From Our Prophet

"And now It's ripe, to bring Him back exactly like He was at the beginning, His same ministry; the same Jesus, the same power, the same Holy Ghost. The same One that come down on the Day of Pentecost, is the same Holy Ghost that's manifested today, from Glory unto Glory, to Glory. And is back to Its original Seed, with the baptism of the Holy Ghost; with the same signs, same wonders, same baptism; same kind of people, acting the same way, with the same power, the same sensation. It's from Glory unto Glory. And the next will be, "Changed from this Glory, into a body like His Own glorious body, where we shall see Him." Abraham saw the same."

Let the Bride in VN rise in love

Greetings saints, just an update on what is happening in Vietnam. We will be heading into the nation at the end of April. There is a vision forming for the trip which is being Divinely orchestrated by our Mighty Captain.

The ministry is continually moving into visionary style where we begin to see things happen pro-actively before it takes place. Did not Jesus claim this style of ministry? He also said that we would do the same works as Him.

This experience can be described as walking in the vision of answered prayer. This is expected as Satan steps up his game and increases his defenses, God raises a standard that completely smashes Satan down to naught. We are on the winning team, actually our team has already won. House of hell, give away!!

We have our translators lined up and are now in the process of arranging the meetings in the different regions. We will cover the entire nation this trip. It is upon our hearts to fellowship with the various groups. I have it on my heart to pray towards Divine appointments which would lead us to God's

chosen vessels who will catch the Heavenly Vision, and with the new birth come into their positions and take this Message as locals to locals across the nation.

Vietnam is not a normal place, the culture in this nation poses many obstacles, but once the people allow God's perfect love to cast out fear, they can rise up to the challenge and really break through to the new birth. Due to the culture and pressure of normal life, many people struggle with fear.

Let's pray that the brethren receive courage to surrender all to the Lord Jesus and trust only in Jehovah Jireh instead of the arm of flesh to provide their needs. Things are going to change in Vietnam, and this is God's work, stand still.

God bless you , Bro Andy

Update on the

Chinese King James Version Bible

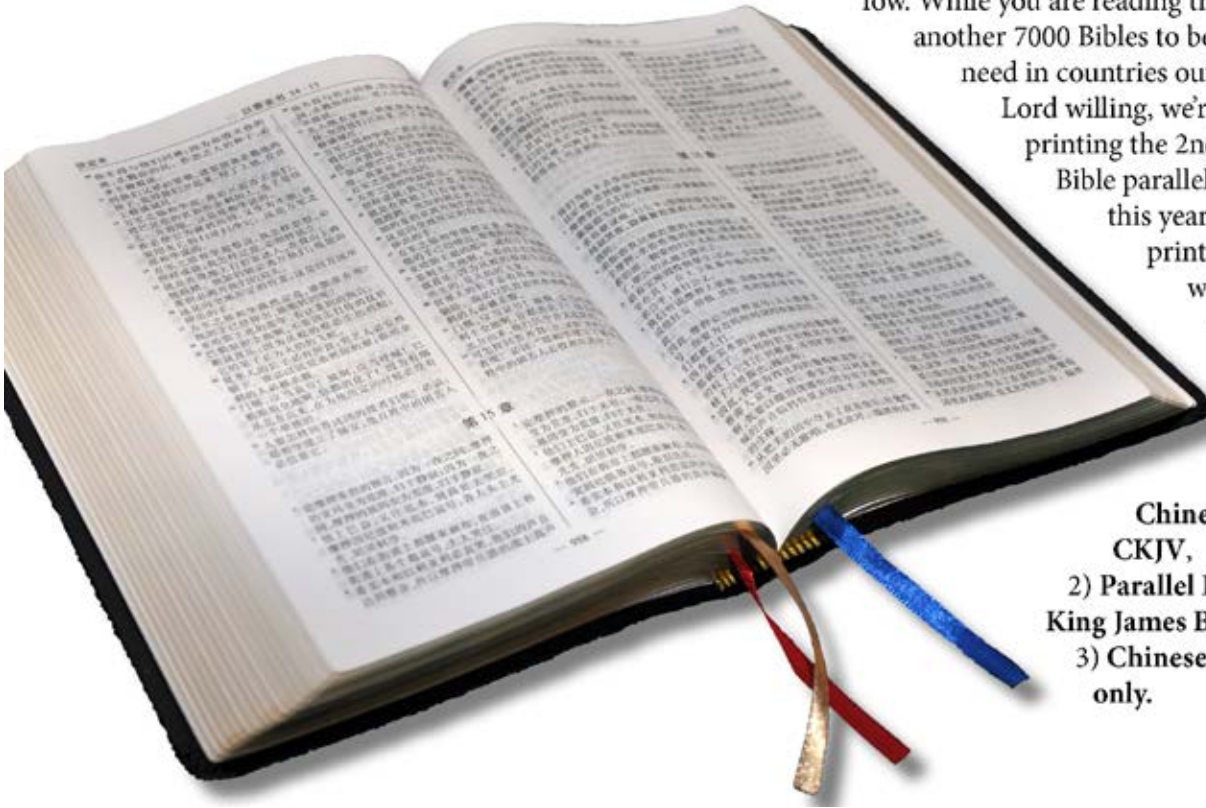

We're still in discussions with the department that oversees religious printing in all of China over the possibility of publishing and distributing the CKJV Bible in China. It took longer than we expected because the religious situation in China is quite sensitive at this time. We know God is in control of everything. On another front we're making progress in getting the CKJV Bible to the churches in US and Canada. The stock of Bibles is running

low. While you are reading this, we have ordered another 7000 Bibles to be printed to supply the need in countries outside of China. The

Lord willing, we're looking forward to printing the 2nd edition of the CKJV Bible parallel version by the end of this year. We're also going to print a stand-alone version which will have the CKJV alone.

This will bring the Bibles to three types:

- 1) **Parallel Chinese Union Bible and CKJV,**
- 2) **Parallel English and Chinese King James Bible, and**
- 3) **Chinese King James Bible only.**

CHINA

...THE LORD WORKING WITH THEM

And they went forth, and preached every where, the Lord working with them, and confirming the word with signs following. Amen.

Mark 16:20

Greetings Brothers and Sisters. I finished a fruitful one-month trip to China where I witnessed the Lord moving mightily. The Message is continually being spread by faithful God-called men in China, despite facing pressure everywhere. During my visit, I found the pressure had increased since my last visit. The police have been visiting churches, but the Lord has brought the Believers safely through. Not discouraged, these Believers have increased in their faith and zeal and fervency for the Word in this hour. The increased pressure has only caused them to have more urgency to bring this Message to people who have never heard.

In China, control of internet content is also getting tighter, especially for Christian material, but the Believers there continually use the internet to spread this Message like never before. More and more people are discovering the Message through the internet, and many become Believers.

The meetings we had on this trip were live-streamed to many locations all over China. We hear back from individuals, and even churches, by texts and emails, requesting the CKJV Bibles and Message books. The Holy Ghost is moving mightily in all parts of the country drawing the elect to the Light of the hour. As a result, churches baptize new believers constantly.

One Brother in the South who helped us print the COD book accidentally cut his foot with a sharp jigsaw. But the Lord gave him a rapid recovery and more of the Lord's will manifested after the accident. Because of the cost of the medical bill, he had to leave the expensive city where he was living with his wife and three children. This caused another

gift of God to find its place. The Brother always had a desire to spread the Message, but now he had to stay at home because of the condition of his foot. So he started streaming an internet radio broadcast online every night, where he shares the revealed Word. After a few months, there are 500 followers. They log in from almost every province, some even from the Muslim province in the West.

Wonderful signs and miracles followed our trip. One Sister came to the hotel even before the service. She asked if we could pray for her because she has been tortured by severe headaches for years. So we shared with her the Word and prayed for her. A few days later she came to the church and testified that she was totally delivered, and had not had one headache since then.

We prayed for a Brother Liu not long ago, and met him again. He was diagnosed with TB about three months ago. His wife was in Canada visiting in my home at that time. So we gathered together with her and prayed for Brother Liu. In that prayer I remember saying, "Lord we are asking You, not the doctor, to write the report of our Brother Liu. And let the doctor tell Brother Liu that he's perfectly fine." A few days after we prayed, Brother Liu sent the x-ray and CT scan report to another hospital, where a friend of his knew the doctor. A few days later his friend phoned him and said the doctor had the result, if he wanted to know. He said he was afraid to read the report, and asked his friend to open the report and tell him what the doctor said. His friend opened it up and read it to him and said, "You don't have TB, you're perfectly fine." Praise be to God.

I had the chance to visit Brother Caleb's church, and he shared a testimony with me. While Brother Tom was preaching in China last February (when he traveled there with Brother Ron), Brother Caleb took one of the handkerchiefs that Brother Tom used to wipe his face while preaching. A few days later while Brother Caleb was preaching, a little boy ran to his father and fell in his bosom. He said his stomach was in pain, and even his face turned pale and his lips became purple. His father was troubled and didn't know what to do. So he motioned to Brother Caleb to come to pray for his son. Brother Caleb had just started preaching, and gave the title, *God is Fulfilling His Word*. He walked down without any Word from the Lord but just said,

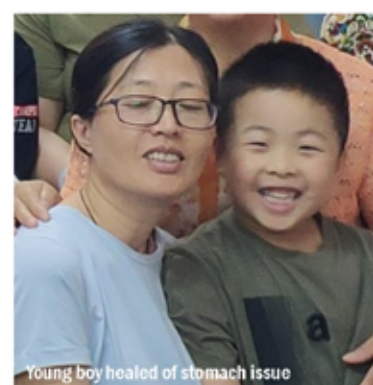

"This is the time Lord, for You to fulfill your Word." Then he applied Brother Tom's handkerchief and prayed, then returned to the pulpit to continue to preach. Almost immediately, the boy's face turned back normal, and he ran out of the father's bosom and went into the room to play with another child. The people's faith was strengthened.

There was a couple also present who were not sure if the Message was right. They had just converted from being idol worshippers. But when they saw this miracle, they were fully convinced, and gave their hearts to the Lord. They have come faithfully to the church since then.

During the meetings in Shanghai, a lady came to the service. I was preaching about how this world has gone insane. I was talking about how people are so depressed in this age, but Christ is the answer for all these problems. The pastor afterward told me that this lady is such a case. He said she was deeply touched by the Word. She said she knows that the Lord is her only hope. She has been coming to the services since then.

In a meeting in another city, I quoted where Brother Branham said that a Holy Ghost-filled believer can go totally insane, but satan can't get his soul. After the service a Brother came to my hotel. He said "Brother Murphy, you don't know what that service did for me." He said he was just discharged from the insane institution less than two months ago. He was wondering if he was still a Son of God because he's been in the institution four times already. He testified that the service totally delivered him.

A Brother who sells fried donuts on the street to support his family had a burden to spread this Message. He started to witness online to many Christians. He said he used to try to make money to support his family, but it seemed he could never make ends meet. Still, he had such a burden to get this Message to the people that have not heard. One day he just prayed to the Lord saying, "I just have to go out and share the Message, no matter if I can make ends meet or not." His wife was in total agreement with him, and encouraged him to go out and not worry about her and the child. He went in faith, believing. He said the miracle-working God has never let his family go hungry since then. Actually, after going out to share the Message, now ▶

he can meet all his expenses. The Lord has blessed his efforts and many people have received the Message through his witness.

This Brother also shared this Message to a Sister in Northern China, who in turn shared the Message to a house church leader in

Brother who sells donuts (second from left) witnessing

Witnessing in Inner Mongolia

Inner Mongolia (a province in Northern China). This leader and his wife live in an area concentrated with tribal people. Most of his congregation belong to a tribe called Dauer. Many of those people are still living the nomadic life of their forefathers. As soon as he saw the Message, the Lord opened up his eyes and he believed. His wife is physically blind. They both came to Brother David for baptism. He said to Brother David, "We believe God will make my

wife to see again. But don't you feel any pressure. We don't believe this Message because of that. Even if my wife is still blind all her life, we still believe this Message is the Truth." They were baptized few months ago.

After the couple received the Message, the fight began. He was removed from his pastorate because he received the Message, but he started to meet in the house along with his wife, and to faithfully bring the Message to whomever the Lord might bring in their path. A co-worker of another house church previously affiliated with this Brother came to visit them after they were baptized. When he saw the change in this couple he was really amazed. He said before they received this Message, the husband and his wife would fight all the time, even while he was visiting them. But now he saw them loving each other like never before. Such a dramatic change in such a short time convinced

him that this Message has life. He desired this so much, but could never find it in his denomination. He was also baptized in the Name of the Lord Jesus Christ and took the Message back to where he lives.

This same Brother's niece heard the Word, she believed, and her life started to change. When her husband saw the change in his wife he become curious what had happened. He came to the service and listened. The Lord touched him too. He also received this Message.

Day after day, the Lord adds to the church, such as should be saved. There are too many testimonies to share them all, and many I can't share without compromising the safety of the Believers in certain situations. But all in all, seeing the supernatural manifested, we are privileged to see the Lord making His final move to bring the last sheep in, so the rapture can happen.

Let's put our shoulders together to bring this rapturing Message to every corner of the world. The Believers in China thank you for your support and prayers. May the Lord bless you. ◀

Israel: The Secret of Sisters

Shalom and greetings once again in Jesus name.

I continue this month's email and return to the scene of Ruth with Naomi as it relates to the Bride's ministry in these last days. How will this be? A clue is given in how closely the Gentile Ruth and the Jewish Naomi worked. Counseled by Naomi, Ruth embarks upon a secret mission. This was no ordinary mission, and certainly no ordinary Gentile. Ruth had embraced God's covenanted, chosen people in a very deep and spiritual way. The revelation and faith that moved her - caused her to realize that her destiny, her redemption and future was inseparably connected. It is a secret that God hid in this scene of how He used Ruth, the *Gentile*, as the one who was to inspire and spur the Kinsman Redeemer into action - and not Naomi.

Here was Ruth, embarking upon a mission - that if discovered - would be misunderstood and have ended in complete shame and disgrace. God was surely watching over this key scene in His glorious plan of redemption. It was His will that a Gentile urge a Jew to take up his role as *Goel*, the Kinsman Redeemer and bring redemption for both Jew and Gentile.

As we understand, redemption consists of *two* components; the purchase or coming out – and the possession or entering in. In these scriptures that introduce the plan of Redemption, we see how it necessitated the joint efforts of Jew and Gentile. This is an example and pattern of how the final, last days *redemption* too will take place within the Nation of Israel.

Another important scriptural clue that provides even further insight into the unfolding plan of redemption is imbedded within this beautiful scene of Ruth. In Ruth 4:11 we are taken back to the scene of Leah and Rachel;

"...The LORD make the woman [Ruth] that is come into thine house like Rachel and like Leah, which two did build the house of Israel: and do thou worthily in Ephratah, and be famous in Bethlehem:"

Interestingly, this reference places Ruth within the very foundation of "*building*" the nation of Israel along with the matriarchs Leah and Rachel. In an email written a few months back, we looked at the numerous scriptures that refer to Israel as being married to God. Brother Branham too emphasized this point;

"...God's own Life is bound with Israel. He's married to her...His Life is bound to her just as I'm bound to Mrs. Branham back there, my wife, and you're bound to your wife. Your life is wrapped in it. And God is married to Israel..."¹

We are all well acquainted with the fact that the Gentile Bride is also referred to as the *Lamb's wife*.² So what is deeper lesson in this account of Leah, Rachel and now Ruth, that applies to us? How does the unfolding plan of *redemption* in Ruth - connect with the rivalry of two sisters sharing one husband in Genesis? A scenario further compounded by the fact that God seals with a command at Sinai in **Lev 18:18** that a man is never to marry sisters again?

This blessing proclaimed upon Boaz to make Ruth a "*builder of the house of Israel (i.e., Jacob), just as Rachel and as Leah were*", at face value seems honorable enough. But Leah and Rachel's relationship is one of deep intrigue. First, it appears as though these loving sisters were thrust into a marriage by deception. Following that,

¹ The Sixfold Purpose of Gabriel's Visit; 61-0730E; Par 75

² Revelation 21:9

Israel: The Secret of Sisters

Leah & Rachel in the exchange of *Dudayim*

their relationship devolves into bitter envy, competition and jealousy. Then there is the mysterious “bargain” where Rachel trades Leah for a night out with Jacob, in exchange for Reuben’s “*dudayim*” - translated as mandrakes.

What did the ancients know to invoke such a blessing upon Boaz? Was Ruth to be a wife like these two bitter rivals? And what “*work*” was it that Rachel did³ that the Holy Spirit caused Jeremiah to say she was so blessed for? Then in all of this, the Holy Spirit inspires Matthew to connect Rachel to the very birth of Messiah!⁴

Once again we turn to the insight provided by God through His prophet who comments on these scenes of Naomi and Ruth and of Leah and Rachel. He said; “...***And the Gentile church is just a sister to that woman, the Israelite church. Certainly...***”⁵ In the **5th Seal** he makes another profound reference to Jacob when he crossed his hands over Joseph’s children. This was done that as; “...***Israel blessed them by crossing his hands, from the youngest to the oldest, to cross the blessings from the Jew to the Gentile...***”⁶ As “sisters” Brother Branham also states; “...***of the younger church to come in... crossed from the old orthodox over to the Christian way by the Holy Spirit that crossed Israel's hands. He said, "God has crossed my hands." He had nothing to do with it.***”⁷ Brother Branham also stated: “...***Now, I want to liken this morning, Naomi, the elder lady, to the orthodox church, the Jewish orthodox church, Ruth, the Moabite, a Gentile, being the Christian church, the new church...***”⁸

While space does not permit a more detailed explanation, the truths drawn from these scenes enable us to understand the mystery of **redemption** in these last days. That there is a work, a divine prophetic partnership for the younger, “***new church***” of today. This people, married to the same One, are to reach out to the “elder” in love. They will overcome the wall of partition,⁹ the animosities and competition that has separated them for centuries and reach out in a ministry of reconciliation and redemption that welcomes our Bridegroom and King.

Won't you partner with me in this burden and end time ministry that promises to bring the fulfillment of God's great plan of redemption for Jew and Christian?

Brother Tony Abma

ENDTIME EASTER CONVENTION

TITIRANGI WAR MEMORIAL HALL

Greetings Brethren,

An invitation is extended to all brothers and sisters in Christ to come and be a part of our Easter Convention. It is always a blessing to have brothers and sisters come and gather together in fellowship, and one accord, worshipping our great Lord and Saviour, Jesus Christ.

The meetings will be held at the Titirangi War Memorial Hall; please see the second page for further details.

When Jesus Christ came, He emphasized God's purpose. He said, *'I have come that you might have life and that you might have it more abundantly'*. God is glad every time someone is motivated to walk out of the darkness of negativity into the sunshine of His rich life.

When God came home to live in you, through Christ He made you a partaker of all that He is. The only way you can be poor is not to recognise Christ and His power in you.

"When you seek the Lord, you will not want for any good thing"
- Psalm 34:10

"The Lord hath done great things for us" - Psalm 126:33

The natural man cannot climb up into the realm of the spiritual and the spiritual does not come down into the realm of the natural. His regeneration power can lift and heal and save and bless anyone. He is our source and He never quits.
