When you see the **fig tree putting forth its buds**, you know what to look for." See? The Jews returning..."⁴*

This was a film that he also said; "*...I want you to be sure to see it...*" Thanks to modern technology – now you can view this original film (36 min) at the following link. You will see amazing footage of a primitive Israel in 1950 that had only just begun to bud.

Israel's miracle of restoration is unprecedented. Of all the tributes celebrating this incredible event, none that I've seen so beautifully and scripturally conveys the myriad of accomplishments through these seventy years, as the video entitled; **Israel's 70th - Do You See The Miracle?**

The narrator, Rabbi Gimpel, appropriately focuses on the prophecy directly associated with this miracle; Ezekiel 37 and the valley of dry bones. God said to Ezekiel; "*...these bones are the whole house of*

¹ Isaiah 66:8

² Matthew 24:32

⁴ The 70th Week of Daniel; 61-0806; Par 54

Israel:⁵ and questions: ***Can these bones live?*** Though Ezekiel could only reply; ***“...O Lord GOD, thou knowest...”*** we are the generation that has witnessed the fulfillment of prophecy and can answer with a resounding ***YES! They can and they have!***

In the Psalms we read that the days of a man are seventy years⁶. Though a small remnant of Jews has always resided in Israel throughout history, this is the first generation in nearly 2,000 years that a Jew could be born – and die – in a ***sovereign*** Israel! But the number 70 also has a spiritual meaning to it, as Rabbi Gimpel states:

“...the number 70 is represented in Hebrew by the Hebrew letter “y” or “ayin” which also means “eye”. For 1,948 years the Jewish people have been praying “may our eyes see Your return to Zion”. We are not praying that one day we hope to see your return to Zion, but let our eyes SEE that it is already happening...right now!”

You can see the miracle of this restoration unfold in this short video (7 min) by going to this link:
<https://youtu.be/3HkaqO1Br8E>

As Rabbi Gimpel emphasized, many in Israel are longing to see the Messiah ***now!*** How thankful we can be that our eyes have seen the Lord’s appearing as He as descended in these last days. As Brother Branham said;

“...If we could only realize that He is appearing to us in these meetings, for one purpose, that's, to release our desires that we have in Him, to us...”
William Marion Branham⁷

But the Lord descending is also for His chosen in Israel. May the Holy Spirit bless the elect in there as He ushers them into the presence of their ***Joseph***, the long awaited Desire of All nations.

For thus saith the LORD of hosts; Yet once, it is a little while, and I will shake the heavens, and the earth, and the sea, and the dry land; [7] And I will shake all nations, and the desire of all nations shall come: and I will fill this house with glory, saith the LORD of hosts. [Haggai 2:6-7]

May the Lord bless you,
Your Brother in Christ,
Brother Tony
